### Good Afternoon

and welcome to the Gerard Buxton Sports Ground for our first ever meeting with Appledore from Devon who are

playing in Division One South. A warm welcome to all our visitors from Appledore, who have made the 150 mile trip up the A361/M5/M4 to join us this afternoon for the fixture. On this occasion I am very happy we were drawn at home because after our next two fixtures we go seven away games in a row. When looking to see how our opponents are doing in their league this season, I must admit I needed to look at where our visitors were based, as I myself have not been there, but I do know that two hours 30 minutes would be an average travel time from when we travelled to Bideford quite a few seasons ago.

Since we have been in the South West Regional Women's League travelling has always been a big topic of conversation. When we as a women's team first got promotion into the South West Regional League Division One East, as a team we were used to the travelling as we spent eight seasons in the Gloucestershire County League, with many of our away games the travel times was about 45 to 60 minutes. So when we first made an appearance in this league we had the same journey times with our longest trip being Team Mendip who played in Weston-Super-Mare at just around 75 minutes. It was not until we got promotion up into the Premier Division for Season 2019-20 that the distances of opponents got longer with away trips to Bideford, Torquay and Marine Academy before COVID voided the next two seasons.

Our longest away trip to date was AFC St Austell which was just under 200 mile round trip and over four hours in a minibus. We are very lucky to have so many teams so close to us and looking at the teams currently in the Premier League the travelling does not look so much distance wise from when we were in the top division with five teams from Gloucestershire in the division. We hope you enjoy your brief stay with us this afternoon and wish you a safe journey home.

Last week's 8-0 win over bottom of the table AFC Brislington again showed me how focused this group is after being 5-0 up at half time, which was a fair reflection of the game with Brislington only having two attempts at our goal in the first 45 minutes. It was also nice to see all the subs get good game time including Hannah who has been out since early November. It was also nice for Hannah to get a goal alongside five other different scorers in the game and it must be quite pleasing as a team so see that we are not over reliant on one person to score all the goals with everyone able to chip in.

The win and other results elsewhere going in our favour meant we went top of the table leading into February and we still remain unbeaten in the league this season.

Let's hope for another good performance along with a win to progress further in this cup

*Bryan*

# From The Dugout with James Lally

Good afternoon and a very warm welcome to everyone joining us for today's League Cup fixture.

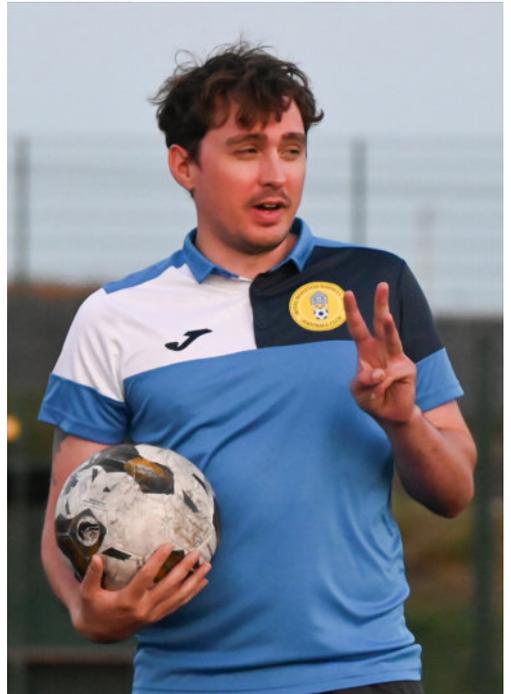

Last week against AFC Brislington was a great afternoon for the club. Getting the three points with goals from across the team was pleasing. It also meant we surpassed last season's clean sheet tally already, which is a real credit to the girls' work rate.

That win put us top of the table, but we are not getting carried away. With a tough run of away games coming up, we know that being top in mid-season counts for nothing. The only table that matters is the one at the end of the season.

Today our focus shifts to the League Cup against Appledore. I have made it clear that this is a competition we really want to try and win.

Truthfully, we do not know a huge amount about today's opposition. However, that just means we have to focus entirely on ourselves. If we approach the game with the right mentality and ensure our standards remain intact, we give ourselves the best possible chance of progressing.

Enjoy the game and get behind the team.

*James*

## Laura Jefferies

Good afternoon and welcome to Appledore FC who we face in the league divisional cup Round 2 today. We hope our visitors have had a safe journey from Devon to reach us today.

Writing this we currently find ourselves top of the league on goal difference against our nearest league rivals Mangotsfield United, merely on goal difference following our 8-0 defeat of AFC Brislington. Although going in to the game we were facing opponents that find themselves in the lower part of the table we knew we couldn't be complacent in our performance if we wanted to get anything out of the game. With our performance on the day and results around us going our way it's a good feeling going in to a break from the league finding ourselves at the helm.

We know today though we cannot take our foot off the pedal if we wish to progress further in the cup. Appledore FC who play their football in the Division 1 South and currently sit fourth in the table and not knowing much about our opponents we need to focus on our game and reinforcing our style of play to press on.

Thank you again for getting behind the women we hope you enjoy the game!

## Appledore Women

Appledore Football Club was established in 1912 as a men's football club. Under the name Appledore BAAC, they joined the Senior Division North Devon League in 1926. Despite finishing bottom of the division in their first season, the club were not relegated and went on to become league champions in 1928–29. Although they subsequently left the league in 1930, the club returned to play in the Junior Division in 1933–34. They were Junior Division champions at the first attempt, and again in 1935–36.

After World War II Appledore became members of the Senior Division. They were league champions in 1950–51 and went on to win further titles in 1952–53 and 1954–55. The club were runners-up in 1955–56 and won back-to-back titles in the next two seasons. Between 1959–60 and 1961–62 they won three consecutive league championships (the 1959–60 title was won without losing a match), before finishing as runners-up in 1962–63. In 1969 the Senior Division became the Premier Division and the club were champions again in 1974–75.

In 1978 Appledore moved up to the South Western League. They were a mid-table club until finishing bottom of the Division, 1988–89. After seven more seasons in mid-table, the club left the league in 1996 to join the Devon County League. They were renamed Appledore in 1998, and remained members of the Devon County League until it merged with the South Western League to form the South West Peninsula League in 2007. The club were placed in Division One East and were runners-up in the division in 2014–15. They withdrew from the league midway through the 2018–19 season, subsequently dropping into the Premier Division of the North Devon League.

After a third-place finish in 2021–22 the club moved up to the North East Division of the Devon League. In 2022–23 they won the Torrridge Cup, beating Holsworthy 2–1 in the final.

That same season is the first time we have been able to trace evidence of a Women's team who were playing in the North East Division of the Devon Women's League. That season saw the women's teams finish in a creditable sixth position in a 12 team division, winning ten games, losing 11 and drawing one.

The following season was to be a highly successful one for the women's team, going the whole league season unbeaten, winning 15 of their 16 league games, scoring over 100 goals in the process, to lift the title and achieve promotion to the Premier Division of the Devon League.

That success was to continue last season when they achieved back-to-back league titles winning the Premier Division, finishing nine points clear of runners-up Bradworthy to gain promotion. Not content with two promotions in two seasons, the team also completed an amazing treble, beating Bradworthy 2-0 in the NE Division League Cup final and then Paignton Villa 8-0 in the overall final where Bethany Ellis led the line with a hat-trick.

The promotion at the end of last season sees them playing in the South Division of the South West Regional Women's League. They currently sit in fourth position in what is a very small division of just five teams after Weymouth withdrew from the league. So far they have won just one of their league games played so far, drawing two of those games.

## Match Report v Corsham Town

### Derby defeat ends unbeaten start

South West Regional Women's League  
Division One North

Royal Wootton Bassett Town 0  
Corsham Town 2

Sunday 15 February 2026

Some you win, some you lose. And for the first time this season Royal Wootton Bassett Town tasted defeat in the South West Regional Women's Football League Division One North, falling to a 2-0 defeat against Wiltshire rivals Corsham Town.

And it was as frustrating a loss as it could possibly be, with Corsham snatching victory with two late goals in a game in which the visitors had rarely threatened. With the loss, Bassett also missed out on the chance to go back to the top of the table, instead slipping below Corsham into fourth.

In a wide open title race in which five teams still have strong hopes of finishing top, there is still a long, long way to go. But this was an opportunity missed for James Lally's side.

Bassett had a great chance early on when Corsham keeper Lily Lewis fluffed a clearance. The ball fell straight to Hannah Gulliver but she rushed her effort and shot wide. A Tori Taylor corner then bounced around the box, falling to Kelly Nightingale who flashed just wide of the post before Lewis saved well with her feet after a surging run from Maddy Elliott.

A final chance of the half then fell to Tori Taylor who steered wide after latching onto Lauren Bulley's ball over the top.

Corsham came into the game more after the restart, but still Bassett had the better opportunities as Nightingale curled just off target and Gulliver forced Lewis to tip over.

But Corsham ultimately made Bassett pay for their profligacy.

After patient build up a ball into the right channel stretched the Bassett defence before Nancy Silk's square pass inside picked out Lyons, who rounded Millie Powell before slotting home.

The smash and grab was then complete as Lyons latched onto a long throw before lifting a ball over the top to Ruby Hopkins. She patiently held play up before unselfishly squaring back inside for an unmarked Lyons who again danced past Powell and tapped in.

## South West Regional Womens Football League Div 1 North

Just three games were played two weeks ago in the South West Regional Women's League Division One North as waterlogged pitches saw all other games postponed, including Royal Wootton Bassett Town's scheduled trip to Bitton.

All three games that were played were on 3G surfaces. At **Mangotsfield United** the home sides visitors were **Downend Flyers**. Whilst points have been hard to come by for Downend with just three wins in eleven games, they have generally pushed their opponents all the way and been on the wrong end of the result in a number of tight games. Sunday was no different as they fell to a narrow 2-1 defeat at the hands of Mangotsfield, Adele Elliott and Brooke Moore getting the two Mangotsfield goals, in reply to an early Grace Smith goal for Downend. The win for Mangotsfield saw them displace Royal Wootton Bassett Town at the top of the table.

Also moving above Bassett into second place were **Whitchurch** who scored four goals without reply away at **Gloucester City Reserves**. Faith Constable set them on their way with the opener on 16 minutes and two goals from Ilarna Nche saw them go into the half time break three goals to the good. Nche then completed her hat-trick on the hour mark as Whitchurch secured a league double over their opponents. Whitchurch now sit one point above Bassett having played two games more than Bassett.

The third of the three games played on 3G was at the Corinium Stadium where **Cirencester Town** hosted bottom of the table **AFC Brislington**. Two goals from Annie Martin plus further strikes from former Bassett player Lani Dickinson and Sophie Mitchell secured a 4-1 win for Cirencester with the AFC Brislington goal coming from the usual source, with Rhianna Ben-Carew her 12th goal of the season, Ben Carew having scored all but three of the AFC Brislington goals so far this season.

## Ladies Divisions 2025-26

### Premier Division

Just one game survived the weather in the Premier Division of the Corsham Print Wiltshire Senior League, and it was an important game at the top end of the table between second in the table **Marlborough Town** and **FC Abbey Meads** in fourth place, ten points behind Marlborough but with four games in hand. It was expected to be a close game, and it proved to be just that as the two sides shared four goals and the points. Elyssia O'Keeffe scored both Marlborough goals with former Bassett players Hayley Huckin and Michelle Rich finding the back of the net for FC Abbey Meads. The point for Marlborough saw them move to within a point of leaders Keynsham Town A although Marlborough have played two more games than the top of the table side.

### Division One

It was a better story in Division One with three league games getting the go ahead with the three games producing 24 goals. Biggest scorers in the division were **FC Chippenham** who moved top of the table on goal difference from Salisbury thanks to a 9-0 win over bottom of the table **Durrington**. There were hat-tricks for both Lily Aylan and Amy Totterdell, Jorja Halden bagged a brace with a last minute goal from Ella Johnson completing the scoring.

There were also nine goals in the game between **Bishops Cannings** and **Marlborough Town Reserves** with the away side Marlborough returning home with all three points following a 6-3 win. Star of the show was Kitty Bevan who scored five of the Marlborough goals, Kerry Ash getting the other goal for the visitors. The three goals for Bishops Cannings were scored by Georgia Brown, with two, and Elsie Brewer.

The other league game played saw **Ferndale Rodbourne** pick up their third win of the season defeating **Purton Kingsdown Reserves** 4-2 in a local derby encounter between the two Swindon based sides, Chelsea Marvell with both Purton Kingsdown goals.

### League Cup

In addition to the league games there were two games played in the Second Round of the League Cup. Premier Division leaders **Keynsham Town A** were up against Division One side **Malmesbury Victoria** with the game switched to a 3G pitch at Tetbury to ensure the tie went ahead. There was to be no cup upset as Keynsham Town scored 14 goals without reply as they secured a comfortable passage into the next round. Tia Mahadaven led the way with five of the Keynsham goals, Lola Kondoroski hit four of the goals, Lauren Wylie bagged a brace with further goals from Harriet Walker, Nicola Heath and Freya Dorey. Keynsham will be away to Marlborough Town in the quarter final.

The other cup game was an all Division One affair and it went to form with the Division One leaders at the start of the day **Salisbury** overcoming fourth placed **Blunsdon** thanks to goals from Angela Collins, Brooke Nash and Imogen Campbell, Danielle Tuck with the Blunsdon goal. Salisbury will now be home to Premier Division side FC Abbey Meads in the quarter final.

The other two quarter final ties will see Premier Division Melksham Town host Division One leaders FC Chippenham, whilst the final tie will see the winner of the Purton Kingsdown v Swindon Supermarine outstanding Second Round tie at home to Marlborough Town Reserves from Division One.
