Women's Team Bassett Bulletin

GOOD AFTERNOON and welcome everyone to the Swindon Mercedes Stadium for our second home league game of the season.

Today's opponents are Sherborne Town, who have travelled up from Dorset to be with us today. A very warm welcome to all the visitors from Sherborne — the players, coaches and supporters. I hope you enjoy your brief stay with us this afternoon, and I wish you all a safe journey home.

We last played Sherborne back in the 2022–23 season, when we lost both games. The first was a 2–1 home defeat early in that season, with Laura Jefferies scoring our goal. The away fixture ended in a 3–0 defeat and, from memory, I can't recall much about the game.

That season saw us relegated, with just two wins all season. However, I do recall us playing away at Torquay United in what was their last game of the season. They needed to win to take the title from Bristol Rovers, while we were still trying to escape relegation ourselves.

We pushed them all the way, but eventually succumbed to a late strike from distance — a pure fluke, in my opinion — which was enough for them to win the game 1–0 and clinch the league title. Yes, they were presented with a large league trophy!

This was our fourth season in the Premier Division, with two of those seasons curtailed due to COVID.

Last Sunday saw us take our place in the Third Qualifying Round draw of the Adobe Women's FA Cup after a 2–1 win over Gloucester City. I would describe the performance as a battling one. This again equals the furthest the women's team have reached in the competition.

We have now played in this competition for thirteen seasons and have played twenty-five ties overall. I have missed only two of those games, with the Bridgwater tie due to be my third. I probably need to change my holiday dates, as I could miss this team making history!

The new sponsor board for Swindon Mercedes is now up at the front next to the turnstile, and how nice it is to see a female player on it. For me, this shows that we are not just a one-team club.

The other change is at the bottom end of the ground. It's not so easy to read from the middle of the pitch, but it is still something I really like, with the club badge and the quote, "One Club."

It proved to be a very good weekend all round, and how nice it was to see the men's first team winning away at Westfield by a single goal, scored by Ed Oatley. I'm also hopeful that this will be the turning point for Johnny and the team.

There were some more positive results from last Saturday in our girls' section, with the U8s and U9s drawing, while there were wins for the U10s, the U12s, who won 5–0, the U14s, who won 3–1, and the U15s, who won 4–0.

Enjoy the game this afternoon, and I hope the team can get back to winning ways.

See you in the bar after the game.

Bryan

From The Dugout with Manager James Lally

Good Afternoon and welcome back to the Swindon Mercedes Stadium for today's league fixture.

Last weekend we managed to overcome a very tough FA Cup tie against Gloucester City, securing our spot in the next round with two well taken goals from Meg Young. If I am honest, I felt we did not show the very best of ourselves across the full ninety minutes. We did not dictate and control the game as much as I would have liked. The final half hour was really pleasing, though. Our desire to win the tie completely shone through. That ability to navigate tough spells, dig in, and keep pushing physically was a real trademark of ours last season, and it is great to see it already paying off for us this year.

That result means next week we head into the final qualifying round, looking to make club history by reaching the first round proper. We have been handed just about the toughest draw possible in Bridgwater away. They are sitting top of Tier 4 and are unbeaten so far. Getting a result there will require a massive effort, and we will certainly need things to fall our way on the day. Still, there is no better way to make history than by beating a side most people would not give you a chance against. We will give it absolutely everything we have.

Today, however, we have the equally important task of returning to league action against Sherborne Town. I have managed against Sherborne a few times in the past, and the games are always tightly contested. They have been competing at the sharp end of Tier 5 for a couple of seasons now, and I have no doubt they will be pushing for those top spots again this year.

For us, today is about continuing to take the steps needed to realise the full potential of this group. We have seen brilliant moments from the squad across our first three fixtures. This afternoon, we want to start putting more of those moments together to deliver a complete performance.

Get behind the girls, and enjoy the game.

James

From The Dressing Room with Laura Jefferies

Good Afternoon and welcome to Sherborne Town who we face today as we return to league action. Currently sitting just one place below us we know we need to be at our best to get anything out of the game. As we know, with any fixture this season there are going to be no easy points.

Fortunately, for us we go in to today's match on the back of our 2-1 win over Gloucester City in the FA Cup. A real boost for the changing room! We have since found out we have been handed an away tie against tier four Bridgewater United. A tough draw but as we all know anything can happen in the FA cup and we will be hoping to cause a cup upset.

A big thank you to everyone for their support and getting behind the team on a Sunday and also to our sponsors for the season. We hope you enjoy the game!

Laura

Sherbourne Town

Sherbourne Town Ladies were formed as recently as 2018 and are part of the Sherbourne Town Football Club that has been in existence since 1894. The men's side started life in the local Dorset Leagues but were promoted to the Toolstation Western League at the end of the 2005-6 Season where they have remained ever since. They have had two spells in the Premier Division but were relegated at the end of the 2016-17 Season and remained in Division 1 until Season 2021-22 when they secured the Division One title with 99 points from their 40 games. They spent one season in the Western League Premier Division before transferring to the Wessex League Premier Division. In each of the three seasons in their new league they have secured a top half of the table finish with two ninth place finishes and then an eighth place finish last season.

The Ladies side have been a very successful side from their very first season, that season saw them crowned champions of the Dorset Women's League winning all 18 of their league fixtures to finish some 17 points ahead of their nearest challengers Merley Cobham Sports Youth Ladies.

The league title success saw them promoted to the South West Regional Women's League Eastern Division and they were once again having a successful season before Covid brought that season to a premature end with Sherbourne top of the table with just one defeat in their opening nine games.

The following season saw them moved across to the Western Division and once again they started the season well. They won both the league games they played and also progressed a couple of rounds in the FA Cup before eventually going out to Premier Division side Portishead Town.

With Covid once again bringing the season to an early end with Sherbourne having had two successful, albeit shortened seasons, in the second tier of the South West Regional Women's League they successfully applied to be promoted to the Premier Division of the South West Regional Women's League. That confident application was well and truly vindicated as they finished their first season in third spot after leading the division at the turn of the year. In the end they finished just four points behind champions St Austell and were the only side to inflict defeat on St Austell all season winning at home against the champions 3-2.

The following season Sherbourne dropped a place to fourth but the three seasons that have followed have seen them once again finish in third spot, as they have well and truly established themselves as one of the leading sides in the South West Regional Women's Premier Division. Now in their sixth season at this level they will no doubt be looking to move up to the next level come the end of this season.

Bassett hold leaders Sherborne in six goal thriller

**Royal Wootton Bassett Town 3
Sherbourne Town 3**

**South West Regional League Premier
Division**

Sunday 9 January 2022

High-scoring, closely fought thrillers have been the order of the day throughout the 2021-22 season for Royal Wootton Bassett Town Ladies. And their return to action following the Christmas break was no different as Bassett shared six goals with current South West Regional Women's Football League Premier Division leaders Sherborne Town in another goalfest.

The first ever competitive meeting between the teams was a hugely entertaining see-saw battle. Bassett twice went ahead only to be pegged back by Sherborne. The visitors then earned their first lead of the afternoon, but were unable to hold on for the win as Bassett snatched a late equaliser.

Both teams will feel as though they could have taken victory. However, Bassett will perhaps be the ones kicking themselves the most as they passed up an opportunity to pull within three points of their opponents with a game in hand still to play. Instead, they remain six points behind Sherborne, dropping a place to fourth after Torquay United's big victory against Middlezoy Rovers.

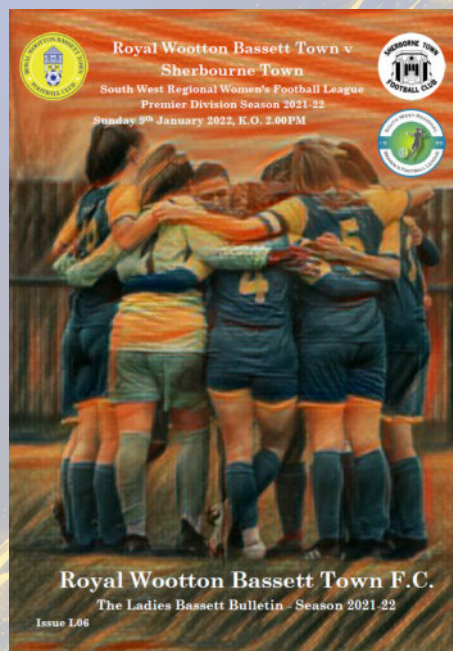

Bassett found themselves in front shortly before the 20 minute mark as Libby Davies grabbed the first of what would ultimately be another hat trick - her fifth of the season. She owed a great debt to the work of teammates Holly Baker and Hayley Huckin, whose great build up play set the forward up.

Sherborne got back on terms ten minutes before the break though as the visitors seized possession in midfield and a quick break ended in Ali Scott-Sheppard producing a fine finish as she spotted Bassett 'keeper Millie Powell off her line.

The game's next goal arrived on the hour as Huckin and Lani Dickinson linked up well, with the latter threading a precise pass to Davies, who rounded Emily Hall before slotting home.

However, Bassett's second lead of the day did not last long as Sherborne's Gemma Mountain punished the hosts for their sloppy play.

Mountain netted again late on to put Sherborne in pole position. But Bassett were quick to react and Davies made sure her side went home with a share of the spoils, scoring her third after latching onto captain Laura Jefferies' through ball.

Close but, again, no cigar as Bassett suffer Sherbourne setback

**South West Regional League Premier
Division**

Sunday 18 September 2022

Another closely fought contest, another defeat for Royal Wootton Bassett Town. Simon Harrison's side remain winless in the South West Regional Women's Football League Premier Division as they fell to a narrow 2-1 defeat against Sherbourne Town in their first home fixture of the new campaign.

As with their season opener away at Bristol Rovers, Bassett took the lead only to finish the afternoon empty-handed - although this time the game produced only three goals as opposed to the ten against Rovers.

Bassett opened the scoring midway through the first half when captain Laura Jefferies delivered a towering corner that, not for the first time in her lengthy career with the club, beat everyone and swung into the back of the net.

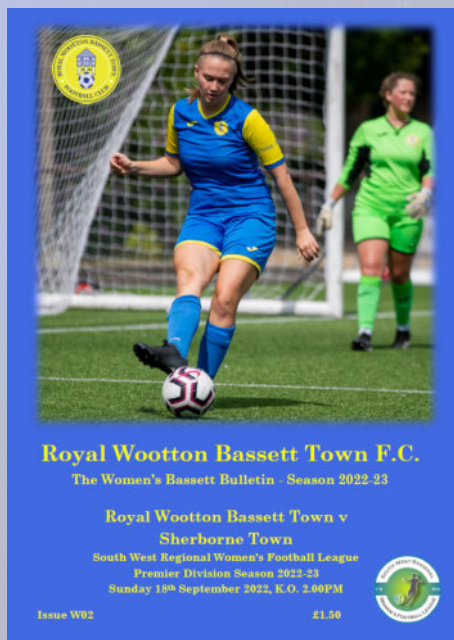

Sherborne - who impressed as they finished third last season, came out strong following the restart though and were level within minutes of the game resuming as a cross from the right was bundled in by Sophie Garcia.

The visitors then struck what proved to be the decisive third goal with around quarter of an hour remaining as Orla East raced onto a defense splitting through ball and coolly slotted home.

While suffering a second defeat, Bassett can take solace from the fact that they again ran their opponents close - and were unfortunate not to take anything from the match.

Demonstrating how competitive the division is set to be, with their win, Sherborne are the only side in the division to still boast a 100% per cent record. And that's with all teams having played just two matches.

Bassett, meanwhile, are one of two sides yet to register a point - and something will have to give next week when they visit Poole Town, who are also yet to get off the mark.

Match Report v Gloucester City

Young double sees off Gloucester

Royal Wootton Bassett Town 2

Gloucester City 1

Sunday 20 September 2026

A Megan Young brace sent Royal Wootton Bassett Town through to the third - and final - qualifying round of the Women's FA Cup for the fifth consecutive season as Bassett edged out Gloucester City 2-1 in an all-South West Regional Women's Football League Premier Division tie.

Two opportunistic goals helped deliver victory for Bassett in another closely fought contest against Gloucester.

The first shot on goal of the game brought the first goal. Receiving possession on the left inside her own half, Hannah Gulliver played a ball into the channel that Georgi Slanina-Wertz seemed destined to intercept. But a poor touch from the visiting defender gifted Young the ball and, after racing through on goal, she squeezed a shot beyond Evie Smith at the near post.

Gloucester then had the better of the chances for the rest of the half. Cerys Jones hit the side netting after being played in by Amelie Birchley. Jones then saw a cross squirm beneath her feet when well placed in front of goal. Later in the half Angel Wyatt struck narrowly over as Bassett only half cleared from a corner.

They should have levelled after catching Bassett napping when trying to play out from the back but Jones' square pass was somehow placed into the side netting by Holly Myatt. Jones then fired on the turn from twelve yards out but shot straight at Millie Powell.

Gloucester levelled though four minutes after the restart.

They started the half brightly with Hannah Dix steering narrowly wide after a corner fell to her while Jones guided just over with a first time strike from the edge of the area.

Young was guilty of spurning a one-on-one opportunity when presented with just Smith to beat as she struck straight at the 'keeper.

Gloucester quickly transitioned to the other end of the pitch where they won a corner. The set piece then fell to Holly Myatt at the far post, whose quick feet took her past Honor Fraser before she coolly slotted into the net.

The visitors remained on top and could have had a penalty when Briony Hurd scythed down Jones on the edge of the area. Fortunately for Bassett the referee deemed the foul to have taken place just outside the box.

Holly Myatt's free kick was comfortably held by Powell. But the Gloucester forward soon had the Bassett 'keeper beaten only to see her curling shot come back off the bar.

But fifteen minutes from time Young popped up with what proved to be the winner for Bassett. From right full back Fraser played a precise diagonal pass between two defenders and towards Young. The ball then bounced into the path of Young who, seeing Smith off her line, produced a deft first time lob that sailed into the net.

In each of the last four seasons Bassett have suffered an agonising exit at the third qualifying round stage. Now, James Lally's side will be looking to finally make club history and reach the first round proper.

Fifth time lucky? Here's hoping.

An extremely tough test away against tier four Bridgwater United stands between Royal Wootton Bassett Town and a place in the first round proper of the Women's FA Cup after the third qualifying round draw was revealed. The tie is scheduled to take place on Sunday 4 October, 2pm kick off. Final match arrangements will be communicated in due course. The away visit to the Robins is Bassett's reward for their hard fought 2-1 home victory against Gloucester City on Sunday.

Bassett's victory meant they advanced to the third - and final - qualifying round stage for a fifth consecutive season. After defeats to Torquay United (twice), AFC Stoneham and Forest Green Rovers at the third qualifying round stage, Bassett will be hoping the fifth time is a charm as they seek to write club history.

However, to achieve that will require a major upset against a Bridgwater side who have won five from five so far in the league above Bassett. They also have significant cup pedigree since assuming the Bridgwater name in 2021. Bridgwater have been present in the first round proper in each of the last five seasons and have advanced beyond that stage three times. That includes a run to the fourth round in 2021-22 when Bridgwater hosted and narrowly lost 2-0 against Women's Super League Manchester United.

They have progressed to the second round in both of the last two campaigns too. However - perhaps offering a glimmer of hope for Bassett, they exited at that stage last year against tier five opposition in the form of Royston Town. It promises to be a difficult but worthwhile test for Bassett, who will go into the game with nothing to lose. Here's hoping for an upset - and the making of club history.

Tricky start continues for the 17s but progress being made

A tough result for our Under-17s at home against Bath City, but there were plenty of positives to take from the performance.

The girls' effort and attitude could not be faulted. And are committed to playing football in the right way, and while that can sometimes lead to mistakes in certain areas, these are opportunities to learn and improve.

There were some excellent moments throughout the game, including great goals from Amber and Esme, who both showed quality in front of goal.

A special mention also goes to Hannah who had an excellent game in goal. She made some important saves, remained calm under pressure and showed a really positive attitude throughout.

Although it was a difficult result to take, the girls must keep their heads up. Staying positive, working hard and continuing to believe in the process will ensure the results start to go our way.

A fantastic home performance from our Under-15s, who battled the difficult conditions and came away with an impressive victory against Bradford Town.

The wind played a big part in the game, with Bassett starting slowly and struggling to play their best football. However, the girls gradually adapted and began creating chances. Bradford threatened through the middle, but it was Bassett who broke the deadlock after 20 minutes. Ava found Mia at the back post, and she finished emphatically to make it 1-0.

Facing the wind in the second half made attacking difficult, but Bassett continued to work hard. Mia doubled the lead with an outstanding 25-yard strike, before Ava turned provider again, finding Sienna at the back post to make it 3-0. Bradford continued to threaten, but Elise made a crucial last-ditch challenge, while Chloe produced some excellent saves to protect the clean sheet. Mia completed her hat-trick after a mazy run earned a penalty, which she calmly converted. A superb team effort and a well-deserved win.

Exciting win for the 14s

What a performance from the Under-14s! The girls produced an excellent display away at Bradford Town, coming away with a well-deserved 3-1 victory.

We started brilliantly, dominating the early stages and putting Bradford under pressure. Emily found Christina with a lovely pass, and she calmly finished to make it 0-1.

We continued to play excellent football, with Hollie winning the ball in midfield before playing Christina through. She made a fantastic run and finished brilliantly for her second. 0-2.

Bradford pulled one back with a long-range effort, but we responded immediately. Chloe's excellent cross-field pass found Hollie, who finished beautifully into the bottom corner. 1-3.

The second half was end-to-end, with both teams battling hard. Ella was outstanding in goal, making fantastic saves to keep Bradford at bay.

An excellent team performance. Every girl played her part and should be incredibly proud.

Took their time but broke the barrier in the end

A fantastic 5-0 home victory for our Under-12s against Marlborough, with an excellent second-half performance from the girls.

Bassett started slowly and found it difficult to break Marlborough down in the first half. With 9-a-side football still very new to the team, the girls took some time to settle into their formation, while a difficult pitch also made it harder to play their usual football.

Once they found their rhythm, though, Bassett began to play some lovely football and really took control of the game, producing an excellent second-half display.

Esmae led the scoring with a brilliant hat-trick, while Annabelle also found the net. Shaina completed the scoring with her first goal for the team.

Player of the Match went to Mya, who showed excellent discipline and understanding of the team's structure throughout. Lucy also deserves a special mention for an equally disciplined performance. A brilliant effort from the whole team and plenty of positives as the girls continue adapting to 9-a-side football.
