Men's First Team Bassett Bulletin

GOOD AFTERNOON and welcome back to the Swindon Mercedes Stadium for this UHlsport Hellenic League Premier Division local derby fixture against Corsham Town.

A warm welcome to all our visitors who have made the short journey from Corsham, we hope you enjoy your brief stay with us this afternoon and wish you a safe journey home. As always in these local derby games Corsham's side will contain some familiar faces with both Will Davidson and Lewis Hayward both having played for Bassett fairly recently.

Corsham Town are once again at the top end of the table but have played more games than most in the division and have won five of their opening 11 fixtures but have been defeated in four games, including a midweek defeat on Tuesday night at the hands of Highworth Town. They come into this afternoon's encounter without a win in their previous four games. I saw Corsham at the start of the season when they played away at Wokingham Town on a Friday night in the FA Cup when they fell to a 2-0 defeat. Whilst the game was played on a difficult hard pitch I felt Corsham didn't look as strong as in recent seasons but new manager George Plank, who last season led Shrewton United to the Wiltshire Senior League Premier Division title, has subsequently been in the transfer market after a couple of heavy defeats at the hands of Tuffley Rovers and Thornbury Town and results have improved. That transfer activity included bringing in Will Davidson from Bassett. With that run of four games without a win Corsham will be keen to bring that run to an end here this afternoon and we will need to be at our best here this afternoon if we are to get anything out of the game.

As I have said in a previous editorial, this season in the Hellenic Premier it appears that there is not a lot of difference between the teams at the top and bottom end of the table, with the possible exception of Cirencester Town who look very strong. Our own results against both Cinderford Town and then last week at Westfields are both good illustrations of this. After a difficult week with more player departures it seems that team spirit we had at the back end of the season has returned as we defeated the team that sat second in the table at the start of the day. An excellent result which hopefully we can now build on.

Whilst our 3-0 defeat against Cirencester Town in our last home game was disappointing, the fact that Cirencester have then drawn and then defeated a team from National League South in their next two fixtures illustrates what a strong side Cirencester are this season.

For Bassett it feels a bit like last season for me when the departure of the Lewis brothers saw us turn our season around and could the same be happening again with the departure of the Hopkins brothers? It is disappointing that they both decided to move on, but if they were not willing to fight for the cause at Bassett and play in positions that the management team wanted it is perhaps best for both parties that they go elsewhere and we wish them well at their new clubs.

Going back to the game today against Corsham you will see elsewhere in the programme that over the years we have had the better of things against Corsham but that is certainly not the case in recent seasons. Our win here last season is our only victory over Corsham in the last 11 meetings, and it would be good if we could improve that poor recent record here this afternoon.

Looking at our other sides, the Development side fell to a 4-0 home defeat against Melksham Town Reserves last Saturday although, as was the case last season in the equivalent fixture, a couple of late goals gave a flattering look to the final score line. Today the Development side are away at Hungerford Town Reserves looking to return to winning ways having already beaten them once this season, winning 3-0 here at the Swindon Mercedes Stadium last month.

The women's side did return to winning ways last Sunday, bouncing back from that league defeat to Poole Town by defeating Gloucester City in the FA Cup Second Round Qualifying to secure £3,500 in prize money which would have brought a smile to the Treasurer's face. This means for the second season running our Women's side has earned more money from FA competitions than the men's side.

Enjoy the game this afternoon and hopefully we can celebrate back-to-back victories for the second time this season.

Mark

From The Committee Room with Paul Gerrish (Chairman)

Good Afternoon.

It's a pleasure to welcome our supporters along with the players, officials and supporters from Corsham Town FC to the Swindon Mercedes Stadium today for our Hellenic Premier League fixture.

Our opponents today are a very much changed team from last season now led by George Plank but with a definite Kieran Bagg's influence with players joining from his current team Melksham Town. It will be good to catch up with Lewis Hayward who played such an important role in our fight against relegation last season as well as recent departure Will Davidson, both of whom appear to have settled in really well. Despite a mixed bag of results, ahead of Tuesday night's visit from Highworth Town they sit fifth in the league with five wins and two draws from their ten games and remain one of the teams tipped for promotion or play-offs come the end of the season.

After our midweek defeat by Cirencester, we come into this fixture once again on a bit of a high following a fantastic win at second placed Westfields. Hereford is not an easy place to get results but we now have four wins and a draw there in our last five visits. With one or two players moving on, the win was even more pleasing and was a whole squad effort full of resilience and purpose celebrated with a quick pub stop on the return journey. Well done to new signing Ed Oatley on grabbing the crucial goal, let's hope today is as rewarding.

It wasn't just the Men celebrating last weekend, the Women came through a tricky Women's FA Cup 2nd Qualifying Round fixture against Gloucester City with a 2-1 win. That result was rewarded with an even trickier final Qualifying round fixture away at Bridgwater United who play in the level above. Victory there would mean a first ever trip in to the 1st round proper. Please see socials for full details of the fixture that is being played on 4th October. They resume their league campaign tomorrow at home to Sherborne Town, 14.00 kick-off

The Development teams recent run of good form came to an end last Saturday, losing 4-0 to Melksham Reserves, a scoreline that doesn't really reflect the game. The front six players, the goalkeeper and a few subs were all 16 or 17 years old. That can only prove to be a positive for the club going forward and certainly proves the pathway is there given the 18-year captain was playing for the First team on the day.

Finally, it was lovely to see Cath Fellows at the game last week after a short illness had kept her away – it's great to see you back Cath.

I hope you enjoy today's game. Thanks for your support

From The Dugout with Manager Jonny Aitkenhead

Good Afternoon.

Thank you for joining us here today at the Swindon Mercedes Stadium

Another step in the right direction, the performance against Westfields was brilliant, disciplined and hard fought. The players got their rewards without giving anything away

Getting behind the talented squad that we have is what we need from the fans, the squad is slightly more condensed but this is certainly a positive with the potential of 1 or 2 to add to the mix

Today's game should be a good one, with two teams that like to play, backed up with a pitch that is arguably the best in the league. The boys will be looking to add to the last 2 Saturday results we have achieved and continue to take each game as it comes, what we saw Saturday is a reaction to people moving on and players working for one another. Great to see Jacks and Ollie back after injuries and both were like new signings. Both back in the squad today and looking to help the team recover from this start and look forwards

Training this week has seen the introduction of Spud to the lads, someone who has been involved at a lot higher levels of football, his standards and mindset was clear to see and has made for a great session on Tuesday and implementing some of the things that we want to have as a standard within the squad, plenty of energy and I am sure the boys slept well Tuesday evening

We go into the game with confidence that if we match or exceed the levels shown at Westfield then we will compete with any team within this league, thank you for your continued support; myself, the management and the players truly appreciated it

Corsham Town History

1878 The earliest record found of Corsham Football Club.

1893 Club becomes affiliated to the Football Association.

1894 The first Wiltshire County Football League was formed with the original member clubs being Bradford, Calne, Chippenham, Corsham, Southbroom (Devizes), Melksham, Trowbridge Town, and Warminster.

At the end of the **1894/95** season Corsham would be the inaugural champions, winning the league on goal average over Southbroom, helped by an emphatic 17 - 1 win over Calne in their final game.

Over the years, the team has often been referred to as the Quarrymen due to the high level of quarrying in and around Corsham.

1894 to 1997 Corsham Town play in the Wiltshire County League (Step 7).

1997/98 Promotion was achieved to the Western League Division 1 (Step 6) after winning the county league by goal difference from Devizes Town Reserves under manager Pete Tripp.

2001 Ground improvements continued under the chairmanship of Colin Hudd, floodlights were installed, a 112 spectator stand erected and hard standing laid around the pitch perimeter.

2004/05 Promotion was achieved to the Western League Premier Division (Step 5) under manager Colin (Nobby) Bush.

2006/07 Saw Corsham Town winning the Western League Premier Division, which was hotly contested by many teams, including Bridgwater Town and Frome Town. The club also added a third successive Wiltshire Senior Cup victory.

2020/21 Keiran Baggs becomes manager with Gary Higdon as his assistant. Unfortunately, after 10 unbeaten league games the 2020/21 was curtailed by the FA due to the Covid pandemic.

The FA went ahead with planned restructuring of the Non-League Pyramid. The results from 2019/20 & 2020/21 were combined and this meant that Corsham Town were promoted for the 2021/22 season to the Hellenic League Premier Division (Step 5).

2021/22 The club finish in a very creditable 5th position in the Hellenic League Premier Division and reach the final of the Wiltshire Premier Shield Cup played at the County Ground against Swindon Supermarine.

2022/23 The club did even better finishing as runners-up to Cribbs but missing out on promotion. **2023/24** saw Corsham reach the end of season play-offs but they were knocked out at the semi-final stage by Cinderford Town who were promoted after beating RWBT in the final. The past two seasons saw Corsham just miss out on making the end of season play-offs.

Hellenic Premier Roundup

Sat 19th Sept 2026 + Midweek

It has been a busy week on the field in the UHlsport Hellenic League and an interesting week off the field as the League's Media Officer resigned and took the League website with him which has made the production of today's programme a little bit more difficult. On the pitch the leaders in the Premier Division going into this weeks round of fixtures are **Roman Glass St George** after back-to-back victories. A 2-1 victory over **Cinderford Town** thanks to goals from Lewis Gilchrist and Nathan Hall was followed in midweek with a narrow 1-0 win at **Hallen**, Hall again finding the back of the net, to see Roman Glass sit a point clear at the top of the table.

Thornbury Town sit second after a 2-0 home win last Saturday over **Tuffley Rovers**, both goals from Sage Nathan and Callum Chalmers coming in the second half. **Cinderford Town** sit third in the table, bouncing back from that defeat to Roman Glass with a 2-1 win away at **Westfields**. Jack Watts putting them ahead just after half time before a second from Ben Vine on the hour mark doubled their lead. Ben Tilbury scored a consolation goal for Westfields deep into injury time, but it was too little too late as they fell to a second straight defeat, having lost 1-0 on Saturday at home to **Royal Wootton Bassett Town**, Ed Oatley with the all-important goal for the visitors. A match report on that win for Bassett is included elsewhere in today's programme. The two defeats saw Westfield slip to fourth place in the table.

Hereford Pegasus are level on points with both Cinderford Town and Westfields after a 1-0 home win over **Bradford Town** on Saturday, Sam Griffiths with the only goal of the game 20 minutes from time. Hereford Pegasus held out for the three points despite ending the game with ten men after Cameron Davies was sent off for a second yellow card. Today's visitors **Corsham Town** slipped out of the play-off places after back-to-back home defeats. Goals from Lewis Driscoll and Lewis Rose saw **Longlevens** leave the Southbank Ground with all three points following a 2-0 win on Saturday. hen in midweek a late winner from Cheldon Valere gave Highworth a 2-1 victory, this after Alex Henshall had given Corsham the lead and former Bassett player Bailey Gallagher had equalised for Highworth.

Then in midweek a late winner from Cheldon Valere gave Highworth a 2-1 victory, this after Alex Henshall had given Corsham the lead and former Bassett player Bailey Gallagher had equalised for Highworth. In contrast to Corsham, it was an excellent week for **Highworth Town** ahead of the official opening of their new 3G pitch this afternoon. The win in midweek had been preceded by a 4-1 away win in another local derby at **Fairford Town**, goals from Dan Grieve, Bensa Teshome, Marcel Lewis and Matthew Grabe doing the damage for Highworth, Rudi Hopkins getting the Fairford consolation goal following his transfer from Bassett. The two wins for Highworth saw them move above Fairford in the table as Fairford also fell to defeat at home in midweek, as they went down 1-0 at the hands of **Malmesbury Vics**, Lewis Bexon-Shaw with the only goal of the game.

On Saturday **Malmesbury Vics** had lost 4-2 at home to struggling **Hallen**, two goals from Josh Williams plus one from Jake White having given Hallen a 3-0 lead. Lewis Bexon-Shaw pulled one back for Malmesbury before Omaree Cox added a second for the home side in the final minute. Any chance of a comeback was ended a minute later when Harrison Fairman made sure of the three points for Hallen with a fourth.

Devizes Town's excellent start to the season continued with two wins in the space of seven days. On Saturday a Callum Demkiv goal was enough to give them all three points away at **Pershore Town**. They followed that up in midweek with a 2-0 win over **Mangotsfield United**, Demkiv once again the architect of Devizes' win getting both goals that saw them climb to eighth spot with games in hand over all the teams above them in the table.

Elsewhere **Droitwich Spa** picked up four points in the week. A 2-0 home win over **Mangotsfield United** was followed by a 1-1 draw in midweek with **Longlevens**. **Stourport Swifts** were 4-1 home winners on Saturday over bottom side **Cribbs**, Cribbs also losing in midweek 2-1 at home against Bradford Town.

The week's headline makers though are **Cirencester Town** who, as noted in the editorial, knocked out National League South side Farnham Town in the FA Cup.

Surging Ciren claim derby spoils

Royal Wootton Bassett Town 0

Cirencester Town 3

Wednesday 16 September 2026

The only remaining unbeaten side in the Hellenic League Premier Division - and the only team yet to taste defeat in all competitions thanks to their runs in the FA Cup and Vase, Cirencester Town continued their strong early season form as they claimed the derby spoils against Royal Wootton Bassett Town.

Jonny Aitkenhead's side were unable to build on Saturday's morale boosting first victory of the season against Droitwich Spa, falling to a 3-0 defeat against the Centurions.

Forcing a change in a key spot, the Bassett boss had to do without 'keeper Josh Sawyer - the hero of Saturday's victory. In his place came debutant shotstopper Leimar Dinnall, who was given the awkward task of stepping in between the sticks among a group of players he was meeting for the first time.

And it proved something of a baptism of fire for the young 'keeper as he was beaten with only seven minutes on the clock as Jayden Stratford found the net. It was a somewhat fortunate goal, coming at the third bite of the cherry for Cirencester. From Dan Hill's cross Ross Langworthy struck the bar before Jamol Dare saw an effort from the rebound blocked by Harry Messenger. But the ball then fell to Stratford who swept home from close range.

Bassett had a great chance to equalise midway through the half when Jack Coward shed his marker to meet Rudi Hopkins' corner. But the towering defender planted his header just wide of the right post.

Soon after Stratford added a second for Cirencester to put Cirencester firmly in charge of the game despite not necessarily being at their best. Rhys Wells whipped in a free kick from the left side and, in among a crowded group of players, Stratford stabbed in a first time effort.

It could have been three before the break too as Dare drove narrowly beyond the top right corner with a powerful shot from range.

The visitors then stepped up a gear in the second half.

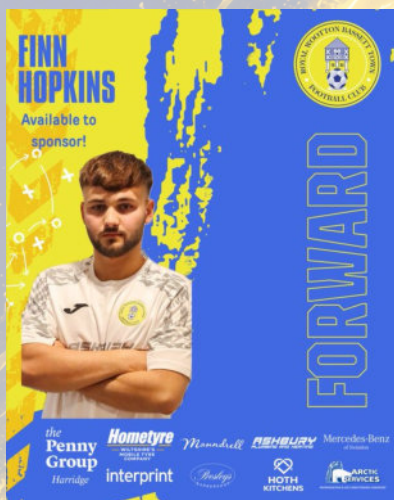

The period began with a pair of chances for Stratford as he flashed wide and forced Dinnall to tip wide.

Bassett struggled to find a breakthrough against Cirencester's strong defence

And some gloss was added to the scoreline eight minutes from time when Ross Langworthy netted Cirencester's third and final goal of the night, collecting Fin Bell's pass before dancing past two defenders on the edge of the box and slotting home.

Ed Oakley did have a chance to snatch a consolation when he beat an onrushing Connor Johns to a ball over the top and rounded the 'keeper. He was still a distance from goal though and guided just wide of the left post with his effort.

Play returned to the other end with Cirencester not yet finished and only a composed one-on-one save from Dinnall denied Bell after he worked his way through on goal.

Match Report v Westfields

Bassett fight past Fields for impressive win

Westfields 0

Royal Wootton Bassett Town 1

Saturday 19 September 2026

Their visit to high flying Westfields may have appeared daunting on paper - especially in the wake of Wednesday's heavy home derby defeat against Cirencester Town.

But thanks to a gritty display that was full of character, Royal Wootton Bassett Town pulled off a coup to win 1-0 - and continue their fine run of form away against their Hereford-based rivals.

In just his second appearance since signing from Calne Town, Ed Oatley proved to be the matchwinner thanks to his long range strike three before the interval.

It came at a crucial time. And it gave Bassett all that they ultimately needed to win away for the first time this season.

Bassett were worthy winners too, disrupting Westfields - who started the day in second place in the Hellenic League Premier Division (and who remain third despite the result) - to the extent that were never able to find any real rhythm. And that helped deliver a clean sheet for a second consecutive Saturday.

Although the teams started the day at opposite ends of the table, there was little to choose between them, especially in an opening half that saw both sides have their moments without threatening too much.

Bassett had been the side with the clearest opportunities with Alfie Presley seeing a deflected shot go narrowly wide and Jack Hobson-McVeigh forcing Matt Gwynne into a low parry with a long range effort.

But, with time winding down before half time, Oatley struck in style.

Presley punished Westfields for some sloppy play as they sought to go short from a free kick inside their own half. Winning the ball back on the right touchline, he quickly fed a pass into the path of Oatley who confidently swept a low left foot drive from 25 yards beyond a diving Gwynne and into the bottom left corner.

Having to chase the game, Westfields sought to apply plenty of pressure following the restart. But Bassett were able to absorb it and see off their hosts.

Indeed, clear cut opportunities were limited for Westfields in the second half. Early on James Baldwin drilled narrowly wide from the edge of the area after Bassett failed to fully clear from a corner while Tyrese Sibanda had a goal chalked off for offside on the hour.

Bassett almost doubled their advantage when a counter ended with Finn Hopkins's whistling low effort from the left edge flashing just past the right post.

Sibanda then saw a deflected effort go into the side netting with ten minutes to go before Will Dallaway curled straight into the hands of Josh Sawyer with their last real chance.

Otherwise the hosts found it difficult to break Bassett down.

AllPay Park is certainly not the easiest place in the Hellenic League Premier Division for visiting teams to play. But Bassett have found it a happy hunting ground of late - and are now unbeaten in their last five trips, with four victories (including this latest win) to their names.

This was therefore an impressive win for Jonny Aitkenhead's side - and a big one too as they look to turn the corner..

Match Report v Gloucester City

Young double sees off Gloucester

Royal Wootton Bassett Town 2

Gloucester City 1

Sunday 20 September 2026

A Megan Young brace sent Royal Wootton Bassett Town through to the third - and final - qualifying round of the Women's FA Cup for the fifth consecutive season as Bassett edged out Gloucester City 2-1 in an all-South West Regional Women's Football League Premier Division tie.

Two opportunistic goals helped deliver victory for Bassett in another closely fought contest against Gloucester.

The first shot on goal of the game brought the first goal. Receiving possession on the left inside her own half, Hannah Gulliver played a ball into the channel that Georgi Slanina-Wertz seemed destined to intercept. But a poor touch from the visiting defender gifted Young the ball and, after racing through on goal, she squeezed a shot beyond Evie Smith at the near post.

Gloucester then had the better of the chances for the rest of the half. Cerys Jones hit the side netting after being played in by Amelie Birchley. Jones then saw a cross squirm beneath her feet when well placed in front of goal. Later in the half Angel Wyatt struck narrowly over as Bassett only half cleared from a corner.

They should have levelled after catching Bassett napping when trying to play out from the back but Jones' square pass was somehow placed into the side netting by Holly Myatt. Jones then fired on the turn from twelve yards out but shot straight at Millie Powell.

Gloucester levelled though four minutes after the restart.

They started the half brightly with Hannah Dix steering narrowly wide after a corner fell to her while Jones guided just over with a first time strike from the edge of the area.

Young was guilty of spurning a one-on-one opportunity when presented with just Smith to beat as she struck straight at the 'keeper.

Gloucester quickly transitioned to the other end of the pitch where they won a corner. The set piece then fell to Holly Myatt at the far post, whose quick feet took her past Honor Fraser before she coolly slotted into the net.

The visitors remained on top and could have had a penalty when Briony Hurd scythed down Jones on the edge of the area. Fortunately for Bassett the referee deemed the foul to have taken place just outside the box.

Holly Myatt's free kick was comfortably held by Powell. But the Gloucester forward soon had the Bassett 'keeper beaten only to see her curling shot come back off the bar.

But fifteen minutes from time Young popped up with what proved to be the winner for Bassett. From right full back Fraser played a precise diagonal pass between two defenders and towards Young. The ball then bounced into the path of Young who, seeing Smith off her line, produced a deft first time lob that sailed into the net.

In each of the last four seasons Bassett have suffered an agonising exit at the third qualifying round stage. Now, James Lally's side will be looking to finally make club history and reach the first round proper.

Fifth time lucky? Here's hoping.

An extremely tough test away against tier four Bridgwater United stands between Royal Wootton Bassett Town and a place in the first round proper of the Women's FA Cup after the third qualifying round draw was revealed. The tie is scheduled to take place on Sunday 4 October, 2pm kick off. Final match arrangements will be communicated in due course. The away visit to the Robins is Bassett's reward for their hard fought 2-1 home victory against Gloucester City on Sunday.

Bassett's victory meant they advanced to the third - and final - qualifying round stage for a fifth consecutive season. After defeats to Torquay United (twice), AFC Stoneham and Forest Green Rovers at the third qualifying round stage, Bassett will be hoping the fifth time is a charm as they seek to write club history.

However, to achieve that will require a major upset against a Bridgwater side who have won five from five so far in the league above Bassett. They also have significant cup pedigree since assuming the Bridgwater name in 2021. Bridgwater have been present in the first round proper in each of the last five seasons and have advanced beyond that stage three times. That includes a run to the fourth round in 2021-22 when Bridgwater hosted and narrowly lost 2-0 against Women's Super League Manchester United.

They have progressed to the second round in both of the last two campaigns too. However - perhaps offering a glimmer of hope for Bassett, they exited at that stage last year against tier five opposition in the form of Royston Town. It promises to be a difficult but worthwhile test for Bassett, who will go into the game with nothing to lose. Here's hoping for an upset - and the making of club history.
