Bassett Bulletin

GOOD AFTERNOON and welcome back to the Gerard Buxton Sports Ground for this UHlsport Hellenic League Premier Division home fixture against Cribbs.

A warm welcome to all our visitors who have made the journey along the M4 from Bristol, we hope you enjoy your brief stay with us this afternoon and wish you a safe journey home.

We are currently on something of a bad run which has seen us lose four games in a row, starting with that FA Cup defeat against Torpoint Athletic. After exiting the FA Cup we have then lost our last three league games without scoring a goal and currently find ourselves third from bottom in the table, albeit with games in hand over most sides in the division due to our FA Cup run. Our opponents here today sit one place and one point above us in the table and today is a vitally important game for both sides in terms of looking to climb the league table.

Our record against Cribbs in the league is not a good one as we have yet to win in a league fixture against them losing twice and drawing the other two games played. Today would certainly be a good time to improve on that record. Our one and only victory over today's opponents came in the Floodlit Cup in Season 2022-23 when we won 1-0 away at Cribbs thanks to a Luke Whelan goal.

Our recent defeats against both Mangotsfield United and Highworth Town showed that we are not that far away from getting the results our efforts deserve, games are getting decided by fine margins and we just seem to be on the wrong end of those at the moment. Hopefully our luck will change here this afternoon and we will find our goal scoring form to secure three vital points, especially as we look to have a tough run of fixtures in October.

Despite the results not going our way it is pelasing to report that our crowds continue to be up on last season and we are currently averaging 213 compared to 140 last season, although we have played both Fairford and Corsham at home already this season and they are always two of our bigger attendances.

With our Women's side playing just 12 miles up the road from where I live in Surrey, it was great to be able to get along to watch their FA Cup First Qualifying Round tie against Frimley Green a week last Sunday. I was very impressed with the standard of football played by the two teams on a pitch where the grass could certainly have done with a cut. Make no mistake Frimley Green were a very good side who comprised a lot of last season's Woking team, but our ladies did very well to gain a 2-0 lead playing against the wind in the first half. A combination of some excellent goalkeeping from Millie Powell and some determined defensive work from the team in front of her in the second half saw Bassett hold out to secure the win, despite some sustained pressure from the home side. The Club Treasurer will no doubt be very pleased with the £1,800 prize money from winning the game. A match report on the game is included in this afternoon's programme. We will be away again in the next round when we travel to Bristol to play Bristol Brunel on Sunday. Unfortunately, last week's league game at Whitchurch was postponed by our opponents based on a weather forecast and the ladies have frustratingly yet to start their league campaign.

The Development side have made a good start to the season and went mightily close to becoming the first side this season to take points off Swindon Supermarine. The final 2-5 result does not do justice to the performance. Again, a match report from that game is included in today's programme. On Wednesday night Mark Simpkins's side secured an excellent point in a 0-0 draw against last season's runners-up Letcombe and currently sit in fifth place in the table after 11 games. They are home again this afternoon on the 3G pitch with Bemerton Heath Harlequins Reserves the visitors.

I hope you all enjoy this afternoon's game and hopefully we will be celebrating a second league win of the season in the UHlsport Hellenic League Premier Division and our first league win over Cribbs.

Mark

From The Dugout with Jonny Aitkenhead

Good Afternoon. Welcome to the Gerard Buxton Sports Ground and thank you for your continued support with the team

Hoping to have a great bounce back from last weekend's performance. There were no bones about it, we were second in every aspect of the game but the boys have been in this week, working hard to prepare to put things right. The only unjust thing that came from last weekend was the red card given to Ed Taylor, who will now serve a 3 match ban for a tackle that should have been only a yellow...but that's football.

We look forward to 2-3 players returning from injury in the next couple of weeks, this only adds to the mass talent that we have already, making selection headaches even harder than they already were. They are welcomed headaches and this should give us the lift we need to come out of the spell we currently find ourselves in.

We have obviously done our homework on today's opposition and we are hoping that the ideas that myself, Dan and the back room staff have, with the personnel we have available will hopefully fully kickstart this season, with 8 games played there is still a long way to go but ironing out some of the issues that we have come up against will stand us in good stead.

I know the boys are eager to put a lot of things right today so we are hoping that with a good crowd behind us we can display what this team can really do.

Cribbs

Cribbs Football Club was founded in London in 1958 as Sun Life Assurance. The Bristol team was established in 1976 when Sun Life first relocated to Bristol. Initially, two teams were run, participating in the Bristol and Avon League, playing at Dundridge Farm. However, when the Cribbs Causeway ground was opened in 1978, the first team were promoted straight to the Avon Premier Combination League (later renamed Bristol Premier Combination) where they stayed for 20 years until they eventually won promotion to the County League in 1999–2000.

In the summer of 2011, the club changed its name from AXA to Cribbs Friends Life FC ready for the 2011–12 season. The season was Cribbs' most successful season to date as the club claimed its first Gloucestershire County League title on the way to an unprecedented League and Cup double. The team later adding the Les James League Cup to the League Championship and in the process becoming the first and only side to achieve this feat.

As a result of winning the league, the club earned promotion to the Western League Division One for the 2012–2013 subsequently changing their name to simply, Cribbs FC.

Cribbs were promoted into the Western League Premier Division for the commencement of the 2015–2016 season and obtained numerous top half finishes until at the end of the 2020–21 season the club were transferred to the Premier Division of the Hellenic League.

Under the stewardship of Richard Luffman, Cribbs in his first full season in charge, recorded a best ever Step Five position of fourth in the Hellenic League. They also were winners of the League Cup defeating Hereford Pegasus 1-0 through a George Kellow goal.

Cribbs gained Southern League status in 2023 after becoming champions of the Hellenic League, clinching promotion with a 1-0 win over Wantage Town with a match to spare.

2023/2024 was the first season in the Southern League and saw a third placed finish and a play-off for promotion to the Premier Division, where we lost 2-1 against local rivals Bristol Manor Farm.

Our second season at Step 4 proved a tougher proposition to the first, finishing in relegation places and as a result returning to the Hellenic League.

Since its inception the club has run multiple sides across the Bristol Premier Combination and Bristol & District League. The Reserve Team won the Premier Combination in 2021/2022 season and did so in numerous seasons prior. They were granted entry to the Gloucestershire County League for 2022/2023.

In their first season in the GCL they finished six points in front of Bromley Heath United to clinch the title and earn promotion to the Toolstation Western League Division One.

The Reserves finished sixth in the Western League Division One in 2023/2024 and twelfth in 2024/2025. For 2025/2026 season they return to the Gloucestershire County League, keeping the requisite number of divisions between themselves and the 1st XI.

Bassett show their bite to earn away reward

Cribbs 2
Royal Wootton Bassett Town 2

Tuesday 11 January 2022

A fantastic comeback and dogged second half display saw Royal Wootton Bassett Town fetch what, appeared at half time, to be a highly unlikely point away from home against promotion hopefuls Cribbs.

Trailing 2-0 at the break after a dominant first half display from the hosts, Bassett appeared set to continue what, up to that point, had literally been a dry January.

But rather than licking their wounds, a gutsy second half performance ñ punctuated by Bailey Gallagher's 47th minute strike, Alan Griffin's 60th minute penalty and some late heroics from 'keeper Eddie Cavanagh ñ saw Sam Collier's side earn their reward.

A point may not appear much in the grand scheme of things, but it was a vital one for a side who had started the calendar year on the wrong foot.

The visitors had been slow out of the blocks and Cribbs fully deserved the half time advantage they enjoyed.

Consistent pressure throughout the opening period eventually yielded an opening goal shortly before the half hour mark as Ross McErlain headed home from a corner.

Sensing that Bassett were there for the taking, Cribbs continued to probe but forward Steve Murray ñ who had earlier been denied by a defensive block and Cavanagh save ñ failed to beat the Bassett 'keeper when through one-on-one.

Teammate Jack Fillingham delivered a second for his side soon enough though, firing in an unstoppable half volley seven minutes before the break.

At 2-0 down and having not had a sniff against their dominant hosts, Bassett thus went into the dressing room at half time with their tails between their legs. But, shortly after the restart, their tails were up as Gallagher thumped home to halve Cribbs' advantage.

The scores were then level on the hour mark. Gallagher ñ who has had a highly impressive first full season since stepping up from the Development team ñ was again involved, as he broke into the box before drawing a foul. While it was the young pup who won the penalty, it was down to the old dog Griffin to take the spot kick and the veteran marksman shepherded his side back onto level terms, registering his eleventh league goal of the campaign.

There was still plenty of time remaining though, and Cribbs ñ on something of an indifferent run of late ñ could scent that more points in the race for second place were slipping out of their paws.

The hosts then proceeded to hound the Bassett goal in the closing stages ñ but to no avail.

They thought they should have had a penalty when Murray was felled in the box on 67 minutes. Substitute Niza Chilufya sent a stray shot straight at Cavanagh with nine remaining. The seemingly luckless Murray subsequently saw an effort blocked on the line before Fillingham crashed a powerful volley against the bar. Then, in the final minute, Cavanagh leapt across his goal to stroke away a Fillingham header.

Cribbs had thrown everything they could at their visitors to try and make up for letting slip their lead ñ but Bassett did enough to hang on to a valuable away point.

Match Report v Mangotsfield United

Similar story as Mangos snatch win

**Royal Wootton Bassett Town 0
Mangotsfield United 2**

Wednesday 3rd September 2025

It's becoming something of a familiar, frustrating theme for Royal Wootton Bassett Town: Jonny Aitkenhead's side created multiple excellent chances against Mangotsfield United as they returned to Hellenic League Premier Division only to fail to take advantage of these before falling to defeat.

Bassett put in another strong display against a Mangotsfield outfit who are much fancied to do well and feature among the sides pushing for the playoffs, if not promotion.

But it wasn't to be enough as the visitors claimed a 2-0 victory.

The game was ultimately decided by a pair of goals scored partway through either half.

Spike Weaver headed in from a Jeffery Barimah cross to give the visitors the lead on 25 minutes.

Mangotsfield then doubled their lead on the hour when pressure from Weaver forced Noah Cranswick-Coates to turn into his own net after Kyrese Morrison's cross evaded 'keeper Adam House and caused panic in the Bassett box.

Those goals will have come as welcome relief for Mangotsfield who Bassett had on the back foot for prolonged spells during the game.

But goals win games. And Bassett's profligacy was again their undoing as they made it four out of six league games in which their opponents have kept a clean sheet.

Match Report v

Highworth Town (A)

Highworth edge derby spoils

**Highworth Town 1
Royal Wootton Bassett Town 0**

Saturday 6th September 2025

Royal Wootton Bassett Town's luckless run continued as Highworth Town edged a 1-0 victory in their Hellenic League Premier Division derby.

Harvey Scholes' second half strike decided the outcome of the game as Bassett again did everything - including striking the woodwork - but score.

With the teams finding themselves in the bottom half of the table at the start of play, this was a derby that both sides were looking to as a means of kickstarting their seasons.

Ultimately it would be the hosts Highworth who prevailed with Bassett left to mull over another frustrating afternoon in front of goal.

The opening period saw both teams come close to scoring but fail to break the deadlock.

For Highworth Leon Morrison saw a strike from distance whistle narrowly over after Bassett were sloppy in possession, turning the ball over in their own half.

For Bassett, a superb counter, initiated by Bonsa Teshome's tackle on Bailey Gallagher, saw Marcel Lewis surge forward down the right. He delivered a low cross that Kye Williams steered towards goal with a first time clip. His shot seemed destined for the bottom corner but Oli Gargett managed to tip around the post.

Adam House then got enough of a hand on the ball to deny Connor Britchford-Stanley after he was played in behind the defence before, at the other end, a Lewis drive from 18 yards went just wide of the right post.

As time wound down, Aaron Voller headed narrowly over from a corner as the opening period ended goalless.

Bassett began the second half brightly - and thought they had a goal when Lewis took a simple pass from Kian McNally, cut left and glided past two defenders before arrowing a daisycutter towards the bottom right corner from a tight angle. Yet, as has been Bassett's luck, the ball struck the inside of the post and rebounded back across the face of goal before being cleared.

Bassett continued to be the more threatening of the teams but pressure could not be converted into the decisive breakthrough. Instead the hosts would eventually get their noses ahead. It wasn't the prettiest of goals but it made all the difference.

Morrison rose to flick on Liam Haines' long throw and, aided by some ball watching, former Bassett man Harvey Scholes - who was on as a second half substitute - found himself unmarked to stab home into the bottom corner.

House later had to be alert to parry at point blank range from Idris Thomas-Jones after he jumped on a loose Ed Taylor backpass. Bassett, meanwhile, were unable to summon a response as Highworth tightened up, seeing out the rest of the match to preserve the win.

Jonny Aitkenhead's team were once again left to reflect on the chances they passed up. Once their luck turns and they get converted into goals, the points will start to come.

The performances have been good enough - it's just small margins that, at the moment, are not going Bassett's way.

Match Report v Lydney Town (A)

Bassett suffer Lydney defeat

Lydney Town 3
Royal Wootton Bassett Town 0

Saturday 13th September 2025

Royal Wootton Bassett Town fell to a 3-0 defeat away against Lydney Town in their latest Hellenic League Premier Division fixture.

Jonny Aitkenhead's side became the first team to suffer defeat against the Severnsiders this season as Lydney - who have strengthened in recent weeks - claimed a deserved victory.

Key to Lydney's victory was forward Matt Green. A well travelled, ex-professional he scored a first half brace that put the hosts in control of the match.

Green opened the scoring on the quarter hour mark, heading in from a corner

With half an hour he then made it 2-0 from the penalty spot as Lydney affirmed their dominance of the match.

Bassett have been on a frustrating run and so it was perhaps understandable that, finding themselves in a losing position against a side who they comfortably saw off in an FA Cup replay last month, emotions would get the better of them.

But they could have done without the rush of blood to the head that Ed Taylor had midway through the second period when he lunged in on Junior Kposowa and received a red card.

Further salt was then rubbed into Bassett's wounds late on when Morgan Ewing added Lydney's third.

Overall it was an afternoon to forget, with Bassett now tasked with bouncing back at home against Cribbs next week in a fixture that is vital they win.

Many happy returns as birthday girl Goodright gets Bassett going

Frimley Green 0
Royal Wootton Bassett Town 2

Sunday 7 September 2025

Royal Wootton Bassett Town advanced to the second qualifying round of the Adobe Women's FA Cup with a hard fought 2-0 victory away at Frimley Green.

First half goals from birthday girl Nat Goodright and Kat Bach and a fine display from 'keeper Millie Powell made it five straight seasons in which Bassett have progressed at least one round in the national competition.

And they'll now be looking to make it four straight trips to at least the third qualifying round when.

Frimley Green proved strong opponents in an all tier-six tie that could have gone either way. But Bassett's first half showing ultimately proved the difference.

Playing against a strong wind in the opening period, attacking forays were at a premium for Bassett - but they made the most of them.

The deadlock was broken on 20 minutes when Goodright found the net - though there was a spot of fortune in the opener with Bassett lucky not to have been penalised for what appeared to be a foul in the build up.

Bach then doubled the advantage shortly before the interval, with there being no question about the goal's validity.

At 2-0 down and having not had a sniff against Bassett could have been three to the good shortly after the restart but a good save from Frimley Green 'keeper Nicole Spittle denied Maddy Elliot.

From there onwards the hosts were actually the better of the teams - and they should really have halved the deficit when Leah Robertson raced onto a long ball over the top that caught out the Bassett defence. However an outstanding save from Powell - one of a handful that she made - kept it 2-0.

Robertson and Dulcie Gray - both tricky players with speed - were causing particular problems for the visitors. And Frimley Green came close again, hitting the post as the game entered its closing stages.

There was some respite for Bassett with Goodright coming close to adding her second, though Spittle was not in the giving mood as she turned a low effort around the post.

That was to be the last real opportunity of the match as Bassett closed out the game, their clean sheet adding added gloss to a welcome cup win that gets their season off to a positive start.

Late Supermarine surge denies Dev Team

Royal Wootton Bassett Town Dev 2
Swindon Supermarine Dev 5

Saturday 13th September 2025

Royal Wootton Bassett Town Development came close to becoming the first team to take points off Swindon Supermarine Development in the Wiltshire League Premier Division this season, only to lose 5-2 after a late rally from the visitors.

Few who saw the results come through at five o'clock on Saturday would have appreciated how close Supermarine were to dropping their first points. The fact that their perfect record is still intact is down to some resolute defending when under pressure during the second half and some clinical finishing, including two wonder strikes in injury time at the end of the game.

Bassett started the game well with Prince Nyongolo causing the Supermarine defence all kinds of problems down the left-hand side early on.

However, it would be the visitors who got themselves in front on six minutes. An intended back-pass from Noah Cranswick-Coates fell well short of keeper Lewis Clark and Ryan Alexander nipped in to square to Tom Phillips to slide home for his eighth goal of the season.

It got even better for Supermarine on 14 minutes when an Evan Black effort came off the head of the unfortunate Cranswick-Coates, who was having an afternoon he will quickly want to forget, and looped over keeper Lewis and into the net off the far post for 2-0.

Despite going two down to the league leaders, Bassett pressed hard to get themselves back in the game and were rewarded five minutes after going two down when Matt Capel cut in from the left and curled his shot past Matt Goldfinch in the Supermarine goal for 2-1.

Ten minutes later parity was restored and it was Nyongolo, who was having a good first half, with the goal with a powerful free kick from outside the box that beat Goldfinch to level matters up at 2-2.

The second half continued to be competitive with both teams creating chances. As the half wore on Bassett started to get in the ascendancy creating the better chances and winning several corners. They laid siege to the Supermarine goal but a combination of some great saves by Goldfinch and a couple of outstanding blocks from his defenders when it looked like the home side would score meant it remained 2-2.

Three minutes from time a free kick out of defence was well controlled by Black who played a neat one-two on the edge of the home box to find himself in the clear and finish in style to restore the lead for Supermarine.

Bassett sought to get back on level terms but were to then concede two more in injury time.

Season 2025-26

In the 92nd minute Supermarine were awarded a free kick 25 yards out and Cheldon Valere took responsibility for the free kick and curled a beauty into the top corner of Clark's net giving the Bassett keeper no chance with a perfectly placed strike.

There was still time for one more, Valere cutting in from the left and curling one into the top corner on the other side of the net, again giving Clark no chance with what was the very last kick of the game.

While it was a 5-2 win for the unbeaten league leaders to maintain their perfect start, they knew they had been severely tested on the day by Bassett, and the final score did not reflect the overall balance of play over the afternoon.

Kicker Fußball-Almanach

Having been born in Germany I have always followed the Bundesliga, even when my German team, Borussia Mönchengladbach, like my English team QPR fell on hard times. Both teams had their finest hours in the mid-1970s but at least Borussia Mönchengladbach are back in the top division now (although after Sunday's inept performance that saw the manager sacked the next day it may not be the case next season). QPR who are unlikely to make it back to the Premier League anytime soon, but that does not bother me too much these days as I would not really want us to go up such is the gulf between the haves and the have-nots in the English Premier League, at least in the Championship everyone is capable of beating everyone on their day.

In England people will be familiar with the Rothmans Football Yearbooks (now called the "Utilita Football Yearbooks") which are fantastic statistical records of an individual football season. The avid collector and statistician that I am, you will not be surprised to hear that I have everyone one of the Yearbooks from the first in 1970-71 through to the current season edition that contains a picture of Cole Palmer, Jude Bellingham and Alessia Russo on the front. Unfortunately, these are worth very little these days and you will find that most football memorabilia dealers have stopped even trying to sell them because you cannot give them away. I ended up chucking away a box full that I had collected as swaps when building up my collection on Ebay as I couldn't get rid of any of them at programme fairs, even at £1 a book, another victim of the internet.

There is a similar book to the English Football Yearbooks produced in Germany called the "Kicker Fußball-Almanach" and in recent seasons I have added this to the list of statistical football books I purchase each season. The book is produced by Kicker, the fantastic German football magazine. The magazine was founded in 1920 by German football pioneer Walther Bensemann and is published twice weekly, usually Monday and Thursday. Each edition sells around 80,000 copies.

Kicker annually awards the most prolific scorer in the Bundesliga with the Kicker Torschützenkanone ('Kicker scorer cannon') award and last season Harry Kane picked up the award. The Kicker Fußball-Almanach was first published from 1937 to 1942, and then continuously from 1959 to date. Whilst I have every English Yearbook, I currently only have seven of the Kicker Fußball-Almanach, 2015 and then every year from 2020 onwards.

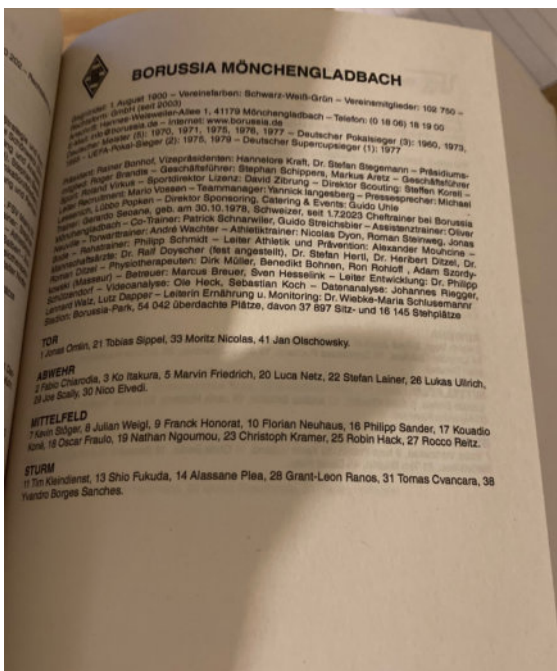

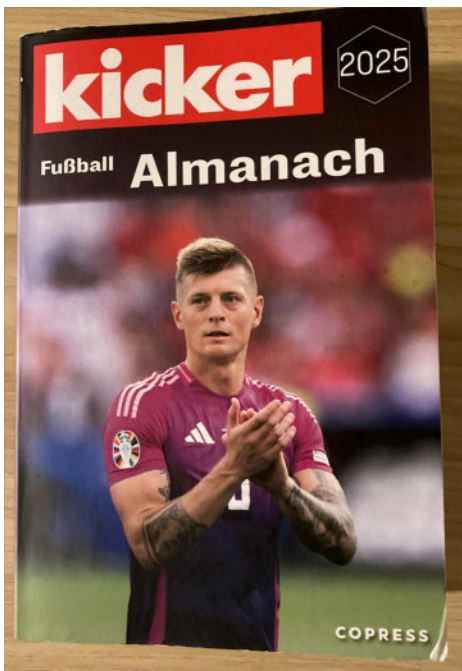

Kicker also produces a fantastic preview magazine at the start of the season (this will be featured in a later programme) which is just brilliant for team pictures and statistics, the team pictures all being taken by Kicker official photographers as part of the pre-season process in Germany which is mandatory for all clubs to participate in. They also produce an end of season magazine, Kicker also publishes a yearbook (Kicker Fußball-Jahrbuch) which is more like the old Goal Football Annuals of the early 1970s, with lots of colour pictures but does include the results, lineups and scorers for every game played in the Bundesliga that season. I only currently have the 2011 edition of the "Jahrbuch" in my collection.

However, it is the Almanach which is of most interest to me as you do not really need to be able to read German to understand the information. It was from the Almanach where I stole the idea for producing the results grids that I now use at the end of the season for the Corsham Print Wiltshire Senior League website, where the results grid is in the order that teams finish in the table and show the home results above the away results for each team making it easier to look at a team's full season results in a much more user friendly way (see bottom of next page). I had never seen it produced that way in this country and just thought it was a great way of presenting the information.

The 2025 Almanach, which features a picture of Toni Kroos on the front cover runs to 772 pages slightly fewer than the 1,056 you get in the current English Utilita book for Season 2025-26, but still a lot of information. It can be easily purchased each year through Amazon for about £15 and usually comes out towards the end of September each year.

Nothing wasted. Everything gained

IF you want to see some goals, it looks like Whitley Bay and Retford United are the places to be.

That was certainly the case in July and August. This season we're teaming up with the guys at Non-League HQ - find them on X - to bring monthly stats from across the Pyramid.

It promises to show a snapshot into how teams and players are performing each calendar month. Perhaps the table shows they're struggling but a deeper look may show a team is in fact one of the most in-form sides around.

Our first instalment shows Whitley Bay scored 27 times in the opening period of the season as did Retford at Step 6 - although Cranfield are just a goal behind them. Of course Steps 1-4 started a little after Steps 5 and 6 but it will be fascinating to see how things unfold throughout the campaign.

We'll also be highlighting the players. At the end of August, the top scorer across Non-League football was Zak Khan.

The Route One Rovers man hit 13 goals including three hat-tricks for the Northern Counties East League Division One side.

He was closely followed by Alnwick's Euan Potts and Step 5's leading scorer from Penrith, Luke Hunter, who both ended August on 12. Potts has also grabbed two trebles, while Hunter led the way when it comes to consecutive games he scored in with nine. The closest player to that sequence is Oxhey Jets' James Barnett with six games on the spin.

At Steps 1 to 4 - having not played as many games - National League North duo Michael Gyasi, the King's Lynn Town striker, and Scarborough Athletic's Stephen Walker were the most profitable in the opening month with seven goals each.

The stats will focus on different areas throughout the season but we can't wait to see how the Golden Boot races unfold.

And who knows where these goal getters might end up. In last week's NLP, Tony Incenzo spoke to QPR's new signing Richard Kone.

It seems incredible the striker, who the Hoops recently signed from Wycombe Wanderers, was playing for Athletic Newham in the Essex Senior League a couple of years ago.

The 22-year-old scored 125 goals for the Non-Leaguers while visa issues were sorted to allow him to move into the full-time game.

"I was playing against tough men week in, week out," he said. "It helped me discover how to overcome physical defenders."

His rapid rise will be a real inspiration to so many. After all, goals pay the bills. And they also help draw in the crowds! Whitley Bay and Retford are certainly on our ones to watch in September!
