Women's Team Bassett Bulletin

GOOD AFTERNOON and welcome everyone to the Swindon Mercedes Stadium for our third home league game of the season. With Bryan on holiday it gives me the opportunity to focus on our growing pathway to the women's team.

It has been fantastic to see our Royal Wootton Bassett girls' teams back in action as the new season gets underway.

There is a real sense of excitement around the girls' section this year, with players across our teams showing great enthusiasm, commitment and a willingness to learn. The opening weeks of a season are always about finding our rhythm, building relationships and putting into practice the work done in training, and there have already been plenty of positive signs.

Most importantly, the girls are developing not just as players, but as teammates. We have seen some excellent examples of teamwork, encouragement and determination, with players supporting one another both on and off the pitch. Those qualities are every bit as important as the results.

A huge amount of credit also goes to our coaches and volunteers, who give up their time each week to provide opportunities for the girls to develop and enjoy their football. Their enthusiasm and dedication are a huge part of the continued growth of our girls' section. We are also delighted to see the continued enthusiasm from parents, families and supporters. Your encouragement from the sidelines makes a real difference and helps create an environment in which the girls can play with confidence and enjoy their football.

It has been an encouraging opening to the 2026/27 campaign across the Royal Wootton Bassett Town Girls' section. The U14s have made an excellent start, winning three of their opening four league games to sit second in Division One, while the U15s are also enjoying a strong campaign with three wins and a loss from their first four matches. The U12s have shown plenty of attacking threat, most recently recording an impressive 6-0 victory over Cricklade Youth Lionesses.

The U17s have had a tougher start but have already registered an excellent 6-0 win at Durrington Falcons and will be looking to build on that performance. The younger age groups, the U10s, U9s and U8s continue to develop and enjoy their football, with the emphasis firmly on development and participation although the teams have picked up many wins along the way.

There is plenty still to come this season, and we are looking forward to watching every team continue to grow, compete and, most importantly, enjoy their football.

Well done to all of our Royal Wootton Bassett girls so far — keep working hard, keep supporting each other and keep enjoying the game!

Sadly for the Ladies side Bassett's FA Cup journey ended last week with a tough 10-0 defeat against Bridgwater United. Facing a very strong side, the result highlighted the difference in levels, but Bassett continued to work hard and show character throughout. It was a difficult afternoon, but the team can take plenty of lessons from the experience and use them as they continue their season.

Sam

From The Dugout with Manager James Lally

Good Afternoon and welcome back to the Swindon Mercedes Stadium.

We unfortunately fell short again of reaching the first round proper of the FA Cup last weekend against Bridgwater. Before touching on the football itself, I want to say a massive thank you to the club for putting on a free coach for our friends, family, and fans. We are incredibly lucky to receive such great support both home and away, and it was brilliant to see the club recognise that by arranging the travel. An equally big thank you goes out to everyone who made the trip down to back the girls in what was always going to be a very demanding tie.

Looking at the game, the manner of several goals we conceded was disappointing. We know as a group that we are capable of dealing with those chances much better. Once we adjusted our shape, we actually competed really well for a solid period of the match, but sadly the damage had already been done too early on.

Today our focus switches straight back to league action as we welcome Yate Town.

Both teams come into this fixture on the back of some mixed results recently, so I am sure both sides will view this afternoon as a prime opportunity to get back on track and return to winning ways. There is also a nice added edge to today's game for me personally, as the manager in the opposite dugout is a very good friend of mine and my former assistant.

For us, this afternoon is all about getting back to playing our way. When we step onto the pitch with confidence and dictate the tempo, we know we can cause real problems for anyone in this division. The key is making sure we impose our style and our game plan from the very first whistle.

We want to get the ball down, trust our patterns, and show the quality we know we have in this squad.

Thank you for your fantastic support, enjoy the game!.

James

From The Dressing Room with Hannah Gulliver

Hello and welcome to the Swindon Mercedes Stadium for what is our fourth league game of the season this afternoon. We hope that our opponents, Yate Town Women FC have had a good journey to us today and are ready for, what should be, a good contest.

Although Bassett have never played Yate before, they should be fairly familiar opponents to us, having played them under their old name- Pucklechurch Sports Ladies in a couple of pre-season friendlies last year. The results of those games being a tight 1-0 Bassett win at home and then a 6-goal thriller away, favouring Bassett once more with a 4-2 win. Having been victorious in both games will give Bassett a confidence boost. However, we can't take this too lightly as a lot can change in football in a year!

Nevertheless, Bassett will definitely be looking to get back to winning ways after a pair of defeats in a row coming into this game, having been knocked out by a very good Bridgewater United Women side last week, falling to a 10-0 deficit. Also, losing 1-3 to Sherborne Town Ladies the previous week in what was, over the 90 minutes played, a fairly flattering scoreline for the guests.

There's definitely all to play for in this game! Please get behind the girls as much as possible.

Up the Bass!!

Hannah

Yate Town

Yate Town Ladies basically took over the Pucklechurch Sports side who were already a South West Regional Women's League Premier Division team at the end of the 2025-26 Season.

Bassett have played numerous friendlies against Yate when they were attached to Pucklechurch Sports, but never a competitive contest so today's game represents the first competitive meeting between the two teams. The last friendly between the two sides saw Pucklechurch win 3-2 in August 2023.

Pucklechurch started out as members of the Gloucestershire County League and were first promoted to the South West Regional League at the end of the 2021-22 Season with Pucklechurch having achieved a perfect league season winning all 14 of their league fixtures.

Season 2022-23 saw them have another unbeaten season to lift the South West Regional League Division One title, winning 13 of their 14 league games and drawing the other. Unfortunately Bassett and Pucklechurch's paths did not cross as whilst Pucklechurch were winning the Eastern Division One Bassett were suffering relegation from the Premier Division that year.

Pucklechurch found it tougher going at Tier 5 of the women's National League System and ended their first season in the Premier Division in sixth place in a nine team division.

Season 2024-25 saw them again at the wrong end of the table, finishing in eighth place in a Premier Division of 11 teams. Last season again saw them in the bottom half of the table although they finished well clear of the relegation positions and were never really in any danger of dropping back to Tier 6.

They have had a mixed start to the current season. Whilst they have lost both their two league games to date they have won twice in the FA Cup, including a 2-0 win over Bishops Cleeve which no doubt would have pleased the Club Treasurer given the prize money on offer.

In the league they have suffered away defeats at Portishead (1-4) and AEK Boco (1-3).

South West Regional League Round-up

The Third Qualifying Round of the FA saw five of the nine teams in the Premier Division in cup action last Sunday. Whilst **Bassett** were losing heavily away at **Bridgwater United** from the Women's National League South West Division (see elsewhere in today's programme for the match report), which given the way the draw went means missing out on a game at the County Ground against Swindon Town, today's opponents **Yate Town** were progressing at the expense of Division One North side **Bishops Cleeve**. A goal in each half from Amy Jefferies and Kimberly Maggs saw Yate progress to the First Round Proper where they will be away to Gwalia United. Full details of all results and the First Round draw are included elsewhere in today's programme.

Also through to that First Round are Premier Division leaders **Portishead Town** who won 3-1 away at **Yeovil Town** in the only all Premier Division tie. Shannon Holloway put Portishead in front, Erin Bloomfield then equalised for Yeovil early in the second half. It remained all square until 15 minutes from time when Lilly Farr restored Portishead's lead and they then made sure of the win with a third in injury time through Mia Blazey. Portishead will be away to St Agnes from Division One South in the First Round and will be expected to progress further in this prestigious national competition.

The other Premier Division side in cup action, **Sherbourne Town** joined Bassett and Yeovil in ending their FA Cup adventure for Season 2026-27, Sherbourne losing against **Marine Academy Plymouth**, another side from the Women's National League South West Division.

In addition to the FA Cup ties there were two games played in the league in the Premier Division. **AEK Boco** moved up to second place in the table with a 4-2 home win over **Gloucester City**. Megan Bloomer led the way bagging a brace with further goals from Lucy Atkinson and substitute Isabella Williams, Alaiya Beale and Cerys Jones with the Gloucester City goals.

The other league game played saw **Poole Town** pick up their third win of the season, their latest success being a 5-2 win away at **B2A**. Two goals from Cassidy Wood and one apiece from Lucy Coalter, Alice Fisher and Lauren Kelly did the damage for Poole, Estelle Randall getting both goals in reply for the home side B2A.

Match Report v Bridgwater United

Ruthless Robins march past Bassett

Bridgwater United 10

Royal Wootton Bassett Town 0

Women's FA Cup, Sunday 4 October 2026

Royal Wootton Bassett Town exited the Women's FA Cup at third qualifying round stage for a fifth season in a row after a ruthless attacking display from tier four Bridgwater United. The Robins, who have lost just one game all season after making a flying start to their FA Women's National League Division One South West campaign, ran out 10-0 winners as they demonstrated their quality.

In fairness, Bassett's hopes of advancing to the first round proper were dealt a significant blow when the draw - probably the toughest they could receive - was made. Still, they travelled to Somerset in hope. But the Robins put paid to that early on. Meg Jarvis finished twice from Ellie Strippel through balls in the opening six minutes before Rosie Hill set up Abbey Hateley for Bridgwater's third with just nine minutes on the clock.

A Strippel volley followed before Hateley grabbed her second. It was then 6-0 midway through the opening period courtesy of a Strippel free kick into the top left corner. Bassett, to their credit, held out for the remainder of the half and for most of the second period.

However, Bridgwater extended their advantage with twenty minutes to go when Jarvis scored from the spot for her hat trick. Jarvis then got the final touch to guide in a low Erin Williams cross. Williams teed up Manfy Sharpe for number nine with just under quarter of an hour remaining before Jarvis slotted in her fifth and her side's tenth.

It was a heavy defeat for Bassett - though the result did more to expose the difference in level between the top of tier four of the women's game and tier five. Bassett certainly aren't the first side - nor will they be the last - to be humbled by a Bridgwater team that are on the up.

Match Report

v Sherbourne Town

Bassett suffer Sherborne setback

Royal Wootton Bassett Town 1

Sherbourne Town 3

Sunday 27 September 2026

Royal Wootton Bassett Town fell to their second defeat of the South West Regional Women's Football League Premier Division season as visitors Sherborne Town recorded a 3-1 victory at the Swindon Mercedes Stadium.

Third place finishers in each of the last three seasons, Sherborne went into the campaign as one of the favourites for the title. They had endured a somewhat frustrating start though with two draws and a defeat from their opening three games. However, their visit to Wiltshire got them off the mark.

Sherborne led midway through the first half. They had the better of the game's early chances as Charlotte Harmer twice found herself in behind the home defence but was unable to find the target on both occasions.

But Sherborne soon took advantage of Bassett's early season set piece struggles continued. A corner was floated into the far post where a glancing close range header from Kira Hockley sneaked past Millie Powell.

The visitors took their lead into the break. However, Bassett struck back shortly after the restart. After stealing possession just inside her half, Elle Scott surged forward past two defenders before threading a through ball into the path of Megan Young, who continued her fine early season form in front of goal with a cool finish beneath Esme Lamb.

That led to the game, now being played in driving rain, to open up as both sides sought to get on the front foot.

Sherborne remained the most threatening though and good low save from Powell kept out Keira Lane-Leney's shot on the turn.

Minutes later the Bassett 'keeper was beaten by a fluke of a goal. The hosts thought they had cleared, with the ball falling to Sherborne centre half Sienna Trusson. Seeing the space in front of her, Trusson strode forward before firing a shot from a good thirty yards out. Her effort caught a wicked deflection from Darcy Cox on the edge of the box, which wrongfooted Powell who - forced to redirect - was unable to cleanly come up with the ball as it found its way into the net.

Bassett almost produced an immediate response as Kelly Nightingale saw a shot blocked on the line after a corner fell to her. And Poppy Wannell forced an awkward save from Lamb after being slipped in by Scott.

But Sherborne were to deliver a suckerpunch. Sarah Lewendon seized upon a heavy touch from Alice Bowden before setting Lissy Shapland free in the left channel and she swept past Powell from the edge of the area to seal victory for Sherborne.

Pushy performance isn't enough

Bassett U17s faced a tough afternoon at home against Penhill United, eventually going down 1-4 despite a determined performance from the team. Penhill took the lead after Hannah made an excellent save, but the forward managed to squeeze the ball in moments later. Penhill then capitalised again after some good football to extend their advantage. Bassett found themselves 3-0 down after switching off, but they responded with a well-taken goal from Amber. She beat the offside trap, raced through on goal and calmly slotted the ball past the onrushing goalkeeper to give Bassett some hope.

Bassett came out strongly after the break and pushed for a second goal, but it was not to be. Penhill continued to apply pressure, with Hannah producing some terrific saves to keep Bassett in the game. Penhill eventually managed to snatch a fourth goal to complete the scoring. Despite the result, there were plenty of positives to take from the performance. The girls worked extremely hard all over the pitch and showed improvement in their attitude, performance and overall gameplay. Hannah was outstanding in goal, making several excellent saves throughout the match. Eliza and Amber worked tirelessly up and down the wings, while Maya put in a solid defensive performance. Bassett continue to improve week by week, and the team will take the positives from today's performance as they continue to work hard and develop together. Well done to all the girls for their effort and commitment.

A tough day for the U15s

A tough away day awaited the U15s as they travelled to Pomphrey Hill Playing Field to take on last season's league winners, Tyrone Mings. Bassett faced a challenging start to the game, with injuries and player unavailability leaving the team short defensively. Unfortunately, a couple of errors were punished by the hosts, who were quick to capitalise and establish an early 3-0 lead. Mings' right winger caused problems throughout the game and proved to be a constant threat. Bassett struggled to find their rhythm in the first half and were also guilty of being wasteful in front of goal, with chances created but not converted.

The second half was a much-improved performance. A change in formation gave Bassett more attacking threat and allowed the girls to play with greater confidence going forward. They won the second half and, on another day, could have scored several more goals. Two excellent strikes from Ava gave Bassett a route back into the game and changed the momentum. However, another misplaced pass into midfield allowed Mings to capitalise once again and extend their lead. There were also positive moments away from the scoreline, with Lily C and Ruby both making their Bassett debuts. Ruby capped off an encouraging first appearance by earning Player of the Match alongside Ava, whose two goals were a real highlight of the second half. It was a tough day for Bassett against last season's league champions, but there were plenty of positives to take from the defeat. The improved second-half performance, attacking threat and determination to fight back showed the potential within this group. The girls will take those positives forward and continue to work on the areas that need improvement.

A rocky road in Trowbridge but the result is a Bassett win

Bassett started slowly and were not quite firing on all cylinders, with some sloppy passing and a few missed challenges making things difficult for themselves. After 15 minutes, Christina showed great footwork in the box and was brought down to win a penalty. She stepped up confidently and calmly converted to put Bassett 0-1 ahead. Trowbridge continued to put Bassett under pressure and eventually found the equaliser to make it 1-1 going into half time. After a strong team talk from Andy and the coaching team, Bassett came out with much more fight and determination in the second half. Aamira had a fantastic game in goal before being replaced by Ella after 10 minutes. A massive well done to Aamira for stepping up today and showing what a brilliant team player she is.

Around 15 minutes into the second half, a little miscommunication at the back allowed Trowbridge to take the lead and make it 2-1. However, Bassett responded immediately. Christina produced another fantastic run straight through the middle and calmly finished to bring the score level at 2-2. From there, Bassett really found their rhythm. They started playing some excellent football, getting to the ball first and putting in some important challenges. The pressure eventually paid off when Georgia B won the ball with a great challenge in midfield before sending a looping ball over the top to Maddie, who kept her composure and calmly slotted it away to make it 2-3. The final whistle brought a fantastic comeback victory and three very important points for Bassett.

Another strong performance from the U12s

A fantastic performance from the U12s today, securing an impressive 6-0 victory against Cricklade Town.

The goals came from Emilie (2), Mya, Lucy, Izzy and an own goal.

Lucy was deservedly named Player of the Match after an unplayable performance. She was a constant threat going forward, showing excellent movement, confidence and finishing throughout.

All of our forwards were very strong today and showed great composure in front of goal. Just as impressive was the defensive performance, with the team keeping a clean sheet and giving Cricklade very little to work with. Florence was awarded Cricklade Town's Player of the Match, which says a lot about how well our defence kept their attacking players locked down.

A brilliant all-round team performance and a well-deserved result.
