GOOD AFTERNOON and welcome back to the Swindon Mercedes Stadium at the GBSG for this Uhlsport Hellenic League Premier Division fixture against Hallen.

A warm welcome to all the players, management team, club officials and supporters from Hallen who have made the journey along the M4 from Bristol this afternoon.

Both sides currently find themselves at the wrong end of the table and are in need of three vital points as both look to move away from the relegation zone.

The two sides met on the opening day of the season at Hallen, with Bassett returning along the M4 with a point following a 1-1 draw. Today's return fixture has all the hallmarks of being another close encounter here at the Swindon Mercedes Stadium.

Indeed, recent meetings between the two sides, with one exception, have been close affairs, with three of the last four meetings between the two sides ending in draws. The one exception was our away fixture last season where went down 6-3 after a poor performance at Hallen. Our overall record against Hallen is not a good one with just one win in 13 meetings, that solitary victory coming here at the Swindon Mercedes Stadium back in Season 2021-22, Matt Bennett scoring the only goal of the game in a 1-0 win.

Tuesday night saw us pick up a point in our local derby encounter against Malmesbury Vics in front of another bumper crowd, the third time this season we have had a crowd of over 200 for a league game. Tuesday's attendance was even more impressive given that Highworth Town were also at home against Cirencester Town the same evening. The return of Sam and Griff to the Swindon Mercedes Stadium with their second new club in the space of 12 months was always going to be a tight affair, especially given the number of players in the Malmesbury line up who had previously played for Bassett. It was important not to lose, and it was mission accomplished on that front. I expect that Malmesbury will start to climb away from the bottom of the table under their new management side, but I am not sure as a player or manager I would fancy their winter fixture schedule.

They are home to Cirencester Town on Tuesday 10th November but then do not play another home league game until 16th January before another month on the road, playing again at home on 27th February. That is just one home game in the space of 109 days and 11 away games!

Elsewhere in the Uhlsport Hellenic League it is congratulations to Longlevens AFC on their lottery win. That was fantastic news to hear and I am sure that we will see lots of improvements made at their ground in the coming seasons as a result of this. I bet there are a lot of clubs thinking why didn't we think of doing that.

In terms of our other sides, the Development team are back in action today looking to bounce back from last week's late defeat at the hands of Devizes Town Reserves when they entertain Bishops Cannings on the 3G with a 2pm kick-off for this game. With Bishops Cannings going well in their first season in the Premier Division and also playing all of their home games on 3G at Green Lane, Devizes, it is likely to be another tough encounter for Josh Connolly's side. This game kicks off early at 2pm so why not catch some of the action ahead of the first team game.

The women's side are without a game this week and return to action a week on Sunday when they travel to Yeovil Town in the South West Regional Women's League Premier DIvision.

The Vets' Over 35s tough start to the season continued in midweek when they fell to a 2-0 defeat at the hands of the side who started the week at the bottom of the table, Penhill United. Our Vets' side remain without a win after six games in what looks to be a very high standard division this season, with the likes of Charlie Austin playing for Purton Kingsdown and a number of teams fielding players who until recently were still playing at Step 5 and Step 6 in the National League System. Hopefully that elusive first win is not too far away.

Enjoy the game this afternoon and hopefully we can return to winning ways to continue our climb away from the bottom of the table.

From The Committee Room
with Rab McLeod (Head of Senior Section)

Good Afternoon.

We are now fifteen league games into the season, and it is fair to say that the competition is as tight as it has ever been. The league is incredibly close, and just a few good results can quickly move a team up the table and into contention for the play-off places.

We faced a challenging start to the season as we worked hard to build a strong and committed squad. It was apparent that some players were not prepared for the demands of the season or not ready for this level, and as a result, they moved on.

Recruiting players continues to be one of the biggest challenges in local football. With more teams at this level than ever before, attracting and retaining players is difficult. There is also the reality that many young players have been told for years how good they are, but the step up to this level of football, both technically and physically, can be a significant challenge.

Like many clubs, we have experienced a considerable amount of player movement. So far this season, we have used thirty-six different players. Building a settled squad takes time, and that process is ongoing.

We are seeing signs of progress recently. We are more competitive and, importantly have picked up valuable points against teams around us in the table. This improvement is down to having a more settled group of players.

Our manager continues to work hard using his network of contacts both within the league and at higher levels of the game to strengthen the squad. At the same time, we remain committed to developing and giving opportunities to players who have progressed through our own pathway at this fantastic football club.

Behind the scenes, our volunteers have been working hard to support the senior section and ensure that our players have everything they need to perform.

Our medical team, Kara and Hannah, have been busy dealing with a constant stream of injuries Their dedication, care and professionalism ensure that players receive the best possible support and treatment.

Finally, I want to say a massive thanks to our groundsman and the team who support him. Their hard work and commitment mean that we continue to have one of the best playing surfaces in Wiltshire.

I hope you enjoy today's game. Thanks for your support

Good Afternoon.

Thank you for joining us here this afternoon at the Swindon Mercedes Stadium for this league game against Hallen.

As I noted on Tuesday night, after a tricky start to the season, with the squad now a much tighter group, we are starting to make progress. Malmesbury Viics on Tuesday night was always going to be a tight game given the circumstances of their new management team and plenty of familiar faces returning to the Swindon Mercedes stadium. More than anything it was important not to lose and we achieved that aim. The game could have gone either way but in the end we had to settle for a point. Lewis Clark came in for his first game of the season and kept a clean sheet and was deservedly man of the match on the night with a string of fine saves.

As I said on Saturday, with our recent games we have started to put together a lot of more complete performances but as ever there is still a lot to work on and achieve.

This afternoon's game should be another close encounter, as it was when we met them at their place in the first game of the season when it finished 1-1, with both teams looking to improve on the start that they have made and move away from the bottom end of the table.

On Tuesday night we make the short journey to Highworth Town and a first encounter on their new 3G pitch and hopefully we can go into that derby encounter on the back of a win here today. As always your support is greatly appreciated by the boys and the back room members.

Hallen AFC History

The club was formed by members of a new community living at Lawrence Weston on the outskirts of Bristol, which had been developed shortly after World War Two. The club was named Lawrence Weston Athletic and played in the Bristol & District League, and it has moved forward steadily since moving to the village of Hallen in 1979, to conform with League Ground grading. Much of the credit for the progress of this club can be accredited to the late Frank Fairman and his family. His son Francis, and grandson Lee continue the link with the club. In fact Lee played a major part in our fight for survival during the summer of 2015, when the club was in danger of losing its home. So it was no surprise when long serving Chairman Barrie Phillips nominated Lee to take over the chair from himself, at the next AGM. The club became known as Lawrence Weston Hallen when it moved to Moorhouse Lane, joining the Gloucestershire County League in 1982, and under that title were runners up 1987-88, and Champions 1988- 89, after which the club dropped Lawrence Weston from its title to become known as simply Hallen. The club completed the double in 1992-93, when winning the Gloucestershire Challenge Trophy and the League title. Promotion was achieved, joining the Hellenic League Division One, and after further improvements to the facilities (particularly the erection of floodlights and a 200-seater stand), a runner-up position in 1996–97 led to another step up, to the Hellenic League Premier Division. The club had always considered the Western League as its goal, as this League was more familiar with Bristolians than the Hellenic League. Their wish to transfer over was granted at the second time of asking but it was insisted that the club join the First Division for season 2000-01. The club finished fourth in its first season in the Western League and reached the last sixteen of the F.A.Vase losing to Brigg Town 6-5 in extra time. Further progress was made when new manager Gary Damone led the team to the Division One title in Season 2003-4, and fourth place in the Premier Division at the first attempt. The club also reached the final of the GFA Trophy and were denied a place in the first round of the F.A. Cup when losing to Nationwide Conference side Canvey Island in the fourth and final qualifying round.

This success saw Southern League side Taunton Town tempt Gary Damone to try his hand at a higher level, which in turn saw Hallen have a dip in form, as players were also tempted away. It is however well known that a high percentage of players are happy to return to Hallen, and for season 2009-10 the club welcomed back Gary Damone as manager and many former players too. The club finished in a disappointing twelth position in 2009-10, but a crop of long term injuries did not help. The club however were to lift the Western League (Les Phillips) Cup for the first time. The club had experienced a bad start to the 2010-11 season, which saw the departure of manager Gary Damone who chose to take charge of his own town club Wellington. Club stalwart Paul Owen was given the task of steering the team to safety. With just one win prior to taking over in November, he and his assistant John Tierney changed fortunes around and we were safe from relegation with six games left. Paul Owen's first full season as manager saw the club challenging for the title, but a dip in form saw the club slip to fourth. Off the field, the club had ensured promotion would not be denied, had the club won the title by obtaining the ground grading for Southern League football.

Season 2012-13 saw no repeat of a challenge for promotion, but the season was kept alive by reaching the final of the Les Phillips League Cup for a second time. In the final Willand Rovers won 1-0 before a crowd of 400 at Cribbs Friends Life FC. As Paul Owen had already decided to step down at the end of the campaign, it was unfortunate that he could not see his side lift the cup. By mid May the club announced that Hengrove Athletic manager Jamie Hillman was to take over as manager, He had been at the helm for eight years at Hengrove, and had just guided them to the Premier Division as runners up in April. The 2013-14 season under Jamie and his assistant Grantley Dicks, was a mixture of highs and lows. The highs being success in lifting the GFA Trophy for a third time and reaching the fifth round of the FA Vase losing away to West Auckland Town. In contrast we finished the League campaign without a win in fifteen games.

Hallen AFC History

Manager Jamie Hillman announced that he would be leaving, and previous manager Paul Owen agreed to return for the 2014-15 season. By November the League form was yet again cause for concern and Paul decided it would be best to bring in a new face, rather than wait to the end of the season. Steve Winter a former Walsall and Torquay player was appointed with a view, of him settling in, prior to the coming season. He was to resign in December 2015, and long serving player Tom Collett took on the role as player manager assisted by Rayan Wilson for the 2016-17 season. Following another poor run of results, Tom Collett made way for former player Ben Willshire to return as the new manager. Ben guided the club away from relegation, but when fortunes did not change in the next campaign, it was decided his assistant Rob Sage should take over the helm prior to Christmas 2017, with Ben remaining as a player. The resignation of Rob Sage forced the club to seek another manager in February. Former manager Gary Damone returned as interim manager, whilst the club decided on a replacement from a record number of applicants. The successful candidate being former player Ray Johnstone, who had guided Odd Down to the title in 2016. Ray recruited another former Hallen player Tony Davis as his assistant for the 2018-19 season, unfortunately Tony had to step down during the course of the season.

It was a season which saw a more settled side, finishing in twelfth place the best for several years. Further progress was made during the 2019-20 season, with Ray being assisted by Dean Horseman, before it was brought to an abrupt end due to the coronavirus pandemic. Ray's departure early in the season 2020-21, saw Dean takeover as Manager in what turned out to be another pandemic disrupted season. A poor run of results at the start of 2021-22 resulted in Dean and his new Assistant Tony Beecham departing the club. Stuart Jones and his trusty Director of Football Andy Hawkins took over, but unfortunately they could not magic a way out of the situation the team had been left in and we were relegated to step 6, which saw us back in The Western League, due to The FA's lateral movement. Early on in season 2023-24 we saw Stuart step down from the managerial role, and replaced by Karl Baggaley, who added some new faces to the squad and ended the season just outside the play off positions. In his first full season (2024/25) Karl built a team to win the Division One title by a 13 point margin to get Hallen back to Step 5 football. Last season saw us consolidate our step 5 status finishing 15th in The Hellenic League Premier Division, whilst enjoying an amazing run in The FA Vase, reaching the semi-finals, where we eventually lost to Stoneham who went on to win the competition at Wembley.

Stalemate as Bassett unable to crack ten man Hallen

Royal Wootton Bassett Town 0
Hallen AFC 0

Wednesday 13 August 2025

Despite playing against ten men for three quarters of the match, Royal Wootton Bassett Town had to settle for a point in a goalless draw against Hallen.

Ten previous league meeting between the teams had yielded six draws. So, if history is any kind of predictor, a sharing of the spoils was not out of the ordinary.

This was the first time however that Bassett and Hallen had played out a 0-0 draw.

Manager Jonny Aitkenhead will ultimately be frustrated though that his side were unable to make the extra man account after Jack Sheppard Cozens received a straight red card for retaliation in the 25th minute.

Sheppard Cozens had just seen a double chance go begging with player of the match Lewis Clark pulling off a point blank save before the forward failed to put the rebound away.

Bassett were grateful for that let off - and even more so when the red mist descended.

But with ten men, Hallen proved to be well organised and, try as they might, Bassett couldn't muster the magic needed to make their advantage count.

Indeed, Hallen arguably had the better opportunities.

For Bassett's young side it's another useful learning opportunity - though one they'll need to apply the lessons from the next time they find themselves in such a situation.

Match Report
v Malmesbury Vics

Derby stalemate

Royal Wootton Bassett Town 0

Malmesbury Vics 0

Tuesday 13 October 2026

Royal Wootton Bassett Town's highly anticipated Hellenic League Premier Division derby against Malmesbury Victoria proved to be a rather tense affair with the contest ending goalless.

It said a lot that the game - pitting two sides in the bottom third of the table against one another - drew a larger crowd than the other derby of the night between Highworth Town and Cirencester Town, two of the division's in form sides.

Over 200 were in attendance at the Swindon Mercedes Stadium (the third game to break that figure this season, with all games having been derbies). In contrast, Highworth and Cirencester attracted 173 - a still healthy number.

That reflected the intrigue in the match with Jonny Aitkenhead coming up against his predecessor as Bassett manager Sam Collier, who took to the opposing dugout with Alan Griffin for their first match in charge since assuming the reigns with the Vics.

There would ultimately be nothing to separate the sides though, with both managers arguably frustrated at the outcome.

For Bassett, the game was an opportunity to both pull themselves towards the middle of the pack and away from one of the sides below them in the table. Meanwhile for Malmesbury the hope would have been to extricate themselves from the bottom two while hitting the ground running with their new manager.

Neither side was able to fulfill those ambitions in a game that was tight and short on real attacking quality, despite the game at times being stretched.

Bassett had the better of the opportunities in the first half. An unmarked Alfie Presley skewed over from close range after Harrison Edwards' bustling run and cutback from the right.

Saturday's two goal hero George Cook fluffed his lines when set free by Edwards before a far post header from Joah Hall went narrowly wide.

Ed Taylor then came close to breaking the deadlock but was denied by Harry Pickering's superb instinct save as the Malmesbury 'keeper stopped low to parry his header from eight yards out from Ollie Smith's towering cross.

At the other end Kai Robinson initiated a counter after robbing Presley but Otis Lewis was unable to convert as he steered over from the edge of the box.

After the restart Malmesbury grew into the game more and Lewis Clark was forced into an alert save after Jordan Sykes used his strength to advance to the byline and cut back for Matt Morris to shoot from ten yards.

A Bassett break ended in Pickering tipping wide at his near post from an Ed Oatley drive.

Malmesbury then had the second period's best opening when Lewis, unmarked and ten yards out, skewed across the face of goal and wide after a low cross from the left.

Late on Pickering again denied Taylor who did well to connect with a back post header from a Presley cross. Bassett's Player of the Match Clark then pulled off two big stops late on. He first came charging off his line to bravely deny Harry Sealey at his feet after a long ball over the top caught Bassett on the break. Then when the Bassett defence was stretched, Clark was forced to save on the dive as Sealey turned and shot from ten yards out after Gabe Costello played a ball into the box.

The two teams go again at the Swindon Mercedes Stadium in just a fortnight's time in the opening round of the Wiltshire Premier Shield. That night something has to give.

Hellenic Premier Roundup Tuesday 13th October 2026

There were just five games played in midweek in the Premier Division of the Uhlsport Hellenic League which included **Royal Wootton Bassett Town**'s 0-0 draw here at the Swindon Mercedes Stadium in the local derby encounter with **Malmesbury Vics**. A report on that game is included elsewhere in this afternoon's programme.

The other four games included another local derby encounter involving **Highworth Town** and **Cirencester Town** which saw Highworth maintain their recent good form as they secured a narrow 2-1 win to move up to seventh place in the table. Both Highworth goals came from former Bassett players with both Bonsa Teshome and Bailey Gallagher finding the back of the net, substitute Fin Bell getting the Cirencester goal four minutes from time, with all three goals coming in the second half.

This afternoon's visitors **Hallen** were also involved in a game that finished 2-1, unfortunately for them they were on the wrong side of this result. First half goals from George Neil and Frankie Mckay put visitors **Mangotsfield United** 2-0 up and, whilst Harrison Fairman pulled one back just before the hour mark, that was to be the end of the night's scoring.

It was also 2-1 in the encounter between **Pershore Town** and Westfields, as Westfields moved up to third place in the table with the narrow win. James Baldwin put them ahead on 12 minutes and it remained that way at the break. Jamie Lucas brought Pershore back on level terms on 55 minutes, but Westfields restored their lead seven minutes later through Will Dallaway with what proved to be the winning goal.

Biggest winners of the night were **Cinderford Town** who thrashed **Tuffley Rovers** 7-1. The goals were shared around with two for Harry Leeson and one apiece for Jack Watts, Ben Vine, Nathan Dennis, Tommy Callinan and substitute Tristian Haswell, with Harley Mustoe scoring a consolation goal for Tuffley in injury time at the end of the game. The win for Cinderford saw them move up to fourth spot in the table.

Bassett bounce back with confident win

Royal Wootton Bassett Town 2
Yate Town 0

Sunday 11 October 2026

A victory and a clean sheet were just what the doctor ordered as Royal Wootton Bassett Town claimed a deserved 2-0 win against Yate Town in the South West Regional Women's Football League Premier Division.

Two consecutive defeats - including last week's Women's FA Cup humbling away at Bridgwater United - had set Bassett back after a solid opening three games.

But James Lally's side put those results behind them with a valuable three points against Yate that keeps them firmly in touch with the teams at the top. And the final score didn't reflect the nature of Bassett's dominance of a game in which they were unlucky not to win by a much bigger margin.

Bassett were on top for the majority of the match and had good opportunities to lead early. Tori Taylor flashed a header just wide from a Poppy Wannell cross following a short corner. A double chance then saw a Megan Young blocked following Elle Scott's through ball before Shawna Hannam parried Wannell's rebound effort.

Bassett then led after a swift counter on the half hour mark.

Scott would start and finish the move. She intercepted the ball midway inside her own half before midfield partner Taylor advanced play with a pass to Young. A surging run from Young stretched the Yate defence and, on the edge of the area, she turned before setting back to Scott, who rode a challenge and swept a confident finish into the bottom right corner.

The woodwork denied Bassett a second as their pace continued to cause Yate's defence problems with Wannell steering onto the post from Young's cutback from the byline. Yate failed to clear and Scott shot narrowly wide from the edge of the area.

Bassett did get their second ten minutes into the second half. Laura Jefferies swung in a corner to the near post and, after shedding her marker, Young produced a composed side foot volley from close range that flew in.

The hosts were unfortunate not to have a third when a long kick from Millie Powell set Freya Monk in behind the defence. She had the beating of a Hannam with a low drive but struck the right upright. Scott then smashed narrowly over on the half volley from a Taylor corner.

Yate had a decent late spell but failed to really trouble Powell as Bassett preserved their first clean sheet of the season. And Bassett threatened again late on with Wannell firing into the side netting after latching onto another dangerous through ball.

RWBT Dev 2 Devizes Town Res 3

Saturday 10th October 2026

There was last minute agony for Royal Wootton Bassett Town Development as they lost 3-2 to Devizes Town Reserves in the Wiltshire League Premier Division, extending Bassett's winless run to five games.

George Knight put Bassett ahead early on before the visitors equalised from the spot shortly before half time through Eoin O'Grady.

Alex Greenouff soon equalised with a goal that was allowed to stand despite the Bassett man seeming to be in an offside position.

The game seemed as though it was headed for a draw. But Swain snatched victory for the visitors with the last kick of the game.

Harvey Swain then put Devizes ahead midway through the second half after Bassett failed to clear their lines.

ONE GAME – possibly two if it goes to a replay – away from the dream draw.

This week, 64 Non-League teams will fight it out for a place in the FA Cup first round.

Leicester City at home? Sheffield Wednesday away? It won't happen if you're not in Monday's draw.

In many ways, the fourth round qualifying has the feel of the first round proper these days, with so many ex-Football League club names scattered throughout Non-League's top two tiers.

And it promises to be an action-packed Saturday.

Step 4 AFC Rushden & Diamonds are, of course, the next guise of the former Football League club and they take on Morecambe this weekend after knocking out National League South Braintree.

"The club are absolutely buzzing," boss Elliot Sandy said. "It's a fan-owned club so there are so many volunteers working tirelessly to make the club run like it runs.

"I get the easy bit. We work hard but we've just got to concentrate on the football. Without all the people behind us, it would be impossible to do what we're doing on the pitch.

"I thank all the volunteers regularly because without them we couldn't do what we're doing at the minute."

Stafford Rangers are also a Step 4 side dreaming big – they've already seen off Hereford and Halesowen to set-up a trip to struggling Gateshead.

Boss Graham Deakin said: "I am so confident in our group. Regardless of the troubles (Gateshead) have off the pitch it will be very difficult but we go there full of confidence – we have to with the start we have had.

"We can only control what we can control. If we are on it then we will give anyone a game, I really believe that. Hopefully we can cause another shock."

For some it's about avoiding a shock. Chorley boss Andy Preece will take on his boyhood club Worcester City, the place his career began and a club he managed in the FA Cup second round against Huddersfield.

"Without Worcester City I wouldn't have had the career I have," Preece said.

"I was 17 when I made my debut against Scarborough at home from the bench. I could not breathe! The game was so fast. I probably touched the ball four times."

Leatherhead host Yeovil Town in another eye-catching tie, FC United are making the short trip to Altrincham.

Then there are the two remaining Step 5 sides. SE Dons, who beat Weymouth to reach this stage, are off to Sholing and Tadley Calleva make the short trip to Aldershot Town.

"Tadley is a small village," manager Joe Lawler said. "We continue to be underdogs. But it's all about the magic of the FA Cup and trying to dream big. We've done that this year and we've had a superb run. We'll go to Aldershot full of confidence, and we'll give it our best shot.

"We've beaten the odds in the last two years, and being in the first round draw would just be another magical thing for the club."

The Blues produced an impressive performance to secure their place in the next round, keeping a clean sheet while scoring four times through Elliot Brady, Joshua Kirkup and Nate Rich to cap a successful cup outing.

The **Under 14 Blues** were also in emphatic form, recording the standout scoreline of the day with a 9–1 win over Shrivenham Hoops.

It was a dominant display from start to finish, as Bassett's powered their way through to the next stage. Cameron Greaney led the way with a hat trick while William Mason (2), Ellis Paviour (2), Veer Chavda and Josh Wright completed the scoring.

Those sides will be enjoyed in the last sixteen by the **Under 14 Yellows** who were awarded victory in their tie against Blunsdon Black.

It was a more difficult cup Sunday for the **Under 15 Yellows**, who faced a tough test, losing 7–1 at home to Blunsdon, and Under 13 Yellows, who were beaten 8–0 by Purton Youth Bears.

Away from the cup action, the **Under 16 Blues** delivered one of the weekend's most impressive league results, beating Faringdon Town 8–0 in North Wilts League Under 16 Division Two.

The comprehensive victory demonstrated the side's attacking strength and defensive organisation. On target for Bassett were Rudy Iles-Jones (4), Corey Cooper, Sergio Estrada, Suneal Fasasi and Kenwyn George.

The **Under 18 Blues** also enjoyed success on the road, earning a 4–1 away win against Wanborough Junior Black in Division One. The result provided a valuable boost to their league campaign as Bassett won for the second time.

The **Under 16 Yellows** suffered a 9–1 defeat away to Purton Youth Wolves, while the Under 12 Yellows were beaten 4–1 away to Ramsbury Youth.

Despite those setbacks, the cup wins for the Under 13 and Under 14 Blues provided plenty of encouragement, with both sides progressing their knockout campaigns in style.
