Men's First Team Bassett Bulletin

Welcome To Today's Game

GOOD AFTERNOON and welcome to the Sustain Stadium here at the Gerard Buxton Sports Ground for this UHlsport Hellenic League Premier Division fixture against Worcester Raiders. A warm welcome to all our visitors who have made the journey down from Worcester, we hope you enjoy your short stay with us this afternoon and we wish you a safe journey home.

This is the first ever meeting between the two clubs with Worcester Raiders having been promoted into the UHlsport Hellenic League Premier Division for the first time at the end of last season after just one season in Division One. Raiders had previously played in the West Midlands League and before that in the Worcester & District League. The Raiders have had well publicised issues with their ground linked to the demise of the Worcester Warriors rugby team, but it is pleasing to hear that it looks like these are now behind them.

Well last week's game against Westfields had an exciting end to it with that late equalising goal. Despite Westfields seeing a lot of the possession I feel that we more than deserved the point we took out of what was a very physical contest in difficult windy conditions. The two sendings off towards and at the end took some of the gloss off a hard-earned point and mean Adam Corcoran is now set to miss our FA Vase game against Wellington. The dropped points for Westfields mean they are now six points adrift of second placed Malvern Town and ten behind leaders Cribbs.

Back to today's game and it is pleasing to see another one of our Youth Section sides acting as mascots for today's game. Last week it was the Under 8 Blues and this week it is a warm welcome to all the players, management team and parents from the Under 8 Yellow's (pictured right) to today's game. We hope you have an enjoyable afternoon and we hope to see you back to watch future First Team games.

It is pleasing to report that the game against Tuffley Rovers, originally scheduled for the night England play Wales, has been moved back 24 hours to the Wednesday night to avoid clashing with the World Cup game.

The Development Team's fantastic unbeaten run under new manager Mark Simpkins continued last Saturday with a 2-0 away win over Marlborough Town to move into the top half of the table for the first time this season. Goals from recent signing James Close and stalwart Ben Spackman did the damage. This week the Development team are away to Stratton Juniors looking to complete a league double over their Swindon opponents having defeated them 2-0 back at the end of September.

The Women's side had one of their longest journeys of the season into deepest Cornwall last Sunday and, not for the first time this season, started well to lead 2-0 but were then pegged back, eventually losing 6-3. They are also starting to lose a few players and Simon and his management team are looking to introduce some fresh faces to strengthen the squad back up. Tomorrow they are at home against a side they defeated 9-1 the last time they were in town. Whilst a repeat of that score will not happen with Bishops Lydeard having a much better season it does represent a chance for the Women's side to register their first league win of the season.

Enjoy today's game and hopefully we will be celebrating a league win in our first encounter with Worcester Raiders. *Mark*

BASSETT TO DUKE IT OUT WITH WELLINGTON IN FA VASE SECOND ROUND

Royal Wootton Bassett Town will travel to Somerset to take on Wellington in the Isuzu FA Vase second round.

The tie is scheduled to take place on Saturday 12 November.

The trip to Somerset is Bassett's reward for the eventful 5-3 first round victory away at Bridport and, on paper at least, is set to be a much trickier affair, with Wellington plying their trade at step five in the Western League Premier Division.

And Bassett's historic record away at Western League sides in the FA Vase is not a pretty one. While there have been wins against Portishead Town (2021-22) and Devizes Town (2010-11), Bassett have more often than not come unstuck against such opponents, losing at Bridgwater Town (2020-21), Odd Down (2013-14), Cadbury Heath (2010-11) and - back in 2004-05 - forthcoming opponents Wellington.

That loss at Wellington was a heavy one too as the Tangerines romped to a 4-0 first qualifying round win.

Bassett will be hopeful of a different outcome this time though as they aim to match last season's record-breaking run to the third round.

While not having the best of starts so far in the league after a 14th place finish last season, Wellington recorded an impressive 2-0 win at home against Barnstaple Town on Saturday as they, like Bassett, took their first steps in this year's Vase in the first round.

They earned such an exemption after advancing to last season's third round, picking up an away win on penalties against Bishops Lydeard before seeing off Millbrook 2-1 on their travels and beating Christchurch 5-2 on home territory.

That was Wellington's third appearance in the third round, having previously advanced to that stage in 2009-10 and 1990-91.

This year's tie will interestingly be

Wellington's first against Hellenic League opposition since the year in which they previously hosted Bassett; their 4-0 win was subsequently followed two rounds later with a 2-1 loss against Chipping Norton Town.

The Tangerines have faced Hellenic League opponents more recently in the FA Cup though, losing 3-0 at Fairford Town in the 2011-12 extra preliminary round.

With both sides eager to have a shot at history a round later, the second round clash between Bassett and Wellington promises to be an entertaining tie - and all at the club look forward to the forthcoming trip to Somerset 18 years after our inaugural visit..

BINGO FUNDRAISER

The Youth Section held a successful fund raising event last Saturday with the proceeds from the event going towards the annual Holland Tour. The night, organised by Mark and Stacey Cooper, raised £675. It was great to see the First Team supporting the event with Griff acting as the Bingo caller.

The Gaffer

SAM COLLIER

Good afternoon to all and welcome to Worcester Raiders for what I believe to be the first time in the two clubs' history. Raiders are flying, and like last week's visitors in Westfields, we are up against a very strong side. Having watched them Tuesday night against Tuffley, although the score line was close and the home side took the lead, on another day it could have been four or five for the Raiders. Either way, as always I hope the away side has a safe journey back and look forward to visiting the Sixways in the new year.

Last Saturday saw a very complete game and as I mentioned a very strong Westfields whom I as a manager haven't ever got a point from until last week.

And I feel it was certainly deserved, having defended very well when we needed to. However, I felt we had better chances and should have taken the lead, that being said the goal we scored was very well taken and not for the first time this season shown the spirit of these lads to not give up and fight till the end. Having not lost at home to Cribbs and now Westfields let's hope we can make it three of the top four come 4PM.

More positives have been the signings we have been able to make over the last week. We have brought back to the club, Rhys

Talmash from Devizes, a lad who we had for a short spell two seasons ago who has huge potential and now has joined the RAF seems to be in a real good place, he brings pace and power with a real eye for goal. Also we hopefully will have added Charlie McCrae from Highworth. I tried to sign him at the start of pre-season however he wanted to remain at Southern League level, but has found himself falling out of love a little with the game. He therefore contacted me, and finally a fans favourite in Sam Packer, he has returned home from USA where his partner is having a baby and he wanted to be closer to family, friends and most importantly, Bassett FC!

On Saturday I was due to be the bingo caller for the Under 10s bingo night fund raiser. However, unfortunately my boy Fred was unwell therefore I was summoned home by Mrs Collier to support, this meant I was leaving the Youth Section in the lurch!! I turned to my right-hand man and asked if he was happy to step up, He was more than happy to help, However fundraiser Danni (Griffs Partner) gave me a shocking evil!! I don't think she planned to be helping Sir Alan call out bingo numbers all night on her Saturday night. I think he treated her to a big Mac after so not all bad Danni! Just shows we are all one big club here and always happy to help.

Let's hope for another successful day and please keep making the noise behind the goal!

Much Love *Sam*

Worcester Raiders were formed in 2001 as a youth club, joining the Worcester & District Football League in 2010 upon the formation of a senior side. In 2013, Worcester Raiders joined the West Midlands (Regional) League Division Two, gaining promotion in their first season in the National League System. In 2019, Worcester Raiders won Division One, gaining promotion to the Premier Division. Worcester Raiders entered the FA Vase for the first time in 2020–21. At the end of the 2020–21 season the club were transferred to Division One of the Hellenic League as part of the FA's restructuring of the National League System.

In the 2021–22 season, Worcester Raiders finished second behind Studley F.C. in Division 1 of the uhsport Hellenic League. Despite a 3-0 loss to Hereford Pegasus F.C. in the playoff final, Worcester Raiders were promoted to the Premier Division of the Hellenic League following the closure of Walton Casuals F.C. in the Southern League Premier South, leading to the reprieve for Merthyr Town and Cinderford Town A.F.C. The result was Worcester were promoted to the Hellenic Premier as runner-up in that play-off.

Worcester Raiders initially played at Claines Lane. On 29 July 2020, English Premiership rugby union club Worcester Warriors confirmed Worcester Raiders would move into Sixways Stadium, with Worcester Warriors' co-owners Colin Goldring and Jason Whittingham becoming joint majority owners of Worcester Raiders in the process. In September 2022 the future of the club was left uncertain after the gates to their ground were locked, as a result of Worcester Warriors' financial problems. This effectively left Worcester Raiders homeless with nowhere to play their home matches. However, it was later confirmed that the Raiders had reached an agreement with the Warriors' administrators to remain at Sixways.

Bassett Fight Back to Frustrate Fields

**Royal Wootton Bassett Town 1
Westfields 1**

Royal Wootton Bassett Town battled back from a goal down to claim an impressive point in a high intensity, full-blooded battle against third place Westfields.

Debutant Matt Jones fired in on the turn, sweeping home from a Tommy Ouldrige cross, on 77 minutes to cancel out Dan Stoneman's earlier equaliser.

There was then further late drama with both sides spurning great chances to grab a winner and Bassett being reduced to ten men after Adam Corcoran received a straight red card.

Creating deeper selection issues at centre half for Bassett boss Sam Collier, Dave Bampton also received a red card after the final whistle for foul and abusive language.

That's a problem for another day though. Instead, Collier and his side can look back with pride on another afternoon when they went toe-to-toe with one of the Hellenic League Premier Division's big guns and deservedly came away with something to show for their efforts.

On balance, Westfields may have had the greater share of possession and the game's chances. But Bassett were duly rewarded for their gritty display, tireless effort and the fact they didn't back down in the face of physical opponents.

The teams had gone into the break without the deadlock being broken. However, after an open first half it didn't seem as though the game was going to end that way.

Opportunities arose at both ends of the pitch, with the opening two falling to Bassett within seven minutes of kick off as Bailey Gallagher cut inside two defenders before shooting into the hands of Ian Havard before the visitors' 'keeper did well to claw Jack Hobson-McVeigh's deflected free kick around the post.

A trio of Westfields openings then all forced Matt Crowther into action. The 'keeper held on the dive from Harry Pitman's low, rasping effort from distance before racing off his line to parry at the forward's feet. The Bassett shotstopper then was equal to Harry Iddles' strike from the edge of the area after the ball had broken to the midfielder following a bustling Morgan Evans run.

The two teams continued to trade blows. On 28 minutes, Bassett were unfortunate not to go ahead when Bampton met a Hobson-McVeigh corner with a towering header at the far post. Havard was beaten, but the ball was blocked on the line before the 'keeper was able to snatch it away.

Westfields then were left to rue a golden opportunity as Iddles crossed from the left to an unmarked Dan Stoneman, but, from a tight angle, he snatched at a half volley, dragging the ball across the face of goal before Bassett hacked clear.

That openness continued following the restart. Less than sixty seconds after play resumed, Ouldrige received a Gio Wrona flick on before threading a precise through ball for Matt Bennett to race onto. Bennett was left with just Havard to beat, but the Westfields 'keeper did enough to close the angle and parried away.

A minute later, Bassett conceded a free kick on the edge of their own box following a Westfields counter. Matt McDonald failed to take advantage of a golden opportunity though, shooting into the wall, with the rebound falling to Pitman who saw his effort blocked.

After such a lively start to proceedings, play eventually settled and the two teams largely cancelled each other out.

That stasis lasted until the 63rd minute. Bassett had just seen Louis Spalding shoot weakly at Havard after latching onto Wrona's lofted pass into the left channel. Havard quickly redirected play, with Josh Hunt's flick landing at the feet of Stoneman, who fashioned space to shoot on the edge of the box, curling into the right corner with a well-taken strike.

It felt like a game where Westfields, who had just about enjoyed the better of proceedings, were likely to go on and win if they were to score first.

But throughout this season, Bassett have been a side who you can never count on. And they duly got back on terms with thirteen minutes to go.

Keeping possession alive in the right corner, Jowan Partridge set the ball back to Ouldridge, who teased in a cross that fell perfectly for Jones inside the area. The substitute then rolled marker Sean Powell before arrowing a low drive into the bottom left corner.

That set up a hectic finish to the match.

With three minutes to go, Jones steered in a hanging cross which Harry Walters redirected into the six-yard area. Alan Griffin won an aerial duel against Havard who fell to

the floor, but the veteran marksman was unable to shuffle the ball in from close range, instead seeing his tight-angled shot deflected wide.

The resulting corner came to nothing, and Westfields sought to break. That was interrupted by Corcoran's heavy challenge on Steve Davis near halfway, which was deemed worthy of a straight red card.

A nervy final few moments were therefore in store, with Westfields seeking to capitalise on their numerical advantage.

They seemed destined to find a winner when a goalmouth scramble ensued in injury time. Bassett failed to clear properly and the ball was recycled back into the box, a cross from the left corner picking out an unmarked Hunt at the far post. But, rather embarrassingly for the forward, he headed wide from six yards out.

His miss could prove costly for Westfields, who – in failing to come out victorious – lose further ground on Cribbs and Malvern Town in the race for promotion.

For Bassett, it's another solid result – and further evidence of the huge progress Collier and his side have made this season.

Man of the Match: Jowan Partridge – the youngster's stock continues to rise after he produced another mature, composed display at right back, dealing well with the pace and trickery of Westfields dangerman Stoneman.

The Non-League Paper

NON-LEAGUE LEGEND

THE word 'legend' is a term used pretty loosely in football these days, but there aren't many people in the Non-League game who consider Neil Cugley as anything but.

Last week, the veteran boss stood down as manager of Folkestone Invicta after 26 years and 1,299 games in the dugout, making him the longest-serving manager in the top eight tiers of English football since Arsene Wenger left Arsenal in 2018.

"He changed my life," striker Ade Yusuff told us. "A lot of managers I've had haven't really understood me as a player – maybe even a man, sometimes – whereas he's allowed me to be myself. That's helped me to flourish on the pitch under him."

Twenty six years. It can never be underestimated just what an achievement that is, especially in this day and age where managers are lucky to last 26 days before the knives come out.

That, though, is where Non-League football is cut from a different cloth. Yes, there are still the odd over-reactive parting of ways but I like to think there is a genuine loyalty that high-end clubs could learn from.

Cugs may have stepped away from the dugout but his heart and soul remains at Cheriton Road. His wife runs the bar and his stepson is one of the club's biggest fans. You can bet Cugs will join them on the terraces, barking his usual instructions, on a Saturday afternoon from here on in.

Cugley's exit got me thinking about other Non-League legends from the dugout, of which there are quite a few.

On the south coast alone, Tommy Killick, at Poole Town, and Dave Diaper, at Sholing FC, have been at their respective clubs for over 20 years, while Terry Brown, at the age of 70, has recently returned to the Aldershot Town dugout on an interim basis, leading the club to three

straight wins on the back of Mark Molesley's departure. You can't buy experience like that.

So, with Cugley swapping his trench coat for gardening gloves, who is the new managerial stalwart who has served his club the longest? The answer to that is Bacup Borough boss Brent Peters.

Twenty-five years ago, then Borough chairman Frank Manning and co-director Graham Schofield walked into a local pub looking for help to rescue the historic club from extinction. Little did they know that the man they were talking to would still be holding that baton twenty-five years later.

In a recent interview with BBC Radio Lancashire, Peters said his greatest achievement was keeping the club afloat amid difficult times with other in the Valley, like his very own beloved Rossendale United, having fallen by the wayside.

"Brent Peters, in my eyes is Mr Non-League," said club representative Steven Brown. "He cuts the grass, he does the plumbing, he changes the beer barrels, he takes out the rubbish, etc, etc. There is no job at Bacup Borough FC that this man doesn't do. He is a machine and it's fair to say that there would be no club without Brent Peters."

Cugley and Peters

Brent Peters in my eyes is Mr Non League. He cuts the grass, he does the plumbing, he changes the beer barrels, he takes out the rubbish, etc, etc. There is no job at Bacup Borough FC that this man doesn't do. He is a machine and it's fair to say that there would be no club without Brent Peters."

The likes of Cugley, Peters, Killick, Diaper, Brown and others are the lifeblood of their club and the Non-League game as a whole. Loyalty is everything in life in general – it's so gratifying to see it rewarded.

Unbeaten Run Continues & Another Clean Sheet

Saturday 29th October 2022

Marlborough Town 0 Royal W. Bassett Town Dev 2

After losing their first five games of the season last season's champions have since been on an unbeaten run which coincided with the appointment of Mark Simpkins as their new manager. They travelled to Marlborough Town having gone seven games since they last suffered defeat and having kept five cleansheets in that unbeaten run. The shut-out number is now six after they once again prevented their opponents from scoring and scored two of their own through James Close and Ben Spackman (pictured right). The 2-0 win saw Royal Wootton Bassett Town Development move into the top half of the table for the first time this season.

Fast start not enough as Liskeard hit Bassett for six

Sunday 30th October 2022

Torquay United 5 Royal Wootton Bassett Town 2

Royal Wootton Bassett Town remained winless in the South West Regional Women's Football League after a 6-3 loss away against Liskeard Athletic.

By far the team's longest journey of the season, it wound up being a frustrating trip to Cornwall as Bassett found themselves on the losing end of another high scoring battle.

Adding to the feeling was the fact that, for the second time this season, Bassett surrendered a two goal lead.

Libby Davies struck twice within the opening quarter of an hour as her side got off to a

perfect start.

But that would be as good as it got for the visitors.

Chloe Williams pulled a goal for the hosts before Sam Metters headed in from Charlotte Bond's cross to draw level midway through the half.

Another Metters header then gave Liskeard their first lead. And the Cornish outfit were fully in charge just before the interval courtesy of a fine Bond free kick.

After the restart, Metters completed her hat trick to 5-2, while Ollie Ramsey got in on the act to make it a home half dozen.

There was time for Davies to complete her hat trick shortly before the end but that was a mere consolation.

Excludes games played on Thursday night

The 2022-23 campaign may only be a couple of months old, but Royal Wootton Bassett Town are already starting to make plans for its 2023-24 Under 18 Floodlit team.

It is planned that the team will once again be playing in Wiltshire League Floodlit Division in, while the club also intends to enter the FA Youth Cup.

Our Under 18 Floodlit side provides the perfect opportunity for talented, ambitious young players - whether they currently be playing in the club's youth section or for other local youth sides - to take the next step towards breaking through into senior men's football.

Acting as a clear link between the club's Youth and Men's sections, our Under 18s side offers real, proven opportunities to progress into Hellenic League and Wiltshire Senior League football, with numerous players having broken into the club's Men's First and Development sides in recent seasons.

Indeed, since 2019-20, ten players who have featured for Bassett's Floodlit side - Nat Bell, Oliver Crosby-Clake, Alan de Paula, James Johnson, Jowan Partridge, Jed Phillips, Kevin Prouse, Sebastian Smith and Alex Stephenson - have all made appearances for the Men's First Team.

And this season has seen Jowan Partridge establish himself as a regular in the Men's First Team.

Meanwhile, so far this season ten current or former Under 18 Floodlit players have appeared for Bassett's Development team.

On top of this, playing for the club's Under 18 Floodlit team also opens up the opportunity to:

- Gain coaching experience within the club's youth section
- Access post-match video and performance analysis tools through the club's Veo subscription
- Have access to our excellent playing and social facilities at the Gerard Buxton Sports Ground
- Continue playing regular football while studying at school/college or undertaking an apprenticeship

The club's coaches are also willing to support players with applications for football scholarship programmes in the United States - with two players from last season's squad - Sonny James (Allen Community College in Kansas) and Alex Stephenson (Monroe Community College in New York) having started their college careers.

If you or your son are currently in school years 11 or 12 and are interested in playing for the club next season, please contact Under 18 Floodlit team manager Nick Warren (07789 888300; nick.warren@rwbtc.co.uk) for further information.
