Women's Team Bassett Bulletin

Welcome To Today's Game

GOOD AFTERNOON and welcome to the Sustain Stadium in what feels like ages since we've had our first home game against Frome where we won convincingly.

Since that match, it saw us take a number of away trips in both league and cup action. One of which being one of two long trips down to Weymouth to play local side Ridgeway. The game in honesty was wrapped up within the first ten minutes as we were clearly too strong for our opponents who by all accounts lost a few of their stronger players to fellow rivals Weymouth.

We then had a shorter trip to fellow league competitors Stockwood Wanderers who we encountered for the first time ever in the FA Cup. This game in all honesty was a scoreline that flattered us as a team. In my opinion we played some good football in the first half but it's not the best I have seen from us but, because of how clinical we were in front of goal, we found ourselves 4-0 up at half time. To come away with another seven goals in a FA Cup game was slightly absurd however I'm enjoying the attacking threat the side are producing this year especially considering this is something we struggled with in regards to last season.

Today's game against AFC Stoneham awaits us in what could be history should we win today, as it will see us reach the first round proper for the first ever time, let alone win more than two rounds in the FA Cup in our history. So fingers crossed we put our name into the next round after a great performance from the girls.

Sadly though our 100% winning record came to an end as we were defeated by a spirited Bath City at Twerton Park two weeks ago. In a bitty performance where we struggled to beat the low block after a sloppy start, a resilient Bath stood firm and managed to score a late goal in added time after what was a quiet second half for them chance wise. Disappointing, but sadly I heard further news from Lanzarote that last weeks home match to Weymouth was cancelled due to them having an injury and covid outbreak, but I'm aware that Adam and the team worked hard in an extra training session to put the plans in place for today's important match.

I hope you enjoy the game this afternoon and fingers crossed that Bassett's name is in the hat for the next draw.

Adam Wood

Hello and welcome to the Sustain Stadium for the first of two matches in a row at home. Also a warm welcome to Adam and his AFC Stoneham team.

One game should have already taken place this weekend in a 'RWBTFC National Competition Weekend' with the men's team having played Elburton Villa in the FA Vase on Saturday, I'm writing this hoping that was (or will be) a positive result and we may be welcoming some of you back today.

After Weymouth were unable to field a team for last weekend's fixture there is no hiding behind the fact we go in to today's game on the back of a league loss against Bath City the weekend before last but the team have worked extremely hard this week including a training session on Sunday to give us the best opportunity to bounce back today.

The loss against Bath did see the end to our 100% winning start but I think when you see results like Purton's 5-1 beating of Poole, who took over top spot from us, it shows how close this league will be and makes it exciting: for the neutral at least! As a team, we have reflected on the Bath game unfortunately I was not there but have received feedback from most involved and we must brush ourselves down and move on.

Today though it's FA Cup, still for me the best domestic competition in the world for both men's and women's football. Our visitors Stoneham have been going well in their league, currently top after a close game with Havant & Waterlooville (top of the table before kick off) saw them walk away with a 3-2 hard-fought win in a league of similar stature to ours in terms of quality of teams within so I expect a close game.

I encourage you all to cheer on the team today as we aim for a club record of reaching the first round proper of the Women's FA Cup. Enjoy the game.

Up the Bass!!

Good afternoon and welcome today to the Sustain Stadium. Today we face fellow tier six side AFC Stoneham Ladies in the third qualifying round tie of the FA Cup. A win today would see us set up a tie in the First Round Proper for the first time in the clubs history, an accolade we are hoping to achieve as a team.

However, we know we will need to be at our best if we are going to progress through to the next round with our opponents also having made a strong start to their respective league campaign.

Our journey so far, saw us play a very much depleted Longwell Green team and we eased to a comfortable 14-0 victory. Next up we faced fellow league opposition in Stockwood Wanderers, the score line some what flattering in a game where we were made to work hard against a physical outfit but our clinical presence in front of goal allowed us to come away with a 7-2 win.

Disappointingly, last weekends scheduled home fixture against Weymouth FC was postponed due to the visiting team being unable to field a team. We didn't waste the weekend though and got out on the training pitch adding extra preparation for todays match.

We will be looking to bounce back from our last league outing where we succumbed to a disappointing injury time winner against Bath City who inflicted our first defeat of the season.

Please cheer us along today as our twelfth man in our FA Cup journey, we hope you enjoy the game and thank you once again for the continued support!

FA Cup Preview

AFC Stoneham

HOME ADVANTAGE AS BASSETT HOST AFC STONEHAM

Having won away in the opening two rounds, Royal Wootton Bassett Town were handed a home tie in the Women's FA Cup third qualifying round against AFC Stoneham.

The contest pits Bassett against fellow tier six opposition with the Purples playing in the Southern Region Women's Football League Division One South. And with both sides enjoying strong starts to their league campaigns – as well as success in the Women's FA Cup – it has the potential to be a fantastic contest.

In reaching the third qualifying round courtesy of big wins against Longwell Green (14-0) and Stockwood Wanderers (7-2), Bassett have matched their best ever run in the competition. But Adam Wood and his side will be looking to avoid a repeat of last year when they suffered a 5-2 third qualifying round loss at the hands of Torquay United.

Instead, Bassett will be seeking to write history and reach the first round proper for the first time. Having received home advantage and avoided being paired with a tier four or five opponent, this therefore represents the perfect opportunity to do just that.

Make no mistake though, Bassett will have to be at their best to overcome AFC Stoneham.

After winning the Hampshire County Women's League in 2020-21, the Purples earned promotion to Southern Region Division One South. Finishing fourth in their debut campaign, they went on to earn runners-up last season, ending up just a point behind eventual champions Badshot

Lea. This year has seen another strong start too, with five wins from their opening six games.

As well as their league success, Stoneham have performed strongly in the Women's FA Cup. This season is just their fourth participation, but the Purples have already twice advanced to the first round proper.

After winning through three rounds before exiting at the second qualifying round stage in 2020-21, a season later – and with the competition revamped – they won away at Bursledon, earned a walkover against Merley Cobham Sports and beat Feniton 4-0 to progress to the first round, where they suffered a 6-0 defeat at home against Eastleigh.

2022-23 saw another first round appearance. Beginning with an away win at Shanklin before home triumphs against Rushmoor Community and Eversley and California – the latter on penalties, Stoneham again advanced through the qualifying round before losing 3-0 at home against Actonians.

Entering the competition at the second qualifying round this year, they recorded an 8-0 victory against league rivals Rushmoor to book their date with Bassett.

Stoneham will therefore be seeking to make it a hat trick of first round appearances, while Bassett will be aiming to make it that far for the first time.

The tie – taking place the same weekend as the Men's First Team's FA Vase first round clash with Elburton Villa – therefore has all the ingredients to be a cracker and we look forward to welcoming our opponents to Wiltshire.

Our Ladies Team gained promotion to the Women's Southern Regional League, part of the Womens National Football Pyramid, for season 21/22 and are a very important part of our club as we grow and develop female football from only one team in 2019 to 24 for Season 2023/24. This growth includes a development squad which aims to support our U16 - U19 players make the transition into a good level of senior female football and eventually into our first team.

We are creating a structure within our female teams where girls can join our club at a young age and develop through a clearly defined player pathway into our first team as we have on the male side of the club.

Our Ladies team entered the Women's FA Cup for the first time during the 20/21 season and successfully won through three rounds before being knocked out by national league Buckland Athletic. In 21/22 they went one better before losing a local derby to higher league Eastleigh in front of nearly 400 spectators.

Last season with increased prize money the Ladies won through three rounds including a penalty shootout against Eversley and California before losing to Actonians who play two leagues above. Most of the prize money won from this tremendous cup run will be reinvested back into Senior Womens football at our club.

The ladies have adapted very well to the Womens Southern Regional league and finished a very credible fourth in their first season and very narrowly missed out on promotion last season.

Both the FA Cup runs and our current league position has brought great pride to the club and gives us further momentum to grow and develop female football at AFC Stoneham whilst realising our goals and ambitions.

--------	-----------	---------

Millie Powell

Powell is a young goalkeeper entering her third season in senior football. She has great shotstopping ability and is also confident with the ball at her feet. Boasting a lot of talent and potential, she claimed the number one jersey early in the 2021-22 season and never looked back, featuring sixteen times while earning both the Players' Player and Manager's Player of the Year awards for her excellent performances. Powell went on to make another 22 appearances last season, starting all but three games. She has also actively contributed towards coaching some of the goalkeepers in the club's girls' teams, offering her expertise and guidance.

Nia Davies

Davies is a promising young goalkeeper entering her second season with the club who will be providing competition for the number one jersey. The younger sister of forward Libby, Nia joined Bassett last season, making 16 appearances, including seven starts. Her debut - and first start - last season came in a 3-0 Wiltshire County Cup victory against Salisbury.

Honor Fraser

Fraser is a strong, technically gifted full back who joins Bassett this season from Swindon Town. Fraser featured for Swindon in each of the past three seasons. In the Covid-shortened 2020-21 campaign, she played six times for the Robins' Development team, scoring once. She then spent most of the 2021-22 season with Swindon's First Team, playing 14 times in the tier four FA Women's National League Division One South West before splitting time between the First and Development teams last year.

Darcy Cox

Cox is a young full back who joins this season from Swindon Town. A member of Swindon's 2021-22 Under 16 Wiltshire County Girls' League side, she progressed into senior women's football last season, appearing 18 times for Swindon's Development side

Mark Smedley

Laura Jefferies

A Bassett stalwart, Jefferies has been with the club for close to a decade and a half having initially started off playing in Bassett's Girls' section. Immensely loyal, she has featured for the Women's First Team in every season since reformed in 2009-10, helping Bassett climb up from Division Three of the Gloucestershire County Women's League. She is the club's all-time leading Women's appearance maker and holds the distinction of having appeared in every single Women's FA Cup game Bassett have played. Club captain, Jefferies leads by example from defence. While a solid centre back, she is more than willing to step out from defence and start attacks and is also a threat from set pieces. Ultra-reliable and more than happy to get stuck in with the ugly side of the game, Jefferies is another player who will serve as a role model for Bassett's younger players on and off the pitch. Jefferies is still a quality player too, winning her fifth Player of the Year trophy last season. In Bassett's 2018-19 double-winning campaign, her performances earned her both the Players' Player and Manager's Player of the Year awards, while she picked up the Players' Player prize in 2013-14 and 2014-15.

Neve Johnson

Johnson is a talented young defender who joined Bassett last season from Swindon Town. Johnson was part of Swindon's 2021-22 Under 16 Wiltshire County Women's and Girls' League double-winning side, earning Players' Player of the Year. She also played for Ashton Keynes' all-conquering Gloucester County Girls' League Under 16s side in 2021-22. Johnson then featured twice for Swindon's Development side last season before joining Bassett. Playing 15 times and starting all but one game, she formed a strong partnership in the heart of Bassett's defence with Laura Jefferies.

Rosie Kirk

Kirk is a talented defender who is entering her fifth season with the club. A player who reads the game exceptionally well and possesses a calmness which is rare in a player so young, she performed impressively in twelve appearances in the 2019-20 campaign – her first in senior football. Two seasons ago she featured eleven times with ten starts before experiencing an injury-shortened campaign last year in which she played just three times. Now on the path to recovery, Kirk will be hoping to return to the strong form she showed before being sidelined.

Ellie O'Nions

A player who has come through Bassett's youth section, O'Nions is a hard-working left-sided player with plenty of potential. O'Nions made her first foray into senior women's football at the end of the 2020-21 campaign, gaining experience in a series of friendly fixtures. She gave a good account of herself in those matches, and she went on to feature 13 times in competitive action in 2021-22 before making 17 appearances last season, including 13 starts. A student of the game and a valuable contributor to the club, she has also served as a coach for Bassett's girls' teams as well as at the Saturday morning Wildcats' sessions. This season O'Nions will be looking to continue her development with Bassett as a player, while also studying at university.

Mollie Smith

Entering her sixth season with Bassett team, Smith is a highly talented central defender who has come through the club's youth section. She made her Women's First Team debut towards the end of the 2018-19 season after turning 16 and proved to be a vital player during Bassett's title run-in. Smith then appeared 13 times in 2019-20, 5 times in the curtailed 2020-21 campaign, 15 times in 2021-22 and in five games last season. An accomplished defender who combines the physical side of the game with an assured calmness in possession, she will be looking to further continue her development with Bassett while also studying at Loughborough University.

Kelly Nightingale

Nightingale is a versatile player capable of playing in either defence or midfield who joins Bassett this season. She brings significant experience playing at a higher level too having spent most of the last decade with sides in the FA Women's National League. Nightingale has played a large part of her career with Swindon Town, enjoying spells with the Robins between 2014-15, 2017-19 and 2021-23. She has also featured for Forest Green Rovers (2015-16), Swindon Supermarine (2016-17) and Keynsham Town (2019-21).

Rosie Burridge

Burrige is an exciting young attacking midfielder who joins Bassett this season. A player who knows how to find the back of the net, she joins from Ashton Keynes Youth, where she started over the course of the past two seasons for their successful Under 16s side. In 2021-22 she scored ten times as her side finished runners-up in the Gloucester County Girls' League, before firing a hugely impressive 26 goals as her team went one better last season. Burrige has also represented Highworth Town Under 16s where she netted four times in six games last season.

Annabelle Jones-Mannings

Amber Egerton

Having joined in 2014-15, Egerton is one of Bassett's longest-serving players. She is a versatile player who will play anywhere she is asked and will always give 100 percent for her team. A dynamic, energetic midfielder, Egerton will also chip in with a few goals and assists. In 2019-20, she was a hugely impressive performer. An ever-present, she scored twice and was joint winner of the team's Players' Player of the Year award prize. She previously won that award in 2015-16 and 2016-17 and is a three-time winner of Bassett's Manager's Player of the Year prize (2014-15, 2015-16 and 2016-17). Injuries limited her appearances in 2021-22, but Egerton bounced back last year, playing 21 times and scoring twice. Overall, since Bassett entered the South West Regional Women's Football League in 2017-18, she has played 91 times, registering 12 goals.

Natalie Goodright

Goodright is a midfielder who joins Bassett this season from Swindon Town. She is a player who, despite still being young, possesses plenty of experience playing at a higher level. Having featured largely for their Development team, Goodright was primarily a Swindon's First Team player in 2022-23, appearing 19 times and scoring once in the tier four FA Women's National League Division One South West. A goalscoring midfielder, Goodright found the net eight times for Swindon's Development team in 2017-18 and four times a year later. Her strong performance also earned her first taste of first team football, making 14 appearances across those two campaigns. She was then named Swindon's Development team Manager's Player of the Year in 2019-20 after registering five goals in ten games in a season in which she also made a further two first team appearances. Goodright continued to mainly feature for the Robins' Development side over the next two seasons, scoring twice in six games in 2020-21 and three times in 16 appearances in 2021-22 when she also played in five first team games.

Emma Sykes

Sykes is a cultured central midfielder player who returned to Bassett three seasons ago after a serious injury and university commitments kept her from playing for the club in the 2019-20 campaign. Sykes first featured for Bassett in 2016-17, starring for the club's Wiltshire County Girls' League Under 16 Division title winners. She made the step up to the Women's First Team a year later and earned Bassett's Players' Player of the Year award in her debut season. She continued to play a key role a year later, scoring two goals in Bassett's South West Women's Football League Eastern Division and Wiltshire County Cup double-winning campaign. Following her injury, Sykes returned to play five times in 2020-21, before appearing 17 times in 2021-22 and 12 times last season, scoring one goal. Overall, she has played 72 times for Bassett.

	<p>Morse is a promising young striker who initially joined Bassett at the back end of the 2021-22 season. After making two appearances that year, she featured nine times for Bassett last season, scoring two goals. 	<p>Elliott is a forward with a real engine, a desire to work hard and the ability to find the back of the net when it matters. She is a player who has been with the club since 2012-13 when she finished as second top scorer in a year that Bassett achieved promotion from Gloucestershire County League Division 2. After a spell away from the club in which she featured for FC Chippenham Youth and also went travelling, Elliott returned to Bassett in 2017-18 and then played a vitally important role at the back end of Bassett's 2018-19 double-winning season, performing various roles exceptionally as her team earned promotion to the South West Regional Women's Football League Premier Division. She then registered an impressive haul of seven goals in 14 appearances in 2019-20 and, after missing most of the 2020-21 campaign due to pregnancy and the birth of her son, returned to be a first team regular in 2021-22, playing 16 times and scoring twice. Last season Elliott netted five times in 19 games, scoring a hat trick in Bassett's opening league win against Ilminster Town. She enjoyed a stunning breakout campaign in 2021-22, registering 39 goals in 18 games while earning her side's Supporters' Player of the Year award. That season was an important one for her as she finally established - and more than justified - a starting spot. In 2019-20, she featured in three competitive fixtures for the club, scoring one goal in a cup victory over Middlezoy Rovers. She then spent the 2020-21 campaign on loan at Melksham Town where she netted six times. After her superb 2021-22 season, Davies scored 17 goals in eleven appearances for Bassett last year. With Cheltenham in the FA Women's Nation League Southern Premier Division she featured five times, scoring once.</p>	
	<p>A long-serving player, Baker is a quick forward player who possesses a great ability to hold up the ball and combines well with her teammates. Having achieved a best haul of eight goals in the 2018-19 campaign, she will be aiming to grab some more this season. Baker has been with Bassett since the 2016-17 season, scoring five goals as Bassett finished runners-up in Gloucestershire County Women's League Division One and lifted the league cup. While netting just twice a season later - Bassett's first in the South West Women's Football League, Baker enjoyed her best season in front of goal in 2018-19, scoring eight times. Over the past two seasons she has scored four goals in 32 appearances. Overall, since Bassett entered the South West Regional Women's Football League in 2017-18, she has played 50 times.</p>

Stellar second half rocks Robins

**Royal Wootton Bassett Town 5
Frome Town 1**

Royal Wootton Bassett Town maintained their 100% record to start the season as they recorded a thumping 5-1 win against Frome Town in their opening home South West Regional Women's Football League Division One Eastern fixture.

Having led 2-1 at the break, a superb second half performance saw Bassett finish the game with a more than comfortable margin of victory as Adam Wood and his side kept pace with fellow fast starters Poole.

Illness and holidays meant the Bassett boss was forced to make five changes to his starting eleven, with captain Laura Jefferies, star striker Libby Davies and midfielder Emma Sykes - player of the match in last week's big Women's FA Cup - among the absentees.

But demonstrating the strength that runs throughout the squad, Bassett didn't miss a beat.

The hosts led after just three minutes, Maddy Elliott tapping in after great build up play

involving Holly Baker and Hannah Gulliver.

It was soon 1-1 though as Maisie Harris beat Briony Hurd for pace before beating Millie Powell with a shot from distance.

The two sides appeared as though they would go into the break with the scores level.

However, Gulliver had other ideas, grabbing an important, momentum-building goal. Launching a counter, Honor Fraser picked out Gulliver who then sought to pass forward. Her attempt was blocked but Gulliver quickly retained possession before driving forward and slotting home.

That strike proved decisive with Bassett stepping up a gear after the restart.

Baker quickly made it 3-1 as she mopped up the pieces, steering in after Natalie Goodright's initial effort was deflected into her path.

Baker and Goodright were then both involved in Bassett's fourth, playing a neat one-two before the former fed Elliott for her second.

The scoring was completed late on when Lucia Green raced onto Erin Hemsley's through ball, took one touch to control and then dispatched an emphatic finish from the edge of the area into the top corner for her first goal in senior football..

Gulliver strikes gold as Bassett coast in Dorset

Ridgeway 0
Royal Wootton Bassett Town 7

Royal Wootton Bassett Town will be regular visitors to Dorset over the course of the 2023-24 season with four of their nine South West Regional Women's Football League Division One Eastern opponents based in the county. And Bassett will be hoping each subsequent trip will be as successful as their first following a comfortable 7-0 triumph away at Ridgeway.

Adam Wood's side were once again in dominant form as they made it four wins from four in all competitions to finish what has been a superb first month of the season top of the table.

Hannah Gulliver was the star of the show, netting an impressive hat trick to take her to six goals for the season already..

Gulliver grabbed the opener after just six minutes, slotting home after latching onto Erin Hemsley's through ball as the visitors made their early pressure count.

Amber Egerton soon made it 2-0, producing a delicate lob after a Gulliver corner was punched away only as far as the edge of the box.

After scoring twice in the opening ten minutes, Bassett had to wait until the closing stages of the first half for their third. When it arrived, Gulliver produced a poacher's finish, tapping in after a Holly Baker cross was deflected into her path.

Youngster Caily Morse made it 4-0 early in the second half, coolly slotting in after a well worked move involving Laura Jefferies and Honor Fraser.

Holly Baker then got in on the act, scoring twice in quick succession around the hour mark.

Her first rounded off another good move that involved Nia Davies, Morse, Gulliver and Fraser. The latter pair played a near one-two with Gulliver crossing to the far post where Baker was on hand to keep her cool and beat the onrushing 'keeper'.

Briony Hurd then launched a quick counter after jumping on a stray pass. Her through ball found Baker who, after a give-and-go with Jasmine Kennedy, made no mistake.

Morse could have had her second of the match, but somehow couldn't convert following a triple chance.

While she failed to convert, Gulliver made certain of her hat trick with quarter of an hour remaining, producing a simple finish following another defence splitting pass.

Bassett's attentions now turn back to the Women's FA Cup with next week's tie at Stockwood Wanderers. That begins a testing month of fixtures - but if they maintain the form they have shown in September then Wood's side can be confident of continuing their early season success.

Clinical Bassett storm past Stockwood

**Stockwood Wanderers 2
Royal Wootton Bassett Town 7**

Royal Wootton Bassett Town booked their place in the Women's FA Cup third qualifying round with a resounding 7-2 win away against South West Regional Women's Football League Division One Eastern rivals Stockwood Wanderers.

Hannah Gulliver was once again the star of the show for Bassett as she scored a hat trick for the second consecutive week.

But, aided by a clinical performance in front of goal, this was another excellent result that ensured Bassett advanced comfortably, matching their best run in the competition and moving just one win away from a place in the first round proper.

It took some time for Bassett to get going with the opening exchanges seeing both teams get forward without posing too much of a threat.

The best early opportunity fell to Bassett's Maddy Elliott whose low shot was kept out on the dive by Jenna Lou Bedford.

Thwarted on that occasion, Elliott made sure Bedford would not feature in the equation when she netted Bassett's first on 20 minutes. Racing onto a Natalie Goodright through ball, Elliott rounded the onrushing 'keeper before finishing well with a firm finish from a tight angle.

Six minutes later the visitors doubled their lead. They had survived a small scare when Lauren Phillips struck over from a free kick, and Gulliver made sure to give Bassett some extra cushion, finishing coolly after pressure from Jasmine Kennedy forced an errant pass from a home defender.

Stockwood were still in the game though and enjoyed a good spell which saw Katie Whitmarsh head wide and Grace Phillips fire narrowly over.

After failing to capitalise, two further Bassett goals in first half stoppage time put paid to any reasonable hopes Stockwood may have had of getting back into the game.

Bassett's third came when a Laura Jefferies free kick was allowed to bounce in the box and Elliott headed into the bottom corner.

Shortly after Goodright drove forward before feeding Gulliver, who made no mistake.

Stockwood did pull one back early in the second half when Toni Blenkinsopp seized on a Briony Hurd slip and made no mistake.

But Bassett quickly restored their four goal advantage when Bedford flapped at a Jefferies delivery, palming the ball straight into the path of Goodright who slotted in.

Bassett's sixth then arrived with just over twenty minutes to go. Kennedy drew a somewhat clumsy foul on the left wing and Gulliver's deliver sailed over everybody for her to complete another hat trick.

Millie Powell was then forced to make a good save before Goodright passed up a chance at her second, scuffing her effort.

Substitute Lucia Green made no mistake though with ten minutes remaining. Receiving a Goodright pass on the left wing, the youngster burst forward before cutting inside and firing in low at the near post.

Stockwood were able to grab another consolation goal as Lauren Phillips slotted past Powell after being set up by Whitmarsh.

But Bassett had more than done enough, sealing a fifth straight win to start the season - and a second impressive victory in the Women's FA Cup.
