Women's Team Bassett Bulletin

GOOD AFTERNOON and welcome everyone to the Swindon Mercedes Stadium for our fourth home league game of the season.

Today's opponents are Gloucester City, who have once again made the short trip from Gloucestershire to join us this afternoon. A very warm welcome to all our visitors from Gloucester, including the players, coaches and supporters. I hope you enjoy your brief stay with us this afternoon and wish you all a safe journey home.

We have already played Gloucester City here back in September in the Women's FA Cup. On that occasion, we progressed into the next round thanks to two well-taken goals from Megan Young, which helped us secure a tight 2–1 victory.

Player of the Match went to Laura Jefferies, who had an outstanding game at left-back. This is only Laura's second season playing in that position for us, with all her previous appearances having been at centre-back.

Today's programme will show Laura as having made 179 appearances, but this figure covers only her time in the South West Regional League. The true total is closer to 296, including the additional 117 appearances in the Gloucestershire Women's County Football League for which I have the paperwork.

Laura joined the women's team at the age of 16 in the 2010–11 season and has been ever-present ever since. She is now into her seventeenth season with the women's team, having also played for our girls' teams before joining the senior side.

We go into today's game having had two weeks without a fixture. The first week was due to there being only nine teams in the division, meaning it was our turn to sit out. Last week's away game at Yeovil Town was then postponed because of a waterlogged pitch.

It is a little frustrating for two reasons: firstly, to have a game postponed so early in the season, and secondly, because it would have been good to get another away fixture out of the way.

As things stand, we will have played four home league games but only one away game, at Poole Town, by the end of today's match. After this afternoon, we travel to AEK Boco in the League Cup before returning for another three consecutive home games as we head towards December.

We then begin a run of six away games, with two before the Christmas and New Year breaks, followed by four more afterwards. With the Yeovil fixture still to be rearranged, I am hopeful that a County Cup tie may help to break up this run of away matches.

We still have a few player sponsorship opportunities available at £50. If you would like more information, please contact Mike Price, myself or club chairman Paul Gerrish. Our contact details can be found inside the front cover of this programme.

I am also looking forward to seeing our new red women's away kit, which will feature both front and back sponsors for the first time. My thanks go to Mallins and Hoth Kitchens for their support with this.

Enjoy the game this afternoon

See you in the bar after the game.

From The Dugout
with Manager James Lally

Good Afternoon, everyone and welcome back to today's game.

It feels like quite a while since we were all together here. We are coming off a two week break in our fixture list, which honestly has not been ideal timing for us. The first weekend off was scheduled in the calendar, so we planned our training around it, but the second week was a frustrating weather postponement.

After that kind of delay, the whole squad is absolutely itching to get back out on the pitch and put into practice what we have been working on in our training sessions.

The frustrating part of the stop start schedule is that it came right on the back of one of our best performances of the season.

Running out winners against Yate Town and picking up three more points was a great feeling, but it was the manner of the performance that pleased me the most. We looked so much more like ourselves both in and out of possession. The structure was there, the work rate was excellent, and we controlled the game exactly the way we know we can.

Today we return to league action as we welcome Gloucester City. We obviously know each other quite well already, having met in the FA Cup earlier this season. We came away with a 2-1 win that day, but if we are being completely honest, we were extremely fortunate to progress.

We simply did not play to our usual levels in that cup tie, and we allowed them far too many chances. We were clinical when our own opportunities came along, but Gloucester would have had every right to feel hard done by with the final result. Amelie Birchley was particularly impressive for them that afternoon, and as a team, we know we have to do a much better job of dealing with her specific threat today.

Thank you as always for your support and enjoy the match!

Securing all three points this afternoon is incredibly important to make sure we keep the pressure on the teams around us in the league table. We know we got away with one last time we met Gloucester, so the girls are fully aware that we need to hit the high standards we showed against Yate to get the job done today.

Thank you as always for your support and enjoy the match!

James

Afternoon, Bassett fans!

It's been a disappointing couple of weekends without a game, but that hasn't stopped us from putting in the work behind the scenes, keeping things ticking over and maintaining our fitness!

At training, we've been focusing on short, sharp movements and quick passing to keep that Matchday feeling alive.

After a great performance in our last game, arguably some of the best football we've played so far this season, we're looking to pick up right where we left off and continue that fantastic spell of play!

When we last met Gloucester in the FA Cup, we came away with the win after a great contest. Today, we meet again in the league, and we'll be looking to produce more of the same!

Here's to a great game and hopefully securing 3pts in the league!

Up the Bass!!

Gloucester City Women's team are part of Gloucester City AFC and were formed in their present guise in 2021 although there have been women's teams playing under the Gloucester City banner since the 1990's. They are descended from one he longest established women's sides in the area, having originally been formed in 1997 as The City of Gloucester Ladies.

We have only played their first team three times, two league fixtures and one FA Cup encounter. The two league games came in Season 2024-25, a season which saw Gloucester City win the Division One title to earn promotion to the Premier Division, with Bassett finishing in third place, some 19 points below Gloucester City. Gloucester remained unbeaten in their 20 league games, winning 18 of them, such was their domination of the division.

The final league table from that historic season is shown on the right.

** Points adjustment*

Whilst Gloucester dominated the division that season the two games with Bassett were tight affairs. We lost narrowly here at the GBSG in November, going down 2-1, Kat Bach with our goal. The return fixture was our penultimate game of the season and we became one of just two sides to take points off Gloucester City all season, Caitlin Brooks, Honor Fraser and Mia Mugford scoring in a 3-3 draw.

The FA Cup encounter was earlier this season and it saw Bassett edge a close encounter 2-1 thanks to two goals from Megan Young.

Young double sees off Gloucester

Royal Wootton Bassett Town 2
Gloucester City 1

Sunday 20 September 2026

A Megan Young brace sent Royal Wootton Bassett Town through to the third - and final - qualifying round of the Women's FA Cup for the fifth consecutive season as Bassett edged out Gloucester City 2-1 in an all-South West Regional Women's Football League Premier Division tie.

Two opportunistic goals helped deliver victory for Bassett in another closely fought contest against Gloucester. The first shot on goal of the game brought the first goal. Receiving possession on the left inside her own half, Hannah Gulliver played a ball into the channel that Georgi Slanina-Wertz seemed destined to intercept. But a poor touch from the visiting defender gifted Young the ball and, after racing through on goal, she squeezed a shot beyond Evie Smith at the near post.

Gloucester then had the better of the chances for the rest of the half. Cerys Jones hit the side netting after being played in by Amelie Birchley. Jones then saw a cross squirm beneath her feet when well placed in front of goal. Later in the half Angel Wyatt struck narrowly over as Bassett only half cleared from a corner.

They should have levelled after catching Bassett napping when trying to play out from the back but Jones' square pass was somehow placed into the side netting by Holly Myatt. Jones then fired on the turn from twelve yards out but shot straight at Millie Powell.

Gloucester levelled though four minutes after the restart. They started the half brightly with Hannah Dix steering narrowly wide after a corner fell to her while Jones guided just over with a first time strike from the edge of the area.

Young was guilty of spurning a one-on-one opportunity when presented with just Smith to beat as she struck straight at the 'keeper.

Gloucester quickly transitioned to the other end of the pitch where they won a corner. The set piece then fell to Holly Myatt at the far post, whose quick feet took her past Honor Fraser before she coolly slotted into the net.

The visitors remained on top and could have had a penalty when Briony Hurd scythed down Jones on the edge of the area. Fortunately for Bassett the referee deemed the foul to have taken place just outside the box.

Holly Myatt's free kick was comfortably held by Powell. But the Gloucester forward soon had the Bassett 'keeper beaten only to see her curling shot came back off the bar.

But fifteen minutes from time Young popped up with what proved to be the winner for Bassett. From right full back Fraser played a precise diagonal pass between two defenders and towards Young. The ball then bounced into the path of Young who, seeing Smith off her line, produced a deft first time lob that sailed into the net.

South West Regional League Round-up

Sunday 25 October 2026

Whilst **Royal Wootton Bassett Town** were left to do some early Christmas shopping last weekend after **Yeovil Town** called off our game, there were just two games played in the league and two in the prestigious Women's FA Cup.

Of the two teams in the FA Cup, one would progress to the next round and one would crash out. The successful side were league leaders **Portishead** who defeated South West Regional Women's League Division One side St Agnes 2-0 on their own ground. St Agnes made Portishead work hard for the win with Portishead taking until the 54th minute to get the lead over their opponents, Mia Blazey with the deadlock breaking goal. A second from Mathilda Knight six minutes later made sure of Portishead's passage into the Second Round Proper where they will be away to Dulwich Hamlet.

The other Premier Division side in FA Cup action were **Yate Town** who were well beaten away at FA Women's National League side Gwalia United, going down 5-0 against their higher league opponents.

In the league, **AEK Boco** missed out on the chance of going second in the table when they were beaten 5-1 away at **B2A**. Rhian Robbins led the way with a brace, with further goals from Rhianna Ben-Carew, Estelle Randall and Janae Shaklee.

The final league game played last Sunday was between today's visitors **Gloucester City** and **Poole Town** which was decided by a solitary strike from Bethany Anderson to give home side Poole all three points as they moved level on points with second in the table Yeovil Town.

Sunday 18 October 2026

The previous week had seen a full schedule of four games with **Portishead** winning the big game at the top end of the table against **Poole Town** quite comfortably. Two goals from both Shannon Holloway and Mathilda Knight plus one from Rachael Poole secured a 5-0 home win for the league leaders.

Yeovil Town moved up to second place in the table thanks to a narrow 3-2 home win over **B2A**, this after finding themselves 2-0 down with less than 10 minutes gone thanks to gaols from Sophie Sharpe and Rhian Robbins. Erin Bloomfield started the fight back, pulling one back just after the half hour mark before bagging a second to restore parity four minutes later. The winner was scored just after the hour mark, Lily Charles firing home to give Yeovil all three points.

Gloucester City moved up to fifth place in the table with a narrow 2-1 win at home against **AEK Boco**, Amelia Davies and Leilani Ryder scoring for Gloucester and Isabella Williams with the AEK Boco reply.

Yate Town picked up their first league win of the season with a 4-1 victory over bottom of the table **Sherbourne Town**. On target for Yate were Georgia Vandries with two, Sophie Sweet and Courtney Adams, Lissy Shapland with the solitary Sherbourne goal.

Match Report
v Yate Town

Bassett bounce back with confident win

Royal Wootton Bassett Town 2
Yate Town 0

Sunday 11 October 2026

A victory and a clean sheet were just what the doctor ordered as Royal Wootton Bassett Town claimed a deserved 2-0 win against Yate Town in the South West Regional Women's Football League Premier Division.

Two consecutive defeats - including last week's Women's FA Cup humbling away at Bridgwater United - had set Bassett back after a solid opening three games.

But James Lally's side put those results behind them with a valuable three points against Yate that keeps them firmly in touch with the teams at the top. And the final score didn't reflect the nature of Bassett's dominance of a game in which they were unlucky not to win by a much bigger margin.

Bassett were on top for the majority of the match and had good opportunities to lead early. Tori Taylor flashed a header just wide from a Poppy Wannell cross following a short corner. A double chance then saw a Megan Young blocked following Elle Scott's through ball before Shawna Hannam parried Wannell's rebound effort.

Bassett then led after a swift counter on the half hour mark.

Scott would start and finish the move. She intercepted the ball midway inside her own half before midfield partner Taylor advanced play with a pass to Young. A surging run from Young stretched the Yate defence and, on the edge of the area, she turned before setting back to Scott, who rode a challenge and swept a confident finish into the bottom right corner.

The woodwork denied Bassett a second as their pace continued to cause Yate's defence problems with Wannell steering onto the post from Young's cutback from the byline. Yate failed to clear and Scott shot narrowly wide from the edge of the area.

Bassett did get their second ten minutes into the second half. Laura Jefferies swung in a corner to the near post and, after shedding her marker, Young produced a composed side foot volley from close range that flew in.

The hosts were unfortunate not to have a third when a long kick from Millie Powell set Freya Monk in behind the defence. She had the beating of a Hannam with a low drive but struck the right upright. Scott then smashed narrowly over on the half volley from a Taylor corner.

Yate had a decent late spell but failed to really trouble Powell as Bassett preserved their first clean sheet of the season. And Bassett threatened again late on with Wannell firing into the side netting after latching onto another dangerous through ball.

A Win at Hone for Under 17s

The U17s secured a well-deserved win against Malmesbury Youth in a fantastic performance, despite being short on players due to the school holidays.

The girls worked hard throughout the game and produced some excellent play in the final third. Eliza set up Esme for the opening goal, before Daisy assisted Esme for her second of the game. Esme then turned provider, setting up Eliza to get on the scoresheet and round off a great team performance.

The girls made hard work of it towards the end but dug deep and showed great determination to see the game out. Although there were areas to improve on, the overall performance was very positive and the result was thoroughly deserved.

Amber, Freya and Eliza were outstanding, bringing fantastic energy and work rate to the team throughout. Hannah also produced a brilliant save towards the end, making an important contribution to securing the win.

Overall, it was a great performance from the whole squad, showing plenty of teamwork, determination and quality, especially with a reduced number of players. The girls had plenty to be proud of after a well-earned victory.

A sting from a Cobra but Bassett put up a fight

With Bassett sitting fourth and Nalgo Cobras leading the table, this fixture had the potential to be a top-of-the-table clash, and the home side certainly rose to the challenge in a strong first-half performance. Bassett started brightly, working tirelessly in midfield and playing some excellent football in the process. Kailen made her Bassett debut in goal in place of the unavailable Chloe and settled into the game well, producing several crucial saves to keep the visitors at bay. Bassett created opportunities of their own, forcing the Nalgo goalkeeper into action on several occasions. The best chance fell to Lily following some tremendous team play, but her effort was denied by the visiting keeper. Shortly afterwards, Nalgo took the lead with a moment of quality, as an attacker used her pace to get through on goal and calmly finish one-on-one. The visitors then added a second through another quick counterattack, with Kailen getting a fingertip to the effort but being unable to keep it out.

Despite finding themselves two goals behind, Bassett continued to press, compete and force Nalgo into difficult decisions. The quality of football on display was excellent, and the first half showed just how well the team could perform against the league leaders. The second half proved more difficult for the home side, as Nalgo capitalised on their opportunities to add three further goals. Bassett continued to work hard and tried to find a consolation, but it was not to be. The back four put in a strong shift throughout, while Kailen continued to make important saves and blocks to prevent the scoreline from becoming even heavier. Her performance on her debut was a particular positive to take from the game.

Tough at Nalgo but Sixth Win in a row

The U14s secured their sixth consecutive win with a hard-fought 1-0 victory away to a strong Nalgo Eagles side, moving them into second place in the table. The girls knew they were in for a tough, closely contested game, and they certainly delivered a battling performance from the first whistle. Within the opening ten minutes, Amelia produced a brilliant save in goal, while captain Tia made a superb sliding tackle to keep the score level. The team worked tirelessly, competing for every ball and showing tremendous determination throughout. The breakthrough finally came in the 30th minute, just before half-time. A lovely pass from Georgia sent Gracie through on goal, and she finished brilliantly with her left foot to score her first goal in Bassett colours. It was a fantastic moment and a reward for the team's hard work.

After the break, Georgia stepped up to take over in goal, showing great team spirit and willingness to help wherever needed. The girls continued to create chances and push for a second goal, with both Gracie and Christina coming close. However, it remained a real battle until the final whistle, as the team dug deep, defended resolutely and worked together to secure all three points. There were several standout performances. Olivia was fantastic alongside Tia, showing strength and determination throughout, even while carrying a slight injury. Felicity continued to demonstrate her improvement week after week, while Georgia and Amelia both deserved credit for stepping into goal without hesitation and putting the team first. Tia was named Player of the Match following an outstanding performance. After two weeks out, she led from the back with strength, determination and a real desire to win, making her a thoroughly deserving recipient of the votes.

A Blunsdon Blow at Home for Bassett

The U12s were unlucky to come away with a defeat against Blunsdon after a strong performance in which they controlled much of the game and created plenty of positive play. The girls worked hard throughout and showed good determination, with the result ultimately decided by two breakaway goals from the opposition. It was a frustrating outcome, particularly as the team felt they had done enough to take something from the game. An almost certain goal was also ruled out, adding to the disappointment.

Despite the result, there were plenty of positives to take away. Freya battled brilliantly and kept Blunsdon's number six quiet for much of the game, showing great commitment and determination. The team also continued to compete well physically against a side that had a noticeable size advantage, never shying away from a challenge. Maddie was recognised for her fantastic fighting spirit and willingness to get stuck in. Her attitude and determination were exactly what the team needed, and she set a great example for her teammates. Although the result did not reflect the team's performance, the girls could be proud of their efforts and the way they approached the game. There was plenty of quality on show, and they were unfortunate not to get the result their performance deserved.

The team would look to take the positives into the next game and continue building on the progress they had shown.
