**A Warm Welcome** to our visitors this afternoon from Totton & Eling for this FA Cup Extra Preliminary Round fixture. Totton & Eling are a Southampton side playing in the Premier Division of the Sydenhams Wessex League. Like ourselves they have had a tough start to the season having lost their opening three fixtures, two in the league and one in the Wessex League cup competition.

This is the second home league fixture to be played at our temporary home of the Cornium Stadium following Wednesday night's game against Highworth Town. With midweek games now being on a Wednesday night, and the programme needing to be at the printers on a Thursday morning, it is a bit of a nightmare getting a programme completed for a game on a Saturday, where that game comes straight after a midweek game. I suspect I will be unable to make many of the midweek home games where our fixtures fall like this. It will also mean that information will need to be provided as soon as possible after the game to ensure statistics are up to date for the Saturday fixture.

Last season we had a tremendous run in the **FA Cup** which saw us make it all the way through to the Second Qualifying Round tie against Conference South side Dorchester Town. The fine run brought in close to £6,000 in prize money and

we had an enjoyable day out at Dorchester, eventually going down 4-0. Dorchester went on to defeat Plymouth Argyle in the First Round in front of the ESPN cameras, eventually going out in the Second Round proper losing 2-1 against Luton Town.

It would be great if we could go on another such cup run but we have been dealt some tough draws if we are to progress. Starting with today's game against a good Wessex league Premier Division side. The winner of today's game will meet Downton or Sholing in the next round, with the winners of that one meeting AFC Totton. Our visitors today will no doubt be eyeing up a money spinning derby against their nearest rivals.

Hopefully we will attract a large crowd for the fixture today as these FA Cup games have a habit of attracting the neutral spectator along as well as our own supporters. The lads could certainly do with your support in helping get that first win of the season. Unfortunately I will not be here today but will make my first league game of the season at Binfield on Monday.

The **opening day of fixtures** in the UHlsport Hellenic Premier Division last Saturday certainly saw some high scoring games. Flackwell Heath's 9-0 drubbing of Kidlington was the most eye catching

result. In total the opening day of the season saw no fewer than 51 goals scored in the Premier Division. Binfield defeated Abingdon Town 7-0. With Binfield and Flackwell Heath being our next two league fixtures, both away from home, we know we are in for some more tough games to start the season.

In other games played Ascot United travelled to Abingdon United and won 5-0. Wantage Town also got off to a flier beating Newbury Town 5-1 Ardley United and Highworth fought out a 4-4 draw, this after Highworth took a 4-1 lead after a quarter of an hour through a TJ Bohane hat trick and a goal from former Wootton Bassett player Richie Saunders. In a bad day for Swindon sides, Holyport won 3-0 away at Shrivenham.

**Highworth Town** on Wednesday night saw a narrow 2-1 defeat and a much improved team performance from the display at Bracknell. We dominated the first half and took the lead seven minutes before half time when defender Shaun Carter climbed highest and headed home Alex Rigley's corner. We held the lead until the 70<sup>th</sup> minute when Lewis Page bundled in to level the scores. Shortly afterwards, with Bassett's players tiring, Darren Smart provided the sucker punch. Hopefully today will see us secure that first win to build up confidence ahead of

Monday night's tough trip to Binfield.

Hoping to prove their skills have not diminished with age, a team of **Wootton Bassett Town Veterans** entered the Wiltshire FA Veterans 11 v 11 Summer League.

Bassett's Veterans started their campaign with a narrow 2-1 defeat against Juventus. Juventus quickly established a 2-0 lead, but Bassett got back into the game after the restart and halved the deficit thanks to a fine Jim Miller goal. A little more composure in front of goal in the closing stages could then have secured a point.

A week later, playing in the summer heat and with just a bare eleven players available, the Veterans' (pictured above) second match against Swindon Centurions was always going to be a tough affair. But the entire Bassett team battled hard and narrowly prevailed 2-1 to secure the three points. Bassett's goals were well worked as Jeff Tidy and then Steve Fisher found the back of the net, Jim Miller supplying the crucial, final pass for both. Given that final group stage opponents HM Veterans came into the game with just

one point, Bassett were confident of grabbing a victory that would secure them a top-two finish.

However, things didn't go well on the day. At the break, HM held a 1-0 advantage and following the restart soon established an unassailable 3-0 lead. Bassett's Vets team only really started to play in the final twenty minutes and grabbed a consolation through Simon Jones following a nicely worked move. Despite this defeat they did make it through to the semi-finals of the competition where they would again meet HM. Same opponent, same result as the Veterans went down 6-1, Steve Howse with the consolation goal. Once we move to the new ground I am sure we will be running a Veterans side in the well established Uhl'sport Hellenic League.

The **Development Side** get underway this afternoon when they travel to Intel FC in the Wiltshire County League. The young side will be looking to carry on from that excellent first season when they finished 3<sup>rd</sup> in the League and made the Cup Final.

The **Reserve Team** will not get their fixtures under way until Saturday 7<sup>th</sup> September when Highworth Town Reserves visit Rylands Way.

Looking at what is in the Programme today there is the usual feature article from

a Non-League Paper professional football journalist. This week it is Matt Badcock and he looks at pre-season games involving top clubs and whether more could be done for the grass roots game. The player profile is Bassett veteran Shaun Terry. There is another tough picture quiz for half time in the new series for this season.

Another new feature this season is the "Football was better in my day" article, looking back at football from the 1970's and 1980's and football related items that are no longer with us. The second edition looks at the table soccer game **Subbuteo**. Whilst still with us and recently resurrected, it is not quite as big as in it's 1970's heyday. The England v Scotland fixture tonight has given inspiration for a future edition of this feature.

Finally, once again a big thank you to our hosts Cirencester Town for the use of their ground for the game today. Enjoy the game and hopefully we can celebrate the start of a winning FA Cup run in our temporary home.

### Bassett boss to cut short Spain break for season start

JEFF Roberts is to cut short a holiday in Spain in order to take his place in the dugout for his first competitive game as boss of Wootton Bassett tomorrow.

Roberts, who took over at the Corinium-based side in June, will return home in time to lead Bassett into battle at fellow Hellenic Premier new boys Bracknell.

The manager will then fly back out to Spain on Sunday morning and complete his break in the sun.

"I couldn't miss the first game," said Roberts, who will be without Steve Yeardley and Levi Cox for the trip to Berkshire.

### 'It's not all about the money'

PLAYING for the club rather than the money is Jeff Roberts' mantra as he aims to mastermind a successful first season back in the Hellenic Premier.

Striker Levi Cox has followed manager Jeff Roberts from Calne to Wootton Bassett Town Striker Levi Cox has followed manager Jeff Roberts from Calne to Wootton Bassett Town

Bassett are running with a budget for the first time this campaign but new manager Roberts – who was at the helm at Western League Calne until the middle of last season – says it is important that cash is not his players' primary motivation.

"It's only a small budget, it's just a little bit for the lads to be honest," he said.

"I know there's a couple of clubs spending £1,000 a week and we're not like that.

"We learnt our lessons last season at Calne where we were splashing the cash and it backfired on us a little bit.

"We've come here and said, 'we're going to try and stay with the budget if we can'. It's more about the lads. We want them to come and play for the club, not just the money."

Having taken over at Bassett at the beginning of June following Dave

Turner's departure, Roberts immediately set about constructing a side capable of not just staying up, but forcing its way into the top half of the league.

A clutch of players arrived at the now Corinium-based side from Calne including keeper Steve Allison and striker Levi Cox, while the experienced duo of Steve Yeardley and Shaun Terry are among those that returned.

Bassett and Calne were playing at the equivalent level last season but Roberts is confident that the blend of players have what it takes to be successful at their new standard.

"We got given a group of names to keep and we knew who we wanted to bring over from Calne to improve the side," he said.

"Corcs (Adam Corcoran) played for us at Calne so we knew quite a bit about him anyway, I've seen Shaun Terry so we knew he was quite reasonable. The other three or four we didn't know too much about, but we were told to get them on board if we could.

"With the players we've brought in and the players that have stayed, we're looking to try and get in the top six. We try to be positive anyway and with the quality of the players we've got here, I think we'll do alright.

"We're looking to try and win the Wiltshire (Senior) Cup if we can, but if we can win any of the cups it would be nice."

### Bracknell defeat cuts deep for Youngsam

ASSISTANT Drew Youngsam admitted that he and manager Jeff Roberts were 'hurt' by Wootton Bassett's opening-day thumping at Bracknell.

Bassett were beaten 4-1 by their fellow Hellenic Premier new boys as Roberts' early return from holiday in Spain did not provide the three points he had hoped for.

Roberts flew back out to complete the final days of his break yesterday morning, leaving Youngsam to reflect on a disappointing clash at Larges Lane.

"It was a tough one to watch, especially as it was the first game of the season and Jeff and my's first game in charge," said Youngsam.

"We were beaten by a side that wanted it more and were more hungry. We made a lot of mistakes and I think it was a bit of an eye-opener for the lads.

"We've got a lot of things to improve on. It did hurt both of us yesterday, especially with the way the goals were conceded.

"Me and Jeff wanted to do a good job and show that we've got a good side at Bassett, and we have, but we've got a lot of new players and it's going to take time."

Bracknell took the lead after just six minutes when forward Garry Sargeant, signed days earlier from Binfield, poked home from Danny Oliphant's flick.

Shaun Terry had an immediate chance to equalise when Lee Stevens was brought down in the box, but the experienced striker's penalty was parried away by Slough loan keeper James Hawtree.

With two goals in the space of seven minutes, the hosts put themselves well in command. First Sam Barratt beat keeper Harry Ellis to a long diagonal ball before squaring for Ben Knight to tap in.

Then Sargeant's movement created a gaping hole in the Bassett defence and he played in Barratt, who lifted over Ellis from 20 yards. Oliphant thought he had made it 4-0 before the break, but the linesman ruled the effort had not crossed the line.

Midway through the second half, Sam Ockwell gave the visitors a glimmer of hope when he stroked home after his initial header from an Adam Corcoran cross was saved by Hawtree.

Stevens then rattled the crossbar before sub Joel Davidson killed off any lingering hopes Bassett might have had on 78 minutes, when he nodded a long Tom Barratt throw into the net. Roberts is due to return home for Bassett's derby with Highworth on Wednesday.

# Dugout Chat

Firstly we would like to welcome the management team from Totton & Eling to the Corinium Stadium for this Extra Preliminary Round FA Cup fixture. We hope they enjoy their visit to Cirencester and will join us in the bar after the game for some refreshments.

All players and managers agree that this is THE competition they all look forward to at the start of the season. Whilst for some Premier League clubs the FA Cup has lost some of its importance that is not the case for non-league clubs like ourselves. The players will all like to talk about playing in the FA Cup and for the Club it is an opportunity to win some much needed prize money to go towards running costs.

We know Wootton Bassett had a great run in the cup last season and we will be trying our hardest to repeat that again this season but we have been given a tough draw against today's opponents from the Wessex League.

Wednesday nights first home fixture against Highworth Town, our first league fixture here at the Corinium, saw a great improvement on the Bracknell performance. All the lads were up for the local derby game. We dominated the match in the first half and could have more to show than the one goal from Shaun Carter.

We lost our shape in the second half a bit, especially when Jordan came off, and Highworth then started to get on top. We gave them too much space for the two goals and will be working hard at remedying this. The team is still finding its way and it will take a bit of time until we are firing on all cylinders but there were many positives from the game despite the result.

A special mention to Reserve team keeper Luke Kuczynski who did well against Highworth. With Steve Allison still suspended for two more games he will get the chance for some more First Team experience.

The two opening league fixtures have been games against tough opponents. Looking at the next few fixtures we have coming up in the league we are due to play a number of the sides that are expected to be challenging for honours so it will not get any easier and your continued support for the lads will be important. Hopefully today we will get that first win under our belts and give the side some confidence ahead of Monday night's tough away league fixture at Binfield. See you in the bar after the game.

# Opponents - History

The club was formed in 1925 as Bramtoco F.C., from the workforce of the British American Tobacco Company, and changed name to B A T Sports in 1971, the year they entered the Hampshire League. They progressed through the divisions of the Hampshire League, winning Division 3 in 1975, before becoming champions of the top division in both 1988 and 1989. The erection of floodlights, a small covered stand, and a permanent fixed barrier at their Southern Gardens ground enabled them to take promotion to the Wessex League where they have played their football since the 1989-90 season. The current seated stand was finished in 1995, and further covered standing area called the Nick Read Stand followed in 2004

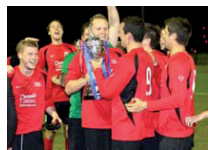

They have been able to enter the FA Competitions since their elevation to the Wessex League, and although they have had relatively little success in the FA Cup, they have twice reached the 3rd round of the FA Vase. On the second of those occasions, they were drawn to play AFC Wimbledon, and due to adverse weather and ground conditions had to switch the tie to their opponents ground but were rewarded with a club-record gate of 2,763.

In the 2005-06 season, they signed Gareth Barfoot, a young goalkeeper from Southampton. They were members of the Wessex League Division One (now the Premier Division), but were forced to drop down to Division Two for the 2006-07 season due to the imminent loss of their Southern Gardens ground, their home since 1929.

For the 2007-08 season, the club changed its name to Totton & Eling and joined the Wessex League Division One following a restructuring of the league. The Club then decided to resurrect a second team. Changing from Blue & Yellow to Red & Black colours, the club was given the nickname of "The Millers". The club were no longer associated with BAT (the company) and started off well, until the Christmas 2007, when they then hit a slump. The Club welcomed Pip Gates on Board as chairman and Kevin Dawtry joined Andy Tipp as managers with Chris Tona as assistant. Things turned around quite quickly, and a great surge after Christmas saw the club finish 5th in the League.

The 2008/09 season was one of great optimism with a new purpose built ground on the horizon; and the optimism was found to be well placed as they stormed to the league title at a canter ending up with 100 points, winning three club of the month awards, and promotion to the Premier Division.

In the first season back in the Wessex top flight, Totton & Eling finished in the top seven and won the Russell Cotes Cup against Southern League opposition away from Home (pictured left).

The club moved to their new home at "Millers Park" in Season 2009/10. The season started well, but the side took a while to get used to their new home, as the season progressed they found their opponents enjoyed playing at Millers Park as well, so the season stuttered to a close where they finished mid table. This season they have managed to hold on to their 1st team coaching staff of Kevin Dawtry and Chris Tona, also the time was right to bring Simon Edwickers very successful youth squad to Millers Park to be their under 16 team, progressing to under 18 next season.

## Wootton Bassett Town FC • Club History

Wootton Bassett Town formed in 1882 and are one of the oldest Clubs in Wiltshire. Bassett's early success came in the Wiltshire Senior Cup, making the final in both 1902-3 and 1903-4, losing to Warminster 3-1 in a replay before going down 3-0 to Swindon Town the following season. Bassett folded for a period pre World War 1 before re-forming in the Calne & District League. After finishing runners-up in 1930-31 they went one better the following year winning the championship. A short unsuccessful spell in the Swindon & District League saw the team return to the Calne League where they were champions again in 1934-35.

Having won the Calne League for the second time Bassett moved up into Wiltshire League Division 2. Promotion was achieved in the first season and the team remained in the top division until the start of World War II. After the war Bassett recommenced in the County Senior League but struggled. In 1956-57 a reorganisation of football in Wiltshire saw the creation of a Premier Division and Bassett found themselves in the second tier. Season 1958-59 saw the first title secured when Bassett finished top of Division 1. Back in the top tier the highest place finish was 8th in Season 1967-68. Then, following another reorganisation, Bassett found themselves in the Wiltshire Combination where they were to remain until 1976-77 when the current Wiltshire County Football League was formed. The second season in the new league saw Bassett relegated but they were to bounce straight back in 1978-79 when they finished runners-up. Unfortunately momentum could not be maintained and they were immediately relegated to Division 2 where they remained for 5 seasons. A second league title was secured in 1984-85 when Bassett were promoted back to Division 1. This time the team were able to hold their own and after finishing 6th and 4th they then achieved their greatest success in 1987-88 when they won the Division 1 title, elevating the Club into the Hellenic League, where they have remained since.

Throughout their first eleven seasons Bassett kept a steady mid table position. In 1999-2000 they finished 3rd in Division One West and gained promotion to the Hellenic top flight. First season in the Premier resulted in a respectable twelfth position and a County Cup triumph. The next season they made the first round of the FA Vase but just avoided relegation. The next two seasons saw Bassett finish mid table but the following season they were relegated, this after making their first venture into the FA Cup since 1950-51. Bassett missed immediate promotion back to the Premier by one point in 2005-06 and went close again in 2008-09, finishing fourth. Meanwhile Bassett became the first club in Wiltshire to be awarded Charter Community Club status by the FA. Promotion back to the Premier Division was secured at the end of 2009-10 as Bassett finished level on points with champions Slimbridge.

Bassett finished in a credible 15th place in their first season back in the Premier. However, they harshly found themselves demoted back to Division One West on a ground grading technicality, despite an appeal to the FA against the decision. In the circumstances manager Dave Turner did well to steer his side to 5th place the following season after such heartbreak. Last season Wootton Bassett were never out of the top 3 as they marched towards promotion, finishing in 2nd place. In addition they had a fantastic run in the FA Cup reaching the 2nd Qualifying Round for the first time where they put up a spirited performance against Conference South side Dorchester Town. At the end of the season manager Dave Turner decided he had taken the team as far as he could and left after a successful 5 years in charge. In his place have come the former Calne Town management duo of Jeff Roberts and former Bassett player Drew Youngsam.

As Bassett enter their 3rd period in the Premier the new management team will be looking to consolidate in the top division at a time when the Club has to play games at Cirencester Town whilst the new ground is built at Ballards Ash.

# Wiltshire Senior Cup

The Wiltshire Senior Cup was first competed for back in 1896-97 when Swindon Town were the winners. The Town have gone on to win the competition nine times, including the first six years of the competition. With their progress in the professional game it is a long time since Swindon Town have competed in the Cup. Wootton Bassett Town's first success in the competition was to come at the turn of the century when they made the final in 1902-03, losing to Warminster Town. Wootton Bassett made the final again the following season doing down to Swindon Town Reserves in the final. It would be 84 years before Wootton Bassett would grace the final of the competition again when in 1987-88 they made the final to this time lose against near neighbours Purton. Wootton Bassett Town finally won the cup in 1998-99 when they defeated Pewsey Vale in the final. This success was repeated two seasons later with a win over Shrewton United. Since this win the best the Bassett faithful have had is a couple of semi-final appearances. Last season Wootton Bassett Town went out in the Second Round, losing 3-0 away at Westbury United. The competition was won by Melksham Town, despite having been knocked out in the quarter final only to be re-instated due to their opponents Bradford Town playing an ineligible player. Melksham made the most of their second chance.

In the final the game ended 0-0 after 90 minutes against Downton but two extra time goals gave Melksham the cup for the 6<sup>th</sup> time.

## A rude awakening

Larges Lane, 10th August 2013

For Wootton Bassett Town, opening day was an eye-opener. Jeff Roberts and his troops discovered just what life in the Hellenic League Premier Division is going to be like – tough – as they fell to a 4-1 defeat at fellow promoted side Bracknell Town.

Arguably the most telling lesson to be taken from the loss was that at this level the quality of striker is far and above that defences have to deal with in Division One West.

The Robins, fourth in Division One East last season, have strengthened heavily over the summer. In particular they have added firepower up front, snapping up Ben Knight and Garry Sargeant, who, respectively, joined from Ascot United and Binfield – both top seven teams.

And the pair would grab a goal each, with Sargeant teeing up the home side's third.

Bassett, bar a twenty minute spell at three down in the second period, were second best. At the back, centre halves Liam Edmondson and Shaun Carter fell for the clever movement of the Bracknell forwards. Meanwhile the midfield lacked shape and often found themselves playing too high, providing the hosts with plenty of room to play in. At the other end of the pitch front pair Lee Stevens and Shaun Terry, when not getting caught offside, lacked support.

Nor did it help that Bassett failed to cope with Tom Barratt's long throws. Flung in with a flat trajectory and the speed of a bomb blasted out of a cannon, two of Bracknell's goals came from his arrows including the first.

Just six minutes in Danny Oliphant was able to redirect his throw back across goal and Sargeant hooked the ball in at the near post from close range.

Almost immediately the visitors were presented with a chance to get on terms. Using his strength to offer his marker no direct route to the ball, Stevens was tripped in the box and the referee pointed to the spot.

Captain Shaun Terry did not hesitate, quickly taking the penalty, but his effort was poor and home 'keeper James Hawtrey was able to parry away easily.

Terry then had the chance to make up for his miss, but his glancing header sailed just wide following a Stevens flick on.

If the penalty miss had been a dagger in the heart, Bracknell soon twisted the knife, doubling their advantage. Michael Watson's long diagonal ball into the left corner caught out the Bassett defence and forced young 'keeper Harry Ellis off his line. Sam Barratt beat him to the ball though and squared for Knight to tap in. To compound matters, there was a suspicion of offside.

But when the third came just before the half hour mark Bassett could have few complaints. Losing possession far too easily, Bracknell were allowed to break quickly. Sargeant, dropping off and bringing his marker with him, collected a pass on the halfway line and slipped through Sam Barratt, who coolly lobbed an onrushing Ellis.

It could even have been four before the break as Oliphant saw a side footed effort cleared off the line from Tom Barratt's corner, while Sam Barratt sent a 20-yard curler inches wide after Bassett were guilty of overplaying at the back and cheaply conceded the ball.

After the break Roberts' team, now playing down the substantial slope, had the better of things. Early on, from a Tyler Sheppard corner Liam Edmondson hooked agonisingly wide.

Then, following a couple hairy moments at the other end, which included Bracknell getting the ball into the net again though Knight was ruled offside, Bassett came into their own and were able to get a goal back midway through the period.

Adam Corcoran delivered a towering cross from the deep and Sam Ockwell, ghosting in at the far post, was able to poke home after seeing his initial header parried.

Finally with some momentum chances began to accumulate. With quarter of an hour remaining,

Sheppard forced an acrobatic save from Hawtrey as the hosts' 'keeper just managed to get a glove to a powerful left-footed drive. From the resulting corner Stevens found the bar after adding a flick to an Edmondson header. A surging run from Alex Ringley then saw Hawtrey forced to save low.

But with one fling into the box, Bracknell were able to kill the game as Joel Davidson headed in another Tom Barratt bullet with twelve minutes remaining.

The fourth added further emphasis to a convincing Bracknell victory. For Bassett - welcome to the Hellenic Premier.

**Man of the match: Ryan Stanners** (pictured below) – after a couple under-hit passes early on Stanners grew into the game and provided glimpses of his passing ability, spraying the ball around confidently and with precision.

**Rating: 4/10** – while Bassett had chances - which despite the score could potentially have earned a point had they been taken, they made life too easy for Bracknell, whose clinical strike force made the visitors pay.

# Fantasy Football

After the success of the previous three seasons' competitions, Wootton Bassett Town will once again be running a Fantasy Football League for 2013/14. It is available for all to enter and there are prizes to be won with two cases of Peroni to the winner (if over 18) with a suitable alternative prize for a winner under 18.

It is quick, easy and free to enter too. To do so, visit [fantasy.premierleague.com](http://fantasy.premierleague.com) and click on sign up. Once you have followed the instructions and selected your team, click on the 'Leagues' tab.

There, click 'Join a League' and in the pop-up box select 'Private League' and then next. Here, you will be asked to enter a code, with the WBTFCL.co.uk League number being: 92467-27443.

Those who competed last season will automatically re-enter if they use their existing log-in details.

Last season's competition was a tight affair involving over 30 participants. Eventually, former youth section member and first team player Sam Lawro triumphed for the second year in a row after a tight battle in the closing few weeks of the season.

For youth section managers and coaches, it is the only chance to prove who the pick of the punch really is, so get entering! And for players, parents or supporters it's an opportunity to find out if you're cut out for a managerial career...

Youth section players can join too, and if enough do so a prize would be available for the best placed finisher.

It's great fun to play, and would be brilliant if more could enter to make it bigger and better!

Previous winners:

2012/13 – Sam Lawro (Top of the Perch -19)

2011/12 – Sam Lawro (19- Top Of Your Perch)

2010/11 – Josh Dimond (Liquidation FC)

We currently have 27 entrants but we would like to attract more.

Inspired by the fantastic book "Got, Not Got" by Derrick Hammond and Gary Silke this Season's new feature looks at football related matters from the Editor's long lost youth that are no longer with us. Today it is.....

### SUBBUTEO

Every time I hear the Undertones' song "My Perfect Cousin" fond memories of my favourite indoor football game come flooding back. When Feargal sings those immortal words "He always beat me at Subbuteo 'Cos he flicked to kick And I didn't know" I remember the days when I used to play against my brother Graham and friend Russell Amerasekera (whatever happened to him?) in our Subbuteo League when we lived up in Manby in Lincolnshire. I had my QPR team, Graham a Chelsea set and Russell was Arsenal.

Russell Amerasekera now a famous TV Travel presenter and former director of Thompson Travel Group.

My introduction to Subbuteo, like most young boys of the time, was via the Club Edition. It included two original Subbuteo teams (one

in red and one in blue), together with a pitch, goals, flags, two balls and the original rules. Eventually with the 1974 World Cup in Germany we progressed to the World Cup Edition which included continental goals and balls, a scoreboard and most importantly a set of floodlights. When the Rylands Way floodlights were installed I am sure Pete Yeardley modelled their lux capacity and performance on his long lost Subbuteo set.

1974 World Cup Edition.

As well as the extras that came with the World Cup Edition, Subbuteo had a whole list of accessories that you could purchase including such things as a TV Tower, a dugout set, ambulance men, spectators and given the era also hooligans! There was also a Subbuteo stadium that we never quite progressed to. The closest we got was gluing our pitch to a big piece of chipboard and fixing the pitch surround to the board. There were also accessories for helping play the game in the shape of corner kick takers and your very own Rory Delap throw-in taker who could launch a throw-in into next door but ones garden if you pulled him back too hard.

Anyone who has ever owned a Subbuteo set will know that the most important piece of equipment you needed for your Subbuteo set was the physio's bag which contained the only known cure to the injured Subbuteo player, Airfix glue.

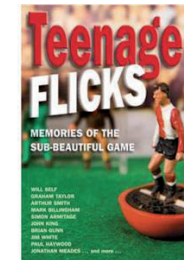

Often playing the game on the carpet meant players

were either stood on or crushed under the hand when manoeuvring to take a flick. That pristine new QPR team appearing in game two with lumps of dry glue around the base of a couple of the players, I remember Stan Bowles was always the one getting damaged.

Stan Bowles, Dave Thomas and Gerry Francis

Now it seems I am not alone with my love of Subbuteo. Stan himself also played Subbuteo along with a number of other celebrities. Stan has a chapter in the book Teenage Flicks (a play on the Undertones/Subbuteo link) along with 30 odd others who reminisce about the game.

The list of celebrity players also includes Alan Mullery, Danny Kelly, Graham Taylor, Des Lynam, Alastair Campbell, John Inverdale and Jeff Stelling (whose Hartlepool side would come in the Club Edition as the Blue team). I still have the Subbuteo up in the loft with a fair few teams and the fence. Only problem is I have no one to play the game with these days. Wonder if Russell fancies a game rather than going to some new exotic location?

#### Have Premier Clubs & Sky Forgotten the Grass Roots Game?

By Matt Badcock

13<sup>th</sup> August 2013

LAST SATURDAY Arsenal took on Manchester City – no the Premier League season hadn't kicked off a week early, this was a friendly. In Finland.

For that is what English football's big boys spend their summers doing these days; jet off around the world to spread their gospel and expand their brand. It brings in the cash and is all very nice for fans in Bangkok, New York, Sydney and Tokyo.

But should they be doing more for the little club on their doorstep?

Now of course it's not unusual to see a Non-League club taking on a Premier League side in pre-season.

Stoke City recently sent a full first team to Wrexham and even when the star names aren't in tow it can be a great opportunity to see future talents at their rawest.

We might not have heard of them at the time but there is a certain satisfaction in saying, 'I remember watching him in pre-season once,' when they are banging them in on the biggest stages.

But all too often these teams are academy based while the main

squad is abroad. It's rare we see a really big name – a Van Persie, Agüero, Rooney or Bale – trotting out at a Step 4 club on a Tuesday evening.

Last week we had two stories in The NLP that got us thinking.

The first was Histon answering a Friday night SOS from Spanish side Real Sociedad. La Liga's fourth best team, who are in the mix for this season's Champions League, needed a game the next day after their original fixture had been cancelled.

Stutes boss Brian Page had planned on having a training day for his side but couldn't turn down an elite opposition featuring the likes of ex-Arsenal forward Carlos Vela.

Yes, Histon got an 8-1 pasting but as Page said: "Listening to the players talk about what they experienced in the game I just know it's going to make us better."

Then a few days later Ryman Premier Enfield Town got a fantastic opportunity to take on Tottenham Hotspur at the Premier League giant's training ground.

Spurs boss Andre Villas-Boas wheeled out his full team including new signings, Nacer Chadli, Paulinho and Roberto Soldado, the Spanish international who has just arrived from Valencia for a cool £26m. He scored a hat-trick in an 11-0 win.

Despite the scoreline, talking to Enfield boss Steve Newing you could sense how good the experience was for his players.

Both these games were played behind closed doors, which is understandable. Histon didn't have time to get everything in place that is needed to get a game on and Enfield were guests of Spurs.

But wouldn't it be great if the money making machines did pop around the corner in pre-season? Take the marquee names along and help small clubs bring some much needed cash into the coffers.

When we read about the eye-watering sums dished out to Premier League clubs for being rubbish all season and getting relegated, it does make you wonder if a clubhouse attached to a football ground could get a small discount.

After all, it's the saturated live schedule that is arguably contributing to low attendances at actual football games further down the Pyramid.

# Player Profile - Shaun Terry

# Uhlsport Hellenic League Insights

## Shaun Terry Forward

A talismanic, left-footed goal-getter with an excellent ability to read the campaign, the veteran Terry is enjoying a renaissance in a fine career that has seen him wear the shirts of Devizes Town, Calne Town, Cirencester Town, Swindon Supermarine, Highworth Town, Hungerford Town and, now, his home town team.

Following an eventful five game loan spell at Rylands Way in 2007/08 that saw him score six times and get sent off in his final match against Old Woodstock Town, Terry made his move to Bassett permanent in 2008. And that season he finished top scorer with 29 goals in 30 matches as his team narrowly missed out on promotion. However, his season was cut short after suffering a horrific knee injury against Easington Sports that kept sidelined him for a year and a half. Terry's journey back to first team football was a long one. For two seasons he primarily featured for the reserves, top scoring for Simon Paish's side with 11 goals in 2010/11, while making five first team appearances. In 2011/12 he even split his time between attack and defence for the club's second string, proving a more than capable sweeper. His goal tally slipped to four but he played a vital role in helping the team to a fourth place finish – the reserves' best for a decade. Terry made a solitary first team appearance in the final game of the season against Winterbourne United and showed that he still has something left in the tank.

2007/08: 5 appearances, 6 goals  
 2008/09: 30 appearances, 26 goals  
 2010/11: 5 appearances  
 2011/12: 1 appearance

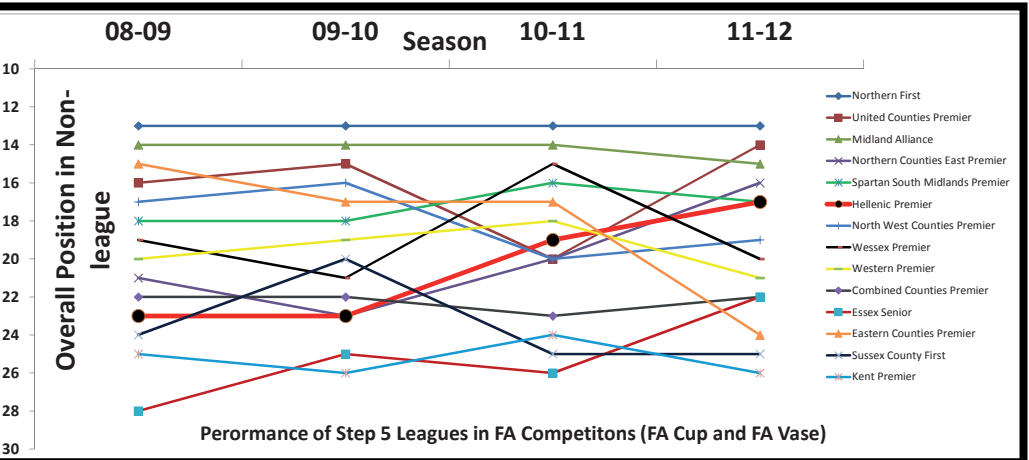

Terry's 2012/13 campaign proved that was certainly the case. With a renewed focus and drive, he played a key role in helping Dave Turner's team secure runners-up spot in Division One West. He got off to a perfect start, scoring in the opening game of the season at Malmesbury Victoria before grabbing the equaliser in a fine FA Cup victory against Calne Town. In total he appeared 32 times, scoring 16, including a mesmeric Wiltshire Senior Cup first half hat-trick against New College. A second hat-trick then followed away at Old Woodstock, while he notched one of the goals in a promotion sealing win at Lambourn Sports.

He is also Bassett's all-time leading scorer in the FA Vase with 7 goals,

having netted hat-tricks against Buckingham Athletic and Henley Town during the club's best ever run in the competition during Dave Turner's first year in charge.

A seasoned campaigner, he has achieved plenty of success throughout his career. In 2004/05 he won the Hellenic League Premier Division crown under the guidance of John Fisher with Highworth. Despite scoring only three league goals that year, he provided plentiful assists from the left-side of midfield for the division's top scorers. Two seasons later he moved to Hungerford, scoring 20 goals in 2006/07. He was also instrumental in the Berkshire side's journey to the Fourth Qualifying Round of the FA Cup that season, scoring three goals in that run including a 90th minute winner against Conference South side Weston-super-Mare.

2007/08: 5 appearances, 6 goals  
 2008/09: 30 appearances, 26 goals  
 2010/11: 5 appearances  
 2011/12: 1 appearance

The graph at the top shows how the Clubs in the Uhlsport Hellenic Premier League have performed in the FA Cup and FA Vase relative to other Step 5 leagues. The chart is based on information contained in the "Pecking Order" Tables in the fantastic annual Non-League Club Directory. The 2014 Directory will be published in a couple of months and the table will be updated for the 2012-13 Season.

The middle table shows the average points per season for the past 5 seasons for each of the 20 Uhlsport Hellenic Premier League sides, irrespective of division or league they were playing in during those seasons. Brimscombe & Thrupp and Binfield lead the way but in the former's case they have benefitted from a number of seasons in lower divisions. Similarly Abingdon Utd and Bracknell Town appear low in the table given they have been playing at Step 4 during the period.

In order to allow for the fact that teams have played at different levels in the pyramid the second table weights the seasons such that a Step 4 league is weighted 1.5, Step 5 is weighted 1.0, Step 6 is 0.75 and Step 7 is 0.5. This shows Ardley at the top of the table, closely followed by Binfield.

Interesting to note there are only 8 sides from Season 2008-9 still playing in the Uhlsport Hellenic Premier Division.

Bulletin No 002/2013-2014 **Boot Room Chatter** 10<sup>th</sup> Aug 2013

### Chairman's Notes.

A very big welcome to the new season from The Management Committee.

Following the announcements at our last AGM please ensure that you send emails and information to the correct person. For example routine day to day business goes to Bill Beach, and League Policy matters to Brian King.

Thank you those of you that attended the many pre-season meetings. Hopefully the information was useful. We certainly went away with some action points. Next year, look out for our new 'all in one' meeting.

One big piece of information of note from The FA is this season the suspension on players receiving 'Red Cards' starts 14 days later, instead of the 21 days of last year.

The Hellenic League Development Plan for this season is moving to completion. However it is not too late to include new ideas. Please submit these asap.

Whilst we are looking at ideas, the subject of Second Team football is high on the list. The Club Representatives to The Management Committee have been tasked with contacting all clubs to gather views for the future.

I look forward to seeing you on my travels. Regards - Bob

### "Barmy Army" Supporters Group"

In light of the recent serious events both on and off the field, which in some cases has sadly resulted in loss of life the FA and our own UHSport Hellenic Football League are encouraging all clubs to have a Defibrillator and people trained to use them on site. They are offering to subsidise them from around £800 to just £200 if purchased by the end of August 2013. We as supporters of the club are dedicating our efforts to raise this money to donate one to our club and will be collecting donations and holding raffles at each game. All donations, purchase of tickets or donations of prizes will be gratefully received for this very worthy cause.

We thank The FA and our League for subsidising this offer and making it feasible for clubs to help themselves in purchasing this equipment that we believe will benefit the clubs players, match officials and supporters alike but sincerely hope that we never have to see it in use.

You can make your donations over the bar or by approaching one of us in our normal place under the Town End Stand.

Thank you in anticipation of your support.  
Reading Town 'Barmy Army'

### STATS REVIEW

Ambitions and dreams all start here. Will it be third time lucky for Wantage Town for promotion? They open with two home games, first against Newbury, then an unpredictable one mid-week against improving Cheltenham Saracens. Saracens host probably the game of the day on Saturday against last season's strong finishers Oxford City Nomads. Back with us Abingdon United, have a hard opener against Ascot United. Always in the frame, Ardley United and Binfield should start with wins at home over Highworth Town and Abingdon Town. Dark horses Brimscombe & Thrupp start at home to Highmoor Ibis. Newly promoted Wootton Bassett Town have two difficult fixtures, first away to also promoted Bracknell Town, then a home derby against Highworth Town. Usually fast starters Flackwell Heath take on Kidlington at home before visiting unpredictable Thame United. Can Reading Town continue to improve, as they start at home to Thame United before visiting Ascot United. Last seasons strugglers, Shrivenham, take on Holyport at home, before visiting Oxford Nomads. The other two mid week games are, Abingdon Town at home to Brimscombe & Thrupp, and Abingdon United visit Newbury. Two fixtures stand out in Division One. Two top three sides meet at Abingdon Town, were AFC Hinksey take on Woodley Town, and a revamped Milton United take on newly promoted Burnham. All very intriguing as we venture into the unknown.
