## Welcome To Tonight's Game

**GOOD EVENING** and welcome to the Sustain Stadium here at the Gerard Buxton Sports Ground for what could be our final home league game of the season, tonight's encounter being a quarter final tie in the Marsh Challenge Cup against Clanfield 85.

A warm welcome to all our visitors who have made the relatively short journey this evening and we hope you enjoy your short stay with us and wish you a safe journey home.

Well our play-off hopes were ended on Saturday with a disappointing 2-1 loss at home against Thornbury Town. However, even if we had won on Saturday, Highworth Town's impressive 3-2 win over FA Vase semi-finalists and probable champions Hartpury University meant we would have missed out even if we had won on Saturday. Tonight's cup encounter means we still have the chance for Sam to bag his first trophy as a manager of Royal Wootton Bassett Town in what is now his eighth season as manager here. We have gone close on several occasions hopefully we can get there by winning three more games this season.

Whilst we have not been in the same division as tonight's opponents Clanfield 85 since was back in Season 2012-13, and have only played them three times in the past 12 seasons in cup competitions three times, we have met on 44 previous occasions. Clanfield were regular opponents in our early years in the Hellenic League. Our overall record against Clanfield is a very good one with 29 victories, eight draws and just seven defeats. Our recent record against them is also a good one with just one defeat in our last eleven games and with us winning all of those aforementioned three cup games. Our one defeat in that spell of eleven games coming in the final league meeting between the two sides.

Clanfield 85 are having a good season in Division One of the Hellenic League and currently occupy the final play-off spot for promotion to the Premier Division. It is very tight, however, for those play-off spots with Abingdon United level on points with

Clanfield, but Clanfield are above them because of a superior goal difference. Stonehouse Town are then two points behind Abingdon but having played one more game than the other two. Both Clanfield and Abingdon have four games to go with Clanfield having a very tough run in with runaway leaders Droitwich Spa, third placed Redditch Borough and Stonehouse Town to play in those four games.

Saturday saw the Development Team pick up an impressive 7-1 win over Trowbridge Town who still have ambitions of achieving a top five position and possible promotion. Four goals up at half time they continued to smash in the goals in the second half against a shell-shocked Trowbridge side. The win did the Development Team's chances of survival the world of good but the win was needed when relegation rivals Salisbury Development also served up their best performance of the season beating Wiltshire Senior Cup finalists Wroughton 6-2. With Salisbury still to play away it is going to be an interesting end to the season for the Development side.

The Women's side made it back-to-back wins on Sunday with a 2-0 home win over Bath City. With Corsham Town doing us a favour by beating Bitton, a second place finish is still a possibility but we might have to beat unbeaten Gloucester City to achieve that. Again it should be another interesting final month of the season for the Women's side.

Well done to the club for the hosting of the Wiltshire Senior League Ladies Cup final. The hard working volunteers at the club did the club proud in what was an enjoyable afternoon of football and I know my fellow League Committee members were very impressed with how the club staged the final. It is customary to thank everybody in the final programme of the season but given the short time in having to turn this programme around given yesterday's cup final, I am hoping there will be another opportunity to do so in the next few weeks.

## Club History

Clanfield Football Club was founded in 1890 and for many years played in the Witney & District League. Two years were spent in the North Berks League in the 1960's and for 1967-68 season the club joined the Hellenic League.

Clanfield's first game in the Hellenic League was on the 19th August 1967 against Hungerford Town in front of an attendance of 146. In 1969-70 the club won the Hellenic Division One Championship and were promoted to the Premier Division for the first time.

In 1971-72 they missed out on the Runners-Up position only on goal average but went on to secure the Runner-Up spot for the next two seasons also winning the Premier Division Challenge Cup in 1973-74. In 1974-75 the Club reached the Final of the Oxfordshire Senior Cup. The first game ended in a draw after extra time, but Pressed Steel won the replay. 1975-76 saw a repeat of the Cup run to the Final but again Clanfield ended up losing Finalists. After a great period through the 60s and 70s they were relegated to Division One at the end of the 1979-80 Season. However, the Club soon bounced back finishing in second place the following season. At the end of the 1984-85 Season they were once again relegated to Division One where they have remained ever since.

The Club re-entered the FA Vase in 2006 when Buckingham Athletic were visitors to Radcot Road, in a game Clanfield won 1-0. The club won the Jim Newman Memorial Cup in 1978 & 2018 and have been finalists in recent staging of the same event and won the Faringdon Memorial Cup in 1996-97 and 2016-17. Season 2010-11 saw the club finish in fourth place in Division One West and narrowly miss out on promotion to the Premier Division.

The Club have recently adopted a positive youth policy. The Under 18 Team have won the Allied Counties Youth League Central Division and last season their County Cup Competition. The previous season, 2016-17 the Under 17 Team won the Oxfordshire Invitation Youth League Division B whilst the Under 16 Team won their County Cup Competition.

For the 2020-21 season former player Jamie Butt alongside Chris Blakley and Martin Staddon continued as the first team management, with Gary Brown joining them. The season was looking very positive but again was curtailed by the Corona Virus Pandemic.

There was a management restructure for the 2021-22 season with Andy Lyne joining the club as the first Director of Football. Chris Blakely and Martin Staddon stood down from their First Team commitment and the club thanks them both for all their effort over their time with Jamie. Following a nasty injury whilst playing elsewhere, Jordi Mulvany returned to the club as First Team Coach. The season was a success for the club as Clanfield finished third in Division One, losing out in the semi final to Hereford Pegasus who went on to secure promotion in the final against Worcester Raiders. They were also losing semi-finalists in the Challenge Cup as they went out 1-0 to the eventual winners Cribbs FC.

For the 2022-23 season Craig Connor stepped into the First Team Assistant role after deciding to step away from the rigours of playing. The club enjoyed success in the pre-season retaining the Jim Newman Trophy and winning it for the third time in recent years beating Cropredy 8-1 in the final. Clanfield finished the season in fourth place, securing a Play-Off berth for the second season running this time against Milton United. This time the Robins lost out on penalties, with Milton going on to secure promotion on penalties over Hartpury University.

The coming season sees Shaun Morgan joining the coaching staff as Jamie and Craig continue at the helm. Pre-season has been promising with the club winning the Jim Newman Trophy for the third year running. The club wishes the players and managers all the best for the season.

### Four Star Bassett Cruise to Victory

**Wootton Bassett Town 4  
Clanfield 85 1**

**Tuesday 21st August 2012**

Wootton Bassett Town did their damage early on against visitors Clanfield, scoring four goals in the first half on their way to a 4 -1 victory. It was Bassett's third win in four league games and sent Dave Turner's team top of the table.

Steve Yeardley continued his fine start to life back at Rylands Way, opening the scoring just four minutes in. The free scoring Mark Barnes then doubled the lead midway through the period.

It wasn't long before it was 3-0 as defender Liam Edmondson opened his account for the season in the 34th minute. The visitors struck back moments later when Steve Olphert found the net.

However, Barnes struck for the seventh time in five games four minutes before the break to stifle any hopes of a Clanfield comeback.

The foot was taken off the gas following the restart, but rarely did the visitors pose any threat.

It's now five games unbeaten for Bassett, and a perfect way to head into Friday's FA Cup clash with Hamworthy United.

He earned the Reds' Players' Player and Young Player of the Year awards in 2015-16 before moving to Brimscombe and Thrupp for the 2016-17 campaign. He then joined Highworth ahead of the 2022-23 season, though would finish that campaign with Cinderford Town. Hill split last season between Cirencester and Fairford.</p>	<p><b>John Trollope</b></p>
 <p><b>Louis Spalding</b></p>	<p>A highly talented young full back who is entering his 3rd season with Bassett. Skilful, quick, an outstanding defender and a player who always looks to get forward, he was named Manager's and Players' Player of the Year following a standout debut season in 2022-23. Spalding played 47 times, scoring a hugely impressive ten goals. Among his goals was a long range stunner in the FA Cup against Reading City, a last minute winner at home against Tuffley Rovers and a brace away at the same opponents. Spalding enjoyed another excellent season in 2023-24, featuring 45 times while scoring three goals. With Swindon Town as a youth, Spalding joined Cirencester on loan in 2017-18. That year he made eleven appearances, before signing with the Centurions ahead of the following season after his release from Swindon. With Cirencester in 2018-19, Spalding featured 38 times as his side finished as runners-up in Southern League Division One South. He then joined Swindon Supermarine, appearing in 38 games in the curtailed 2019-20 Southern League Premier Division South campaign, ten matches a season later and four times in 2021-22.</p>	<p><b>John &amp; Kath Fellows</b></p>
 <p><b>Adam Corcoran</b></p>	<p>Bassett's current longest serving player and captain, Corcoran is entering his thirteenth season with the club, having reached the 300 appearance mark in 2022-23. Corcoran is an imposing central defender - with the ability to also play at full back when needed - who is composed on the ball and dominant in the air. A Cirencester Town Academy graduate, he initially joined Bassett in 2011-12 after brief spells with Fairford Town and Calne Town. Corcoran quickly established himself as a key part of Bassett's defence, and in 2012-13 helped the team to promotion from Division One West. After a brief spell with Shrivenham, he re-joined Bassett in the summer of 2015 and has been with the club since. He is a player whose performances have seemed to get better and better over time too. The 2021-22 campaign was without doubt his best in Bassett colours, with the defender going on to earn both Manager's and Players' Player of the Year awards. A quality striker of the ball and danger at set pieces, he has also contributed 18 goals in his 352 Bassett appearances.</p>	<p><b>John Trollope</b></p>
 <p><b>Bradley Pagliaroli</b></p>	<p>Pagliaroli is an exciting, dangerous attacking player who rejoins Bassett this season. Possessing a sublime touch, great skill and a lethal left foot, Pagliaroli previously spent two years with Bassett from 2018 to 2020 before making a handful of guest appearances in the seasons since then. Prior to this seasons, he had featured 70 times for Bassett, scoring 32 goals. Pagliaroli began his senior career with Wantage Town before having a brief spell with Thatcham Town. It was at Binfield thought that he made his breakthrough, scoring 11 times in 32 games in 2017-18. Pagliaroli joined Bassett a season later, scoring 18 goals in 40 appearances on his way to a Players' and Supporters' Player of the Year double before netting eight times in 19 games in the Covid-shortened 2019-20 campaign. In the seasons since he has featured for Thatcham Town, Binfield and Uxbridge at step four, while also featuring for Kintbury Rangers and Newbury.</p>	
 <p><b>Oliver Case</b></p>	<p>Another product of Bassett's youth section, Case re-joined the club in January 2024 and played a key role in the Men's First Team's late season playoff push. In all, he featured 14 times for Bassett last season. He scored two important goals - against Fairford Town and then in the playoff semi final against Highworth Town, with both proving to be match winners. An intelligent, composed player who is strong in the air, Case is an extremely impressive young centre half. After starting out his youth career with Bassett, Case joined Swindon Town's Academy. Following his release, he joined Highworth in 2021-22 and, across two seasons, featured 62 times for the Worthians, scoring three goals. He joined Southern League Premier Division Didcot Town at the start of the 2023-24 campaign, playing 14 times before joining Bassett.</p>	<p><b>KG Sports Massage &amp; Injury Therapy</b></p>
 <p><b>Jack Hobson-McVeigh</b></p>	<p>An experienced, cultured central midfielder entering his 3rd season with Bassett having joined from Malmesbury Vics. Cool in possession with excellent distribution skills, the midfielder is also a threat from set pieces and has the knack for producing spectacular goals - as evidenced by his thunderous first-time strike against Southern United that earned him Bassett's 2022-23 Goal of the Season award. A New Zealand national and represented his country in the 2009 FIFA Under 17 World Cup in Nigeria in which he scored a spectacular goal against Turkey, helping the Kiwis reach the last 16. He has played at the highest level in his home country too, having appeared for Birkenhead United, Waitakere United, West Auckland Town, Team Wellington and Waikato United. He moved to Germany in 2016 and played as high as the fifth tier Oberliga Niederrhein with Dusseldorf West and SC Union Nettetal. He then moved to England, joining Malmesbury in 2020-21 after a brief spell with Cirencester Town. He scored 7 goals in 12 games that year - including a goal against Bassett from beyond the halfway line - before registering the same number of goals in 36 appearances in 2021-22. In his first season with Bassett, Hobson-McVeigh scored five times in 36 games before adding seven goals in 37 appearances last season.</p>	<p><b>Paul Harrison</b></p>

 <b>Chris Taylor</b>	A vastly experienced central midfielder who is entering his fifth season with Bassett. A classy operator, who is supremely confident on the ball and possesses excellent distribution and superb fitness, Taylor has been a standout player during his time in blue and yellow - and last season earned a Manager's and Players' Player of the Year double. Overall, he has featured 115 times while scoring twice since making his Bassett debut in 2020-21. Taylor joined Bassett after four years at Highworth Town, during which he helped the Worthians achieve promotion to the Southern League. However, it is with Swindon Supermarine that Taylor has spent most of his career. An England Under 15 international in his youth, he featured four times for Swindon Town in 2002-03 before being released by the Reds in 2006. Taylor then joined Supermarine and made 355 appearances over the course of nine seasons. In that time he achieved promotion to the Southern League Premier Division in 2006-07 and was part of the Supermarine side that reached the FA Cup second round in 2010-11. Taylor has also played for Newport County, Maidenhead United, Cirencester Town, Hungerford Town and Australian side Dandenong Thunder.	<b>Gordon Reeves</b>
 <b>Tommy Ouldrige</b>	A mercurial midfielder who is entering his fourth full season with Bassett. While capable of playing in an advanced role both through the middle and out wide, Ouldrige settled into a deeper-lying position last season and continued to excel. He is an extremely talented player who possesses great skill, the ability to pick out any pass, an excellent delivery and an eye for goal. Ouldrige came through Swindon Town's youth system and was in and around the Robins' first team, though never made an appearance. He was released by Swindon after loan spells at Chippenham Town and Cirencester Town during the 2017-18 season. He started the 2018-19 campaign with Hungerford Town before moving back to the Centurions where he spent the majority of the next two seasons. After also briefly featuring for Shrivenham in 2019-20, Ouldrige played six times for Bassett in 2020-21, scoring three goals. A season later, he featured 41 times, scoring seven goals. Injuries frustrated Ouldrige in 2022-23, but Ouldrige still made 30 appearances, contributing five goals. He was back to full fitness last season and enjoyed arguably his best season so far in blue and yellow, netting eight times in 47 outings.	<b>Mike Keane</b>
 <b>Bailey Gallagher</b>	Graduate of Bassett's youth section, who made the step up to first team football three seasons ago after having consistently performed strongly for the club's Development team. A highly skilful attacking midfielder who can play on either wing, he boasts a great turn of pace and is not afraid to take players on. With his trickery and speed, Gallagher is exceptionally difficult to defend against and he also has the knack for producing spectacular goals. Gallagher made his Development team debut in 2018-19, while still featuring in Bassett's youth section, scoring four times in thirteen games. 22 appearances yielded seven goals in 2019-20 before he produced a return of six goals in nine Wiltshire League Premier Division matches in the abbreviated 2020-21 campaign. Gallagher then impressed in his first full season playing at Hellenic League Premier Division level. Bassett's leading outfield appearance maker in 2021-22, he featured 44 times, scoring nine goals. He added another seven goals in 47 matches in 2022-23 before scoring six times in 34 games last season.	<b>Mike &amp; Ethan Price</b>
 <b>Alfie Presley</b>	A hugely talented attacking midfielder who re-joined Bassett in October 2023 after brief spells with Corsham Town and Abingdon Utd at the start of the season. Boasting skill, speed and strength, the willingness to take defenders on and expert delivery, his performances have seen him earn Player of the Year awards for Bassett in three different seasons. In 2019-20 Presley was crowned both Manager's Player and Players' Player of the Year, while he earned back-to-back Supporters' Player of the Year prizes in 2022-23 and 2023-24. Presley is a player who has the ability to play effectively across the entire front line - be that out wide or as a number nine or ten. He also has an eye for goal, netting 42 times in 113 appearances for Bassett.	<b>Bridge Garage 01793 853299</b>
 <b>Ollie Pitt</b>	Pitt is a goalscorer with a prolific record in the Hellenic League Premier Division who joins Bassett this season from Brimscombe and Thrupp. An assured finisher, Pitt is also a set piece specialist, who knows how to find the net and tee up his teammates to score from deadball situations. Pitt began his senior career with Cirencester Town, scoring 50 goals in 125 games for their Development team from 2009-10 to 2013-14, while also making a dozen appearances for the Centurions' first team. Pitt joined Brimscombe part way through the 2013-14 campaign and, over the course of eleven seasons scored 109 goals in 350 games. He twice netted more than 20 goals in a season (2016-17 and 2017-18) and was a key member of the Lilywhites side who finished as Hellenic League Premier Division runners-up in 2018-19. Pitt also had a brief spell with Corsham Town two seasons ago.	
 <b>George Pearce</b>	Pearce is a centre forward who joins Bassett this season after splitting the 2023-24 campaign between Brimscombe and Thrupp. A powerful target man who is strong in the air and an assured finisher, Pearce adds further to Bassett's attacking options this season. After initially featuring for Bury, Pearce played for Cirencester's Development team from 2013 to 2016, largely featuring as a defender. A move to the opposite end of the pitch has proven to be fruitful though, and he has been a regular Hellenic League scorer for the likes of Fairford Town - with who he registered eleven goals in 2021-22, Corsham Town and Malmesbury Victoria.	
 <b>Finlay Hopkins</b>	Hopkins is a highly talented young forward who joins Bassett from near neighbours Shrivenham this season. Hopkins was a standout player for Shrivenham in their inaugural Wiltshire League Premier Division campaign last season, finishing as joint top scorer with 12 goals in 24 games. Hopkins has also enjoyed success with the Swindon Town Foundation's C6 team, based at Commonweal School. Featuring for them in each of the past three seasons, in 2023-24 he was part of the Swindon team that won the Community and Education Football Alliance Cup - with Hopkins earning Player of the Match honours in the final - and also finished runners-up in South East Division One.	<b>Mick Woolford</b>

 <div>Flynn Walters</div>	<p>Walters is a promising young forward who made his Men's First Team debut two seasons ago. Skilful, with good pace and an assured finisher, he was a part of the Under 18 Floodlit team who finished as Wiltshire League Floodlit Division runners-up in 2021-22 and 2022-23. He registered twice in 13 games for the Under 18s in 2021-22 before playing a more significant role a season later, scoring eight times in 21 games. Walters' performances saw him earn a place in the club's senior Men's sides too. In 2022-23, Walters featured five times for the Development team and made his Men's First Team debut as a substitute against Chipping Sodbury Town, scoring the final goal to cap a 4-1 victory. Last season he featured eight times for the Men's First Team, while netting nine times in 19 games for the Development side.</p>	Mark Smedley
 <div>Jowan Partridge</div>	<p>Recent graduate of Bassett's U18 Floodlit team, an extremely talented young defender who has the potential to go far in the game. Comfortable at either centre half or half back - while also possessing the quality to play in central midfield, he possesses a maturity beyond his young age. Partridge is calm and assured when in possession, an excellent distributor of the ball and his anticipation and ability to read the game make him an ultra-composed defender. Partridge joined Bassett's U18 side in 21-22 and quickly stood out as a star player in a team that went on to finish as Wiltshire League Floodlit Division runners-up. His performances earned the attention of Men's First Team manager Sam Collier, making his debut as a sub in an FA Vase win against Downton before appearing twice more. 22-23 saw Partridge earn his first start in an away win at Mangotsfield United and in all he featured 29 times, with just two appearances coming from the bench. In a season in which he would go on to be named Bassett's Young Player of the Year, the defender also narrowly missed out on selection for English Schools FA U18 Schoolboys' squad, reaching the final trial. Partridge continued to shine last season and was Bassett's leading appearance maker, featuring 48 times, scoring 4 times.</p>	Robert Leightfield
 <div>Chris Zebroski</div>	<p>A tall, powerful target man with Football League experience who joined Bassett in September 2024. A graduate of the Cirencester Town Academy, Zebroski began his professional career with Plymouth Argyle, making five appearances with the Devon club while in the Championship in 05-06. He then joined Millwall and during his time with the Lions spent a fruitful spell with Torquay Utd in 07-08, scoring 19 goals in 52 games as the Gulls finished third in the Conference National. Zebroski's career then took him to Wycombe Wanderers, who he helped earn promotion from League Two with in 08-09 before returning to Torquay and brief spells with Bristol Rovers and Cheltenham Town. After dropping down to the National League South with Eastleigh in 12-13, Zebroski returned to the Football League with Newport County a season later, winning their Player of the Season award in 13-14 after netting 13 times in 39 games. He had a spell away from the game from 2015 to 2017 before returning to National League Eastleigh in 17-18. Zebroski has since spent time with Chippenham Town, Malmesbury Victoria, Swindon Supermarine, Melksham Town, Fleet Town and - most recently - AFC Croydon Athletic, where he was assistant manager in their Combined Counties League Premier Division South promotion winning campaign.</p>	
 <div>Alan Griffin</div>	<p>A high quality target man who enjoyed a distinguished playing career in non-league football. Now entering his 2nd season as Bassett's assistant manager. Initially joined for the 21-22 season as a player, scoring 16 times in 32 appearances before joining the coaching staff. While taking on his current role, Griffin has continued to play, featuring 38 times last season (34 appearances coming from the bench) and adding 5 goals. As a player, Griffin is an assured finisher, strong in the air and capable of effectively holding up the ball. He made a prolific start to his playing career with Corsham in the Western League, and soon moved onto Southern League football, plying his trade with Cirencester, Chippenham, Gloucester City, Mangotsfield Utd, S.Supermarine and Bristol Manor Farm. He spent most of his career with Chippenham and was part of their 16-17 promotion winning squad that saw the Bluebirds earn National League South status. In 18-19 he hit 26 goals for Cirencester as they finished runners-up in Southern League Division One South. Joined Bassett after splitting the 19-20 season between Melksham Town and Malmesbury Victoria. Griffin also has prior managerial experience having spent time in charge of Malmesbury.</p>	John & Kath Fellows
 <div>Nick Warren (Coach)</div>	<p>Warren joins Bassett's Men's First Team coaching staff this season after spending most of the past four years in charge of the club's Under 18 Floodlit team. Warren has been with the club for more than a decade, beginning as a manager in Bassett's youth section. He took over the Under 18 Floodlit team in 2020-21, guiding them to a sixth place finish in the Wiltshire League Floodlit Division. Bassett then achieved consecutive runners-up finishes under Warren's guidance in 2021-22 and 2022-23. He remained in charge of the team at the start of the 2023-24 campaign, stepping down from his role as manager part way through, though the Under 18s would again finish in second place. During Warren's tenure, numerous players have made the step up from the Under 18s into Bassett's Men's First and Development teams.</p>	
 <div>Sam Collier (Manager)</div>	<p>Collier has served as Bassett manager since taking the role, initially on an interim basis while still also a player, in January 2018. In 18-19, his first full season in charge, Collier guided the team to 10th in the Hellenic League Premier Division - at that point, the club's highest ever finish. Bassett then exceeded that record with a 5th place finish in 22-23. Last season Bassett went one better, finishing 4th while also reaching the Hellenic League Premier Division promotion playoff final. Bassett have also set records in national cup competitions under Collier's stewardship, with his sides equalling the club's best FA Cup run in 20-21 and going further than ever before in the FA Vase, reaching the third round in 21-22, 22-23 and 23-24. This is Collier's second job in management after he served as Shrivenham player-manager from February 2014 to 2015. As a player, Collier has made 160 appearances for Bassett. Mainly featuring as a striker, he has scored 71 goals, finishing as top scorer in 09-10, when Bassett earned promotion from Hellenic League Division One West, and 10-11. Collier has played in almost every other position for Bassett too - including as goalkeeper, making a last minute penalty save in 22-23 to preserve a point against eventual champions Cribbs. During his playing career, he also featured for Purton, Abingdon United, Cirencester Town, Wantage Town and Thatcham Town among others.</p>	Mick Woolford

## Roundup - 22 March 2025

**Highworth Town** confirmed their place in the end of season play-offs in style with a 3-2 home win over champions elect and FA Vase semi-finalists **Hartpury University**. Josh Davis scored all three Highworth goals starting with a 39th minute penalty. His second came in added time at the end of the first half. Hartpury pulled a goal back on 52 mins when a free kick from the edge of the penalty box struck a post before re-bounding into the net of the back of keeper Connor Johns. It was 2-2 on 66 minutes when a right sided corner was nodded home at the far post and it seemed Hartpury were in the ascendancy. However, the home side took the lead again when a defender misjudged the bounce of the ball to allow Davis a run on goal from which he produced another neat finish.

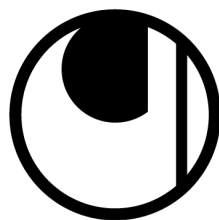

Second placed **Roman Glass St George** are the only side that can catch Hartpury University and they maintained their title challenge with a 2-0 away win at **Westfields**, the two goals coming five minutes either side of half time. Laurent Wilson put them ahead at the break before Niekell Plummer doubled their lead five minutes into the second half. The gap to Hartpury is now eight points with Roman Glass having a game in hand. There are only four games to go but the two title challengers still have to play each other and Hartpury still have another of the play-off contenders in Sporting Inkberrow still to play so it could get very interesting if Roman Glass St George keep winning.

**Royal Wootton Bassett Town's** play-off hopes were ended by this result but also their 2-1 home defeat at the hands of **Thornbury Town** meant that even if Highworth had lost Bassett would still have missed out. A match report on that game is included elsewhere in tonight's programme.

**Malmesbury Vics** remain deep in relegation trouble after they were beaten 2-0 at home by **Lydney Town**, the team they are trying to catch to avoid the drop. Both goals were scored by centre back Tristan Murphy with his first goals of the season.

**Pershore Town** are one of two sides that could still pip Bassett for sixth spot in the table following a 3-1 home win over **Corsham Town** on Saturday. Bailey Fuller, Reece Day and Harlie Price with the Pershore goals, Ross Staley with the Corsham reply.

In outside competitions, Fairford Town progressed in their county cup after a penalty shoot out win over fellow Premier Division side Slimbridge. The two defences had been on top in the 90 minutes played with neither side managing to find the back of the net. In the penalty shoot out it was Fairford who held their nerve to win 5-3 and are into the final of the GFA Challenge Trophy where they will meet former Hellenic side Hallen who were 3-1 winners over AEK Boco.

## v Thornbury Town (H)

### Defensive nightmare costs Bassett

**Royal Wootton Bassett Town 1  
Thornbury Town 2**

**Saturday 22nd March 2025**

Two highly avoidable defensive mistakes condemned Royal Wootton Bassett Town to a disappointing 2-1 defeat against Thornbury Town in the final home Hellenic League Premier Division game of the season for Sam Collier's side.

While Bassett had the vast majority of clear cut chances throughout the match, it was lower mid-table Thornbury who came out on top after right winger Cam Drew was gifted a first half brace that put his side in clear control.

Bassett pulled one back midway through the second half through Kyle Witt. However, the team's subpar display wound up getting them nothing from a drab match.

Collier's side made a bright start to the match, creating a pair of opportunities in the opening our minutes, with Witt heading narrowly wide from a Brad Pagliaroli cross and Pagliaroli skewing just over with an acrobatic volley.

15 minutes in Witt was played in by Alfie Presley but, through on goal, delayed his shot too long allowing Nathan Sage to recover and block his shot. Shortly after Pagliaroli then sent a low 20 yard drive just wide of the right post.

Up to that point the hosts had not looked in any danger. But they soon found themselves behind. Casually overplaying at the back, 'keeper Dan Brabham dwelled on Adam Corcoran's back pass too long, and when he attempted to clear Drew was able to block the ball and tap in from close range.

It was a dreadfully sloppy goal to concede.

But not the only such one Bassett would concede.

Thornbury came close to doubling their lead on the half hour when Dan Hill sliced a clearance from an Ash Fowler cross to an unmarked Andreas Smolka but his shot from twelve yards was fortunately deflected wide. The resulting corner was cleared only as far as Smolka on the edge of the box and his low drive had to be guided over by Presley inside the six yard box.

Two defensive blocks at the other end then denied Ollie Case after he connected with Jack Hobson-McVeigh's free kick.

Then, shortly after Thornbury's Smolka blazed just over, good play between Pagliaroli and Presley freed Dan Grieve in the inside right channel. He threaded a shot past an onrushing Adam Clark but a covering Dan Parry scrambled off the line.

While not at their best, Bassett were continuing to fashion the better opportunities. And Pagliaroli came close to an equaliser, when after brilliantly winning the ball back just outside the Thornbury box, he curled an effort from the edge of the box straight at Clark.

But with half time looming the Bassett defence let their team down again. Right back Bailey Gallagher was caught napping on the ball deep inside his half. Drew dispossessed him and, with a clear run on goal, coolly slotted past Brabham.

That left Bassett a mountain to climb after the restart.

The second half began with Bassett again creating chances, Presley shooting wide from outside the box and Witt stinging Clark's palms.

The hosts survived a scare when the dangerous Smolka raced onto a clearance over the top and lifted a lob narrowly wide.

## v Thornbury Town (H)

Soon Bassett did cut their arrears. Substitute Finn Hopkins made a near immediate impact as he crossed for Witt to half volley home a side foot effort from ten yards.

Collier was perhaps cursing not introducing Hopkins earlier as he posed a significant threat from his position wide on the right.

At the back though Bassett were still rather shaky. And good saves from Brabham denied Drew a hat trick from a tight angled shot and Zak Kempster whose crisp twenty yard drive was tipped over.

Bassett would have two late chances to grab a leveller come to nothing. A surging run inside from the right from Hopkins opened up space for him to shoot but his drive from the edge of the box was deflected wide. Witt then headed over when well placed from an Ollie Pitt set piece delivery.

A disappointing loss to end their home league campaign, the result also puts Bassett in danger of slipping in the table.

Thanks to Highworth Town's impressive win against champions-elect Hartpury University, Bassett can now finish no higher than sixth.

However they are in danger of slipping to seventh or even eighth if they are unable to beat Westfields next week and Pershore Town and Worcester Raiders are able to claim three and four points respectively from their final two fixtures.

**Player of the match: Finn Hopkins** - the youngster was impressive in his half hour of action, immediately providing an assist and proving a tricky customer for the Thornbury defence who struggled to contain him.

# Sam Wood Reflects on Recent Games For RWBTFC Women's Team

The last couple of weeks have seen the ladies have a mixture of results since our last home fixture. One of which being an abysmal performance away to Olveston. Having been present at the game it was a poor show from the team and quite rightly we deserved to lose. The players themselves know they performed poorly but took responsibility on and have been focusing on improving for those loyal supporters who continue to support them week in week out.

The following week we had a trip to the Southbank where Corsham played host to us. A poor start from the ladies saw them have to claw their way back to 2-2, before a nerve wracking finish which saw a final smash of the crossbar for the hosts. Overall the game on the day in my opinion thoroughly deserved a draw with both sides creating opportunities in the sunshine (who knew it existed in England).

We took that fight into Cirencester last Sunday and raced into an early lead, but were pegged back by the hosts late on in the first half. Determined to beat us, as they had already stated widely in their media interviews it would be us who would have the last laugh, as we capitalised on some early second half chances to see out the win against the hosts, an important three points that we needed after dropping a few too many in recent games.

Sundays game was always going to be a tight

affair as any previous games with Bath have never had a huge scoreline with Sunday being no different. With the first half feeling like a game of chess, both teams were trying to break each other down and Bath were the first team to try, as we relied on a cracking save from Millie to keep the score level, as she parried over from a Maddy Brown strike.

The second half was much more impressive for Bassett as a slight change of personnel saw us create a lovely passage of play that resulted in Kat heading home from a Laura Jefferies cross. We later managed to clinch a second after Mugford and Gulliver combined before Mia slotted home for two. An overall important result with the away side not creating too much in front of goal the second half, but did need to rely on Laura Jefferies to head off the line from a Bath corner to keep the clean sheet.

I've spent many a pound on petrol this season following this team around. So far it's been a mixed season with some great highs and some painful lows, but as we approach the final stages of the season I hope that Adam and the team can finish up strong to try and clinch that 2nd spot behind Gloucester. Sunday proved to be an exciting end to the season as fellow neighbours Corsham helped by defeating Bitton 2-1 leaving us one point behind them, here's hoping Bath or Purton can do us a favour for our race to 2nd Spot. .

## MATCH REPORT v Bath City (H)

**Sunday 23 March 2025**

**Royal W. Bassett Town 2  
Bath City 0**

**South West Regional Women's  
League North Division**

### **Bach helps orchestrate vital Bath win**

Royal Wootton Bassett Town recorded an important South West Regional Women's Football League Division One North win for a second week in a row as they beat Bath City 2-0 at home.

Last week's victory at Cirencester Town made Bassett favourites for third place in the division.

This weekend saw Adam Wood's side move up into that position - and also close the gap on second place Bitton to just a point after they were beaten by Corsham Town.

By beating Bath, Bassett's cushion over the Romans now stands at seven points - a figure that the Somerset side are very unlikely to be able to overturn with just four games left.

And with Cirencester also losing this weekend against Stockwood Wanderers, Bassett now need one point from four games to all but ensure they finish above the Centurions.

Bassett's eyes will now be set on leapfrogging Bitton though. And they can take confidence from another assured victory.

The game against Bath first came into live in the closing stages of the first half when Millie Powell did well to tip a Maddy Brown shot over the bar before Maddy Elliott set Kat Bach through on goal at the other end only for the Bassett forward to place wide.

Bach then put Bassett ahead shortly after the restart. Mia Mugford and Laura Jefferies combined well with the latter delivering a cross into the box that Bach rose to head home.

Mugford should have made it two shortly after as she drove forward before shooting just wide. She later forced a good save from Sadie Farley before eventually getting Bassett's second with twenty minutes to go.

After taking on two defenders she played a neat give-and-go with Hannah Gulliver before tapping in past Farley.

Bath would rarely threaten, with the closest they came being when Jefferies headed a testing Tara Taylor corner off the line at the far post.

Bassett will now look to make it three wins on the bounce when they host SGS Olveston United next week - before an away date against champions-elect Gloucester City.

**Saturday 22 March 2025**

**Corsham Print Wiltshire Senior League**

**Royal W. Bassett Town Dev 7  
Trowbridge Town 1**

Trowbridge Town are the third team in the division who have applied for promotion and whilst they started the day down in eighth place in the table, they were just three points off third placed Kingsdown with seven games to go with expectations of a top five finish. It was to be an afternoon to forget for Wayne Thorne's side though, as they conceded seven goals for the second time this season. A rampant Royal Wootton Bassett Town Development side led 4-0 at half time on the 3G thanks to goals from Finn Skittrall, Max Spackman, Oliver Smith and Dylan Griffin.

They continued where they left off in the second half scoring three more, Spackman getting his second of the game, with further goals from Mani Mesas and Flynn Walters. Trowbridge's cause was not helped by having Jordan De Silva sent off, but they did manage a consolation goal through Corin Day as it finished 7-1. Trowbridge will just need to write this off as a bad day at the office as they are still just three points off a top five place with six games to play. The impressive win for Royal Wootton Bassett Town Development did their chances of survival a power of good as it saw them move above Calne Town Reserves in the table on goal difference and also meant they remained four points ahead of Salisbury Development, who have a game in hand, and who they still have to play next month.

# Respect

IT'S approaching 15 years since the birth of Non-League Day. Inspired by a pre-season trip to Devon to watch Queens Park Rangers play at Tavistock, visionary James Doe set it up initially as a social experiment and the rest, as they say, is history. Now, Non-League Day, scheduled to coincide with an international break, has now grown to become an annual part of the football calendar, backed by Premier League and Football League clubs, MPs, celebrities, media organisations, charities and the like. But most importantly, it's been embraced by the clubs and fans themselves with the occasion providing a platform for clubs to showcase affordable volunteer-led community football, while offering supporters of Premier League or Championship clubs the chance to get their football fix by supporting their local side.

This week in The NLP, columnist Gregor Robertson told how amid plans of new £2bn super stadiums and ever-increasing ticket prices at the top level, the fans are feeling disillusioned and exploited as the elite game changes beyond recognition.

"These fans feel their game is being taken away from them," Gregor said. "Profit has become a greater incentive than sporting adventure.

"Football in this country has never been so popular. Crowds in England are at their highest for half a century. That's just as true in Non-League football.

"But I can't help feeling that elite football on these shores is being ripped away from the places and communities where it was founded.

So as we approach the 16th annual Non-League Day, a platform conceived to promote the value of community football, a prediction: the trickle of marginalised Premier League fans we've seen converge at local Non-League games? That's only the beginning.

"Don't be surprised to bump into more of these fans at your local club, this weekend and beyond."

Indeed, it may well be that some of those disillusioned and exploited supporters of Premier League clubs are reading this very article right now, stood on the terraces of their local club experiencing life on 'the other side'. The 3pm kick-offs, realistic ticket prices, the ability to stand (and enjoy a pint) anywhere in the ground and guaranteed a warm welcome by volunteers who run their clubs for a love of the game. What's not to like?

As the years go by, Non-League Day becomes increasingly prominent in the calendar with clubs

making the most of their place in the spotlight by putting on a host of special events, ticket promotions and charitable initiatives. Clubs like Ascot United, who are hosting a St Patrick's Day special when they host Isthmian South Central leaders Farnham Town. Fans wearing Irish fancy dress will get half-price admission, while the bar is open late for 30 per cent off a pint of Guinness.

Elsewhere, Altrincham are urging fans to Paint The Town Red for Non-League Day when they host National League leaders Barnet. Starting at 12.30pm ahead of their televised 5.30pm kick-off, the Robins are putting on a number of shows and activities including a children's penalty shootout, a children's entertainer and football freestyler Jay Rosa, along with various stalls and a raffle for an Athletic Bilbao shirt, in aid of Prostate Cancer UK. The Premier League trophy is also getting in on the act, visiting no fewer than three Essex Senior League grounds for the league groundhop, appearing at Benfleet FC (12pm), Buckhurst Hill (3pm) and then Takeley (7.45pm).

Abingdon United are hosting a Retro Shirt Day for their visit of Bewdley Town with anyone wearing a pre-2012 shirt getting half-price entry, while live music from Jason Rampling and a performance by The Twilight Twirlers precedes AFC Sudbury's visit of Redditch United. Three Bridges are using the event to formally open their new 3G pitch, while Harwich & Parkeston will be continuing their 150th anniversary celebrations with a historic town visit, followed by a tour of the club's Royal Oak ground.

Charities too will be supported with Prostate Cancer UK the chosen beneficiary of a number of clubs on the day, while Non-League Day's extra mission this year focuses on encouraging people to give blood, led by former Non-League stalwart Francis Duku, the former Dulwich Hamlet, Ebbsfleet, Bromley and Lewes defender.

And this year, Non-League Day have joined forces with the Seventy7 Group in providing a fully managed social media campaign, creative assets, and advertising support to boost awareness and attendances on the day. The Seventy7 Group are encouraging attendees to share their Non-League Day experience on Instagram for a chance to win £150 worth of football prizes. Simply upload a photo of your NLD experience on Instagram, use the hashtag #NLD2025 and follow @nonleagueday\_uk with a £50 voucher for mystery football kits and £100 to spend with their local club.

With so much going on up and down the country, it promises to be another Non-League Day to remember. It's a time to embrace semi-professional and grassroots football and of course the volunteers who work tirelessly behind the scenes to keep your local club at the heart of the community. Now that's got to be worth celebrating.
