Women's Team Bassett Bulletin

GOOD AFTERNOON and welcome everyone, to the newly named Swindon Mercedes Stadium for our first home game of the season.

This afternoon, we welcome AEK Boco, who have made the short journey along the M4 from Bristol. As always, a very warm welcome to everyone from Boco — the players, coaches and supporters. I hope you enjoy your brief stay with us this afternoon and wish you all a safe journey home.

As this is our first home game of the season, I would like to take this opportunity to thank our management and coaching team of James, Gary and Steve, who have once again worked tirelessly throughout pre-season. Their hard work has gone far beyond the training ground, with a full programme of pre-season fixtures helping to prepare the squad for the challenge ahead as we step up into the South West Regional Women's Football League Premier Division.

There have been a number of changes to the league structure since it was proposed at the AGM back in June. Forest Green Rovers have withdrawn their women's team from the league, while B2A FC, based at Hallen FC, have joined the division following the reorganisation of their women's set-up. More recently, we have also seen Saltash United Women withdraw from the league, despite players having already signed on and featured in pre-season friendlies.

As a result, we are now left with a division of just nine teams. Once again, there is only one promotion place available, with no play-off opportunity. I find this particularly disappointing, as I believe this division has the potential to be extremely competitive, with several teams capable of challenging at the top. Sherborne Town will no doubt be looking to go one better and finally secure the title at their third attempt.

We are certainly no strangers to this division, having spent four seasons here between 2019 and 2023, before being relegated back into the East Division. I

I continue to find the current league structure frustrating, particularly with only one team able to earn promotion from each division and no play-off route available.

Away from the football, I am once again extremely grateful to all the volunteers who give up their time to help behind the scenes and make my job on matchdays so much easier.

Janice and Andy have again agreed to help with the kiosk, as well as assisting with putting up the nets. Craig Moreton is covering the turnstile, which is very much appreciated. Gareth has also agreed to help wherever needed this season. He has already stepped in to cover the referee's position when we have been without an appointed official, as well as running the line for many of our games.

A further thank you must go to Mark Smedley, who has once again agreed to produce this excellent programme for every home women's game. It is a fantastic commitment and something that is greatly appreciated.

Finally, my thanks go to Pete, Tony and Roger for their continued support with cleaning the changing rooms and helping with kit organisation. All of your efforts, both seen and unseen, are hugely valued.

I hope you all enjoy the game this afternoon, and I hope the team can get the season off to a positive start.

Enjoy the game, and I'll see you in the bar afterwards.

Bryan

From The Dugout with Manager James Lally

Good Afternoon.

Welcome back to football and a very warm welcome to the newly named Swindon Mercedes Stadium. It is fantastic to have you with us for the opening day of the season. You will notice the girls stepping out in our brand new kit today, complete with our new sponsors. It feels fitting to have a day of fresh beginnings as we make our long awaited return to Tier 5.

It is hard not to look back at the journey we took to get here. Winning the league in my first season managing this group was a very special experience. It was a nervy campaign at times, with several strong teams hunting us down week after week. Yet, the squad showed immense mental strength and quality to handle the pressure we placed firmly on our own shoulders. Reaching the County Cup final was a brilliant achievement too.

We did fall just short of reaching the FA Cup first round proper, and we missed out on the League Cup final. Looking back, that League Cup exit was actually a blessing in disguise. With the heavy backlog of fixtures at the end of the year, it allowed us to focus our minds and bodies entirely on getting over the line for our number one objective.

Football is always moving forward, and with a new season comes change. We have managed to keep the core of our title winning squad together, but we have had to say goodbye to Emma Sykes, Amber Egerton, and Lucy Goodright. Over the years, they have represented this club with absolutely everything they had. I often remind the players that we train and play against each other far more than we play against anyone else. Success requires everyone to sacrifice for the team and push the standards in every single session, regardless of matchday minutes. Emma, Amber, and Lucy did exactly that. We wish them the very best for their next steps.

We have also brought some fresh faces into the squad. It is a really exciting mix of youth and experience, and we look forward to formally announcing them over the coming weeks.

Alongside these new arrivals, there is also a change within our leadership group this year. I am delighted to share that Scotty is stepping up as the newest member of the captaincy group. It is an incredibly well deserved appointment. In case she hasn't told you, she did score a hat-trick in the final game of the season, which was a big factor in our success last season, and I know she will lead this group brilliantly on and off the pitch.

While so much around us is new, our core identity remains exactly the same. Our effort, our hard work, and our trust in one another will not change. We are not entering Tier 5 just to survive. We want to attack this league and work hard to deliver a history making season for the club, whether that is through our final league position or our progress in the cup competitions.

I expect this division to be incredibly tight. With only 16 fixtures this year, there is very little room for error. Just like in our league last year, I anticipate the top spot changing hands on a regular basis.

Today's opponents, AEK Boco, will absolutely be one of the teams fighting for the title. They have their own history to make. It is going to be a tough opening test, but it is exactly the kind of challenge we worked so hard last year to earn.

Thank you as always for your support. It makes a genuine difference on the touchline, and we look forward to taking you along with us on this journey.

James

From The Dressing Room with Elle Scott

Good Afternoon.

We're excited to get our season underway this weekend as we begin life in a new and more challenging league. After everything we built last season, we're ready to carry that same energy, ambition and drive into Tier 5 and see what we can achieve together.

Success might look a little different this year, but one thing we've always known is that we have the talent, work ethic and togetherness to really compete at this level. We've welcomed back the girls from our league-winning squad, alongside some fantastic new additions who are ready to make their competitive debuts for the club against Boco this weekend.

We also said goodbye to some Bassett legends over the summer, who all played a huge part in what we achieved last season and in getting the club promoted. They'll always be a big part of the journey we've been on, and we wish them all the very best for whatever comes next.

We're keen to start our Tier 5 journey in the right way, but we certainly won't be underestimating the challenge in front of us. AEK Boco have been pushing towards the top end of Tier 5 over the past couple of seasons and are a strong, physical side who will give us a good indication of the level and intensity we can expect this year. It's exactly the kind of test we're looking forward to.

Personally, I'm also really happy and proud to have been added to the leadership team this season. It's something I'm genuinely honoured to take on, and I'm looking forward to helping the team continue to grow both on and off the pitch.

We know we'll be facing plenty of challenges throughout the season, so we'll need to keep working hard and to stick together. We'd also love to see as many of you as possible home and away, to get behind us and give us that extra boost we may well need!

As always your support is hugely appreciated

Elle

AEK Boco

AEK-BOCO F.C. was formed during the summer of 2003 as the result of a merger between two long-established clubs (AEK Rangers and Boco Juniors).

AEK Rangers - in 1977 the club was formed, named by someone who had just holidayed in Greece and an original Scottish player who wanted Rangers in the name. Mainly consisting of a group of workmates from DRG, they played at Dundridge Playing fields. The first team won The Senior District League in 1995 and played at BAWA club.

Boco Juniors was formed in 1978 by Bob Boyd, a former director of Bristol City FC, and John Cummins. Named after the 1978 Argentinean Champions Boca Juniors, as it corresponded with the year that Argentina first became World Champions.

The first competitive match was an under 11's friendly against Hanham Boys (Boco lost that day 4-2). Andrew Norris scored twice to record Boco's first ever goals. Boco subsequently entered the Hanham Minor League for the Under 11's.

Boco's first league game was played in September 1978 against Streamside. Sadly, we lost that fixture 7-5, with Bob's son Robert Boyd scoring the first ever league goal for the club. Players from this original team still play football within leagues around Bristol today.

The second season and a second Under 11's team were a little special, winning the Minor Cup Final at the old Eastville Stadium. The match against Bridge Farm attracted a large crowd, and finished 1-0, with the goal being scored by Mark Cooper, son of former England, Leeds and later a manager of both Bristol City and Rovers. Mark progressed onto play senior football for Macclesfield Town in the lower divisions of the Nationwide League.

The team also included on the left of midfield a lad who notched 87 goals that season and his name was Julian Dicks. Always destined for greater things, he progressed to become a regular with Birmingham City, Liverpool and West Ham United, where he appeared 262 times in the league.

Paul Mardon also appeared for BOCO that year scoring over 50 goals and in 1996-97 became the first full international to have started at BOCO when he made his debut for Wales. Paul played for Bristol City in the 1987-90 seasons, before moving to Doncaster Rovers, Birmingham City and West Bromwich Albion where he was joined by another BOCO team-mate Darren Lloyd for a short spell. A long-term knee injury forced Paul to call it a day in the 2000-01 season.

The side continued to flourish at Under 12 and produced another rising starlet in Darren Carr who played for Chesterfield in the 1997 FA Cup semi-final versus Middlesbrough.

AEK Boco History

Throughout the 80's BOCO continued to produce talented players such as Martin Wilmott (Bristol City), Darren Harvey at Watford and even a future snooker professional playing at right back Mark Johnston-Allen.

Pete Clarke's sons Neil was an accomplished Old Georgians cricketer and Robert played in goal for England U-19's in 1996/7. Sir Alex Ferguson spotted a young Ross Millard playing for BOCO and Ross was signed as full time professional only to see his dubbing career cut short by injury.

AEK BOCO Ladies F.C. were formed a few years after the initial amalgamation of the Youth and Men's sections in 2003. The First Team began playing competitive games in the Gloucester County League where they remained for several years. The previous First Team manager Keith Harris managed the Ladies First team for over 10 years before stepping down during the 2019-2020 season. The majority of players have represented AEK-BOCO Girls F.C. at junior level and have continued to play football for the Ladies.

AEK-BOCO Ladies FC have had a huge level of success over several years which now sees them play at tier 6 of the Women's Football Pyramid. During the 2015-2016 season the First Team secured County League & Cup Double along with a tremendous run in the FA Cup which seen them reach the Fourth Qualifying Round after beating Shanklin LFC in the Third Qualifying Round 1-0.

2016-2017 was another historic season for the First Team as they again were promoted after finishing runners up in the South-West Regional Women's Football League Northern Division, they were promoted to the Premier Division.

The First Team have successfully retained their position in the South-West Regional Women's Football League since 2016.

Women's Team End of Season Awards 2025-26

Women's First Team defender Briony Hurd was the star of the show as Royal Wootton Bassett Town's Men's and Women's sides held their presentation evening on Friday 15th May.

Hurd took home both her team's Players' Player and Supporters' Player of the Year prizes.

At the time of the Presentation Evening the Women's First Team had yet to wrap up their season with the final game scheduled for the following Sunday, when a win would secure the South West Regional Women's Football League Division One North title. They duly secured that win on the Sunday defeating Paulton Rovers 5-0 away to be crowned as champions.

Key to Bassett's success had been their watertight defence that had recorded a remarkable 18 clean sheets come the season end.

It was therefore perhaps little surprise that a key member of James Lally's side's defence, Briony Hurd, picked up a Player of the Year double. Hurd was absent most of last season while travelling, but had been sensational following her return with consistent, strong displays. One of the first names on the teamsheet, Hurd played in all but two games, coming off the bench just once, while also scoring four goals.

Tori Taylor - one of Lally's key summer signings - then took the Manager's Player of the Year prize. Featuring in midfield and attack, Taylor's experience had proven decisive for Bassett in Season 2025-26, helping her team pull through in multiple closely fought games. Her quality had been on display too. And in 25 appearances Taylor contributed eight goals - including the stunning winner in a crucial away victory at Bitton.

Players' Player of the Year: Briony Hurd

Match Report v Paulton Rovers

Champion performance seals title

Paulton Rovers 0

Royal Wootton Bassett Town 5

South West Regional League Division One North

Sunday 17 May 2026

Royal Wootton Bassett Town are South West Regional Women's Football League Division One North champions!

Knowing that victory away at Paulton Rovers would guarantee top spot, James Lally's side delivered the victory they needed - and then some.

The jitters that had seemed to afflict Bassett in final run in were gone. Instead a confident performance secured an emphatic 5-0 victory and the outcome that Bassett's performances over the past nine months more than deserved.

Despite having won just once in the league all season, Paulton were set to be no pushovers, having been competitive in most of their fixtures this season.

And they held out against Bassett for most of the first half until Kelly Nightingale, scoring her first goal of the season, headed home a Tori Taylor corner at the far post.

Leading scorer Lauren Bulley then put Bassett in charge going into the break, tapping in after a powerful strike from Hannah Gulliver came back out off the post.

Elle Scott's second half hat trick then sealed the deal. Scott had not scored since January, but the midfielder made sure to reach double figures before the end of an impressive campaign.

A fierce strike into the bottom corner made it 3-0 before she reacted quickest to grab the rebound following a penalty that Bulley was unable to convert. A headed goal then made it 5-0 to complete the scoring.

And it was more than fitting too that Bassett kept a clean sheet. It marked the 14th occasion in their 22 league games - and 18th time overall this season - that Bassett had shutout their opponents. Indeed the number of league clean sheets is one greater than the number of goals (13) they conceded.

Those numbers are remarkable - and testament to the outstanding defense Bassett have, as well as the quality of coaching they have received.

As Bassett know all too well from their previous experience in 2017-18 and 2023-24 when narrowly missing out, fine margins are often the difference between earning the title and remaining at tier six.

This year, fortune was in Bassett's favour as they edged out Corsham Town and Bitton in what has been a thrilling title race involving three excellent sides.

But Bassett's defensive record - far and away the best in the division - has arguably been the decisive factor.

After a three year hiatus, Bassett will now return to tier five of the women's football pyramid.

Champions of Division One North - what an achievement that all the players and management team deserve to celebrate.

Women's leadership team announced

Royal Wootton Bassett Town Women's First Team manager James Lally has appointed a five-strong leadership team as his side finalise their preparations for the start of the South West Regional Women's Football League Premier Division campaign.

The quintet of players who have been appointed emphasises the important role that Bassett's experienced players will have in bringing along a young squad.

The leadership group will be comprise three captains, with the captaincy shared between club stalwart Laura Jefferies, veteran centre half Alice Bowden - who previously skippered Swindon Town in the FA Women's National League - and midfielder Elle Scott - who joined Bassett last season and played a crucial role in the team's Division One North title-winning campaign.

Joining them in a leadership capacity will be Hannah Gulliver - a long-serving forward who knows the club inside out, and vastly experienced midfielder Tori Taylor who was another crucial signing last year.

Commenting on the appointments, manager Lally said: "Although they all go about things in their own way, something that connects all five of these players is their work ethic. They are all experienced, they lead by example, and they aren't afraid to be vocal both on and off the pitch. It gives us a really solid core to build around this season

"Jefferies is a true club player. She's been with Bassett her entire playing time and knows the club inside and out. She was ever-present at the back for us last season, works exceptionally hard, and puts in some great deliveries. Laura became more vocal within the group as the season went on, but her leadership really shines in those one-to-one moments with players, a quiet word here and there and an arm around the shoulder when needed."

I've known Bowds for several years, and she has actually captained a previous team for me where we had some highs and lows together, but those experiences are why I trust her. She brings solid National League experience to the group. She is someone that is highly reflective and her own biggest critic, which sets a great standard, and I can always rely on her to speak her mind honestly to both me and the players."

"Scotty is stepping up as a new captain this year. She was a standout performer for us last season and was already displaying clear leadership qualities without the formal title. She is a real motivating factor within the team and a true winner. There were several games and moments last season where she drove the team forward with her performances in midfield and, particularly in the first half of the season, scored and assisted to bring us control in games and settle us down."

"Hannah is another long-term Bassett player who really understands and loves the club. While she isn't a captain this year, she plays a big role in the leadership group and is a really hardworking player that can always be relied upon and who others look up to. Not only is she a role model within our group, but she'll be continuing with her coaching role in the club's youth section."

"Tori has then been an important player for me in several teams and will have a slightly different role this season. We've given her an explicit focus on supporting the younger players who are coming into the team and stepping up to senior women's football. She has vast experience in the women's game, and she is someone I trust to voice her opinion to me while keeping the players accountable. She popped up with some crucial goals last season, but I felt she really stood out in the tough, nervy moments at the end of last season with her calmness on the pitch and in the dressing room."
