Welcome to Today's Game

Welcome to Bideford Ladies

Welcome to the Gerard Buxton Sports Ground for the second home South West Regional Women's League Premier Division fixture against Bideford Ladies. A special warm welcome to the players, officials and spectators from Bideford who have made the long journey to the Gerard Buxton Sports Ground today from Devon. We hope you enjoy your short stay with us this afternoon and we wish you a safe journey home. Bideford are one of just two sides that we played twice in the league last season, the other side being Torquay United. In both instances we did the double over our opponents but both games against Bideford were close games, we won narrowly 2-1 here at the Gerard Buxton Ground and then secured an impressive 3-0 away win in the return fixture. That means nothing today and with Bideford having defeated Callington in their last fixture we will need to be at our best here today to get a result from the game.

Management Team Depart

Like many I was shocked by the departure of our Ladies management team last week, I certainly did not see that one coming. Whilst James and Jonny have done a great job for the club during their tenure, the way they have left, three days before a league game, without there having been any approach to the club, leaves something of a bad taste. Even more so given Jonny had only recently accepted the Head of Women's Section role. However, life's too short to be bitter and angry, we will dust ourselves down, make alternative arrangements and no doubt our Ladies side

will continue their upward trajectory. Whilst it is a step up to manage at a higher level, personally I would have thought to achieve such an elevation through a promotion would be much more satisfying. However, both managers are clearly ambitious and saw this as an opportunity to move to a higher level more quickly. Hopefully, our Ladies can now go on and join them at the next step in the Women's game by achieving such a promotion. I very much doubt James and Jonny will have the same level of operational support as they had here and let's hope they are missing us all and our lovely playing surface dreadfully in a couple of weeks!

A big thank you to captain Laura Jefferies, assisted by youth coach Josh Carey, for stepping in to run the side at such short notice last week at Bishops Lydeard. At the time last season came to a premature end, Bishops Lydeard were top of the table and unbeaten at home all season. So to go away against one of the top sides and come back with a point given the circumstances was a fantastic result. As it stands, the new temporary management team already have a better league record at Bassett this season in one game than the new managers at Larkhall had achieved in two!

Hopefully the Ladies can build on last week's excellent result and now put an unbeaten run together after those two tough opening games against Ilminster Town.

Enjoy the game.

The Gaffers have departed

Normally this page would be written by James and Jonny but as most reading this programme will be aware they handed in their resignation just over a week ago and have gone to manage Larkhall Ladies who play in the South West Division of the Women's National League, a step higher than Royal Wootton Bassett Town.

James and Jonny were recruited to the club during the summer of 2018 after Becky Gammon took a step back from the dugout to be Head of the Ladies Section. Jonny joined from fellow South West Women's Eastern Division side FC Chippenham, who he had guided to fifth and seventh place finishes in the previous two seasons. Meanwhile James came in with a great deal of managerial experience in the men's game, having been in charge of Trowbridge Rangers, Westbury United and Frome Town Sports. Both managers were also involved with the Wiltshire County FA Advanced Girls Coaching Centre, with Jonny serving as the under 14s head coach and James as coach for that age group. Head of the Ladies Section Becky Gammon commented at the time:

"They have great experience. Jonny comes in with knowledge of what to expect in the South West Women's League thanks to his time at FC Chippenham, while James has cut his teeth in men's football, having taken charge of teams in the Western and Somerset County Leagues."

Chairman Andy Walduck also commented at the time that "to have both Jonny and James join to drive the Ladies team forward gives us a strong platform for the future. They are both highly qualified and full of experience, and backed by the great facilities that the club has, can only lead to success on the field of play."

And so it proved as the two led the Ladies side to the South West Regional Women's Football League Eastern Division and Wiltshire County Women's Cup titles in their first season in charge. A lot of the key

players in that title winning season were already at the club, having just missed out on the title the previous season on goal difference. However, the two brought in a couple of new players to enhance the squad and their organisational and management skills moulded the team into an even more successful side and in Season 2018-19 it was Bassett who won the title on goal difference as well as winning that Wiltshire County Cup for the first time after a number of near misses.

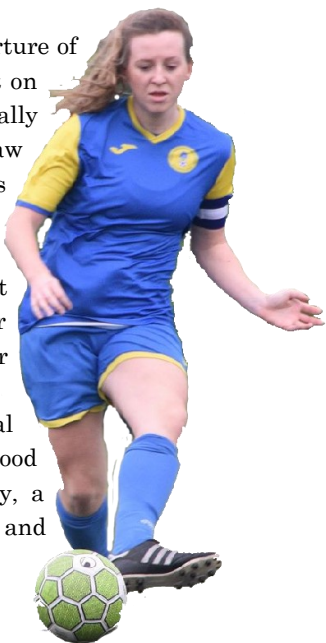

Last season was gearing up to once again be a highly successful season with a realistic chance of winning the South West Regional Premier Division title and promotion to the next level, as well as another County Cup final. However, any hope of promotion and retaining the cup was dashed by Covid-19.

This season started with high hopes again but a disappointing exit from the FA Cup at the hands of Brentford following a penalty shoot out and two opening league defeats to Ilminster Town did not get the season off to a good start. When Larkhall Ladies came a calling, the ambitious duo thought the opportunity of managing at the higher level too good an offer to turn down and have now left us. For James it means a lot less travelling given where he lives but the opposite for Jonny but the two have proved at Royal Wootton Bassett that they work well together and clearly wished to continue their partnership. We wish them both well in their new venture (today sees them have a second chance of winning an FA Cup game this season) and no doubt we will see them both again at the Gerard Buxton Ground in the future, hopefully in a league fixture between the two clubs. Thank you both for your efforts in the two seasons with us and from a programme editor's perspective you were a dream to deal with, as I never had to chase those programme notes and you pro-actively ensured all the Ladies were sponsored this season.

Captain's Corner

After a challenging week off the pitch following the sudden departure of our joint managers, it was an achievement to get our first point on the board. Under the reins of coach Josh and myself the girls really stepped up and came together to earn a hard fought 2-2 draw against Bishops Lydeard. Following the announcement a few days before the game it was pleasing for the team to regroup and focus on what we're aiming to achieve this season in such a small space of time. We have made great progress over the last few years under James and Jonny's management following their hard work both on and off the pitch, to which we extend our thanks and wish them well in their future ventures. With goal keeping coach Martin now taking charge for the interim, it is vital we stick together and push on this weekend so that we're in good stead for when a new management team is appointed. Finally, a warm welcome to Bideford, who we hope have had a safe journey, and thank you once again to our supporters, enjoy the game!

Royal Wootton Bassett Town 2 Bideford Town 1

Patient Bassett bide their time to beat Bideford

Royal Wootton Bassett Town Ladies began the New Year with an afternoon they'd soon forget Royal Wootton Bassett Town Ladies made it four league wins in a row with a 2-1 triumph at home against Bideford. While controlling the game for long periods, Royal Wootton Bassett Town Ladies were forced to be patient before sealing what was a deserved 2-1 triumph at home against Bideford.

Bassett went behind before Lauren Kayll levelled on the half hour mark. An attacking second half display then helped seal the win as Hayley Huckin struck the decisive goal on 58 minutes. The hosts enjoyed the better of the opening exchanges, but a goal was not forthcoming. On six minutes an outstanding Laura Jefferies corner was headed onto the bar before, five minutes later, Huckin had an effort blocked following good build up play between Hannah Gulliver and Lily Withers. Bideford then found the back of the net with their first opportunity as Kate McKane's firm 20-yard strike proved too powerful for Alice Farnell. Ten minutes later it could have been two for the visitors but Rebecca McMullin fired wide. Bassett soon got back on the front front and Kayll should have equalised when a defensive slip put her through but she placed over. However she made no mistake a couple of minutes later, combining well with strike partner Huckin before finding the bottom corner. Bassett subsequently had the better opportunities prior to the interval but were unable to go ahead, Huckin having the best opportunity when she headed over.

They suffered a scare shortly after the restart though when Gulliver was forced to clear off the line following Farnell's slight fumble. Bideford were claiming for a penalty, which the referee turned down. And Bassett broke to the other end where Huckin shot against the post. The hosts themselves had appeals for a spot kick waved away when Huckin headed a Kayll cross onto the arms of a defender.

Bassett continued to create the better openings as Kayll shot straight at Zoe Stock and Withers found the side netting. The deserved breakthrough eventually arrived just before the hour. Amber Egerton took on her marker before fizzing in a low cross, which Huckin controlled before firing in on the turn. The latter stages then saw both sides trade blows. Farnell recovered well after initially seeing a cross squirm between her legs. Meanwhile, at the other end Egerton came close with two headers from set piece deliveries. Then with three minutes remaining Farnell saved from a free kick in a dangerous area. In the end it was a deserved win for Bassett - their fourth in a row in the league and one which pulls them to within three points of leaders Callington Town with two games in hand to play.

Opponents History

Bideford A.F.C. is an English non-league football club from Bideford, Devon whose senior men's side plays in the Evo-Stik Southern League Division One South & West. The club was first formed in the late 1890's and was then called "Bideford Town". They were nicknamed "The Robins" due to their red shirts and remain so to this day. Since the first decade of the twentieth century, the club has predominantly played at the Sports Ground, Kingsley Road in Bideford. Until entering hibernation for the duration of World War Two it was a highly successful club, albeit one that played the majority of it's football in North Devon.

Following it's reformation in the 1947/48 season, the club was reborn as "Bideford Association Football Club" and entered the Exeter and East Devon League. Bideford were runners up in the 1948/49 season, and applied to join then the Western League. Bideford won Division Three without losing a game and two seasons later they won the second division and promotion to Division One. At this time the club did not have a club house but there was a Nissen Hut just inside the main gate and a wooden grandstand, which was replaced with the present one after the Bradford City fire disaster.

In 1964/65 Bideford reached the first round proper of the FA Cup, and drew away at Colchester United 3-3 and lost home in the replay 1-2, at which BBC cameras were present. Bideford won the Western League three times before joining the Southern League in 1972. The club spent three seasons in the Southern league before the extra expense involved and increased travelling took its toll, forcing them to drop down back to the Western League. During their time in the Southern League, the club set an all-time FA Cup record when in 1974-75 they played thirteen FA Cup games in a single season. Two more Western League titles followed in the early 1980s before a financial crisis hit the club. A re-formation took place in 1987 leading to the current set up, a company limited by guarantee under the revised company name Bideford AFC (1987) Ltd.

The club won four more Western League titles and also reached the FA Vase semi-finals where they lost to Winchester City. Despite winning the Western League four times under Manager Sean Joyce between 2000 to 2006, the club elected not to apply for promotion to the Southern League due to the amount of travelling and expense that would be involved in playing teams which, almost without exception, would be over 100 miles away. However after winning the Western League again for the 10th time in the 2009/10 season and winning the Devon St Luke's Bowl where they beat Exeter City 2-1 in the final, Bideford AFC accepted promotion to the Southern League in May 2010 joining Division One South & West. In only their second season in Division One (S&W) Bideford were crowned Champions by an impressive eleven point margin and gained promotion for the first time in the club's history to the Southern League Premier Division. 2013/14 saw Bideford finish in their highest ever league position of 8th in the Premier Division but after four years at that level they were relegated for the first time in their history back to Division One in 2015/16.

The Ladies side at Bideford have been running for a number of years now. The earliest statistical information we have been able to trace is from Season 2011/12 when they were playing in Division 1 of the Devon Women's League. Season 2012/13 saw them promoted to the Premier Division after they had finished runners-up behind Ilfracombe. They were to spend four seasons in the Premier Division and in the final season of that four they won the league finishing a point ahead of Plymouth Argyle Res and were promoted to the South West Regional Women's League Western Division. In the first season at the higher level they finished in a respectable fifth place. They improved on that in Season 2018-19 when they finished in third spot to gain promotion to the Premier Division. Although Season 2019-20 has been struck from the record books due to Covid-19, at the time the season was brought to a premature end Bideford had played all but three of their league fixtures and sat in a respectable sixth place in their first season at the higher level.

Step Back in Time

Looking back in time to see what was happening for RWBTFC in the Ladies Section 1 Year Ago, 5 years ago and 10 years ago.

2019-20

Royal Wootton Bassett Town Ladies got back to winning ways with a comprehensive 7-0 victory away against Torquay United in the South West Regional Women's Football League Premier Division. Dishing out yet more punishment to an opponent they had already thrashed in the Women's FA Cup earlier in the season, James Goddard and Jonny House's side picked up from where they had left off in that clash. They netted a half dozen times in a dominant first half display, while six different scorers were on target in all.

2015-16

Royal Wootton Bassett Town crashed out of the Gloucestershire County Women's Football League Cup with a 4-1 home defeat against eventual cup winners AEK Boco Ladies. Bassett's consolation goal came courtesy of Emily Bogg with her second goal of the season. AEK Boco would also go on to win the league that season with Royal Wootton Bassett Town finishing back in fifth place.

2010-11

Ten years ago, Bassett picked up a a point in a high scoring draw with Quedgeley Wanderers in Division 3 of the Gloucestershire County Women's Football League, the two sides sharing eight goals and the points. Bassett's goals came courtesy of L Walker (2), A Longo and Y Spratt.

Match Reports

Sunday 11th October 2020 Bishops Lydeard 2 Royal Wootton Bassett Town 2

Royal Wootton Bassett Town Ladies impressive overcame the adversity posed by the sudden departure of joint managers Jonny House and James Goddard just three days ago as they earned their first league point of the season with a 2-2 draw away against Bishops Lydeard.

With captain Laura Jeffries, ably assisted by young coach Josh Carey, taking the reins, Bassett produced a solid performance in an end-to-end game. And, importantly, they gave the impression that despite the departure of their successful joint-managers, the quality of their football is unlikely to suffer.

Bassett trailed when Holly Miller finished from Caitlin Berry's cross. But Eagles then struck twice to put Bassett ahead at the break.

For her first, Eagles found herself on the end of a mishit cross and brought the ball down before steering a left-foot shot into the far corner.

She then latched onto Lois Beer's inch-perfect through ball before coolly keeping her composure when one-on-one with the Bishops Lydeard 'keeper and slotting into the bottom corner.

The hosts got back on level terms shortly after the restart as Berry tucked home from Amber Guy-Kemp's through ball. But with no further scoring, Bassett ensured they ended a difficult week on a positive note.

Sunday 27th September 2020 Ilminster Town 2 Royal Wootton Bassett Town 0

A fortnight after suffering a 6-2 reverse at the hands of Ilminster Town, Royal Wootton Bassett Town Ladies fared much better in the return fixture against one of the favourites for this season's South West Regional Women's Football League Premier Division title. However, the Somerset side's greater quality proved the difference as they recorded a 2-0 victory. Bassett may have been forgiven for thinking that another heavy defeat was on the cards when they fell behind to Harrie Kellie's scruffy eighth minute opener. But the visitors then settled well into the game and matched their opponents. They could have been level just after the half hour mark too, but home 'keeper Charlotte Johnson did well to deny Grace Eagles who was through one-on-one. Trailing by just a goal at the break, Bassett certainly felt as though they could take something from the game.

That remained the way despite a spell of Ilminster pressure early in the second period, with Abi Footner pulling off an impressive one-handed save to push Collette Martin's shot onto the crossbar. Eagles then saw a low drive thwarted by Johnson at the other end, before Shannon King's left wing was volleyed just wide by Amber Egerton. Bassett spurned another opportunity as Lois Beer was unable to divert Lisa Coe's dangerous cross towards goal. The hosts continued to threaten too though, with Jodi Cornwall finding the post after finding herself on the end of a Sian Chapman corner. Bassett's best opening then came with eight minutes remaining. Coe was played through one-on-one but couldn't find a way past Johnson. The rebound fell to King whose shot was blocked before a third bite of the cherry fell to Holly Baker who shot just wide. Surviving that scare, Ilminster delivered a sucker-punch to kill off the game as Lannece Hole lobbed Footner after receiving a pass from Cornwall.

SWRWFL Round-up

Two goals for both Emily Lindsey and Alanna Torrington gave **Portishead** a 4-1 away win at **Torquay United**, Ellie Bishop with the consolation goal for the home side. The win saw Portishead go level at the top of the table with Ilminster Town and Marine Academy Plymouth, all three sides having won their opening two league games. **Bishops Lydeard**, last season's league leaders at the time the season was brought to a premature end, were held to a 2-2 draw at home by **Royal Wootton Bassett Town**. The home side went ahead when Holly Miller finished from Caitlin Berry's cross. However, Bassett's Grace Eagles then struck twice to put the visitors ahead at the break. The hosts got back on level terms shortly after the restart as Berry tucked home her second of the game from Amber Guy-Kemp's through ball. There were to be no further goals and the two teams had to settle for a point apiece.

Two sides from the division were in FA Cup action. In a game between two sides from the South West Regional Women's Football League, it is **Ilminster Town** who progress to the next round after a 2-1 away win at **Callington Town**. Goals from Abbie Carslake and Collete Martin saw Ilminster progress, Gabi Alphous with the Callington goal. Ilminster will now play Poole Town today in the Second Round Qualifying. Portishead will also be in FA Cup action today when they host Sherborne Town.

Unfortunately **Marine Academy Plymouth** were unable to join Ilminster and Portishead in the Second Round Qualifying as they went down 3-5 at home to Helston Athletic Ladies, Samantha Drewery, Jana Richards and Isabel Scott with the MAP goals.
