## Welcome To Today's Game

**GOOD EVENING** and welcome to the Sustain Stadium here at the Gerard Buxton Sports Ground for this Wiltshire County FA Premier Shield tie against Westbury United.

A warm welcome to all the players, management team, club officials and supporters from Westbury United who have made the journey up from the south of the county to be with us today. We hope you all enjoy your short stay with us this evening and we wish you a safe journey home.

A warm welcome also to any representatives from the Wiltshire FA who might be here tonight.

In the programme for Saturday's game against Hereford Pegasus I pointed out how good our record against Pegasus was, and in particular our recent record. Saturday's 4-0 win against a side who led the table at the start of the season maintained that excellent run of results and saw us climb up to seventh spot in the table. We also climbed above alleged big spending Corsham Town who lost their eighth straight game and, judging by social media, the fans are not happy. We are now just two points outside the play-off spots having won our last five league games.

Tonight we take a break from league action with this Wiltshire County FA Premier Shield tie against a side who won this particular cup two seasons ago beating Swindon Town in the final. Whilst the last programme highlighted an excellent record against the day's opponents, in contrast our record against tonight's opponents is frankly abysmal over the years. In total the two sides have met 84 times in competitive fixtures and we have won just 19 of those games, with Westbury winning 56 times against us, which included some very heavy defeats back in the 1950s. Our recent record is also not good, with Westbury winning all of the last seven meetings between the sides. Another unwanted record is that we have never beaten Westbury in a County Cup competition, tonight would be a nice time to finally end that position.

The last time the two clubs met was when Westbury United spent their one season in the UHlsport Hellenic League, gaining promotion after finishing runners-up on the basis of their points per game record and have been in the Southern League for three seasons now. They currently sit 19th in the Southern League Division One South table, fourth from bottom, with four teams potentially being relegated at the end of the season. Their focus will be on making sure they stay up this season but will, like ourselves, also like a cup run. Last season we reached the semi final of this competition and it would be good to have another cup run in this competition.

The Women's side's finally ended their run of games without a win with a 2-1 away success on Sunday against Bath City. The win saw them move up to fourth place in the table ahead of Sunday's big game against Gloucester City, a side who have won all five of their league games so far this season. Could Bassett be the first side to take points off them this season?

The Development side pushed title chasing Wroughton all the way for the second time this season on Saturday, in the end two late goals saw Mark Simpkins side go down 2-0 but Wroughton knew they had been in another tough game. Despite another defeat Bassett remain outside of the relegation positions on goal difference following that midweek win over Larkhall.

With it being half term week there were no fixtures in the Youth Section this Sunday with the action set to recommence next Sunday.

I should finally get to see my first game here since

Enjoy the game and hopefully the start of a little cup run for Royal Wootton Bassett Town in the Premier Shield.

## Westbury United

The club started in 1920 with the amalgamation of two local sides. Westbury Old Comrades FC had just won promotion to the First Division of the Wiltshire County League and to strengthen the side they joined forces with a local junior side, Westbury Great Western Railway XI. Together they became Westbury United Football Club.

In its first season the club finished third from bottom of the county league and after struggling throughout the 1920s, went on to great success in the 1930s.

In the 1930s Westbury won everything possible in Wiltshire football and in 1936 also reached the first-round proper of the FA Cup. They were led by a magnificent player called Billy Pearce, who captained the Wiltshire county side throughout the decade. Also in the side at the time was a prolific goalscorer called Bill Butler, who scored more than eighty senior goals in one season (including thirty in a month!).

The club then purchased and moved to its present ground in Meadow Lane, at a cost of £475 for the four-acre site. The very first game played on what was then the Jubilee Playing Field was against Bristol City and a crowd of around 4000 attended.

In recent years the Club has, with the help of the Football Stadia Improvement Fund, been able to replace the drainage system on the pitch as well as erect fencing around the ground and a wall around the pitch. Following several seasons in the 2000s where the aim of promotion to the Toolstation Premier League wasn't achieved, long standing manager Paul Brickley stood down and there were six seasons of struggle from 2010/11 till 2015/16 under various managers, with the team finishing in the bottom three every time.

Matthew Bright took over as Chairman in November 2014, installing Shaun Gardner as 1st team manager. Bright aimed to make the club more family orientated and make Westbury United the centre of the local

community. The club now have a strong link with the local youth football club, Westbury Youth FC, which provides a pathway for youth footballers. Gardner's team finished the 2014/2015 season bottom of the league table but avoided relegation. In September 2015, Gardner resigned as first team manager. His assistant manager, James Goddard, was appointed as his successor after three games in temporary charge. Westbury finished the 2015/16 season in 20th position.

Season 2016/17 started with them winning half of their games up until the middle of November, followed by a run of nine games with only one win and one draw. Morale amongst the players was low and the officers of the club were concerned Westbury would be involved in another relegation battle; the decision was made to relieve James Goddard from his duties at the club after a home defeat by Chippenham Park, at that time a relegation rival. Westbury's reserve manager, Marc Lanfear, stepped in to lead the first team whilst a new manager was sought. He was assisted for those two matches by Nathan Hallett-Young; they won both of their games against two of the top three teams in the division.

Father and son, Neil and Joe Kirkpatrick, were appointment joint managers on 1 February 2017. They suffered defeat in their first three league games in charge, but after that they over-saw a five-league game winning streak, the first time Westbury United achieved this since 2009.

The Kirkpatrick's had attracted a strong group of players and Westbury started the season amongst the favourites to be promoted. They started the season well, staying unbeaten for the first 13 league games, winning 8 and drawing 5. Chairman Matt Bright stepped down in early October to spend more time with his family, and Secretary Greg Coulson was elected to become Chairman at a Special General Meeting in early November. .

## Westbury United

The club won the First Division and secured promotion to the Premier Division. They managed to score more points (95, previous best 91), score more goals (97, previous best 95) and concede the least goals (29, previous best 39) in the club's history.

Their first season in the Premier Division saw Westbury, fired by the goals of youngster Callum Demkiv who they had attracted across from Melksham Town, finish in the top five, a tremendous achievement in their first season at Step 5. The following season they sat mid-table when Covid-19 brought the season to a premature end and were 6th in the table when the same thing happened last season. During the summer they moved across to the UHlsport Hellenic League as part of the FA's restructuring of the National League System.

The team spent just one season in the Hellenic finishing second after just four defeats, and achieved promotion to the Southern League on a points-per-game basis. During the off season Chairman Greg Coulson stepped down to concentrate on his

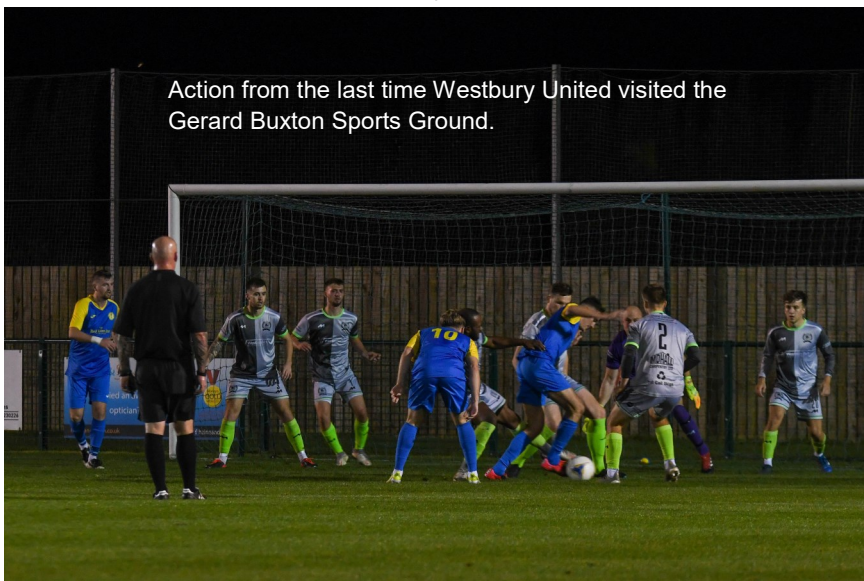

career, he was quickly replaced by former first team manager Sam Gooding. Sam immediately set about maintaining the link with Westbury Youth FC and planned to bring Westbury its first ever adult ladies football team.

With Westbury United being promoted to step 4 of the English pyramid, for the first time in the clubs history. Ricky Hulbert and Lewis Porter's side endured an excellent first season, finishing 10th in the Southern League Division One South, before then going on to be crowned Wiltshire Premier Shield Champions in May 2023. Beating Swindon Town 3-0 at The County Ground.

Westbury's second season in the Southern League was a more difficult one with club eventually finishing in 17th place in a division of 19 teams, just avoiding relegation.

This season again sees them at the wrong end of the table, they are currently sat 19th in the table of 22 teams, which this season would be a relegation position.

Action from the last time Westbury United visited the Gerard Buxton Sports Ground.

 <p><b>James Foster</b></p>	<p>Foster is an experienced goalkeeper who joined Bassett towards the end of last season when he made five appearances, keeping three clean sheets - including against Highworth Town in the Hellenic League Premier Division playoff semi final. Foster brings significant Southern League experience having represented the likes of Abingdon United, Didcot Town, Hungerford Town, Thatcham Town and North Leigh at that level. He was with Shrivenham in 2021-22 before serving as Wantage Town's number one a season later.</p>	<p>Mike &amp; Ethan Price</p>
 <p><b>Dan Hill</b></p>	<p>Hill is a right back who joins Bassett this season from Cirencester Town. A dependable, solid performer, Hill brings plenty of Hellenic League Premier Division experience, as well as Southern League experience acquired in spells with the Centurions and Highworth Town. Hill made his debut in senior football in 2012-13 with Cirencester Town Development before moving to Fairford Town two seasons later. He earned the Reds' Players' Player and Young Player of the Year awards in 2015-16 before moving to Brimscombe and Thrupp for the 2016-17 campaign. Hill quickly established himself as a key player for the Lilywhites, and was a part of the Brimscombe team that lifted the 2017-18 Gloucestershire Challenge Trophy and finished as Hellenic League Premier Division runners-up in 2018-19. He then joined Highworth ahead of the 2022-23 season, though would finish that campaign with Cinderford Town. Hill split last season between Cirencester and Fairford.</p>	<p>John Trollope</p>
 <p><b>Louis Spalding</b></p>	<p>A highly talented young full back who is entering his 3rd season with Bassett. Skilful, quick, an outstanding defender and a player who always looks to get forward, he was named Manager's and Players' Player of the Year following a standout debut season in 2022-23. Spalding played 47 times, scoring a hugely impressive ten goals. Among his goals was a long range stunner in the FA Cup against Reading City, a last minute winner at home against Tuffley Rovers and a brace away at the same opponents. Spalding enjoyed another excellent season in 2023-24, featuring 45 times while scoring three goals. With Swindon Town as a youth, Spalding joined Cirencester on loan in 2017-18. That year he made eleven appearances, before signing with the Centurions ahead of the following season after his release from Swindon. With Cirencester in 2018-19, Spalding featured 38 times as his side finished as runners-up in Southern League Division One South. He then joined Swindon Supermarine, appearing in 38 games in the curtailed 2019-20 Southern League Premier Division South campaign, ten matches a season later and four times in 2021-22.</p>	<p>John &amp; Kath Fellows</p>
 <p><b>Adam Corcoran</b></p>	<p>Bassett's current longest serving player and captain, Corcoran is entering his thirteenth season with the club, having reached the 300 appearance mark in 2022-23. Corcoran is an imposing central defender - with the ability to also play at full back when needed - who is composed on the ball and dominant in the air. A Cirencester Town Academy graduate, he initially joined Bassett in 2011-12 after brief spells with Fairford Town and Calne Town. Corcoran quickly established himself as a key part of Bassett's defence, and in 2012-13 helped the team to promotion from Division One West. After a brief spell with Shrivenham, he re-joined Bassett in the summer of 2015 and has been with the club since. He is a player whose performances have seemed to get better and better over time too. The 2021-22 campaign was without doubt his best in Bassett colours, with the defender going on to earn both Manager's and Players' Player of the Year awards. A quality striker of the ball and danger at set pieces, he has also contributed 18 goals in his 352 Bassett appearances.</p>	<p>John Trollope</p>
 <p><b>Bradley Pagliaroli</b></p>	<p>Pagliaroli is an exciting, dangerous attacking player who rejoins Bassett this season. Possessing a sublime touch, great skill and a lethal left foot, Pagliaroli previously spent two years with Bassett from 2018 to 2020 before making a handful of guest appearances in the seasons since then. Prior to this seasons, he had featured 70 times for Bassett, scoring 32 goals. Pagliaroli began his senior career with Wantage Town before having a brief spell with Thatcham Town. It was at Binfield thought that he made his breakthrough, scoring 11 times in 32 games in 2017-18. Pagliaroli joined Bassett a season later, scoring 18 goals in 40 appearances on his way to a Players' and Supporters' Player of the Year double before netting eight times in 19 games in the Covid-shortened 2019-20 campaign. In the seasons since he has featured for Thatcham Town, Binfield and Uxbridge at step four, while also featuring for Kintbury Rangers and Newbury.</p>	
 <p><b>Oliver Case</b></p>	<p>Another product of Bassett's youth section, Case re-joined the club in January 2024 and played a key role in the Men's First Team's late season playoff push. In all, he featured 14 times for Bassett last season. He scored two important goals - against Fairford Town and then in the playoff semi final against Highworth Town, with both proving to be match winners. An intelligent, composed player who is strong in the air, Case is an extremely impressive young centre half. After starting out his youth career with Bassett, Case joined Swindon Town's Academy. Following his release, he joined Highworth in 2021-22 and, across two seasons, featured 62 times for the Worthians, scoring three goals. He joined Southern League Premier Division Didcot Town at the start of the 2023-24 campaign, playing 14 times before joining Bassett.</p>	<p>KG Sports Massage &amp; Injury Therapy</p>
 <p><b>Jack Hobson-McVeigh</b></p>	<p>An experienced, cultured central midfielder entering his 3rd season with Bassett having joined from Malmesbury Vics. Cool in possession with excellent distribution skills, the midfielder is also a threat from set pieces and has the knack for producing spectacular goals - as evidenced by his thunderous first-time strike against Southern United that earned him Bassett's 2022-23 Goal of the Season award. A New Zealand national and represented his country in the 2009 FIFA Under 17 World Cup in Nigeria in which he scored a spectacular goal against Turkey, helping the Kiwis reach the last 16. He has played at the highest level in his home country too, having appeared for Birkenhead United, Waitakere United, West Auckland Town, Team Wellington and Waikato United. He moved to Germany in 2016 and played as high as the fifth tier Oberliga Niederrhein with Dusseldorf West and SC Union Nettetal. He then moved to England, joining Malmesbury in 2020-21 after a brief spell with Cirencester Town. He scored 7 goals in 12 games that year - including a goal against Bassett from beyond the halfway line - before registering the same number of goals in 36 appearances in 2021-22. In his first season with Bassett, Hobson-McVeigh scored five times in 36 games before adding seven goals in 37 appearances last season.</p>	<p>Paul Harrison</p>

 <b>Chris Taylor</b>	A vastly experienced central midfielder who is entering his fifth season with Bassett. A classy operator, who is supremely confident on the ball and possesses excellent distribution and superb fitness, Taylor has been a standout player during his time in blue and yellow - and last season earned a Manager's and Players' Player of the Year double. Overall, he has featured 115 times while scoring twice since making his Bassett debut in 2020-21. Taylor joined Bassett after four years at Highworth Town, during which he helped the Worthians achieve promotion to the Southern League. However, it is with Swindon Supermarine that Taylor has spent most of his career. An England Under 15 international in his youth, he featured four times for Swindon Town in 2002-03 before being released by the Reds in 2006. Taylor then joined Supermarine and made 355 appearances over the course of nine seasons. In that time he achieved promotion to the Southern League Premier Division in 2006-07 and was part of the Supermarine side that reached the FA Cup second round in 2010-11. Taylor has also played for Newport County, Maidenhead United, Cirencester Town, Hungerford Town and Australian side Dandenong Thunder.	<b>Gordon Reeves</b>
 <b>Tommy Ouldrige</b>	A mercurial midfielder who is entering his fourth full season with Bassett. While capable of playing in an advanced role both through the middle and out wide, Ouldrige settled into a deeper-lying position last season and continued to excel. He is an extremely talented player who possesses great skill, the ability to pick out any pass, an excellent delivery and an eye for goal. Ouldrige came through Swindon Town's youth system and was in and around the Robins' first team, though never made an appearance. He was released by Swindon after loan spells at Chippenham Town and Cirencester Town during the 2017-18 season. He started the 2018-19 campaign with Hungerford Town before moving back to the Centurions where he spent the majority of the next two seasons. After also briefly featuring for Shrivenham in 2019-20, Ouldrige played six times for Bassett in 2020-21, scoring three goals. A season later, he featured 41 times, scoring seven goals. Injuries frustrated Ouldrige in 2022-23, but Ouldrige still made 30 appearances, contributing five goals. He was back to full fitness last season and enjoyed arguably his best season so far in blue and yellow, netting eight times in 47 outings.	<b>Mike Keane</b>
 <b>Bailey Gallagher</b>	Graduate of Bassett's youth section, who made the step up to first team football three seasons ago after having consistently performed strongly for the club's Development team. A highly skilful attacking midfielder who can play on either wing, he boasts a great turn of pace and is not afraid to take players on. With his trickery and speed, Gallagher is exceptionally difficult to defend against and he also has the knack for producing spectacular goals. Gallagher made his Development team debut in 2018-19, while still featuring in Bassett's youth section, scoring four times in thirteen games. 22 appearances yielded seven goals in 2019-20 before he produced a return of six goals in nine Wiltshire League Premier Division matches in the abbreviated 2020-21 campaign. Gallagher then impressed in his first full season playing at Hellenic League Premier Division level. Bassett's leading outfield appearance maker in 2021-22, he featured 44 times, scoring nine goals. He added another seven goals in 47 matches in 2022-23 before scoring six times in 34 games last season.	<b>Mike &amp; Ethan Price</b>
 <b>Alfie Presley</b>	A hugely talented attacking midfielder who re-joined Bassett in October 2023 after brief spells with Corsham Town and Abingdon Utd at the start of the season. Boasting skill, speed and strength, the willingness to take defenders on and expert delivery, his performances have seen him earn Player of the Year awards for Bassett in three different seasons. In 2019-20 Presley was crowned both Manager's Player and Players' Player of the Year, while he earned back-to-back Supporters' Player of the Year prizes in 2022-23 and 2023-24. Presley is a player who has the ability to play effectively across the entire front line - be that out wide or as a number nine or ten. He also has an eye for goal, netting 42 times in 113 appearances for Bassett.	<b>Bridge Garage 01793 853299</b>
 <b>Ollie Pitt</b>	Pitt is a goalscorer with a prolific record in the Hellenic League Premier Division who joins Bassett this season from Brimscombe and Thrupp. An assured finisher, Pitt is also a set piece specialist, who knows how to find the net and tee up his teammates to score from deadball situations. Pitt began his senior career with Cirencester Town, scoring 50 goals in 125 games for their Development team from 2009-10 to 2013-14, while also making a dozen appearances for the Centurions' first team. Pitt joined Brimscombe part way through the 2013-14 campaign and, over the course of eleven seasons scored 109 goals in 350 games. He twice netted more than 20 goals in a season (2016-17 and 2017-18) and was a key member of the Lilywhites side who finished as Hellenic League Premier Division runners-up in 2018-19. Pitt also had a brief spell with Corsham Town two seasons ago.	
 <b>George Pearce</b>	Pearce is a centre forward who joins Bassett this season after splitting the 2023-24 campaign between Brimscombe and Thrupp. A powerful target man who is strong in the air and an assured finisher, Pearce adds further to Bassett's attacking options this season. After initially featuring for Bilibury, Pearce played for Cirencester's Development team from 2013 to 2016, largely featuring as a defender. A move to the opposite end of the pitch has proven to be fruitful though, and he has been a regular Hellenic League scorer for the likes of Fairford Town - with who he registered eleven goals in 2021-22, Corsham Town and Malmesbury Victoria.	
 <b>Finlay Hopkins</b>	Hopkins is a highly talented young forward who joins Bassett from near neighbours Shrivenham this season. Hopkins was a standout player for Shrivenham in their inaugural Wiltshire League Premier Division campaign last season, finishing as joint top scorer with 12 goals in 24 games. Hopkins has also enjoyed success with the Swindon Town Foundation's C6 team, based at Commonweal School. Featuring for them in each of the past three seasons, in 2023-24 he was part of the Swindon team that won the Community and Education Football Alliance Cup - with Hopkins earning Player of the Match honours in the final - and also finished runners-up in South East Division One.	<b>Mick Woolford</b>

 <div>Flynn Walters</div>	Walters is a promising young forward who made his Men's First Team debut two seasons ago. Skilful, with good pace and an assured finisher, he was a part of the Under 18 Floodlit team who finished as Wiltshire League Floodlit Division runners-up in 2021-22 and 2022-23. He registered twice in 13 games for the Under 18s in 2021-22 before playing a more significant role a season later, scoring eight times in 21 games. Walters' performances saw him earn a place in the club's senior Men's sides too. In 2022-23, Walters featured five times for the Development team and made his Men's First Team debut as a substitute against Chipping Sodbury Town, scoring the final goal to cap a 4-1 victory. Last season he featured eight times for the Men's First Team, while netting nine times in 19 games for the Development side.	Mark Smedley
 <div>Thomas Moore</div>	Moore is a gifted, young attacking midfielder who re-joined Bassett last season, having spent time at university in Manchester. A player with a superb attitude and willingness to improve his game, he possesses great pace, the desire to take players on and is an excellent crosser of the ball. Moore was with Swindon Town as a youth and was offered a scholarship in 2019 before his release. Moore then joined Bassett for the 2021-22 season and made a strong impression, scoring three goals in eleven appearances. Last year he netted twice in eight games.	
 <div>Chris Zebroski</div>	A tall, powerful target man with Football League experience who joined Bassett in September 2024. A graduate of the Cirencester Town Academy, Zebroski began his professional career with Plymouth Argyle, making five appearances with the Devon club while in the Championship in 2005-06. He then joined Millwall and during his time with the Lions spent a fruitful spell with Torquay United in 2007-08, scoring 19 goals in 52 games as the Gulls finished third in the Conference National. Zebroski's career then took him to Wycombe Wanderers, who he helped earn promotion from League Two with in 2008-09 before returning to Torquay and brief spells with Bristol Rovers and Cheltenham Town. After dropping down to the National League South with Eastleigh in 2012-13, Zebroski returned to the Football League with Newport County a season later, winning their Player of the Season award in 2013-14 after netting 13 times in 39 games. He had a spell away from the game from 2015 to 2017 before returning to National League Eastleigh in 2017-18. Zebroski has since spent time with Chippenham Town, Malmesbury Victoria, Swindon Supermarine, Melksham Town, Fleet Town and - most recently - AFC Croydon Athletic, where he was assistant manager in their Combined Counties League Premier Division South promotion winning campaign.	
 <div>Alan Griffin</div>	A high quality target man who enjoyed a distinguished playing career in non-league football. Now entering his 2nd season as Bassett's assistant manager. Initially joined for the 21-22 season as a player, scoring 16 times in 32 appearances before joining the coaching staff. While taking on his current role, Griffin has continued to play, featuring 38 times last season (34 appearances coming from the bench) and adding 5 goals. As a player, Griffin is an assured finisher, strong in the air and capable of effectively holding up the ball. He made a prolific start to his playing career with Corsham in the Western League, and soon moved onto Southern League football, playing his trade with Cirencester, Chippenham, Gloucester City, Mangotsfield Utd, S.Supermarine and Bristol Manor Farm. He spent most of his career with Chippenham and was part of their 16-17 promotion winning squad that saw the Bluebirds earn National League South status. In 18-19 he hit 26 goals for Cirencester as they finished runners-up in Southern League Division One South. Joined Bassett after splitting the 19-20 season between Melksham Town and Malmesbury Victoria. Griffin also has prior managerial experience having spent time in charge of Malmesbury.	John & Kath Fellows
 <div>Nick Warren (Coach)</div>	Warren joins Bassett's Men's First Team coaching staff this season after spending most of the past four years in charge of the club's Under 18 Floodlit team. Warren has been with the club for more than a decade, beginning as a manager in Bassett's youth section. He took over the Under 18 Floodlit team in 2020-21, guiding them to a sixth place finish in the Wiltshire League Floodlit Division. Bassett then achieved consecutive runners-up finishes under Warren's guidance in 2021-22 and 2022-23. He remained in charge of the team at the start of the 2023-24 campaign, stepping down from his role as manager part way through, though the Under 18s would again finish in second place. During Warren's tenure, numerous players have made the step up from the Under 18s into Bassett's Men's First and Development teams.	
 <div>Sam Collier (Manager)</div>	Collier has served as Bassett manager since taking the role, initially on an interim basis while still also a player, in January 2018. In 2018-19, his first full season in charge, Collier guided the team to 10th in the Hellenic League Premier Division - at that point, the club's highest ever finish. Bassett then exceeded that record with a 5th place finish in 2022-23. Last season Bassett went one better, finishing 4th while also reaching the Hellenic League Premier Division promotion playoff final. Bassett have also set records in national cup competitions under Collier's stewardship, with his sides equalling the club's best FA Cup run in 2020-21 and going further than ever before in the FA Vase, reaching the third round in 2021-22, 2022-23 and 2023-24. This is Collier's second job in management after he served as Shrivensham player-manager from February 2014 to 2015. As a player, Collier has made 160 appearances for Bassett. Mainly featuring as a striker, he has scored 71 goals, finishing as top scorer in 2009-10, when Bassett earned promotion from Hellenic League Division One West, and 2010-11. Collier has played in almost every other position for Bassett too though - including as goalkeeper, making a last minute penalty save in 2022-23 to preserve a point against eventual champions Cribbs. During his playing career, he also featured for Purton, Abingdon United, Cirencester Town, Wantage Town and Thatcham Town among others.	Mick Woolford

# Hellenic Premier Division

## Roundup

There was a full programme of ten games on Saturday in the Premier Division of the UHSport Hellenic League. **Hartpury University** extended their lead at the top of the table after a 3-0 away win over bottom of the table **Brimscombe & Thrupp** but Brimscombe certainly made them work hard for the points with the three goals all coming in a five minute spell just after the hour mark. On target for Hartpury were Nathan Jenkins with two and Owen Giles.

**Roman Glass St George** lost ground when they were held to a 2-2 draw by **Worcester Raiders**, Raiders scoring two late goals to deny the home side. Jennison Myrie-Williams and Harvey Tierney had put Roman Glass two up and it remained that way until two minutes from time when Emmanuel Olaloko pulled one back and for Liam Banks to then level in the fourth minute of stoppage time.

**Highworth Town** sit third in the table after an impressive 5-0 win over **Slimbridge** with both Leon Morrison and former Bassett player Luke Whelan both scoring twice. The final goal also came from another Bassett old boy with Gio Wrona adding a fifth in the final minute of the game.

This coming Saturday's **opponents Sporting Club Inkberrow** sit level on points with Highworth after a 2-1 away win over **Thornbury Town**, Raheem Spencer and Harry Grant with the goals for Inkberrow.

**Mangotsfield United** were playing their 15th away game of the season and picked up another useful point following a 0-0 draw at **Westfields**. They have still only been beaten once so far this season and with all those home games still to come on their new 3G are likely to make a serious title challenge. If they win their two games in hand over Hartpury they would move to within three points of the league leaders.

**Fairford Town** suffered a set back to their own promotion ambitions with a 5-0 home

defeat at the hands of **Pershore Town**. The goals for Pershore were shared around with one apiece for Ben Tilbury, James Baldwin, Peter Tonchev, Bailey Fuller and Zaq Husain.

**Royal Wootton Bassett Town** moved up to seventh spot in the table, just two points off the play-off places following our home 4-0 win over **Hereford Pegasus**, Alfie Presley, Finnlay Hopkins, Tommy Ouldrige and George Peare with the Bassett goals. There is a report on that game elsewhere in tonight's programme.

At the bottom end of the table **Cirencester Town** continued their recent resurgence with a 3-1 home win over fellow strugglers **Lydney Town**, Harrison Reeves bagging a brace and Ross Gabriel with the other Cirencester goal.

**Corsham Town's** miserable run continued when they lost for the eight straight game in the league, a first half goal from Karnell Chambers giving visitors **Tuffley Rovers** all three points.

Another Wiltshire based side having a tough season both on and off the pitch are **Malmesbury Victoria** who fell to another defeat, going down 3-1 away at **Longlevens**. Malmesbury are only now outside of the relegation places on goal difference. They are also another side that are yet to play at home this season in the league due to issues with their pitch. However, fingers crossed for some good news coming out of this week's discussions with Wessex Water. On target for Longlevens in their 3-1 win were Jack Beardsell, Vladyslaw Yarmolenko and Ryan Williams.

## v Hereford Pegasus (Home)

### Bassett power past Pegasus

**Royal Wootton Bassett Town 4  
Hereford Pegasus 0**

**Saturday 26th October 2024**

Royal Wootton Bassett Town put last week's FA Vase disappointment well and truly behind them as Sam Collier's side returned to Hellenic League Premier Division action with a thumping 4-0 home win against Hereford Pegasus.

Bouncing back with what the Bassett boss says was his side's best performance of the season to date, the result means Bassett have taken 19 of the last available 21 points. And that outstanding run is made the more impressive by the fact they have scored 24

goals in those seven games, including 18 in their last four league outings.

Pegasus came into the game in something of a rut having failed to win in their eight previous league outings. But with eleven of their sixteen league games going into the match having been decided by a single goal or less, this was expected to be no easy fixture for Bassett.

But a clinical performance ensured Collier and his team eventually cantered to victory.

Leading scorer Alfie Presley got Bassett on their merry way nine minutes before the interval, steering in first time at the left post from close range following Jack Hobson-McVeigh's perfectly placed low cross into the box.

Prior to that the game had been a relatively even affair with Finn Hopkins having the best chance of note when he found the post from a tight angle.

However that opening goal put Bassett in the ascendancy going into the interval.

They then came out for the second half in the mood for more. And Bassett duly delivered as they pulled away from their visitors.

Presley served as the creator for Bassett's second three minutes after the restart. Following a swift counter, he cut back for youngster Hopkins who confidently swept into the bottom corner from twelve yards.

Pegasus' cause wasn't helped shortly before the hour when leading scorer Carlos Moreira picked up a second yellow card for dissent.

And soon after it was 3-0 as Hopkins teed up Tommy Ouldrige for a simple close range finish.

The scoring was then completed five minutes from time when George Peare rose highest to meet a Hobson-McVeigh corner, which he expertly guided into the top left corner.

Bassett now sit seventh, just two points off the playoff places. Those credentials will be tested in their next two league fixtures at home against fellow contenders Sporting Club Inkberrow and then away at Worcester Raiders.

But if they repeat this performance, Bassett will be confident of being back in the top five in the next couple of weeks.

First though they face a home Wiltshire Premier Shield date with Southern League Westbury United - and an opportunity to put higher level opposition to the sword

## Season 2024-25

**Sunday 27 October 2024**

**Bath City 1  
Royal W. Bassett Town 2**

**South West Regional Women's League  
Northern Division**

**Jas strikes key note as Bassett end recent blues**

Goals from Jasmine Kennedy and captain Laura Jefferies earned Royal Wootton Bassett Town a vital 2-1 win away at Bath City in the South West Regional Women's Football League Division One North.

The result, earned thanks to a gritty, determined performance, ends Bassett's four game winless run which had seen Adam Wood's side pick up just two points from three games. And it was important that Bassett got back to winning ways - especially with leaders Gloucester City, who boast a 100 per cent record from their opening five games - coming to the Sustain Stadium next Sunday

Bassett led early thanks to Kennedy's quick reactions. Bath 'keeper Sadie Farley had denied Caitlin Brooks after she received a fine ball into the box from Darcy Cox. But the rebound fell to Kennedy, who made no mistake, steering into the top corner.

Having lost away at Bath and drawn at home, Bassett knew this was going to be a battle. And the Romans quickly posed a threat as they sought to get on terms, Amy Key heading wide from a corner before Tara Taylor could only place off target after seizing on an underhit pass from 'keeper Millie Powell that was intended for Kelly Nightingale.

But, in an even opening half, Bassett seemed as though they were going to head into the interval ahead.

That was until Bath snatched an equaliser with moments remaining until the half time whistle. Bassett were unable to clear from Erin Duffy's dangerous left wing cross, and the ball fell to Taylor, who showed good close control before fashioning space in a tight area and poking past Powell from close range. Powell may have been beaten then, but she pulled off a fine save shortly after the restart to keep the scores level. Madeleine Brown conjured up a shot from a tight angle and Powell showed great reflexes to tip the ball over the bar.

It remained a tight contest with the teams pushing for the next goal, though few clear cut chances of note being created thanks to some solid defending from both sides. Around the hour mark Hannah Gulliver shot a free kick straight at Farley while at the other end Koren Thorner-Atkinson struck wide from distance.

The decisive moment of the second half then arrived with quarter of an hour to go. Nightingale found Jefferies out wide on the left and the Bassett skipper shrugged off the attentions of Eve Trivett before lifting a shot Farley, who - despite getting a glove to the ball - was unable to keep it out.

Bassett then almost had a third with eight minutes to go as Jefferies found Maddy Elliott whose low drive fell inches wide of the post. The action switched to the other end where substitute Poppy Spratt came close to equalising with pretty much her first touch after coming off the bench. However her half volley sailed narrowly wide with Powell beaten.

Both league meetings between the teams produced late goals - Bassett's visit to Twerton Park seeing the Romans score an injury time winner before Bassett snatched a point in the return fixture with a last ditch equaliser.

There was plenty of stoppage time played on this occasion. But the full time whistle eventually arrived with Bassett's lead still intact, the closest Bath came being when Rebecca Fry tried her luck from distance only to shoot straight into the hands of Powell.

## Wiltshire Senior League Premier Division Roundup 26 Oct

Last season **Kintbury Rangers** pushed Amesbury Town all the way in the race for the title, eventually finishing seven points short. This season they are aiming to go one better and go into November unbeaten in the league after registering their twelfth win in 14 games with a 2-1 away victory at **Bemerton Heath Harlequins Reserves**. Ominously for the rest

of the division they now have last season's top scorer George Armstrong back in their ranks and he scored his first of the season in this latest Kintbury win, this season's leading scorer Kye Williams, with his eleventh of the season, with the other Kintbury goal. Dean Reynolds with the Bemerton goal with all three goals coming in the first half.

**Wroughton** kept in touch with the league leaders with a 2-0 home win over **Royal Wootton Bassett Town Development**. The game remained without a goal until the 65th minute when Wroughton's leading scorer Jonathan Peachey-Score broke the deadlock with his 19th goal of the season. Ten minutes later Kassa Anderson made sure of the points with his second of the game. **Royal Wootton Bassett Town Development** had also been in action in midweek when they visited **Larkhall Athletic Development** and they had moved out of the bottom four places thanks to a 4-2 victory. Two goals from Caleb Geib and one from George Lance and Flynn Walters securing the three points, with Aidan Maslen and Tatenda Mateke getting the Larkhall goals. Following the Wroughton defeat Royal Wootton Bassett remain just outside the bottom four on goal difference, whilst Wroughton's win sees them remain six points behind Kintbury with the two sides yet to meet this season.

The top match of the day was at **Letcombe**, where the home side who sat fifth in the table ahead of this weekend's fixtures were up against the side just above them in the table, **Pewsey Vale**. It started well for the home side as Xavi Diaz put them 1-0 up but Pewsey were level by half time and then went ahead early in the second half, Brandon Vincent and former Letcombe striker Josh Fowler with the two Pewsey goals. Ben Cleary then got Letcombe back on level terms late on in the game, heading in from a corner for his 12th of the season. Just as it looked as though the two sides would have to settle for a point, deep into injury time Kieran Kerby scored a third and winning goal for Letcombe. The win saw Letcombe climb above both their beaten opponents and Melksham Town Reserves into third spot in the table. Whilst currently ten points behind leaders Kintbury, Letcombe have two games in hand.

**Melksham Town Reserves** suffered a setback to their promotion ambitions when they fell to a 3-2 home defeat at the hands of **Shrewton United**. They trailed 2-0 at the break to goals from Joe Spratt and Charlie Utterson and it got worse for them when Utterson scored his second of the game within a minute of the restart to give Shrewton a 3-0 lead. Melksham rallied and pulled one back through Sam Hendy on 52 minutes and then scored a second 12 minutes from time to give them hope of getting something out of the game, Hendy again the scorer. However, Shrewton's defence held firm to prevent any further goals being conceded as they picked up their second away win of the season.

**Trowbridge Town** also lost ground in their push for promotion when they fell to their third home defeat of the season, **Calne Town Reserves** leaving with all three points following a 2-1 win. Jamie Lyons had given home side Trowbridge an early lead from the penalty spot after a foul on Connor McKay. However, four minutes later Calne were back on level terms following another penalty, Sean Bailey putting the spot kick away to make it 1-1 and it remained that way at the break. A second half strike from Calne's Lewis Royston saw them end their run of three games without a win and climb above their beaten opponents into seventh place in the table. To add to Trowbridge's miserable afternoon they had Derek Wheeler sent off late on for a second bookable offence.

There was the proverbial game of two halves at the Ian Richardson Football Ground where **Shrivenham's** visitors were **Kingsdown**. The first half belonged to Kingsdown as two penalties from Josh Atwell saw them lead 2-0 at the break. James Hirst started the Shrivenham come back pulling one back early in the second half. The same player then scored a second for Shrivenham from a free kick to level matters up. The game was completely turned around late on when Matty Horsell scored what proved to be the winner for Shrivenham who moved out of the bottom four as a result of their fourth league win of the season and their fourth straight win in all competitions.

There were a couple of important games at the bottom end of the table, and it was to prove to be a good afternoon for the young **Salisbury Development** side who were another side to move out of the bottom four with a win. Goals from Josh Ngombi, Henry Anoma and Naman Gurung secured a convincing 3-0 win over a **Faringdon Town** side who do not travel well, having now lost all six games on the road they have played. They have also now lost four league games in a row which has seen them slip into the bottom four.

The final game in the Premier Division on Saturday was at Sutton Park where **Blunsdon's** visitors were **Larkhall Athletic Development** who were looking to end a run of four straight defeats of their own. The teams turned around all square at the break with a goal apiece. John O'Donoghue then put Blunsdon 2-1 up but an equaliser for Larkhall ten minutes from time gave them a deserved share of the points. Jordan Phillips and Harvey Kendrick with the Larkhall goals, Nick Craft with that first half goal for Blunsdon.

YOU may have caught our recent programme column on former Non-League players excelling as coaches at the elite level of the game.

The current poster boy is, of course, Anthony Barry. In case you didn't seem, the former Conference title winner landed a new job last week. England assistant manager!

It's only been seven years since he was in Wrexham's midfield. Since taking the coaching path, he's been on the staff at Chelsea, Bayern Munich, Belgium and Portugal – now he will be Thomas Tuchel's right-hand man.

"Pretty incredible," he said when asked how it felt for England's YouTube channel. "Quite surreal. The process since it started has been fantastic. Thomas and I have loved every minute of it. As soon as I've seen this project capture the imagination of Thomas in the way that it did, we were back and forward sharing so much energy towards it, the imagination of the team and what we can do with these players.

"And then, of course, there is the extra layer for me. I am an Englishman. I've worked at other federations around the world. It was always a privilege to work on the highest level.

"But to come home now and represent The FA, England and the Three Lions is something that is the proudest day of my career so far."

Liverpool-born Barry, 38, progressed through the Everton youth ranks but was released at 18 and went on to play for Coventry City, Accrington Stanley, Yeovil Town and Chester City.

Barry joined Fleetwood Town to help them win promotion to the Football League before joining Step 1 Forest Green Rovers for the 2013-14.

Finishing his career after a second stint at Wrexham, Barry joined Paul Cook's backroom staff at Wigan in 2017 and after a chance meeting with Frank Lampard while studying for his UEFA Pro-Licence.

His detailed analysis of 16,380 throw-ins made

a mark on Lampard and Barry was drafted in to work under the Blues legend as a set-piece coach – a role which he has since gone on to make his name.

Lampard departed in January 2021, but Barry stayed on at Stamford Bridge to work under his successor Tuchel.

The pair developed a strong friendship, helping Chelsea win the Champions League, and when Tuchel was sacked by Chelsea in September 2022, he returned for Barry when he was appointed at Bayern Munich the following year. England will be their third job together.

This, however, will not be Barry's first foray into international football having worked with the Republic of Ireland and also under Roberto Martinez with both Belgium and Portugal.

But while the 2026 World Cup may now be in his sights, the humble Three Lions assistant says he still looks back today on his very first taste of coaching at the age of 29, working with Accrington Stanley's U16 side with injury now stalling his playing career.

"I remember that first session so clearly," Barry told the Essential Euros podcast last summer.

"It was on a Tuesday night. It was with around 10 players. I had a third of a pitch, not enough balls, not enough bibs.

"But I simply fell in love with coaching and on that night I knew it was absolutely everything I wanted to do. I felt a passion from that session with those kids that I hadn't felt in playing games - even at Wembley. I knew right there and then, I wanted to be a young coach."

A lot has been written about the opportunities English managers and coaches since Tuchel's appointment. And there is a debate to be had.

But it's good to see one of Non-League's own flying the flag.
