Women's Team Bassett Bulletin

Welcome To Today's Game

GOOD AFTERNOON

and welcome to the Sustain Stadium here at the Gerard Buxton Sports Ground, for our fifth home league fixture of the season. I would like to welcome all that have travelled up from Dorset, the

coaches, players and supporters from Weymouth women's team who are experiencing their first visit with us here at the Sustain Stadium.

We have yet to visit Weymouth with the away fixture due to be played on Sunday 10th March. So this is our first ever meeting at any level let alone a women's fixture against Weymouth and we hope you enjoy your short stay with us this afternoon and have a safe journey home.

The Women's team have now played four away games since my last programme notes, way back in December, when we hosted Westbury in the Wiltshire Cup. We won comfortably on the day to progress to the quarter final, where we were given an away tie to Swindon Town. This game was played a couple of weeks ago at Devizes in atrocious conditions of driving wind and rain, and it showed me what a strong squad we have in what was a very good performance. Losing 6-0 to a team playing two levels higher was no disgrace but what was a disgrace was

how we had to travel 45 minutes to play at Green Lane in Devizes with a 4pm KO. Admittedly, yes we were asked if we could reverse the fixture to play on our pitch, but unfortunately we were asked too late with three men's fixtures already scheduled on the pitch within the week.

Sadly the most disappointing part of the day was the fact the kick off had to be put back until 4pm, as both teams were unable to warm up in time, with a game still being played on the pitch. And to cap off a farcical day and with a storm clearly brewing, the floodlights were not turned on early enough, leading to the referee having to ask for them to be switched on. Which sadly resulted in another 10 minutes of commotion as the Wilts FA staffs were nowhere to be seen.

I have not been to be at the last three away games (Frome, Shaftesbury and Stockwood) as I have agreed to go to Holland and be an assistant coach to our U12 yellows, so felt spending time with that team on Sundays would help prepare me and the boys, but I'm very pleased we have been able to pick up three wins and keep up the pressure on Poole.

I hope you enjoy the game this afternoon and hope that Adam and the team can produce another top performance to secure another three points from the match.

Super six as Bassett swat aside Stockwood

Stockwood Wanderers 1
Royal Wootton Bassett Town 6

Royal Wootton Bassett Town put distance between themselves and third place Stockwood Wanderers with a thumping 6-1 away against their fellow South West Regional Women's Football League Division One East high-flyers.

Adam Wood's side made a lightning fast start and were 2-0 up after ten minutes courtesy of two goals seemingly no more than sixty seconds apart.

Leading scorer Hannah Gulliver opened the scoring, tapping in at the far post from a Laura Jefferies corner.

Her goal was then instantly followed by a second courtesy of Maddy Elliott - currently Gulliver's closest rival for the golden boot. From the kick off, Holly Baker stole possession in midfield and unselfishly picked out Elliott who shot beneath home 'keeper Jenna Lou Bedford.

Although 7-2 winners when the teams met earlier in the season in the Women's FA Cup, Bassett knew Stockwood would pose a threat. And the hosts almost pulled one back after Toni Blenkinsopp seized possession and fed Lauren Phillip. Blenkinsopp then got on the end of her cross but struck narrowly wide.

Gulliver then hit the crossbar before

Stockwood were able to pull one back midway through the half. Kate Whitmarsh helped on Grace Phillips' free kick delivery and Erin Vowles was on hand to steer home at the far post.

That ushered in a five minute spell when Bassett were on the ropes as Millie Powell denied Vowles an equaliser before somehow keeping out Phillip after she had danced past three defenders.

Bassett soon restored their two goal lead though. On 32 minutes Holly Baker applied a neat finish following good set up work from Laura Jefferies to produce what was a much needed goal given the short spell Stockwood had enjoyed.

The score would remain 3-1 until just before the

hour mark when Caily Morse split the home defence open and Libby Davies latched onto her pass before keeping her cool for her ninth of the season.

Bassett soon had a handful as Davies returned the favour. Morse made a darting run which Davies picked up on, feeding her strike partner with a fine pass before Morse did the rest.

The visitors were now in control of the match and creating multiple chances.

However a rare opening did fall to Vowles but she shot over from a Phillip cross.

Davies then made it six with her second of the afternoon. Her initial effort after bringing down an Honor Fraser struck the bar. But Bedford was unable to snaffle the ball, allowing Davies to put the rebound away.

The result lifts Bassett five points clear of Stockwood with a game in hand still to play. And with only four games remaining for Stockwood, including the return fixture against Bassett and an away visit to Poole Town, a top two finish is now firmly in Bassett's hands.

The frustration is that, while enjoying such a strong season, Bassett may still be denied promotion given that only the division champions are guaranteed to go up.

Poole have just two games left - both at home - and if the Dolphins win those Wood and his team are very likely to have to settle for second even if they record maximum points the rest of the way.

Bassett can only control what happens to them though - and this victory was a big step towards achieving what they need to do to keep alive their promotion hopes.

Last Week v Stockwood Wanderers

From The Skipper

Laura Jefferies

Good afternoon and welcome to our first home game of 2024. We hope our opposition Weymouth have had a safe journey to Wiltshire today.

Kicking off the year well, we have gained maximum points in our three league fixtures so far. First up we faced Frome, who we replicated the fixture from early on in the season, with a convincing 5-1 win.

Next up we faced a trip to Shaftesbury; a resilient side in which we thought we were going to have to settle for a draw. Fortunately, the ladies didn't give up though and we managed to grab that winning goal with just five minutes to play. Pleasing to get that all important victory it was evident that our remaining fixtures are going to be no easy feat and we're going to have to be at our very best to achieve the results we want.

Our third away fixture, saw us take a familiar trip Stockwood Wanderers. Despite our convincing 7-2 win over them back in October for the FA Cup, we knew that we couldn't go in to the game thinking it would be an easy fixture with them sitting third in the league. On a difficult pitch though we were clinical and got that all important three points with a 6-1 win keeping our promotion hopes alive.

Unfortunately though, our league form could not be matched in the Wiltshire County Cup quarter final. Facing a strong Swindon Town Woman outfit we succumbed to a heavy 6-0 defeat. Their clinical and drilled performance demonstrating their league stance.

Today marks the start of a run of home fixtures, so please get behind us as we aim for that promotion place come the end of the season!

points!

Weymouth FC Women were founded in the summer of 2020, and in a Covid shortened first season in the Dorset league, we finished as league runners up, losing just once in our first season.

The 2021-22 season saw us go one better and win the Dorset league, again suffering just one defeat in the league. We also enjoyed success in both cup competitions - winning our first ever FA cup match against Alton at the Bob Lucas Stadium before being knocked out by Sherborne. We also made it to the Dorset county cup final after bridging a two division gap to defeat Poole Town in the semi finals, before again, losing out to Sherborne in the final.

Last season saw us make the step up to the South West Women's league East Division. It was a learning curve with a lot of changes in terms of personnel, but we managed to be competitive in every game we played, and we earned enough points to maintain our place in the division on merit. We also enjoyed another terrific FA cup run - defeating Fleet and Poole Town to make it to the First Round Proper where we bowed out to Step 4 Keynsham Town.

We come into this season with a very young, inexperienced, but very exciting group of girls. We've enjoyed seeing several players make the jump from the youth set up into the development team and now becoming regulars in the first team, such as Gracie Billing, Zara Hunt, Ruby Clark, Ellia Webb, and Lauren Ellis. The younger girls are well led by experienced skipper Charlie Wilson and vice captain Emma Potter - both of whom have been with us since the very start back in the summer of 2020, with Potter being our current record appearance holder. And we're also extremely lucky that the younger girls get to learn from players such as Annie Redding, Lucy Roberts, and Jody Sapsford, who have experience playing at higher levels.

Our main aims for this season are to further consolidate our place in the division and continue to see our young team grow and develop with every game they play. For a lot of our girls, this is their first full season playing women's football, and we're already excited by what we're seeing even at this early stage.

Millie Powell

Powell is a young goalkeeper entering her third season in senior football. She has great shotstopping ability and is also confident with the ball at her feet. Boasting a lot of talent and potential, she claimed the number one jersey early in the 2021-22 season and never looked back, featuring sixteen times while earning both the Players' Player and Manager's Player of the Year awards for her excellent performances. Powell went on to make another 22 appearances last season, starting all but three games. She has also actively contributed towards coaching some of the goalkeepers in the club's girls' teams, offering her expertise and guidance.

Nia Davies

Davies is a promising young goalkeeper entering her second season with the club who will be providing competition for the number one jersey. The younger sister of forward Libby, Nia joined Bassett last season, making 16 appearances, including seven starts. Her debut - and first start - last season came in a 3-0 Wiltshire County Cup victory against Salisbury.

Honor Fraser

Fraser is a strong, technically gifted full back who joins Bassett this season from Swindon Town. Fraser featured for Swindon in each of the past three seasons. In the Covid-shortened 2020-21 campaign, she played six times for the Robins' Development team, scoring once. She then spent most of the 2021-22 season with Swindon's First Team, playing 14 times in the tier four FA Women's National League Division One South West before splitting time between the First and Development teams last year.

Darcy Cox

Cox is a young full back who joins this season from Swindon Town. A member of Swindon's 2021-22 Under 16 Wiltshire County Girls' League side, she progressed into senior women's football last season, appearing 18 times for Swindon's Development side.

Mark Smedley

Laura Jefferies

A Bassett stalwart, Jefferies has been with the club for close to a decade and a half having initially started off playing in Bassett's Girls' section. Immensely loyal, she has featured for the Women's First Team in every season since reformed in 2009-10, helping Bassett climb up from Division Three of the Gloucestershire County Women's League. She is the club's all-time leading Women's appearance maker and holds the distinction of having appeared in every single Women's FA Cup game Bassett have played. Club captain, Jefferies leads by example from defence. While a solid centre back, she is more than willing to step out from defence and start attacks and is also a threat from set pieces. Ultra-reliable and more than happy to get stuck in with the ugly side of the game, Jefferies is another player who will serve as a role model for Bassett's younger players on and off the pitch. Jefferies is still a quality player too, winning her fifth Player of the Year trophy last season. In Bassett's 2018-19 double-winning campaign, her performances earned her both the Players' Player and Manager's Player of the Year awards, while she picked up the Players' Player prize in 2013-14 and 2014-15.

Ruthless Robins hit Bassett for Six

Swindon Town 6 Royal Wootton Bassett Town 0

Royal Wootton Bassett Town's hopes of pulling off a Wiltshire County Women's Cup quarter final shock were emphatically quashed as Adam Wood's side fell to a 6-0 defeat against Swindon Town.

Facing opponents from the FA Women's National League Division One South West - two levels above the South West Regional Women's Football League Division One Eastern - Bassett entered the tie as big underdogs. And, although putting up a decent fight, the gap between the sides was evident as Swindon claimed a convincing win.

The Robins didn't have it all their own way though - in particular, Bassett put up some strong resistance in the second half. But the damage had already been done in the opening period, with Swindon going into half time with a 4-0 lead after a ruthless attacking display that included three goals scored within the space of ten minutes.

Swindon went ahead with quarter of an hour gone. There was a slice of fortune in their opener too as Georgia Vandries' deflected shot fell into the path of teammate Meg Jarvis who coolly placed past Millie Powell in the Bassett goal.

While being in control of proceedings, the Robins had only that solitary goal to their name as the opening stanza edged towards its completion.

That would soon change though. On 30 minutes Jarvis added a second before Billie Haynes' wind assisted free kick from thirty yards out made it 3-0 four minutes later. Holly Randall then mopped up after Powell

produced a fine save but could only palm away from a corner as Swindon asserted their dominance.

To their credit, Bassett didn't cave in and instead a determined effort following the restart seemed set to deny Swindon the opportunity to extend their lead any further.

Playing with the wind behind them, Bassett also created opportunities too. The best chances fell to Libby Davies who saw a shot well saved by Shawna Hannam after Hannah Gulliver had set her up before heading wide from a Gulliver delivery.

Eventually though, with eight minutes remaining, Swindon got their fifth as Vandries weaved her way into the box before picking out the top corner.

After Amber Egerton almost pulled one back for Bassett, seeing a shot saved by Hannam following a corner, Vandries then added her second - and her team's sixth. She produced a composed finish after Jarvis had rounded Powell and, finding the angle too tight to shoot, squared to her teammate.

The toughest draw Bassett could have faced, there's certainly no harm in bowing out to Swindon.

Bassett's attentions now turn back to the league and their final six games of the season as the team seek to secure an immediate return to tier five.

v Shaftesbury (A)

Sunday 14 January 2024
Maddy on the mark to snatch late winner

Shaftesbury 1
Royal Wootton Bassett Town 2

Maddy Elliott scored a dramatic late winner to deliver a 2-1 victory for Royal Wootton Bassett Town over a resilient Shaftesbury side - and keep her side's South West Regional Women's Football League Division One Eastern title hopes alive.

Bassett seemed on course for just a point against a Shaftesbury outfit who hassled their visitors all afternoon. And, with Poole Town beating Stockwood Wanderers in the first of their two meetings, such an outcome would have seen Adam Wood's side fall to eleven points back on their opponents - a deficit they wouldn't be able to overhaul with the three games in hand they possess.

But with five minutes remaining Elliott was on hand to sweep home a rebound after home 'keeper Emma Stranger could only parry Caily Morse's effort.

That therefore transformed what had been a previously frustrating 85 minutes into a happy 90 minutes for the visitors.

Last season's Dorset Women's League champions, Shaftesbury have found the going tough results-wise in their opening campaign at tier six. But they started the new year with a solid 0-0 draw at home against Bath City and continued their strong start to 2024 against Bassett.

And they led as early as the seventh minute, Chelsie Johnson driving through the Bassett defence before emphatically firing into the bottom corner of the net beyond a helpless Millie Powell.

Bassett quickly responded and came close to an equaliser after Honor Fraser's dangerous cross led to a spell of head-pong in the box, with Natalie Goodright eventually striking the bar.

But on the quarter hour mark Bassett had their breakthrough. Build up play involving Lucy Goodright and Hannah Gulliver eventually saw the ball worked to Emma Sykes and she produced a fine strike from 25 yards out to get her side back on terms.

Bassett were out of sorts though, encountering strong resistance from Shaftesbury which led to some sloppiness at the other end with one misplaced pass almost gifting the hosts a second. Eventually though Bassett were able to put Shaftesbury under some sustained pressure. But that failed to produce an equaliser. Erin Hemsley and Elliott both failed to locate the target before Gulliver struck straight at Stranger.

A towering Laura Jefferies corner was seemingly pushed into her own net by Stranger but the ball was deemed not to have crossed the line. Great play from Hemsley then failed to find its reward as she was denied by Stranger. Bassett thus seemed on course for a draw. That was Jefferies played a one-two with Gulliver and delivered a superb cross to Morse. Morse's shot was rather tame but Stranger could only parry and Elliott was on hand to gladly stroke home.

There was to be one late scare when Poppy Failes found herself one-on-one with Powell but, superbly, the Bassett 'keeper foiled her. That was the last chance of note and, despite not being near their best, Bassett had got the job done.

v Frome Town (A)

Sunday 7 January 2024
Five star Bassett up to Second

Frome Town 1 **Royal Wootton Bassett Town 5**

Royal Wootton Bassett Town returned from their winter break with a convincing 5-1 victory away at Frome Town, with the result lifting Adam Wood's side into second place in the South West Regional Women's Football League Division One Eastern.

A repeat of the scoreline when the teams met in Wiltshire back in September, the game followed a similar pattern too with Bassett leading 2-1 at the break before pulling away from Frome after the restart.

On this occasion though Bassett had to play from behind with Frome taking an early lead as Keira-Leigh Underhill headed in from a corner.

Bassett saw a double chance go to waste shortly after as Libby Davies forced a parry from Sophie Billet with Hannah Gulliver shooting wide from the rebound.

And the visitors almost found themselves 2-0 when Karen Perkins rose to meet another dangerous corner but, fortunately for Bassett, she didn't get enough on her header to trouble Millie Powell's goal.

After an indifferent start to the match, Maddy Elliott's 27th minute equaliser eventually settled Bassett down. She calmly slotted home after Davies' clever flick helped on a cross from Player of the Match Honor Fraser.

That goal began a spell of significant Bassett pressure. And after Holly Baker passed up the chance to put her side ahead, Kelly Nightingale soon enough made it 2-1, tapping into the net after Billet could only palm away a Gulliver free kick. While remaining in the ascendancy until the interval, Bassett had to make the do with a slender half time lead.

Manager Wood would perhaps have been fretting that his side weren't further in front as Frome had two fine chances early in the second half.

Alice Starr was first to threaten but shot straight into Powell's arms. The Bassett 'keeper then did brilliantly to deny Martha Peet, racing off her line to smother after the Frome forward found herself through one-on-one.

But after surviving those scares, Bassett eventually pulled away from Frome. Shortly after Fraser struck narrowly wide, some trickery from Davies opened up space for Gulliver to shoot and she extended Bassett's lead to 3-1 with a superb effort into the top corner.

Involved in two goals, Davies more than deserved to get her name on the scoresheet. But, despite four further chances falling her way, it seemed as though it wasn't going to be her day. However, early in stoppage time she poked home after Billet failed to hold onto a Gulliver free kick. Davies then teed up Jasmine Kennedy who bundled home Bassett's fifth.

The result takes Bassett above Stockwood Wanderers on goal difference and closes the gap to leaders Poole Town to nine points with three games in hand still to play.

The destination of the title - and thus automatic promotion to tier five - is set to go to one of Poole, Bassett and Stockwood. And with Bassett and Poole still to play their season series against Stockwood, those four games could go a long way to determining who finishes in that position.

Bassett march into Women's County Cup last eight

**Royal Wootton Bassett Town 8
Westbury United 0**

Royal Wootton Bassett Town recorded a thumping 8-0 win against Westbury Youth as Adam Wood's side comfortably triumphed in their Wiltshire Women's Cup second round tie.

And the win - which saw Bassett progress to the quarter finals - marked a welcome return for star striker Libby Davies who, hitting the ground running after a lengthy injury lay-off, netted four times.

En route to an appearance in last season's final Bassett had to overcome Wiltshire County Women's League opposition three times. And on each occasion Bassett found the going tough against lower level opponents.

Not on this occasion though as Bassett swept Westbury aside.

Caily Morse got the ball rolling. She should really have put Bassett ahead in the opening minute but shot wide while unmarked. However she soon made amends. Racing onto Honor Fraser's header in behind the Westbury defence, Morse made no mistake as visiting 'keeper Tory Swinney decided against shutting her down.

After a frustrating series of near misses, Davies eventually made it 2-0. Latching onto a Natalie Goodright pass, Davies used her pace to burst past the last defender before coolly finishing.

Soon after it was 3-0. Quick feet from Fraser took two Westbury players out of the game and she crossed for Laura Jefferies who set the ball back to Morse to fire into the net.

Bassett were unable to extend their already commanding lead further before half time. But Davies made it 4-0 shortly after the restart, slotting home after being picked out by an Emma Sykes header.

Reacting quickest to a corner that dropped in the box, Davies then had her hat trick.

Her fourth - and Bassett's sixth - followed when she coolly placed the ball beyond Swinney after Jefferies chested a Lucia Green cross down to her.

Green was unfortunate not to get on the scoresheet when she smashed an effort against the post.

But Aly Topping was able to as she picked up the pieces after Morse's path to goal had been denied.

A fine solo effort from Lucy Goodright then completed the scoring and a solid afternoon's work.

An extremely tough test against Swindon Town awaits in the last eight. But Bassett will give it all that they have and will be eyeing up an upset to earn a semi final place when they take the field for the tie in late January.
