## Welcome To Today's Game

**GOOD AFTERNOON** and welcome back to the Sustain Stadium for what will be our second home league fixture of the season, after the Weymouth fixture was postponed due to our opponents being unable to field a team. I am sure today's opponents will give us another tough test as Poole travel to us sitting top of the league at this early stage, having won five from their opening six games played, the one defeat so far was at our near neighbours Purton who won 5-1.

Last Sunday we went out of the women's FA Cup, losing 0-1 against AFC Stoneham. For me defeat was always going to be one of disappointment, having been given a home tie to a side playing at the same level as ourselves in the pyramid, the chance to create some history in reaching the first round, along with the amount of money the winning team will have picked up. In what was a very close game, with both teams defences on top, and only a couple of clear chances created by either side, the game was very much end to end with neither side dominating for long spells. It was a good game for any neutral to watch and the games winning goal was very much a close call, highlighting the fine margin/rub of the green decisions needed on this occasion to win a game. The awarding of the free kick looked very soft to me, not to take away from a fine strike worthy of winning any game, this after the close call, in the first half also going in favour of Stoneham, when it was more like a slip from the away team keeper than a foul from Maddy.

On some positive notes, it was very pleasing to see so many people watching last Sunday's FA Cup game, with a good mix of young and old helping the attendance hit over 130 plus. Another plus for this season, is the player sponsorship pen pics, with only a couple of players still up for grabs, the sponsorship towards the ladies side and players has been phenomenal this season. If you'd like to sponsor a remaining player its not too late at only £50 per player for the season, please contact the chairman Paul Gerrish ([paul.gerrish@rwbtfc.co.uk](mailto:paul.gerrish@rwbtfc.co.uk)) or myself ([Bryan.wood@rwbtfc.co.uk](mailto:Bryan.wood@rwbtfc.co.uk)).

I hope you enjoy the game this afternoon and hope that Adam and the team can get back to winning ways.

## Hannah Gulliver

Good afternoon everyone and we would like to extend a warm welcome to today's opponents, Poole Town, who we hope have had a good journey to us.

We approach today's game after a disappointing exit from the FA cup third qualifying round last week. An end to a good run but unfortunately, despite a hard fought and better performance in the second half, we ultimately could not keep our streak going and go one better to the first round proper. Our time in the FA cup saw us play 3 opponents, score 21 goals and concede only 3. Unfortunately, it only took 1 very well taken AFC Stoneham free-kick to knock us out after a tight game. However, we wish AFC Stoneham the best of luck in the next round and for the rest of their season.

Having felt the heartbreak of last week, the girls will very much be looking to bounce back and to get back to winning ways. Our opponents today are a very familiar sight to us, having both been relegated from the South West Regional Women's Premier division (tier 5), we now both find ourselves in the South West Regional Women's Eastern Division (tier 6). Last season saw neither team get the better of the other, both games ending in a stalemate- a 1-1 result away and a 2-2 result at home. Two very tight, hard fought games. Both teams finished on 9 points having finished 9th and 10th in league, with Poole only edging ahead on goal difference.

Today will likely be a thrilling game between two evenly matched teams, both aiming to climb straight back up to tier 5 football. Both teams have had promising starts to the league. Poole are currently sitting top of the table with 15 points from 5 wins and 1 loss, having played 6 games. We find ourselves with 9 points, in third spot having won 3 and lost 1, playing two less games. It really is as close as it can get!

Thank you for coming today and please support the team in what will surely be an exciting game!

Good afternoon and welcome today to the Sustain Stadium here at the Gerard Buxton Sports Ground. Today we have another vital game when we take on Poole Town in a top of the table league fixture. Poole, like ourselves were relegated from the Premier Division last season and, just like Bassett, are keen to regain that position in the Premier Division at the first attempt. With just the one promotion place available today is very much a game we must not lose.

Poole Town have started really well this season and currently sit top the table although they were beaten by Purton a team we have beaten this season. That said we know we will need to be at our very best if we want to get anything out of this game and our attitude needs to be right from the kick-off here this afternoon.

It was disappointing to lose in the FA Cup last week against AFC Stoneham as we all wanted to make history by getting through to the First Round Proper of this prestigious competition. The game could have gone either way, but luck was not on our side last week. There was very little to choose between the sides and it could have gone either way but in the end we were beaten by the finest of margins. It is important that we learn from the disappointment last week and look to ensure that we can take three points here this afternoon to keep our title challenge on track.

We attracted a large crowd last week and your support was greatly appreciated. Please cheer us along again today as we look to bounce back from last week's disappointment. We hope you enjoy the game and thank you once again for the continued support!

*Laura*

# Last Meeting at The Sustain Stadium

**Sunday 5 February 2023**  
**Late Penalty Salvages Point**

**Royal Wootton Bassett Town 2**  
**Poole Town 2**

The final score may have provided little benefit for either team as both sides remain winless in the South West Regional Women's Football League Premier Division. But Royal Wootton Bassett Town and Poole Town can take some form of pride in having produced an entertaining and dramatic 2-2 draw in their latest encounter.

Bassett will be breathing the biggest sigh of relief that they were able to take something out of the game as Simon Harrison's side salvaged a draw courtesy of Savannah Winstone's last minute penalty.

The circumstances were somewhat controversial with Winstone having seen her initial effort saved by Emily Wilkinson. However, the referee and assistant determined that the Poole 'keeper had come off her line before the ball was kicked, requiring a retake from which Winstone this time made no mistake.

It was a huge slice of fortune, but Bassett will

take whatever good luck they can get with the successful conversion at the second attempt meaning Simon Harrison's side were not cut adrift at the bottom of the table.

Still, Bassett's level five status remains under threat - as does that of Poole. And Warminster Town's win this weekend - coupled with a triumph for Ilminster Town last week - means both teams face an uphill challenge in their remaining fixtures to extricate themselves from the bottom two.

Both teams will give it their best shot though - just as they did here.

Bassett initially went ahead. Wilkinson was unable to hang onto Laura Jefferies' towering corner, and the loose ball dropped to Emma Sykes who scrambled home from close range.

But Poole then struck twice in the second half to go 2-1 in front as Sacha Paynter and Georgia Kemp found the net.

The visitors appeared set to see the game out and claim their maiden league win.

But there was to be late drama and - at the second time of asking from the spot - Winstone equalised to claim a share of the spoils.

## PEN PICS AND SPONSORS

Player Biography Sponsor

**Millie Powell**

Powell is a young goalkeeper entering her third season in senior football. She has great shotstopping ability and is also confident with the ball at her feet. Boasting a lot of talent and potential, she claimed the number one jersey early in the 2021-22 season and never looked back, featuring sixteen times while earning both the Players' Player and Manager's Player of the Year awards for her excellent performances. Powell went on to make another 22 appearances last season, starting all but three games. She has also actively contributed towards coaching some of the goalkeepers in the club's girls' teams, offering her expertise and guidance.

**Nia Davies**

Davies is a promising young goalkeeper entering her second season with the club who will be providing competition for the number one jersey. The younger sister of forward Libby, Nia joined Bassett last season, making 16 appearances, including seven starts. Her debut - and first start - last season came in a 3-0 Wiltshire County Cup victory against Salisbury.

**Honor Fraser**

Fraser is a strong, technically gifted full back who joins Bassett this season from Swindon Town. Fraser featured for Swindon in each of the past three seasons. In the Covid-shortened 2020-21 campaign, she played six times for the Robins' Development team, scoring once. She then spent most of the 2021-22 season with Swindon's First Team, playing 14 times in the tier four FA Women's National League Division One South West before splitting time between the First and Development teams last year.

**Darcy Cox**

Cox is a young full back who joins this season from Swindon Town. A member of Swindon's 2021-22 Under 16 Wiltshire County Girls' League side, she progressed into senior women's football last season, appearing 18 times for Swindon's Development side

**Mark Smedley**

**Laura Jefferies**

A Bassett stalwart, Jefferies has been with the club for close to a decade and a half having initially started off playing in Bassett's Girls' section. Immensely loyal, she has featured for the Women's First Team in every season since reformed in 2009-10, helping Bassett climb up from Division Three of the Gloucestershire County Women's League. She is the club's all-time leading Women's appearance maker and holds the distinction of having appeared in every single Women's FA Cup game Bassett have played. Club captain, Jefferies leads by example from defence. While a solid centre back, she is more than willing to step out from defence and start attacks and is also a threat from set pieces. Ultra-reliable and more than happy to get stuck in with the ugly side of the game, Jefferies is another player who will serve as a role model for Bassett's younger players on and off the pitch. Jefferies is still a quality player too, winning her fifth Player of the Year trophy last season. In Bassett's 2018-19 double-winning campaign, her performances earned her both the Players' Player and Manager's Player of the Year awards, while she picked up the Players' Player prize in 2013-14 and 2014-15.

Player	Biography	Sponsor
	<p>Johnson is a talented young defender who joined Bassett last season from Swindon Town. Johnson was part of Swindon's 2021-22 Under 16 Wiltshire County Women's and Girls' League double-winning side, earning Players' Player of the Year. She also played for Ashton Keynes' all-conquering Gloucester County Girls' League Under 16s side in 2021-22. Johnson then featured twice for Swindon's Development side last season before joining Bassett. Playing 15 times and starting all but one game, she formed a strong partnership in the heart of Bassett's defence with Laura Jefferies.</p>	
	<p>Kirk is a talented defender who is entering her fifth season with the club. A player who reads the game exceptionally well and possesses a calmness which is rare in a player so young, she performed impressively in twelve appearances in the 2019-20 campaign – her first in senior football. Two seasons ago she featured eleven times with ten starts before experiencing an injury-shortened campaign last year in which she played just three times. Now on the path to recovery, Kirk will be hoping to return to the strong form she showed before being sidelined.</p>	
	<p>A player who has come through Bassett's youth section, O'Nions is a hard-working left-sided player with plenty of potential. O'Nions made her first foray into senior women's football at the end of the 2020-21 campaign, gaining experience in a series of friendly fixtures. She gave a good account of herself in those matches, and she went on to feature 13 times in competitive action in 2021-22 before making 17 appearances last season, including 13 starts. A student of the game and a valuable contributor to the club, she has also served as a coach for Bassett's girls' teams as well as at the Saturday morning Wildcats' sessions. This season O'Nions will be looking to continue her development with Bassett as a player, while also studying at university.</p>	
	<p>Entering her sixth season with Bassett team, Smith is a highly talented central defender who has come through the club's youth section. She made her Women's First Team debut towards the end of the 2018-19 season after turning 16 and proved to be a vital player during Bassett's title run-in. ## v Bath City (A)

**Sunday 8 October 2023**  
**Romans Ruin Perfect Start**

**Bath City 2**  
**Royal Wootton Bassett Town 1**

After six wins in all competitions to begin the new campaign, Royal Wootton Bassett Town lost their unbeaten record as they conceded a 92nd minute winner in a 2-1 defeat away against Bath City.

Bath had scored early on through Abby Gray with Bassett finally equalising ten minutes from time courtesy of captain Laura Jefferies' free kick. However, an entertaining encounter would not end with the points shared as Amy Key put the hosts back in front with next to no time remaining for Adam Wood's side to generate another reply.

Bath were quick out of the blocks, creating the game's opening chance as early as the third minute when Tara Taylor struck over from range following a neat move. Key's deflected corner then was just out of reach for Mils Bellotti as Bassett found themselves under early pressure.

And ultimately Bath were rewarded. Key delivered another fine corner and Gray was on hand to head home from close range.

Bassett almost generated an instant reply as a flowing move down the right side led to a ball in the box, which the in form Hannah Gulliver almost converted. However, last ditch defending from home defender Ashley Harris made her task more difficult and 'keeper Sadie Farley was able to safely gather the ball.

After such a hectic start, Bassett were able to finally establish a foothold, and the game settled down into more of a midfield battle.

But there was to be plenty of goalmouth action in the final minutes of the half with both teams coming close to netting the game's second goal.

Millie Powell was forced to scramble the ball away after Bellotti's free kick delivery from deep almost bounced over her. Then at the other end, Gulliver saw an effort from the edge of the area deflected narrowly wide.

The second half began somewhat slowly, the best opportunity falling early on to Bassett's Darcy Cox who, deciding to shoot from distance, placed wide.

On the hour, a bustling run from Taylor opened up space but her long range effort was comfortably dealt with by Powell. Ten minutes later, Taylor had done another go after latching onto Rhy Jefferies' through ball, however she could only find the side netting with a snap effort.

Having survived those scares, Bassett then got back on terms with ten minutes remaining. Producing a trademark towering free kick from 35 yards, Jefferies sent the ball over Farley and into the top corner.

Coming so late in the game, Bassett would have hoped that goal would be enough for a point. But Bath had other ideas.

With the game already into injury time, Harris' defence splitting through ball set free Key and she coolly lifted over Powell and into the back of the net.

Having suffered their first setback of the season, Bassett will quickly aim to get back to winning ways when they host Weymouth next Sunday. The first of three consecutive fixtures, including the Women's FA Cup third qualifying round tie against AFC Stoneham, at the Sustain Stadium, Adam Wood and his side will be hoping to make the most of home advantage.

That's something they have not enjoyed much of yet, with five of their opening six fixtures having been on the road - a fact that makes Bassett's start to the campaign so far so impressive, however frustrating it may be to have fallen to defeat for the first time.

### Stoneham stifle Bassett as cup dream ends

**Royal Wootton Bassett Town 0  
AFC Stoneham 1**

Royal Wootton Bassett Town's hopes of a place in the Women's FA Cup first round proper were cruelly dashed as AFC Stoneham edged a tense third qualifying round tie 1-0 at the Sustain Stadium.

The only goal of the game came courtesy of the visitors' Rebecca Moody whose long range free kick following a questionable award proved beyond the reach of 'keeper Millie Powell with just over fifteen minutes of the match remaining.

Bassett therefore exited in the final qualifying round for the second season in a row.

This year's exit was a more painful one though.

Bassett were well beaten at the same stage in 2022-23, losing 5-2 at Torquay United.

In contrast, the home tie against Stoneham was a game which - despite Bassett's below par first half performance - could have swung either way, with just a solitary goal ultimately separating the teams.

Bassett's attentions will now return to the league - with their first foray into the Wiltshire County Cup set for December.

And despite the disappointment of falling just short in the Women's FA Cup, there's little time for soul searching with an important pair of back-to-back league fixtures against fellow promotion hopefuls Poole Town, starting with the home meeting next Sunday.
