Welcome To Tonight's Game

GOOD EVENING and welcome to the Sustain Stadium here at the Gerard Buxton Sports Ground for this opening UHlsport Hellenic League Premier Division fixture of the 2024-25 Season against near neighbours Fairford Town. A warm welcome to all our visitors who have made the short journey from across the border, we hope you enjoy your brief stay with us this evening and we wish you a safe journey home.

It hardly seems like any time has passed since we were staging the play-off game against Cinderford Town here at the Sustain Stadium in front of a crowd just short of 1,000. Whilst the result did not go our way that night it was a tremendous achievement from Sam and his side to get to the play-off final, securing our highest ever finish in non-league football along the way. Having tasted the experience of challenging for honours and that play-off final last time round we will be keen to go one better this coming season and achieve promotion to the Southern League and perhaps win a cup along the way.

Sam has certainly been busy in the summer assembling what looks to be a strong squad ahead of the new campaign. It will be important to get off to a good start but Fairford will definitely be one of the sides expected to be up there challenging for honours and tonight represents a good test of the type of season we might have. Get a good result tonight and it will bode well for the season ahead.

Our record against Fairford did not used to be a good one, but Sam's tenure in the hot seat has seen a dramatic turn around in our overall results. There has been just one defeat in the last seven meetings, with Bassett coming out on top in four of those matches with two drawn games. The sides have met on 32 occasions and it is now 12 wins apiece with 8 games drawn. We have also won all of the last three meetings between the sides and hopefully that run of results will continue here tonight.

It is interesting to observe what has gone on at Corsham in recent weeks and I somehow feel that they will not be as strong as last season. In terms of the teams I fancy to have a good season, in addition to the two sides here this evening, I would expect Slimbridge, Highworth Town and Hartpury University to be up there challenging for honours, alongside Westfields and Worcester Raiders who had a disappointing season by their own normal standards last season and I expect both will come back stronger this campaign.

The games will certainly come thick and fast this season with the last league game currently scheduled for as early as March 1st, although the great British weather will extend that date well into April. I suspect the Hellenic League want to avoid a repeat of last season where they took a bit of flack for the scheduling of the play-offs when one of the teams involved (the ultimate winners) had not completed their league fixtures before the play-offs started.

The first team are back in action again here on Friday night when we entertain Mangotsfield United in the FA Cup.

The Development Team get their season under way this coming Saturday when they travel to Pewsey Vale, another tough start to the season as Pewsey have finished in the top three in each of the last four seasons.

I note that there is no Under 18 Floodlit team this season which, whilst I understand the logic, I personally do not agree with, as it was always a way of bringing players into the club to augment what was coming through our own Youth Section. With not a single team in any age group in the top division of the North Wilts Youth League this coming season, I would have thought there is an even greater need to have something to help attract players in.

Enjoy the game and hopefully three points to start of the season ahead of that Friday night FA Cup encounter with Mangotsfield.

Chairman's Chat

Paul Gerrish

GOOD EVENING. It's a pleasure to welcome our supporters along with the players, officials and supporters from Fairford Town FC to the Sustain Stadium today for our opening Hellenic Premier League fixture of the 2024/2025 season. Opening games do not get much tougher than this but hopefully we will be able to replicate our results against our neighbours from last season.

Unlike last season, our pre-season results have been good and Saturday's performance, albeit in defeat, against National League Forest Green Rovers will see them start the season full of confidence.

We are delighted that we have been able to retain the services of Sam and Griff despite approaches for their services from other clubs. Continuity has been a key part in our recent success. The squad has been strengthened with the addition of Ollie Pitt, George Peare and Tyrone Tucker Dixon among others. Sadly personal reasons see Kai and Chilly move on to play local league football – we certainly wish them every success and hope to see them soon.

Last season was another roller-coaster ride

culminating in the heartbreak of defeat in the play-off final against Cinderford Town. To have nearly 1,000 spectators in the ground that night was amazing and hopefully we will be seeing some of them returning regularly through the season. Our goal is to repeat that and hopefully go one step further

We have been busy in the ground during the close season; the new Chris Kirkland stand has been installed, senior section storage added, all pitch in-fills fitted and the media platform moved to the other side of the ground. Thanks to the indispensable group of volunteers for all their work getting the ground looking fantastic ahead of the season opened.

Thank you all for your continued support, it is greatly appreciated. We look forward to seeing you throughout the season.

UP THE BASS

Opponents History

Fairford Town

Whilst Fairford Town Football Club was formed in 1891 and for many years played in the Cirencester & District League against local teams with varying degrees of success.

After the second world war the club joined the Swindon & District League, winning the Premier Division in both 1964/65 and 1968/69, also winning the Advertiser Cup in the same years, and in 1962/63 won the Gloucestershire Junior Cup.

Success in the Swindon & District League was followed by election to the Hellenic League in 1970, only missing promotion from the first division on goal average at the first attempt, the club were also beaten finalists in that year's division one Challenge Cup.

The following year, 1971/72 saw Fairford win the Hellenic first division and division one Challenge Shield, whilst the reserve side won the Gloucestershire County Minor Cup, the Advertiser Cup and finished runners-up in the Swindon & District Division One.

The successful run continued and Town were the beaten finalists of 1972/73 in the Premier Division Cup, only to be relegated back to Division One in 1973/74.

Fairford Town were again promoted in 1975/76 and steady progress led to the

Premier Division Runners-up in 1978/79 and 1979/80, also winning the Premier Division Cup in 1978/79.

The Club were winners of the Gloucestershire Challenge Trophy in 1979/80 and 1998/99 and Runners-up in 1982/83 and 1994/95.

The most recent league success has been Premier Division Runners-up in season 1994/95 following a similar position in Season 1990/91. The Club has also achieved numerous wins in the Arthur Shipway Cup and Fairford Hospital Cup.

The 2016/17 season saw the club secure a return to the UHlsport Hellenic Premier Division after a five-year absence, winning the Division One West title with 75 points.

In recent years the club has grown on and off the pitch. The first team are now established and challenging in the UHlsport Hellenic Premier Division with a Reserves side also competing in Hellenic Division 2 South. 2020 also saw the creation of Fairford Town Academy with teams running from under 12s through to under 18s. We aim to place the football club within the heart of the local community and are keen to continue to grow and achieve our goal of promotion to the Southern Football League for the first time in the club's history.

From The Swindon Advertiser, Monday 31st January 2005

The belief's back at Bassett

Revitalised Wootton Bassett were victorious for the second weekend in succession - enjoying a derby victory and booking their place in round two of the Supplementary Cup in the process. On the back of their first league success since September last weekend, Bassett were good value for a 2-1 triumph at Fairford on Saturday. Caretaker boss Chris Jones isn't taking credit for any tactical masterstrokes, insisting the reason for the reversal of fortune was a simple one.

"We've tweaked a few things but the main thing we've done is try to give the lads some self-belief, belief in their own ability, which gets knocked after a losing streak.

"They're starting to get that back."

Dave Tyler galloped through the middle to fire Bassett into an early lead. Chris Mills' deflected effort doubled the advantage a minute before half-time. Fairford pressed hard in the second period, but Lee Clark's late consolation goal was their only reward.

"I was very pleased. We've could have scored a couple more to be honest," added Jones.

"The guys have all worked really hard.

"I'd rather have taken three points in the league, but the cup is a nice distraction and a good chance to build some confidence."

 <div>Chris Taylor</div>	A vastly experienced central midfielder who is entering his fifth season with Bassett. A classy operator, who is supremely confident on the ball and possesses excellent distribution and superb fitness. Taylor has been a standout player during his time in blue and yellow - and last season earned a Manager's and Players' Player of the Year double. Overall, he has featured 115 times while scoring twice since making his Bassett debut in 2020-21. Taylor joined Bassett after four years at Highworth Town, during which he helped the Worthians achieve promotion to the Southern League. However, it is with Swindon Supermarine that Taylor has spent most of his career. An England Under 15 international in his youth, he featured four times for Swindon Town in 2002-03 before being released by the Reds in 2006. Taylor then joined Supermarine and made 355 appearances over the course of nine seasons. He is an extremely talented player who possesses great skill, the ability to pick out any pass, an excellent delivery and an eye for goal. Ouldrige came through Swindon Town's youth system and was in and around the Robins' first team, though never made an appearance. He was released by Swindon after loan spells at Chippenham Town and Cirencester Town during the 2017-18 season. He started the 2018-19 campaign with Hungerford Town before moving back to the Centurions where he spent the majority of the next two seasons. After also briefly featuring for Shrivernham in 2019-20, Ouldrige played six times for Bassett in 2020-21, scoring three goals. A season later, he featured 41 times, scoring seven goals. Injuries frustrated Ouldrige in 2022-23, but Ouldrige still made 30 appearances, contributing five goals. He was back to full fitness last season and enjoyed arguably his best season so far in blue and yellow, netting eight times in 47 outings.	
 <div>Bailey Gallagher</div>	Graduate of Bassett's youth section, who made the step up to first team football three seasons ago after having consistently performed strongly for the club's Development team. A highly skillful attacking midfielder who can play on either wing, he boasts a great turn of pace and is not afraid to take players on. With his trickery and speed, Gallagher is exceptionally difficult to defend against and he also has the knack for producing spectacular goals. Gallagher then impressed in his first full season playing at Hellenic League Premier Division level. Bassett's leading outfield appearance maker in 2021-22, he featured 44 times, scoring nine goals. He added another seven goals in 47 matches in 2022-23 before scoring six times in 34 games last season.	
 <div>Alfie Presley</div>	A hugely talented attacking midfielder who re-joined Bassett in October 2023 after brief spells with Corsham Town and Abingdon Utd at the start of the season. Boasting skill, speed and strength, the willingness to take defenders on and expert delivery, his performances have seen him earn Player of the Year awards for Bassett in three different seasons. In 2019-20 Presley was crowned both Manager's Player and Players' Player of the Year, while he earned back-to-back Supporters' Player of the Year prizes in 2022-23 and 2023-24. Presley is a player who has the ability to play effectively across the entire front line - be that out wide or as a number nine or ten. He also has an eye for goal, netting 42 times in 113 appearances for Bassett.	
 <div>Ollie Pitt</div>	Pitt is a goalscorer with a prolific record in the Hellenic League Premier Division who joins Bassett this season from Brimscombe and Thrupp. An assured finisher, Pitt is also a set piece specialist, who knows how to find the net and tee up his teammates to score from deadball situations. Pitt began his senior career with Cirencester Town, scoring 50 goals in 125 games for their Development team from 2009-10 to 2013-14, while also making a dozen appearances for the Centurions' first team. Pitt joined Brimscombe part way through the 2013-14 campaign and, over the course of eleven seasons scored 109 goals in 350 games. He twice netted more than 20 goals in a season (2016-17 and 2017-18) and was a key member of the Lilywhites side who finished as Hellenic League Premier Division runners-up in 2018-19. Pitt also had a brief spell with Corsham Town two seasons ago.	
 <div>George Pearce</div>	Pearce is a centre forward who joins Bassett this season after splitting the 2023-24 campaign between Brimscombe and Thrupp. A powerful target man who is strong in the air and an assured finisher, Pearce adds further to Bassett's attacking options this season. After initially featuring for Bibury, Pearce played for Cirencester's Development team from 2013 to 2016, largely featuring as a defender. A move to the opposite end of the pitch has proven to be fruitful though, and he has been a regular Hellenic League scorer for the likes of Fairford Town - with who he registered eleven goals in 2021-22, Corsham Town and Malmesbury Victoria.	
 <div>Finnlay Hopkins</div>	Hopkins is a highly talented young forward who joins Bassett from near neighbours Shrivernham this season. Next Up at the Sustain Stadium

FA Cup Action Under the Lights

Next up here at the Sustain Stadium at the GBSG is FA Cup action on Friday night under the lights as Bassett seek a return to success in the biggest of all national cup competitions.

Bassett exited the 2023-24 Emirates FA Cup at the extra preliminary round stage - the first time in four years they had fallen at the first hurdle.

This season Bassett will therefore be looking to quickly banish memories of that loss and recapture the form that saw them venture to the second qualifying round in 2020-21 and the first qualifying round in 2022-23.

First though Bassett will have to overcome fellow Hellenic League Premier Division rivals **Mangotsfield United** - the side who knocked Sam Collier's out last season - in the extra preliminary round.

Mangotsfield triumphed 2-0 when the teams met in the FA Cup last season. However, this time Bassett have home advantage, with the tie due to take place at the Sustain Stadium this coming Friday 2 August (7.45pm kick off). Admission will be £8 for adults and £5

for concessions - including RWBTFC youth members.

That result does still represent the Mangos' only ever victory against Bassett in normal time. The four league fixtures between the teams have seen Bassett triumph three times, with the other ending in a goalless draw, while Mangotsfield prevailed on penalties after a 0-0 draw in the Hellenic League Floodlit Cup in 2022-23.

Although losing 5-1 to Ascot United the round after beating Bassett in the FA Cup last season, Mangotsfield do have a strong history in competition, having reached the fourth (and final) qualifying round on four occasions, most recently in 2009-10. They have not got beyond the first qualifying round since 2010-11 though.

The winners of the tie will then welcome Southern League Division One South side Didcot Town in the preliminary round on Saturday 17 August - a plum fixture that offers the chance of upsetting step four opponents.

Hellenic Premier Division Season Preview

Operation Win Something

Over the last two seasons Royal Wootton Bassett Town have enjoyed a level of success that is unprecedented in the 17 years that the club's Men's First Team have now spent in the Hellenic League Premier Division.

In 2022-23, Bassett achieved a first ever top half finish as they wound up an impressive 5th place.

Then last season, Sam Collier's side went one better, finishing fourth. That was enough to qualify for the newly introduced promotion playoffs, and - after defeating local rivals Highworth Town in the semi finals - Bassett wound up 90 minutes away from a first ever taste of Southern League football.

The 4-0 playoff final defeat to Cinderford Town in front of a mammoth home Sustain Stadium crowd was a chastening experience. But it has not dimmed Bassett's thirst for success.

If anything, it has served to make Collier and his team even more hungry for glory as the 2024-25 campaign awaits.

Since taking the managerial reins in January 2018, the Bassett boss has achieved a great deal. Bassett's impressive league finishes in each of the past two seasons built on the record-setting FA Vase runs that the club have enjoyed in the past three years, as well as the record-equalling journey in the FA Cup in 2020-21. Last season also saw Bassett reach the semi final of the Wiltshire Premier Shield - their third visit to the last four of a cup competition during Collier's spell in charge.

But what has proven elusive for Bassett and Collier is silverware. This season Bassett will seek to change that and, after frequently being the bridesmaids in recent years, finally get to be the bride.

Whether the league, the playoffs or a cup, Bassett's sights must be set on winning something in 2024-25.

It's certainly a lofty ambition, and one that won't come easy. Nevertheless it's

something that the highly talented squad Collier has built - and added to this summer - deserve to achieve.

Bassett will enter the new Hellenic Premier Division campaign as one of many teams who will fancy their chances.

With Worcester City - one of the most dominant sides to have featured in the division for a long time - now gone and with question marks over the status of last year's runners-up Corsham Town following their recent change in manager, there's a sense that the division could be a wide open, unpredictable affair this season.

Near neighbours Highworth will no doubt be vying to be in the mix as will the likes of Slimbridge, Fairford Town and Roman Glass St George, who all narrowly missed out on the playoffs in 2023-24. Pershore Town enjoyed a strong start to life at step five last season before fading away; they'll be hoping for consistent strong displays the entire way this time. The likes of Westfields, Worcester Raiders and Mangotsfield United will also be aiming to fight towards the top after underachieving somewhat last year. Meanwhile, although coming from opposite directions, newcomers Cirencester Town and Hartpury University will surely have their eyes on challenging towards the top end of the table.

Although not mentioned in the preceding paragraph, the division's remaining sides will all be looking to make their mark as well. After all, the Hellenic Premier has been highly competitive each of the past couple of years. And, while finishing towards the top the past two years, Bassett have rarely faced an easy game.

That's likely to be the case again, though Bassett will be hoping that with the firepower added to the squad, any league success will be built on firmer foundations than last season when 14 of their 23 league wins came just by a single goal.

Prolific goalscorer Ollie Pitt and target man George Peare (both pictured below) have been added as they both join from Brimscombe and Thrupp. Pacey winger Tyrone Tucker-Dixon and young star Finn Hopkins (signed from Shrivenham) have also been recruited to add pace and youth at the sharp end of the pitch.

Bassett's back line - a big strength last season - has been bolstered as well. There is competition for the goalkeeper position with, Rob Brown, James Foster and Sam Jepson all signed. Full back Dan Hill and the experienced Jonny Aitkenhead recruited. And they'll be tasked with helping fill the gaps created by the departure of Dave Bampton and the reduced availability of Jowan Partridge who begins his university studies.

Young midfielders Finlay Skittrall and Mickey Wilkes will get their opportunities to impress too.

Overall though, the squad remains much the same as last year. And that's no bad thing given the quality that remains in all areas of the pitch.

Preseason has been a generally positive one too. Bassett began with a notable 2-1 win away against Southern League North Leigh thanks to goals from Bailey Gallagher and Alfie Presley. Louis Spalding scored the only goal of the game as Bassett edged out Wantage Town 1-0 at home. There then followed a 1-0 victory against Reading City courtesy of Tyrone Tucker-Dixon's second half strike. Bassett recorded a convincing 3-1 triumph away at Kintbury Rangers in their penultimate friendly as Presley (2) and Finn Hopkins netted.

Bassett did finally fall to defeat in their final friendly - but they battled impressively in a 2-0 loss against National League Forest Green Rovers in front of a bumper Sustain Stadium crowd.

Although results and performances have been encouraging, those games mean little in the grand scheme of things though.

Now the real action starts - and for Bassett that means the start of a season in which they will be aiming even higher than last time around.
