GOOD AFTERNOON

It's a pleasure to welcome our supporters along with the players, officials and supporters from Forest Green

Rovers FC to the New Gerard Buxton ground today for this Adobe Women's FA Cup 3rd Qualifying Round that is being supported by Her Game Too.

This is a long overdue first article from me in a Women's programme but I aim to become a regular contributor as the season progresses.

Like the Men's 1st team, the Women came into this season with a new management team at the helm. Just like the Men's position, we had several high-class applicants for the Women's role with James Lally and his back-room team proving to be the outstanding applicant. Unlike the Men, James was lucky enough to retain the services of just about all of last season's squad. James comes with good pedigree and will be looking to get into the 1st Round proper again having done so while managing Swindon Town

Forest Green are no strangers to the Gerard Buxton having beaten us 3-0 in a pre-season friendly back in August, hopefully today's outcome will be somewhat different. Victory today will see the Women advance to the 1st round proper for the very first time. Having lost at this stage for the last 4 seasons, let's hope it is fifth time lucky.

The team come in to the fixture with 3 competitive victories to start their season, two of which were in the early rounds of this competition, and are also yet to concede a goal. Our route here has seen victories away at Frimley Green and Bristol Brunel, followed up by last week's win against Downend in the league.

Unlike the Men who play all their games in October away from home, the Women will be here throughout October. Today's game is followed by league fixtures against Gloucester City Reserves and Stockwood, interspersed with a County Cup game against neighbours Calne Town.

In line with what is happening nationally, the Women's and Girls section of the club has grown at an incredible pace. We now have 7 girl's teams ranging from under 8's to under 16's as well as the senior team that takes the field today. The foundations for this have been building for many years and so much of the credit must go to Bryan and Sam Wood. Unfortunately, neither can be here today; Sam is on a UEFA coaching course and Bryan grabbing a bit of late summer sunshine. I know both will be keenly looking for the score at full time.

Finally, I would like to say a big thanks to Holly Aitkenhead who is here promoting Her Game Too.

Thanks for your support – please get behind the team today and let's hope the cup run continues.

Paul

From The Dugout with James Lally

Good afternoon and a very warm welcome to everyone joining us for today's game – especially our visitors, Forest Green Rovers. It's brilliant to see so many familiar faces, as well as some new ones, here to support the team in what is a very special fixture for the club.

We've reached the 3rd Qualifying Round of the Adobe Women's FA Cup, and we are just one step away from making the First Round proper. That would be a huge achievement for everyone involved – the players, coaches, volunteers and of course you, the supporters who come along rain or shine.

Last weekend we played Downend Flyers in the league and, if we're honest, we were a little fortunate to come away with all three points. It wasn't our sharpest performance, but the positive to take is that we dug in and found a way to win. That's often the mark of a good side. Another big plus is our defensive record – three consecutive clean sheets. During pre-season we worked really hard on our organisation and discipline at the back, as we conceded too many last year, and it's pleasing to see that effort paying off.

Today's opponents, Forest Green Rovers, will be a tough test. They play their football in the league above and are a talented, well-drilled team. But the FA Cup is all about moments, belief and hard work, and we will give everything to try and make history this afternoon.

Whatever happens, thank you once again for being here and cheering the team on. Your support makes a huge difference. Let's enjoy the occasion and hopefully create another special memory together.

James

From The Head Of Girls Section

Sam Wood

Welcome to today's big game at home to Forest Green Rovers, a team we've faced already in pre pre-season with a narrow defeat. Expect a strong game today with many of our members from our girls sides here as part of our Her Game Too fixture.

It's been a strong start for the girls section within the club, with three of our competitive teams all picking up wins. Our U16s picked up their first win last weekend avenging their defeat in the first game of the season. The U13s are the strongest so far and are yet to drop a point but face a tough test away to league leaders Blunsdon this weekend. The U14s have had a mixed bag of results with a win, draw and loss but are working hard after going through a transition over the summer.

Our U11's are preparing well for their final season at seven a'side before taking the step into nine a'side and are continuing to improve week in, week out with a great style of play. The biggest change over the summer was splitting out U9 teams into blue and yellow to support their opportunities for more game time. This has proved strong as both teams are scoring goals and having a good amount of success. And finally our smallest team the U8 girls are beginning to find their feet within matches as they are beginning to learn the game and experience matches for the first time.

Again these teams are creating a strong foundation and pathway to allow the opportunity to play for our women's team in the future. We continue to grow and get bigger. Enjoy the game and here's to hoping Bassett can get into the next round of the FA Cup.

Forest Green Rovers

1894 Like almost all women's sides the parent club was formed as a men's side and became founder members of the Mid Gloucestershire League (MGL), the first league in the county outside of the city of Bristol.

1902 When the MGL folded the club became members of the newly formed Stroud League and also the Dursley & District League.

1903 First piece of silverware was secured when the club won the Dursley and District League.

1912 Won the Stroud League under the name Nailsworth and Forest Green United, after the Nailsworth Club amalgamated with the club at the top of the hill above the town.

1921 After a break during WWI, the club enjoyed a period of great success winning two football leagues and three cups in both 1921 and 1922.

1926 The Lawn was created with the field where the team played officially enclosed.

1927 A crowd of over 5,000 saw the club lift the County Cup beating the Sharpness Sharks in nearby Dursley.

1936 Committee members bought the club's field at auction for the princely sum of £120.

1938 Won the Northern Senior League for the first time in 1938.

1968 Joined the newly formed County League.

1975 Were promoted to the Hellenic League.

1982 A successful few years culminate in a double winning season as the club clinched the Hellenic League title and won the FA Vase, defeating Rainworth Miners Welfare 3-0.

1989 In a bid to turn the club's fortunes around, the club were renamed Stroud FC but this near disastrous when many life-long fans & committee members turning their back on the club.

1992 The club name changed back to Forest Green Rovers.

1997 Frank Gregan arrived as manager in 1994, taking the club to the Southern League Southern Division title in 1997 and into the Southern League Premier Division for the first time.

1998 A showdown with Merthyr Tydfil in front of a record crowd of 2,962 at the newly upgraded Lawn saw the club through to the Conference.

1999 Despite being favourites for relegation the club went back to Wembley in the FA Trophy, becoming the first club to appear in both the Trophy and Vase finals. The Trophy final was lost to Kingstonian 1-0.

2001 Under Nigel Spink, the club returned to the Trophy Final at Villa Park, this time losing to Canvey Island again by a single goal.

2006 The New Lawn officially opened in September, 400m away from the old stadium. The ground was built to Football League standards and painted head to toe by the club's supporters, a tradition set back in the 1950s.

2010 With the club in financial difficulty, Ecotricity founder Dale Vince got involved with the club in August, to improve the club's social and environmental impact.

2015 The club went completely vegan as a football club, the first and still the only certified vegan team in the world.

2016 The club announce plans to move to a new 5,000 seat stadium to be built beside junction 13 of the M5, with plans for the stadium to be made almost entirely out of wood.

2017 Mark Cooper leads the club to the Football League for the first time in the club's history, following a 3-1 success over Tranmere Rovers in the National League play-off final at Wembley.

2019 In December, Stroud District Council approved plans to build Eco Park. The club aim to make their proposed new home the world's greenest football stadium, for the world's greenest football club.

2021 The FGR Women's team become part of the club, having previously been an independent organisation. The club also announced plans to launch a girl's academy.

2022 Forest Green Rovers finish top of the League Two table and are promoted to League One as Champions, following a 2-2 draw at Mansfield Town on the last day of the season.

2023 Relegated after one season back to League Two.

2024 Suffered a successive relegation back to non-League in the following year, ending their seven-year spell in the Football League.

Forest Green Rovers Women's Team

The previously independent Women's team had been very successful playing in the The FA Women's National League Southern Division as recently as Season 2015-16. An exodus of players saw them drop back to the South West Regional League, winning the Eastern Division in 2016-17 and promotion to the Premier Division.

However, the women's side were relegated back two seasons later.

Leading the Eastern Division at the time Covid brought the 2020-21 Season to a premature close they were elevated back to the Premier Division for Season 2021-22.

Season 2021-22 saw Forest Green in 5th place but some eight points behind the side above them in the table.

Season 2022-23 was more successful with Forest Green achieving a third place finish in the Premier Division, their highest position in Women's football since they left the Women's National League.

The past two seasons have again seen them challenging at the top end of the table finishing in fourth spot in both Season 2023-24 and 2024-25.

This season they have again started well winning both their two league games played to date and also defeating Downend Flyers 6-1 in the FA Cup to set up today's meeting here at the Gerard Buxton Sports Ground.

Rovers Late Surge Sees Off Bassett

Royal Wootton Bassett Town 3
Forest Green Rovers 5

Sunday 28 November 2021

Royal Wootton Bassett Town Ladies fell to their second league defeat of the season as they were beaten 5-3 by Forest Green Rovers in an enthralling, high-scoring affair. After the game was all square at 1-1 at the break, the second half produced six goals - with the visitors eventually sealing the points courtesy of two goals in the final five minutes.

The result means Bassett missed out on moving up from fourth position, with a visit to title favourites Ilminster Town up next.

And Graham Fletcher's side will certainly be rueing the opportunity not to have claimed at least a point against Forest Green in a see-saw contest.

It took less than five minutes for the deadlock to be broken as Ella Hitchcox broke into the box and produced a fine first time finish to put away Nynka Rucker's low cross into the box.

However, Bassett were on level terms shortly after. Laura Jefferies swung in a trademark towering free kick from the left side and leading scorer Libby Davies flicked home a header into the bottom right corner.

The opening period delivered no further goals. But after the restart it did not take long for the floodgates to open.

Bassett were the side to strike first. After controlling a Jefferies free kick on the edge of the area, Davies twisted and turned as she sought to fashion space to shoot. As she did so, Rovers' captain Hattie Jones aimed to win the ball back but her tackle served only to find a gap in her side's defence, allowing Amber Egerton to run in to pounce on the loose ball and fire home.

The visitors were then gifted an equaliser. Bassett failed to clear their lines and the ball fell to Jones, whose 25 yard shot slipped through the hands of 'keeper Millie Powell.

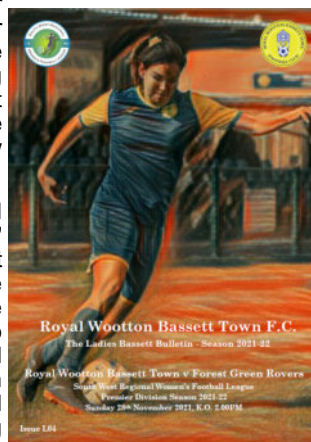

Two minutes later the visitors were ahead as Rucker raced onto a hopeful punt upfield, outmuscled Olivia Owenson and coolly slotted into the corner.

Trailing for a second time, Bassett were able to make it 3-3 with 25 minutes to go as Davies met a Jefferies free kick with another fine glancing header that nestled into the corner.

That meant a grandstand finish was on the cards. Unfortunately for Bassett though, it was the visitors who would strike two decisive blows.

Jones restored her side's lead with her second of the afternoon, scoring with a snap shot after Charlie Rowlands' low corner broke to her.

Hitchcox then sealed the win. Rowlands' slide rule pass split the Bassett defence and her strike partner latched onto the through ball before rounding an onrushing Powell and calmly slotting into the net from a tight angle.

Match Report v Downend Flyers

Efficient start continues as Bassett win league opener

Royal Wootton Bassett Town 1
Downend Flyers 0

Sunday 28 September 2025

Royal Wootton Bassett Town may have only scored four goals in their three competitive fixtures so far this season. But three straight clean sheets have meant a hat trick of victories for James Lally's side - with their latest win a 1-0 triumph against Downend Flyers in their South West Regional Women's Football League Division One North opener.

Just as in last week's Women's FA Cup clash with Bristol Brunel, Elle Scott scored the only goal of the game to seal the points against Downend.

It was a contest of limited chances for either team, though Bassett just about edged matters.

And their opening points of the season were secured on the stroke of half time when strong pressure from Maddy Elliott allowed Bassett to seize possession in Downend territory and Scott was on hand to turn the ball home.

Bassett's attack may not yet be firing on all cylinders. But their defence is looking in great shape as they once again put up a shutout.

Three games, three wins, no goals conceded - it's been a solid first month of the 2025-26 campaign.

Introduction

Founded in May 2021, Her Game Too is an unpaid, voluntary campaign led by a team of dedicated female football fans who are passionate about creating a positive change in football and the wider sporting world. We aim to raise awareness and educate others on the importance of inclusivity and diversity in sports.

Our ultimate goal is to create a safe and welcoming environment for everyone, regardless of their background, ability, or gender. We believe that everyone should have the opportunity to participate in sports and have access to the same resources and opportunities.

Findings from our first survey conducted in 2021 indicated that a staggering **91.9%** of supporters said they have seen sexist abuse online targeted towards a woman in football. **63.1%** said they have experienced sexist abuse online because of football and **58.4%** said they have experienced sexist abuse in person at a football game or in a pub.

By working with clubs and organisations, we can encourage women of all ages to get involved with football. We can do this by:

- Creating visibility and championing female role models in the game.
- Building up a safe space for women at stadiums and areas surrounding football.
- Taking action against sexist abuse.
- Donating funds towards the development of grassroots girls' football.
- Encouraging women & girls to attend live matches.

Vision & Mission

At Her Game Too, we not only want to raise awareness, but also offer education to promote a safe and inclusive sporting culture. Our team is committed to driving positive change and making a real difference in the world of sports.

Vision

Our vision for Her Game Too is to create a world where football is a sport that everyone can enjoy, regardless of gender. We strive to create a safe and inclusive environment for all female supporters, where they feel empowered to engage with the game and are treated with respect both on and off the pitch. We aim to promote the visibility of women's football and encourage its growth through championing the women's game and supporting grassroots girls' football development.

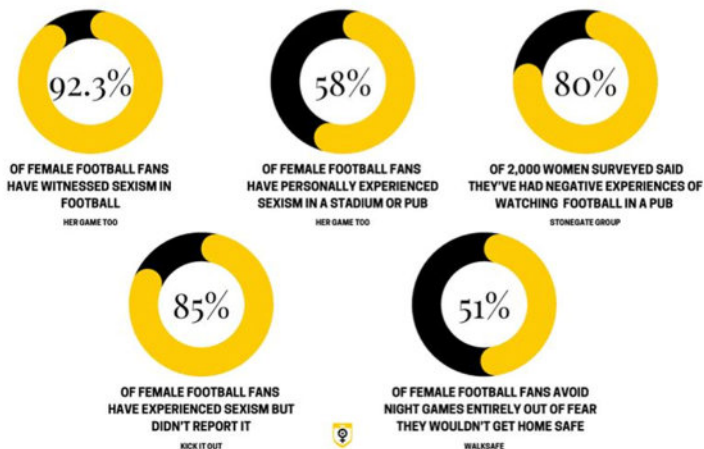

Mission

Our mission is to tackle sexism in football head-on by creating a campaign that empowers women in the sport. Our campaign will provide a safe and supportive environment for female supporters, promoting their involvement and engagement with the game. We will champion the women's game by highlighting the achievements of women in the game and by creating opportunities for girls to develop their skills and participate in football at all levels.

To achieve our mission, we will work collaboratively with our team of five directors and over 100 club ambassadors. Our directors will lead the development of our campaign strategy and oversee its implementation, while our ambassadors will act as representatives for Her Game Too within their respective clubs, promoting our mission and values.

Statistics

The Pledge

We ask all of our partners to join us by making a pledge.

Making a pledge to stamp sexism out of football and collaborating with Her Game Too is crucial in promoting inclusivity and equality within the sport.

Football is a global phenomenon that brings together diverse communities, and ensuring that it is free from sexism will foster an environment where individuals of all genders feel valued, respected, and welcomed.

By actively addressing and eradicating sexism, football clubs demonstrate a commitment to creating an inclusive culture that reflects the diversity of its fan base and participants.

In today's society, fans and sponsors increasingly expect organisations, including football clubs, to take a stand on important social issues. By aligning with Her Game Too, clubs signal their dedication to actively contribute to the betterment of society, beyond the realms of the pitch.

Messaging

Clubs must commit to prominently displaying Her Game Too messaging and symbols that promote gender equality in and around the stadium. This may include but is not limited to banners, signage, and digital displays that communicate the values and mission of Her Game Too.

Showcasing positive values and important Her Game Too messaging provides clubs with the opportunity to expand their fan base and strengthen ties with the community.

By actively engaging with Her Game Too and other initiatives that promote gender equality, clubs attract a more diverse audience, including female fans who may have felt marginalised or excluded in the past.

This expansion of the fan base not only contributes to a more vibrant and engaged supporter community but also has the potential to increase revenue streams through greater ticket sales, merchandise purchases, and enhanced sponsorship opportunities.

Taking Action

Taking swift and decisive action against reports of sexism, both online and at football matches, is paramount in creating a safe and inclusive environment for everyone involved in the sport.

Addressing reports of sexism is crucial for protecting the reputation of the club and the broader reputation of football as a whole.

In the age of instant communication and social media, incidents of sexism can quickly gain attention and tarnish the image of the club and the sport.

A zero-tolerance approach sends a clear message that discriminatory behaviour is unacceptable and will not be tolerated. This commitment ensures that football matches and online spaces associated with the club remain welcoming and respectful.

Increase Attendance

Clubs will need to actively try to encourage more female attendance at games.

Connecting with grassroots girls' teams and local schools is an effective way to inspire the next generation of female players and fans.

By providing opportunities for young girls to witness live matches, interact with players, and engage with the football culture, clubs can play a pivotal role in nurturing passion and talent from a young age. This inspiration can lead to increased participation in girls' teams, contributing to the growth of women's football at both grassroots and professional levels.

Engaging with women in the local community will also create an environment where everyone feels welcome and represented.

This inclusivity not only enhances the matchday experience for female attendees but also contributes to building a fanbase that reflects the diversity of the broader community.

Remove Barriers

Making football matches an inclusive environment for women, including providing free sanitary products and access to sanitary bins, is a crucial step in promoting gender equality and inclusivity.

Providing free sanitary products and access to sanitary bins removes practical barriers that women may face when attending football matches.

By offering essential amenities, football clubs ensure that female attendees can fully enjoy the matchday experience without concerns about personal hygiene. This proactive approach not only enhances the overall satisfaction of female fans but also encourages increased attendance.

Football matches are increasingly becoming more of a family-affair, so considering families and caregivers is important. Clubs could look to implement baby-changing facilities for parents, particularly mothers, so that there are no barriers to stop parents attending with small children.

Recommendations

As a valued partner in the Her Game Too initiative, you are already making strides towards creating a more inclusive and welcoming environment for women in football.

To further enrich this partnership, we've outlined several ways your club can go the extra mile in supporting female staff, fans, and players. While participation in these activities is entirely optional, we encourage you to consider these suggestions to make an even greater impact.

We hope these recommendations inspire you to explore new avenues in your Her Game Too partnership.

By considering these options, you can help foster an even more inclusive environment that not only supports women but sets a standard for equality in football. To reiterate, these initiatives are completely optional and designed to enhance your club's efforts to support women in every aspect of the game. Together, we can make a difference.

Dedicated Fixtures

With Her Game Too

Clubs are at the heart of their communities, and dedicated fixtures offer a unique opportunity to strengthen these ties. By dedicating a match to Her Game Too, clubs can demonstrate their commitment to gender inclusivity to their supporters and the wider community.

These fixtures can include special events, such as pre-match ceremonies, players in Her Game Too warm up tees, linking in your local grassroots girls teams, half-time shows, or post-match Q&A sessions, that celebrate and engage with the community. This not only enhances the matchday experience but also fosters a sense of belonging and pride among fans.

Your designated Ambassador will be able to help with ideas for how we can make our dedicated fixtures as successful as possible.

Cirencester Town made it three wins in three games with a comfortable 5-0 away win over Stockwood Wanderers. The goals were shared around the team with Bethan Harris, Anna Margetts, Annie Martin, Libberty Messenger and former Royal Wootton Bassett Town player Lani Dickinson all getting their name on the score sheet. Cirencester are the early leaders with a three-point lead over both Mangotsfield United and Corsham Town.

Mangotsfield United and Corsham Town also have perfect records but have both played one game less than Cirencester. On Sunday Corsham Town were made to work hard by bottom of the table Paulton Rovers, eventually edging it by the odd goal in five. It was a good afternoon for Shannon Redhouse who scored a hat-trick with Alisha Stuart getting both Paulton Rovers goals in reply.

Mangotsfield United had a more comfortable afternoon when they travelled south to take on newly promoted AFC Brislington, returning with all three points following a 5-1 win.

There was also a hat-trick in this game with Olivia Goozee getting three of the Mangotsfield goals, Lily Chick and Emily Holbrook with the other two goals, Rhianna Ben-Carew with the consolation goal for AFC Brislington.

A solitary goal from Elle Scott gave Royal Wootton Bassett Town a win in their first league game of the season as they kept a third consecutive clean sheet to go with the two registered in their FA Cup fixtures. A report on this game is included elsewhere in today's programme.

Bitton sit fourth in the table after they registered their first win of the season following a draw in their opening game. Two goals from both Isabella Tweddle and Abbie Woodley-Marshall and one from Edie Hopton did the damage in their 5-2 away win at Whitchurch.

Bath City also picked up their first win of the season, goals from Poppy Spratt and Adella Clarke giving them a 2-0 home win over Gloucester City Reserves.

Bassett come back to beat Hungerford

Hungerford Town Lionesses 1
Royal Wootton Bassett Town 2

Saturday 27 September 2025

The Under 13s faced Hungerford Town for the second time in a row on Saturday, and the team knew that the opposing side would be looking for revenge after suffering a defeat to Bassett the previous week.

Hungerford started strong and bagged an early goal straight away from a tap in at the end of a great save from keeper Bassett Ella.

However, Bassett didn't give up, and minutes later, Chloe Guppy fired the ball into the back of the net from the edge of the box, showing great determination.

Both teams fought hard to get ahead before half time, but the blues dominated, creating chance after chance.

At one point, Christina Croft made a lovely, darting run with the ball, weaving in and out of players. She took the ball past the keeper, and devastatingly saw her shot hit the post.

However, she got her goal soon after with a great strike that the Hungerford keeper had no chance of stopping.

The second half was goalless, but both teams battled hard.

Bassett had a scare when Hungerford hit the inside of the post, coming close to equalising, but managed to hang on until the final whistle.

The game finished 2-1, with Christina Croft getting player of the match for being consistently good and for never giving up.

Under 13 Girls dominate on home soil

Royal Wootton Bassett Town 2
Hungerford Town Lionesses 0

Saturday 20 September 2025

Royal Wootton Bassett Town Under 13 Girls had another 2-0 win on home soil against a strong Hungerford Town side.

The girls made a good start and managed to create some dangerous chances but couldn't find the back of the net.

A few early substitutions were made, and they made an instant impact. Georgia Kimber scored with her first touch of the game, slotting the ball home at the end of a pin-point cross from Hollie Peachey.

Bassett went into the second half 1-0 up, hoping to secure their lead further.

The Blues put continuous pressure onto the Hungerford defence, until finally their persistence paid off.

Christina Croft blocked the ball fearlessly, chased it down and tucked it calmly into the bottom corner, showing great composure.

The game finished 2-0, which was a great result for Bassett, putting them further up the league in their hopes of topping the table.

Player of the match went to Chloe Guppy, who was outstanding from start to finish, making some vital tackles and driving the team forward.

The Under 13s hope to continue their winning streak next weekend, where they will tackle Hungerford again but this time away.

Wiltshire Senior League

Ladies Divisions 2025-26

Premier Division

There were just three games played in the Ladies Premier Division of the Corsham Print Wiltshire Senior League on Sunday with both Swindon Supermarine and Trowbridge Wanderers unable to fulfil their fixtures against FC Abbey Meads and Keynsham Town A. The three games that did get played saw a couple of big wins.

Marlborough Town continued their excellent start to the season following last season's promotion. On Sunday they scored eight times without reply against Calne Town to make it four straight wins in the league to increase their lead at the top of the table to five points. Sienna Lewis scored a hat-trick, Kitty Bevan bagged a brace and there were further goals from Victoria Goldson, Izzy Kirwan and Elyssia O'Keeffe in the 8-0 win.

Melksham Town moved up to second place with a 10-0 victory over Barford Hornets with India Mulliss another player to score a hat-trick on the day, both Ella King and Nicholle Duncan scored twice, with goals from Lily Somers, Andrea Chludilova and an own goal completing the scoring.

It was a somewhat closer affair in the game between Westbury Ladies and Purton Kingsdown with the Swindon based side returning with all three points thanks to a 4-2 win. Former Bemerton Heath Harlequins striker Amy Hards led the way for Purton Kingsdown scoring twice with Alexi Lee and Millie Loveday getting the other two Purton Kingsdown goals, Megan Ayliffe and Sian McCarthy with the two Westbury goals.

Division One

There were no problems with the playing of fixtures in Division One as all five scheduled fixtures were completed and it was a day of away wins in the division, with all five games seeing the visitors come home with the three points.

Bishops Cannings made it four wins from four games with a 4-0 away win over Staverton Rangers. Three other teams also maintained their 100% winning start to the season but all three have played one game less than the leaders.

Malmesbury Vics picked up their third win of the season away at Ferndale Rodbourne, a hat-trick from Rhianon Stidever and one from Emma Sharpe securing a 4-1 win, Shannon Fenton with a second half goal for Ferndale Rodbourne. Malmesbury sit second in the table ahead of goal difference from FC Chippenham and Salisbury.

FC Chippenham were the biggest winners in the division on Sunday, bouncing back from the previous week's heavy defeat in the Wiltshire FA County Cup with a big win of their own. Two goals from Lily Ayhan plus further strikes from Mary Murphy, Amy Totterdell, Holly Provis, Ella Johnson and Kate McIntosh completed the scoring for FC Chippenham in a 7-1 win, Kirst Baker with the consolation goal for Blunsdon.

Nicole Webster is the division's leading scorer on seven goals after a productive Sunday in Swindon, scoring a hat-trick in the 4-0 win over Stratton. Webster opened the scoring with a fine solo effort before scoring from a corner, getting on the end of an Angela Collins in swinging corner at the back post. Salisbury's third of the afternoon also came from a corner, Hannah Owen's delivery into the box causing problems, with the ball finding its way into the net via a Stratton defender. The scoring on the afternoon was rounded off by a hat-trick goal from Webster with that seventh goal of the season.

Purton Kingsdown Reserves picked up their first win of the season with a 4-0 victory at Durrington. Two goals from Lorna Newton plus one apiece from Keeva Morris and Hayley Shipp secured the points for Purton Kingsdown who moved up to fifth place in the table as a result of the win.

The crest of Forest Green Rovers Football Club is a circular emblem. It features a green border with the text "FOREST GREEN ROVERS" at the top and "FOOTBALL CLUB" at the bottom. The center of the crest is white and contains a stylized soccer ball. Above the ball are the letters "FGR" and the year "1889". On either side of the ball is a black silhouette of a rooster, facing outwards.
