Men's First Team Bassett Bulletin

GOOD EVENING and welcome back to the Swindon Mercedes Stadium for this UHlsport Hellenic League Premier Division fixture against near neighbours from across the border Cirencester Town.

A warm welcome to all our visitors who have made the short journey from Cirencester, we hope you enjoy your brief stay with us this evening and wish you a safe journey home. A special warm welcome back to former skipper Adam Corcoran who made close to 400 appearances for Bassett over the years.

Cirencester Town have made a great start to the 2026-27 Season, unbeaten in the league they are still in both of the two prestigious national competitions, the FA Vase and the FA Cup. Cirencester are the UHlsport Hellenic League's last representative in the FA Cup and have an enticing looking Second Qualifying Round tie this coming Saturday when they entertain National League South newcomers Farnham Town who have made a solid start to their first season at Step 2. Cirencester should be rewarded with a big crowd this coming Saturday for this FA Cup tie and hopefully we will catch them tonight with their minds on Saturday's FA Cup encounter?

Despite how close we are geographically to Cirencester, the two sides have only met previously on 11 occasions, with Cirencester invariably having played at a much higher level than ourselves over the years. Despite that fact, our record against Cirencester is a good one with just two defeats in those previous 11 meetings, Bassett having won five and drawn the other four. Indeed, our recent record against Cirencester is an excellent one as we are unbeaten in the last five games, four of which have been won by Bassett. That included two wins last season by us on the 3G pitch at Cirencester, once in the Hellenic League Cup and then again in the league encounter. The match here at the GBSG finished all square at the start of the 2026-27 Season. Well at last we have that first win of the season. It might not have been pretty, and it depended on a slice of luck, but we finally have that elusive victory. Whilst we had that slice of luck with the Droitwich defensive error, it is fair to say up to that game luck has not been on our side this season and we were well overdue something going our way.

Congratulations to young Freddie for holding his nerve as the ball still had to be put away but cue mass celebrations at that end as we finally tasted victory this season. With the duck now broken hopefully we can build on that win here tonight and start our climb up the table away from the relegation zone.

The Development side return to action this coming Saturday when they play Melksham Town Reserves here at the Swindon Mercedes Stadium. Melksham have made a good start to the season and are one of the favourites for honours this season. They became the first side to defeat league leaders Shrewsbury on Saturday so Josh Connolly's side know they are in for a tough game on Saturday but will be hopeful of maintaining their promising start to the season.

After winning their opening game of the season against AEK Boco, the Women's side fell to a narrow defeat in their opening away game of the season, going down 1-0 at Poole Town against the side that pipped them to the Division One Eastern Division League title in the 2023-24 campaign. With just 16 league games to be played in total all season the defeat on Sunday could well be costly in the final analysis. You do have to question how a League at Tier 5 in a National League System can have so few teams in it. To then hear rumours that the men's and women's National League Systems are set to be combined into one organisation at the end of this season you do have to question whether this is all too early. In my view the women's game needs more time to grow and has issues regarding excessive travel due to too few teams plus an attitude to playing of games, particularly below Tier 6, that needs addressing before you can bring the two systems alongside each other. The challenges at the present moment in time are not the same. Meanwhile on the pitch our women's side will look to bounce back from that defeat last Sunday when they entertain Gloucester City in the FA Cup Second Round Qualifying with £3,500 to the winner on Sunday and £1,000 to the loser. This means for the second season running our Women's side are set to earn more money from FA competitions than the men's side even if they lose. Enjoy the game tonight and hopefully we can celebrate three more points.

Mark

From The Committee Room with Paul Gerrish (Chairman)

Good Afternoon. It's a pleasure to welcome our supporters along with the players, officials and supporters from Cirencester Town FC to the Swindon Mercedes Stadium today for our Hellenic Premier League fixture.

Hopefully the water supply issues that forced the postponement of all our Youth fixtures on Sunday will have been solved by today, but I guess you never know with Thames Water!

The team will be coming into the fixture on a high following their last-minute victory over Droitwich Spa that gave them their first three points of the season. The result was more pleasing because a couple of key players were missing, two dual registered players were called up for their parent clubs and a very young bench, indeed, it was one of the young players, Freddie Wyatt, that came on to grab the winning goal. Freddie could easily have been man of the match alongside a number of other players; Josh Sawyer proved what a great talent we have found in goal, Finn tormented their back line all afternoon and Jack and Kian looked like the partnership they formed last season was back.

Our visitors have enjoyed a good start to the season, especially in the National Cups. Last Saturday they triumphed over fellow Hellenic Premier team Corsham Town in the Vase and this Saturday have a mouth-watering FA Cup tie against National League South team Farnham Town. They also have an unbeaten start in the league with two wins and three draws and are certainly among the favourites to be in contention for promotion at the end of the season. Hopefully we will be able to put an 'L' in their results column and ensure former captain Adam Corcoran and players Dan Hill, George Peare and Ben Lodge don't enjoy their return as much as we will enjoy catching up with them.

Following their opening day win against AEK Boco, the Women were narrowly beaten at Poole Town on Sunday. They have a 2nd Round Qualifying match in the Women's FA Cup this coming Sunday against Gloucester City. Please come along and give them your support.

Finally, I am sure you will all join me in sending our condolences to the family & friends of Cirencester Town stalwart Bernie Reed who sadly passed away recently. Our thoughts are with you.

I hope you enjoy today's game. Thanks for your support

From The Dugout with Manager Jonny Aitkenhead

Good Evening.

Thank you for joining us here at the Swindon Mercedes Stadium

After the finish to Saturdays team, we are looking to get some stability within the team and use that result to spring board our season

Ciren have had a great start to the season and credit to Jonah, who has built a great season out there. A lot of familiar faces will be here tonight, but for the 90 minutes this will be treated like every other game and we will go out with the task of getting a good result.

Saturday was not our best performance but certainly saw the lads dig in and grind out a result, we have played a lot better and come away with nothing, maybe or luck is shifting, the defensive mix up that allow Freddie in to score late is not something that we have be on the fortunate end of at the start of this season. The togetherness within the squad was clear to see and the dramatic fashion in which the game ended will only pull this group closer together. Not one player had anything left to give when the full time whistle was blown

On to tonight, the boys will be taking every game as it comes and a midweek fixture on a cracking pitch will only add to the occasion, we expect it to be a fiercely contested game and one that the boy will be well up for

Thank you as always for your support

Cirencester Town History

Cirencester Town FC was formed in 1889 and played amateur football in the Cirencester & District League, Cheltenham League and eventually the Gloucestershire Northern Senior League.

In the late '60s Cirencester joined the Gloucester County League, moving from there up to the Hellenic League in 1969. During that time, they had their first national cup run, reaching the 2nd round proper of the FA Amateur Cup. They won their first major piece of silverware, taking the Hellenic First Division Championship in 1973-74 to reach the Premier Division. Following a subsequent relegation, the modern phase of development was slowly established, with their Smithfield ground being improved.

Season 1995-96 was the start of the new era. In partnership with Cirencester College, the club began the groundbreaking Football Academy programme. Developing rapidly, first under Dave Hockaday and when he moved as Youth Team Manager to Watford FC, followed by Steve Lowndes, the Academy have been National College Champions in '97 and in '98, five times winners of the English Schools FA U19 Colleges Cup since 1998, and British Colleges Trophy Champions 4 times since '97.

Off field, a long planning process led to the development of the Community Club phase led by Chairman Steve Abbley and implemented over 3 years by Business Manager Anna Kocherhan. In summer 2002 Brian Hughes succeeded Ray Baverstock as manager. At the same time the club, having invested the proceeds of the sale of Smithsfield in the Corinium Stadium at Kingshill, moved into their new facility and renamed as "The Centurions". This development was followed in November 2004 by the opening of The Arena, a state-of-the-art full size indoor training facility. We have now been awarded the FA's "Charter Standard Community Club" status and this summer we received the 2006 Gloucestershire FA Award for "Charter Standard Community Club of the Year", which was presented to Steve Abbley by Sir Geoff Hurst.

In May 2006, after four highly successful years and having raised expectations at the club, Brian Hughes resigned as First Team Manager to be replaced by Neil Hards. Neil had taken a year out of football after his achievements at Winchester City where they gained "back-to-back" promotions and won the FA Vase in 2004. Unfortunately, despite some good early performances, the team lacked the necessary consistency, and a disastrous run of results after Christmas meant they finished in the relegation places. However, the club was later reprieved from relegation after a number of changes were made to club allocations in the non-league structure due to club mergers and other decisions.

Manager Adi Viveash left the Centurions to take up his role as Chelsea and Brian Hughes was again called upon to take up the hot seat as First Team manager. The 2009 – 10 seasons proved to be a very successful one with the Development squad winning the league in their first season and the first team gaining promotion via the play offs after 2 very good away wins both with late goals.

Manager Brian Hughes managed the clubs first season back in the Premier Division in 2010-2011 and the club finished 13th. Unfortunately, 2011-12 saw the heartbreak of relegation and our first year back in the South & West division saw us finish 10th in the table.

2013-2014 saw the club have its most successful season ever gaining automatic promotion back to the Southern League Premier by clinching the title on the last day of the season to beat Merthyr Town to the championship. Brian Hughes worked with a small squad which managed to overturn a 9-point deficit and clinched the title last term by winning the last 7 games of the season whilst everyone else dropped points on the way.

2016-2017 saw changes at the helm after a poor start Brian Hughes was relieved of the manager's job and Charlie Griffin was installed as his replacement. The 2017-2018 saw a brand-new state of the art 3G pitch installed at The Corinium Stadium.

Cirencester Town History

After a slow start The Centurions missed out on a playoff spot on goal difference and disappointment was to follow last season after finishing runners up, promotion was denied via the play offs losing to Cinderford Town FC in the semi-final by 1 goal.

December 2019 saw another change with former North Leigh manager John Brough take the helm replacing Charlie Griffin after a disappointing start to the season. The change nearly had the desired effect as the Centurions climbed the table with a play off place in sight before the season was sadly cut short due to the current situation, we find ourselves in relating to COVID 19.

2020-2024 was a new era for Ciren with the appointment of John Brough. John's first season ended in heartbreak with a loss in the playoffs, season 2 was curtailed due to COVID when the Centurions were league leaders. The last 2 seasons were extremely difficult after we were placed in the Central division, missing out on the playoffs both seasons by 1 point.

2024-2025 voluntary relegation to the Hellenic league was taken due to the levels of travel required in the Southern League, we ended our 28-year stay. Following the departure of John Brough, we appointed assistant manager and ex player James Mortimer-Jones who finished a respectable 15th in the league after starting pre season with only 2 players from the previous season. Jonah rebuilt the side and reaped the rewards of his hard work by winning the Wiseman Lighting Cup final in his first full season in charge

2026-2027 A successful season saw the Centurions finish 4th in the league and a semi final loss in the play offs to Droitwich Spa ended the campaign.

Cirencester Town Pen Pics

Connor Johns - Goalkeeper

Arguably one of the leagues' best goalkeepers and one of the first signings over the summer. The former Highworth and Fairford keeper is a great shot stopper who commands his area, and Marshalls his defence. A superb addition to the squad.

Ed Scott- Defender

Highly rated Centre back. Signed from Bishops Cleeve and impressed the Ciren Faithful with displays at the heart of the Centurions defense. Big, Strong, pacey and good on the ball. Another brilliant season at The Talent Hire Stadium last term

Adam Corcoran- Defender

Corks returns to the Talent Hire Stadium having come through our Academy system under the leadership of Steve Lwondes. After a few first team appearances in the Southern League, Adam played at Wootton Bassett and more recently Fairford Town FC. A big, strong commanding centre back who is equally as good on the deck with a great range of passing from out the back.

Elliot Keightley- Defender

His second season in the Cotswolds after previously playing at Worcester City FC. The former Hartpury student had a great season last term and can play anywhere across the back four. The tough tackling defender is an asset to the team and has had a great preseason.

Aidan Bennett - Midfielder/Striker

Mr Cirencester and Mr versatile. Comfortable on either foot with a powerful strike and scorer of some important goals over the years. Already over 500 appearances for The Centurions and entering his 15th season for the club. Can play any position and has played every position apart from in Goal.

Henry Birkett- Midfielder

Last season's young player of the year. The talented midfielder has a great engine and never stops working. Selfless for the team and covers every blade of grass and contributes with a few goals.

Jack Horrell - Midfielder

Instrumental in midfield and totally reliable. The talented midfielder has a good football brain and a great array of passing and his experience in the middle of the park.

Joe Turley- Midfielder

150 games for the Centurions and was a key player in our Southern League years. Hard working, never loses the ball and is instrumental in the middle of the park. The talented midfielder has a great engine and never stops working. Selfless for the team and covers every blade of grass.

Finley Bell - Midfielder

Rejoins Centurions after a brief spell with Melksham Town FC and Fairford Town last season. Very tricky and skilful player who can unlock defenses with a fantastic array of passing.

Jonty Welch - Midfielder

The former FGR and Slimbridge man had an impressive first season last term. A key figure in helping us reach the playoffs and chipped in with some important goals. Tenacious appetite and great ability on the ball, a key player for the Centurions.

Jayden Stratford - Midfielder/Striker

A big season ahead for this fantastic young talent. Injury riddled last few seasons but the talent Jayden possesses can turn a game with his quick feet and pace - beats defenders with ease and has bright future ahead of him in the game.

Jamol Dare - Midfielder

Impressed during pre-season and signed on the dotted line after some brilliant displays. Formerly playing for Stonehouse Town last season. Exceptional pace, tricky and skilful winger.

Harlie Price - Striker

Last seasons top scorer with an impressive 38 goals in 38 games wearing the famous red and black. A huge influence in our charge towards the playoffs last term, not only with his goals, but his link up plays and all-round game.

Sol Pryce - Striker

After two attempts to sign Sol last season, Jonah finally got his man. The big, strong, pacey frontman is a big signing for the Centurions, and he is a proven goals scorer at this level. Previously with Fairford Town FC.

Rhys Wells - Striker

Joined halfway through last season and after some impressive displays, it's great to see the left footed midfielder stay with Ciren. Skilful and can unlock any defence with a single pass.

James Mortimer-Jones- Manager

Jonah returns after injury ruled him out of last season. Jonah has a great knowledge of the game and will be looking to go one better this term after last season's play off disappointment. He has been busy throughout the summer assembling and strengthening the squad.

Sam Farr - Assistant Manager

Former CTFC player who graduated through our Academy. A great player in his day having played for our Development team and first team before making the step into the management game. A highly respected and liked leader who knows everyone! Sam will be a great asset to Jonah and Tom this season.

Tom Speers - 1st Team Coach

Tom managed at Slimbridge briefly during the 2022-23 season and is one of the most sought-after coaches around with experience in the UK but also abroad having coached in Australia. A highly rated coach with bags of experience and attention to detail is second to none.

Mike Alexander - GK Coach

Big Mike joined recently and is a brilliant coach. A great keeper in his playing days, but now one of the best GK coaches around and another great acquisition to the club.

Hellenic Premier Roundup

Sat 12th September 2026

With most of the division engaged in FA Vase Second Round Qualifying action there were just four games played in the UhlSPORT Hellenic League Premier Division with three of those four games being decided by a single goal.

The most dramatic of the 1-0 wins was probably here at the Swindon Mercedes Stadium where Freddie Wyatt capitalised on an error deep into injury time to give **Royal Wootton Bassett Town** their first win of the season. The usual excellent match report on that game against **Droitwich Spa** is contained elsewhere in today's programme and can also be found on the Club Website along with photos from the match, where it is recorded for posterity and easily found after more than two weeks (unlike any social media post). The win for Royal Wootton Bassett Town lifted them out of the relegation positions.

Bradford Town finally brought their miserable run of results to an end with a 1-0 home win over **Fairford Town**, Will Taylor with the all-important strike which saw Bradford Town climb to 13th place in the table.

The other side to win 1-0 were **Stourport Swifts**, as **Thornbury Town** blew their chance to go top of the table falling to their first home defeat of the season.

As well as Royal Wootton Bassett Town, **Cribbs** also hauled themselves out of the relegation positions winning away at **Hallen** who replace Cribbs in the bottom two. A goal from Joseph Davis on 15 minutes gave Cribbs a half time lead. Two quick-fire goals at the start of the second half through Buster Reed put Cribbs in command and whilst Hallen were able to pull one back just after the hour mark through Cory Baker there was to be no comeback as Cribbs ran out 3-1 winners.

As well as the four league games there were 11 games played in the FA Vase Second Round Qualifying. After those 11 games seven Hellenic sides progressed to the First Round Proper. **Highworth Town** needed penalties to progress to that next round after their tie against Western League side Calne Town finished 0-0 at the end of 90 minutes. It was Highworth who prevailed in the penalty shootout, winning 5-3.

There was also penalties in the game between Avonmouth and **Roman Glass St George** but on this occasion, it was the Western League side who game out on top from the spot, the Step 6 side knocking out Roman Glass after winning the penalty contest 6-5 after it had finished 2-2 at the end of 90 minutes.

The other four sides who exited the competition were Malmesbury Vics, Hereford Pegasus, Pershore Town and Corsham Town. **Corsham Town** lost at the hands of tonight's visitors **Cirencester Town** in an all-Hellenic League Premier Division affair thanks to goals from Adam Corcoran and Charlie McCrae. Meanwhile **Malmesbury Vics** were well beaten at home by Western League side Portishead Town, losing 5-1 at the Flying Monk Ground. **Hereford Pegasus** exited the competition after they were beaten 2-0 at home by Hellenic League Division One side Ludlow Town. **Pershore Town** lost 2-0 at Abbey Hutton United.

The other teams from the Hellenic League that are through to the next round all won against opponents from other leagues. Goals from Dan and Callum Demkiv plus two from substitute Jamie Walters gave **Devizes Town** a comfortable 4-0 home win over Cadbury Heath from the Western league.

Longlevens needed just the one goal to overcome another Western League side, Finlay Gwillam's first half goal seeing them home against Radstock Town.

Mangotsfield United also had a comfortable afternoon away at Combined Counties League side Eversley & California, goals from Archie Morris, Francis McKay and Ricardo Thompson giving them a 3-0 win.

Two goals from both Harley Mustoe and Connor Walters plus one from Jorell Sanniola saw **Tuffley Rovers** secure a comfortable 5-1 away win at Western League side Welton Rovers.

Westfields also made it through to the next round although it was somewhat tighter in their game against Stone Old Alleynians, two goals from Tyrese Sibanda seeing Westfields edge it 2-1.

Match Report

v Droitwich Spa

Wyatt winner brings joy and relief

Royal Wootton Bassett Town 1

Droitwich Spa 0

Saturday 12 September 2026

It may not have been their best performance of the season so far. And it may have come courtesy of a gift of an injury time winner. But, finally, Royal Wootton Bassett Town have their first victory of the 2026-27 season on the board.

Seizing on a defensive mix-up, Freddie Wyatt scored the only goal of the game as Bassett edged out fellow embattled side Droitwich Spa in a tense Hellenic League Premier Division clash.

His goal, shortly before the final whistle, was met with great joy - and a sense of relief - from Bassett players, management and supporters.

It came after a match which had seen Bassett in the ascendancy in the first half only for momentum to switch following the restart. And a strong defensive display and outstanding performance from young goalkeeper Josh Sawyer kept the visitors at bay before Wyatt was able to pounce.

After a relatively slow start, the ever lively Finn Hopkins had the opening pair of chances of the match, firing just past the post with a low 20 yard strike after a Louis Spalding cross was only half cleared. He then forced 'keeper Dom Roberson into a low save with a snatched effort after Nat Bell's well timed tackle forced a turnover in possession inside Droitwich territory.

Ed Taylor also had a pair of chances for the hosts. Moved back into his preferred midfield role, the youngster shot narrowly over from thirty yards. He then hit straight at Rogerson from the edge of the area when well placed after Bassett's pressing again gained the ball deep in the Droitwich half.

The teams went into the break with the scores deadlocked. Bassett had been the more threatening of the two sides but that was soon to shift as the visiting Saltmen came into life.

There were early signs of what was to come as Archie Thurston saw a deflected shot go over after beating Jack Coward to a 50-50 while James Lemon fashioned space in the box with a clever turn only to find the side netting.

A string of assured saves in a short space of time from Sawyer then followed. First he did well to keep out from substitute Sam Hurdman, tipping wide the forward's near post effort after a left wing cross bounced around the box. The resulting corner from Perry Moss fell to Hurdman on the edge of the box and his arrowed effort stung the 'keeper's palms.

Another low save from Hurdman followed. Lemon set George Clayton free in the left channel. His low cutback across the face of goal fell to an unmarked Hurdman whose side foot effort from twelve yards was brilliantly parried.

Play switched briefly to the other end where a stinging Hopkins drive went just wide before Wyatt beat the offside trap and saw his tight angled strike denied by the feet of Rogerson.

Soon enough though Sawyer was forced into action again. He stood tall to hold from Cory Rudd's shot from the edge of the area before watching as Hubert Zatorski lifted narrowly over from a great position.

With six minutes to go Sawyer made another outstanding stop - perhaps his best of the game. Moss picked Hopkins' pocket and immediately set Thurston in behind with a fine through ball. A goal seemed a given. However, in a one-on-one situation, Sawyer kept his composure to narrow the angle and save with his feet.

Then with 90 minutes on the clock a quick free kick put Moss through on goal but he struck over.

Match Report v Droitwich Spa

That was the first chance of a hectic injury time as both sides sought not to settle for a draw.

At the other end Kian McNally flashed a header just over from a Spalding corner after a last ditch tackle had robbed Hopkins of a one-on-one chance. Droitwich's Hurdman also failed to find the target with a headed effort from a deep cross.

It thus appeared as though the teams would have to settle for a point apiece - an unsatisfactory outcome for both teams given their early season predicament.

But in trying to deal with a seemingly innocuous Spalding ball over the top, centre half Sam Carey collided with Rogerson, presenting Wyatt with an open goal, which he coolly slotted into from an angle.

It was the kind of fortune that Bassett, down on their luck in the opening weeks of the season, needed.

However, the game was not yet finished. And one last opportunity fell to Droitwich but safe hands Sawyer was equal to Curtis Smith's curling effort from the edge of the box.

Nine competitive fixtures so far this campaign had yielded just two draws - with that agonising run adding to the nine games at the back end of last season in which Bassett had also failed to win.

At last though, ten games in, that stretch is over - and Jonny Aitkenhead's side can now focus on the hard work of starting a positive run of results and climbing the table.

Match Report v Poole Town

Defeat in Dorset

Poole Town 1

Royal Wootton Bassett Town 0

Sunday 13 September 2026

Royal Wootton Bassett Town came up just short in their South West Regional Women's Football League Premier Division encounter away against Poole Town.

Bassett's first away game of the season - against the side who pipped them to the Division One East title when last league rivals in 2023-24, the contest was determined by Alice Fisher's fourth minute goal.

With both defences on top, neither side was subsequently able to find the game's second goal as Poole scraped home.

Tight, often low scoring games in which they came out on top were Bassett's forte in their Division One North title winning campaign. And that continued into last weekend's Premier Division opener against AEK Boco which finished 2-1 in James Lally's side's favour.

However at Poole, Bassett found themselves on the losing side.

The visitors acquitted themselves well though - and it's clear Bassett will be competitive at tier five.

While just a couple of weeks into the season, early results suggests it is set to be a closely fought, exciting campaign across the board. Indeed, of the seven games played so far, just two have been decided by two or more goals.
