Women's Team Bassett Bulletin

Welcome To Today's Game

GOOD AFTERNOON

and welcome to the Sustain Stadium here at the Gerard Buxton Sports Ground, for our seventh home league fixture of the season. I would like to welcome all that have travelled over from Bath, the coaches, players and any supporters from the Bath team who are

experiencing their first visit with us here at the Sustain Stadium.

We played Bath away already this season back in October, and they inflicted our first league defeat of the season with us losing 2-1. The hosts scoring the winner late on, after Jeffers had equalised late on for us, and I am expecting another tough test in today's game.

Last Sunday's results saw us win at home 4-2 to Stockwood, with Poole being held at home by Purton to a 2-2 draw. The door is wide open again, as to who will finish in the top spot. Although I still think we have a very slim chance of the title and promotion due to needing to win the last 3 games (which is possible), but also needing to turn over a 21 goal difference that Poole have as

an advantage. This will be the hard task in the chase for promotion, and today's opponents Bath City have beaten us already this season, and will be no push over as their goals against is only 16 from 12 games. We then go away to Weymouth who we shared the points with after the 1-1 draw a couple of weeks ago, and if we manage to take six points after those games, we finally finish off the league season at home to Shaftesbury who we only just beat 2-1 late on. So forgive me for not ordering any champagne just yet. And still looking at the league table, today's opponents are the only team that can mathematically still catch us for second place.

The sad news for me last week was the confirmation that Erin Hemsley and Nia Davies had left the club. I wish to thank both for the time and effort they have given to the women's team and especially to Nia who had trained for almost two seasons alongside Millie challenging her to the goal keeping spot, not just in training but in matches too.

Here's hopeful to another important three points and an exciting end to the season.

From The Dugout

GOOD AFTERNOON Everyone and welcome back to the Sustain Stadium as we welcome today's opponents Bath City.

Today's game is the reverse fixture after our narrow 2-1 defeat to Bath at Twerton Park back in October.

As we enter our last three remaining league games this season, we look to carry on our undefeated league streak of 2024 with a crucial three points today which will keep us on track to catchup with leaders Poole town on points with two league fixtures still to play.

Coming into today's game with something still to play for is huge for the football club and it is key we put in a strong performance today. We know Bath will not be an easy tie and it's crucial we go in with a winning mentality in order to come away with the three points.

After last week's game against Stockwood, Although the goals scored didn't reflect the overall performance of the team, the realisation of how crucial the three points were and still having something to play for with results going our way last weekend will give the players all that much needed motivation in order for us to take something out of this season.

The work rate the players have shown over the course of the season has earned us the right to be challenging for the title and although it is a little bit of a stretch in order for us to reach that target with the 21 goal difference deficit to league leaders Poole, the performance and the result is more than key if we want to have any chance to bid for Promotion to the next tier for the 24/25 season.

Onto today's Opponents Bath City, Bath are a well structured outfit with big ambitions themselves. Their season is not over yet by any means as they look to finish as high up the table as they possibly can so we know

we have to be on top form so that we don't make the same mistakes as the previous game against them.

I hope you all enjoy the game and please cheer the team on loud and proud as we look to continue our promotion hunt.

Up the Bass!

Last Week v Stockwood Wanderers

From The Dressing Room

Natalie Goodright

I would like to welcome back our fans to the Sustain Stadium for the third week in a row, today we welcome along Bath City for their first visit of two in as many weeks.

Today we face Bath in the league, hoping to come away with three vital points with the title still to play for. Current table toppers Poole Town played their last league game last week which saw them draw with our near rivals Purton Women. This result means that if we win our remaining games we can match Poole on points, but we must overcome a large goal difference, but speaking on behalf of the girls and management team, I know we will fight to the very last whistle of the season to try and achieve our goal of winning this league.

One of our two league defeats of the season came at the hands of today's opponents, so we know what a threat they can pose. Due to their postponement last week, Bath have not had a league game since the end of January where they drew with Stockwood Wanderers, so we know to expect a team eager to get back on the pitch and put on a performance. But with training this week I know we too will be working together towards not only bringing home three important points but also to put on a performance which shows why would she be challenging for the league title.

Thank you for your continued support, which now is as vital as ever as we work towards gaining points and goals to help us to try and win this league .

Bath City

Bath City Women are only in their second season having been formed ahead of the 2022-23 Season. They started life in the Somerset County Women's Football League and had a very successful first season, finishing as runners-up to Pen Mill Ladies. This second place finish was enough to give them promotion to the South West Regional Women's League at the first attempt. This season sees them also running a Development Team in the Somerset County League. The first team play home games at Twerton Park and the Development Team will play there at least once during the season.

Bath City currently sit in fourth place in the table with games in hand over the sides above them in the table. Whilst they cannot catch league leaders Poole they have a great chance of achieving a top three finish in their first season at this level.

Millie Powell

Powell is a young goalkeeper entering her third season in senior football. She has great shotstopping ability and is also confident with the ball at her feet. Boasting a lot of talent and potential, she claimed the number one jersey early in the 2021-22 season and never looked back, featuring sixteen times while earning both the Players' Player and Manager's Player of the Year awards for her excellent performances. Powell went on to make another 22 appearances last season, starting all but three games. She has also actively contributed towards coaching some of the goalkeepers in the club's girls' teams, offering her expertise and guidance.

Nia Davies

Davies is a promising young goalkeeper entering her second season with the club who will be providing competition for the number one jersey. The younger sister of forward Libby, Nia joined Bassett last season, making 16 appearances, including seven starts. Her debut - and first start - last season came in a 3-0 Wiltshire County Cup victory against Salisbury.

Honor Fraser

Fraser is a strong, technically gifted full back who joins Bassett this season from Swindon Town. Fraser featured for Swindon in each of the past three seasons. In the Covid-shortened 2020-21 campaign, she played six times for the Robins' Development team, scoring once. She then spent most of the 2021-22 season with Swindon's First Team, playing 14 times in the tier four FA Women's National League Division One South West before splitting time between the First and Development teams last year.

Darcy Cox

Cox is a young full back who joins this season from Swindon Town. A member of Swindon's 2021-22 Under 16 Wiltshire County Girls' League side, she progressed into senior women's football last season, appearing 18 times for Swindon's Development side.

Mark Smedley

Laura Jefferies

A Bassett stalwart, Jefferies has been with the club for close to a decade and a half having initially started off playing in Bassett's Girls' section. Immensely loyal, she has featured for the Women's First Team in every season since reformed in 2009-10, helping Bassett climb up from Division Three of the Gloucestershire County Women's League. She is the club's all-time leading Women's appearance maker and holds the distinction of having appeared in every single Women's FA Cup game Bassett have played. Club captain, Jefferies leads by example from defence. While a solid centre back, she is more than willing to step out from defence and start attacks and is also a threat from set pieces. Ultra-reliable and more than happy to get stuck in with the ugly side of the game, Jefferies is another player who will serve as a role model for Bassett's younger players on and off the pitch. Jefferies is still a quality player too, winning her fifth Player of the Year trophy last season. In Bassett's 2018-19 double-winning campaign, her performances earned her both the Players' Player and Manager's Player of the Year awards, while she picked up the Players' Player prize in 2013-14 and 2014-15.

Rosie Burridge

Burrige is an exciting young attacking midfielder who joins Bassett this season. A player who knows how to find the back of the net, she joins from Ashton Keynes Youth, where she starred over the course of the past two seasons for their successful Under 16s side. In 2021-22 she scored ten times as her side finished runners-up in the Gloucester County Girls' League, before firing a hugely impressive 26 goals as her team went one better last season. Burrige has also represented Highworth Town Under 16s where she netted four times in six games last season.

Amber Egerton

Having joined in 2014-15, Egerton is one of Bassett's longest-serving players. She is a versatile player who will play anywhere she is asked and will always give 100 percent for her team. A dynamic, energetic midfielder, Egerton will also chip in with a few goals and assists. In 2019-20, she was a hugely impressive performer. An ever-present, she scored twice and was joint winner of the team's Players' Player of the Year award prize. She previously won that award in 2015-16 and 2016-17 and is a three-time winner of Bassett's Manager's Player of the Year prize (2014-15, 2015-16 and 2016-17). Injuries limited her appearances in 2021-22, but Egerton bounced back last year, playing 21 times and scoring twice. Overall, since Bassett entered the South West Regional Women's Football League in 2017-18, she has played 91 times, registering 12 goals.

Dennis Green

Natalie Goodright

Goodright is a midfielder who joins Bassett this season from Swindon Town. She is a player who, despite still being young, possesses plenty of experience playing at a higher level. Having featured largely for their Development team, Goodright was primarily a Swindon's First Team player in 2022-23, appearing 19 times and scoring once in the tier four FA Women's National League Division One South West. A goalscoring midfielder, Goodright found the net eight times for Swindon's Development team in 2017-18 and four times a year later. Her strong performance also earned her first taste of first team football, making 14 appearances across those two campaigns. She was then named Swindon's Development team Manager's Player of the Year in 2019-20 after registering five goals in ten games in a season in which she also made a further two first team appearances. Goodright continued to mainly feature for the Robins' Development side over the next two seasons, scoring twice in six games in 2020-21 and three times in 16 appearances in 2021-22 when she also played in five first team games.

Dixon's Piano Services

Emma Sykes

Sykes is a cultured central midfielder player who returned to Bassett three seasons ago after a serious injury and university commitments kept her from playing for the club in the 2019-20 campaign. She is a player who loves to get stuck in and impose herself on a game, possesses an eye for a pass, is capable of playing at a high tempo for 90 minutes and can also conjure up a goal when needed. Sykes first featured for Bassett in 2016-17, starring for the club's Wiltshire County Girls' League Under 16 Division title winners. She made the step up to the Women's First Team a year later and earned Bassett's Players' Player of the Year award in her debut season. She continued to play a key role a year later, scoring two goals in Bassett's South West Women's Football League Eastern Division and Wiltshire County Cup double-winning campaign. 	<p>Erin Hemsley</p> <p>Hemsley is a talented young midfielder who joins Bassett this season from Swindon Town. Hemsley was captain of Swindon Town's 2021-22 Under 16 Wiltshire County Women's and Girls' League double-winning side, and also made her Development team debut in the same season. She then featured 14 times for Swindon's Development side last year. Hemsley also played for Ashton Keynes' all-conquering Gloucester County Girls' League Under 16s side in 2021-22.</p>	<p>RWBTFC Wildcats Girls' Football Centre</p>
	<p>Caily Morse</p> <p>Morse is a promising young striker who initially joined Bassett at the back end of the 2021-22 season. After making two appearances that year, she featured nine times for Bassett last season, scoring two goals. Her first goal came in a 1-1 draw away at Poole Town while she also netted in Bassett's eventful Wiltshire County Cup semi final against Durrington. Morse also spent time last year dual signed with FC Chippenham, registering an impressive seven times in ten appearances as they finished fourth in the Wiltshire County Women's League.</p>	
	<p>Maddy Elliott</p> <p>Elliott is a forward with a real engine, a desire to work hard and the ability to find the back of the net when it matters. She is a player who has been with the club since 2012-13 when she finished as second top scorer in a year that Bassett achieved promotion from Gloucestershire County League Division 2. After a spell away from the club in which she featured for FC Chippenham Youth and also went travelling, Elliott returned to Bassett in 2017-18 and then played a vitally important role at the back end of Bassett's 2018-19 double-winning season, performing various roles exceptionally as her team earned promotion to the South West Regional Women's Football League Premier Division. She then registered an impressive haul of seven goals in 14 appearances in 2019-20 and, after missing most of the 2020-21 campaign due to pregnancy and the birth of her son, returned to be a first team regular in 2021-22, playing 16 times and scoring twice. Last season Elliott netted five times in 19 games, scoring a hat trick in Bassett's opening league win against Ilminster Town. Overall, since Bassett entered the South West Regional Women's Football League in 2017-18, she has played 77 times, registering 14 goals.</p>	
	<p>Libby Davies</p> <p>Davies is a prolific young centre forward who is entering her fifth season with Bassett. An adventurous striker who is not afraid to take people on and is a superb finisher, she returns to Bassett on a permanent basis after a brief spell with tier three Cheltenham Town last season. Demonstrating her scoring prowess, Davies has netted 56 goals in just 32 games for Bassett. She enjoyed a stunning breakout campaign in 2021-22, registering 39 goals in 18 games while earning her side's Supporters' Player of the Year award. That season was an important one for her as she finally established - and more than justified - a starting spot. In 2019-20, she featured in three competitive fixtures for the club, scoring one goal in a cup victory over Middlezey Rovers. She then spent the 2020-21 campaign on loan at Melksham Town where she netted six times. After her superb 2021-22 season, Davies scored 17 goals in eleven appearances for Bassett last year. With Cheltenham in the FA Women's Nation League Southern Premier Division she featured five times, scoring once.</p>	
	<p>Holly Baker</p> <p>A long-serving player, Baker is a quick forward player who possesses a great ability to hold up the ball and combines well with her teammates. Capable of finding the back of net, Baker's work out of possession is just as important as she can always be relied upon to give her best effort for the team and is not afraid of getting stuck in. Having achieved a best haul of eight goals in the 2018-19 campaign, she will be aiming to grab more this season. Baker has been with Bassett since the 2016-17 season, scoring five goals as Bassett finished runners-up in Gloucestershire County Women's League Division One and lifted the league cup. While netting just twice a season later - Bassett's first in the South West Women's Football League, Baker enjoyed her best season in front of goal in 2018-19, scoring eight times. Over the past two seasons she has scored four goals in 32 appearances. Overall, since Bassett entered the South West Regional Women's Football League in 2017-18, she has played 50 times.</p>	<p>Annabelle Jones-Mannings</p>

Having previously been with Swindon Spitfires, Gulliver initially joined Bassett as a defender. However, she was moved into a more advanced role in 2019-20 and continued to deliver, scoring nine times in 14 appearances. Injuries limited Gulliver two seasons ago, but she still featured ten times, scoring three goals. She returned to fitness last season and was Bassett's joint-leading appearance maker, scoring four goals in 23 games. 	<p>A long-serving player who started in Bassett's Girls' section and first featured for the Women's First Team as long ago as the 2009-10 season, Topping is a reliable, clever footballer who is neat and tidy in and out of possession. A true team player, all but five of whose appearances in the last three seasons came as a substitute, she is a midfielder who can be trusted to cover various roles and follow instructions brilliantly. Topping can also be relied upon to chip in with some key goals too – in Bassett's 2018-19 double-winning campaign, she netted six times, adding four goals in 2019-20 and two in 2021-22. She has also recently featured for Highworth Town in the Wiltshire County Women's League, scoring four times in seven appearances three seasons ago.</p>	
	<p>Hurd is a centre half who joins Bassett this season from Swindon Town. A strong defender who enjoys the physical side of the game, Hurd is nonetheless a talented player when on the ball too, possessing the confidence and ability to bring the ball out from defence. After Swindon's relegation she played four times in 2020-21 before going on to feature five times last season. She has also played for the University of East London Women's First Team during her studies.</p>	<p>Fools Rush In - STFC fan chat</p>

He was manager of Oxford City's Development team from 2015-17, leading them to a Thames Valley Counties League Cup crown (2015-16) and Division One title (2016-17). From there he moved to Abingdon, where he enjoyed a four year spell that came to an end in June 2021. His first season in charge was hugely successful as Abingdon won a league and cup double in the Thames Valley League, and also lifted the Berks and Bucks FA Junior Cup. Abingdon then secured a second consecutive promotion in 2018-19 as Wood helped his team climb from the Southern Regional Women's Football League Division One South (level six) into the Premier Division (level five).</p>

This Week - Number One's from 1980's

This week just name the song and the artist from the lyrics from these songs which were all Number One hit singles in the 1980's. A bit of a tough one this week.

Lyric Quiz 25-02-2024 – 80's Number Ones	
1	Call me immature Call me a poser I'd love to spread manure in your bed of roses Don't want to be rich Don't want to be famous But I'd really hate to have the same name as you
2	Rising up, back on the street Did my time, took my chances Went the distance, now I'm back on my feet Just a man and his will to survive
3	Funny how it seems Always in time But never in line for dreams Head over heels when toe to toe This is the sound of my soul!
4	I'll protect you from the hooded claw Keep the vampires from your door
5	Music can be such a revelation Dancing around, you feel the sweet sensation We might be lovers if the rhythm's right I hope this feeling never ends tonight
6	I reached inside myself and found Nothing there to ease The pressure of my ever worrying mind Oh, oh-oh-oh All my powers waste away I fear the crazed and lonely Looks the mirror's sending me these days Oh, oh-oh-oh
7	You took a mystery and made me want it You got a pedestal and put me on it You made me love you out of feeling nothing Something that you do And I was there and not dancing with anyone You took a little, then you took me over
8	Watchin' every motion in my foolish lover's game On this endless ocean, finally lovers know no shame Turning and returning to some secret place inside Watchin' in slow motion as you turn around and say
9	When you walk into the room You pull me close, and we start to move And we're spinnin' with the stars above And you lift me up in a wave of love Ooh, baby, do you know what that's worth?
10	I don't know where my baby is But I'll find him, somewhere, somehow I've got to let him know how much I care I'll never give up looking for my baby

Sunday 18 February 2024 Davies treble sees off Stockwood

Royal Wootton Bassett Town 4 Stockwood Wanderers 2

A Libby Davies hat trick helped Royal Wootton Bassett Town to a 4-2 home victory against Stockwood Wanderers - a result that moves Bassett to within touching distance of securing a top two finish in the South West Regional Women's Football League Division One Eastern.

The result means Adam Wood and his side need just a point from next week's fixture against Bath City to secure runners-up. Top spot, however, does now seem out of reach after Poole Town drew 2-2 with Purton in their final fixture. Had Bassett held on to beat Weymouth last week, they would be entering their final three games needing three wins for the title. Now though three wins will see Bassett match Poole's points total albeit with a goal difference deficit that would appear insurmountable.

For the third time against Stockwood this season, there were plenty of goals, though Bassett will be a little frustrated that their margin of victory was not as big as it had been in their two previous encounters.

Instead Stockwood were allowed to hang around and, despite leading for most of the afternoon, the game remained in the balance until late on when Maddy Elliott settled any nerves the hosts were feeling.

Bassett led as early as the eighth minute. Hannah Gulliver had already had a chance to open the scoring, firing over from an Honor Fraser cross. But Davies was the one to break the deadlock, coolly skipping past the last defender before slotting beyond Katie Whitmarsh in the Stockwood goal.

The home side were dominant the early exchanges but were unable to make the most of the pressure they were exerting.

And Stockwood soon equalised when Lauren Phillips teed up Grace Phillips, whose fine 25 yard effort had the better of Millie Powell and flew into the top corner.

Parity didn't last long though as Davies beat the offside trap and shot off the post and into the net.

She almost had a hat trick within the opening quarter of the game, heading Laura Jefferies' corner onto the post. The rebound fell for Gulliver who couldn't put the ball away from close range with Natalie Goodright also failing to convert when presented with a third bite of the cherry.

The Stockwood goal continued to live a charmed life as a double chance for Davies and Gulliver produced only a corner from which Amber Egerton shot just wide. Jefferies then hit the bar before the offside flag denied Gulliver after she raced onto a Davies through ball and had the ball in the net.

It was a similar story in the second half with more Bassett opportunities, yet no further goals, with Davies hitting the woodwork twice more.

Boasting the slenderest of leads, Bassett had to be on their guard - and Powell did well to save from Jodi May Hall before the home 'keeper tipped a Toni Blenkinsopp shot onto the bar.

Finally though the hosts made it 3-1 just after the hour as Davies head in from a Jefferies corner.

That goal stirred Stockwood into action and Jefferies had to be alert to clear off the line following a corner.

The visitors then reduced the deficit to just one goal again on 73 minutes as Sophie Morgan swung in a cross and Blenkinsopp deftly guided home at the near post.

That set up a potentially nervy ending. But Elliott gave Bassett breathing space, riding Libby Winstone's attempted challenge before tucking away.
