Managers Corner

Good evening. Tonight we welcome our visitors Warminster Town in the first Youth Floodlit game to be played at Rylands Way and in the hope of recording our first victory.

We now enter the first week of the season with fresh optimism from the pre-season which commenced in South West France in July and ended last Wednesday with a friendly at Swindon Supermarine. There have been a number of significant additions to what was last seasons Under 16 squad with the older elements from what would have been an Under 17 team now being combined to form this seasons squad. With the fresh faces and with the support of the team's main sponsor, E P Keogh Contractors Limited, it is hoped that we can provide some entertaining football along with a useful link into the senior sides. A lot of hard work and background support has gone into preparing the facilities and the team and we only hope that the players and those supporting understand this and the continual need for further support.

We hope you enjoy tonight's game and that it will be refreshing football to make you want to return again.

Thank you for your support and we hope to see you again on Thursday 21st September when we entertain Mellksham Town KO 7.30pm
