Men's First Team Bassett Bulletin

GOOD EVENING and welcome back to the Swindon Mercedes Stadium at the GBSG for this Wiltshire County FA Premier Shield fixture against Malmesbury Vics.

A warm welcome to all the players, management team, club officials and supporters from Malmesbury who have made the short journey along the B4042 for the second time this month. We hope you enjoy your short time with us this evening.

When the two sides met a fortnight ago in the league it finished all square with neither side finding the back of the net throughout the 90 minutes and having to settle for a point apiece. There has to be a winner here this evening though in this County Cup fixture, with penalties set to take place if it finishes all square again.

Our record in this competition is not a particularly good one and in recent times it has not been considered a priority by the previous management team. Whilst our priority under our new management team remains the league, it would be good for morale to end our current run of four games without a win, or even a goal, here this evening. It would not only maintain our interest in this competition but would also give us bragging rights over our near neighbours who have so many familiar faces in their ranks. I know Jonny and Dan will be taking tonight's encounter seriously and hopefully we can achieve that confidence boosting win.

Malmesbury come into the game on the back of a heavy 6-2 defeat at Stourport Swifts and are themselves without a win in five games, so like uss they should be in desperate need of a victory to restore confidence.

Saturday's result here against Longlevens in the Premier Division was disappointing from the perspective that out visitors had to play for over 50 minutes with just ten men, after their goal scorer Lewis Driscoll was sent off. Whilst I understand we created several chances our inability to find the back of the net in recent games continued and we were unable to find that elusive equaliser. We are now for sure very much embroiled in a relegation battle for the second season running.

With the two sides having met only recently and with the lack of new material included in tonight's programme, plus a reduced number of pages, I have taken the decision to reduce the cover price to £1 as a one off. Whilst we had a bumper crowd for our recent league encounter, with the current weather and the competition traditionally not generating the same level of interest as league fixtures, I am anticipating a smaller crowd here this evening.

The Development team had an excellent come from behind win on Saturday in the Second Round of the Fountain Trophies Cup. Trailing 3-1 at the break against Purton Kingsdown, three unsnswered goals in the second half secured an excellent 4-3 victory at the Red House to progress to the last 16 of the competition. With a number of games in the Second Round still to be played it may be a few weeks before our opponents in the Third Round are known. With the Development side set to play struggling Wroughton in the County Cup there is a good chance that Josh Connolly's Development side will still be engaged on three fronts moving into the winetr months.

The women's sides return to action was delayed for another week when their scheduled game against second in the table Yeovil Town in the South West Regional Women's League Premier Division was postponed due to the weather. They will hopefully return to action this coming Sunday when they entertain Gloucester City who they have defeated once already this season, winning 2-1 in the FA Cup encounter last month.

Finally, a little bit of a moan about the RWBSA and their publicising of the wrong fixtures for the football club. They recently publicised that the Dev Team were at home when in fact they were away and then on Sunday they publicised the wrong game for the women's team. Frankly, this is poor, causes confusion and, rather than doing their own posts on "X" and Facebook, why can't they just forward the football clubs own social media posts? Perhaps a reduction in fees for a month is in order.

Enjoy the game this evening and hopefully we can return to winning ways and provide a boost in confidence ahead of some tough looking league fixtures coming up.

From The Dugout
with Manager Jonny Aitkenhead

Good Evening.

Thank you for joining us tonight at the Swindon Mercedes stadium

Having come off the back of three poor results the group will be looking to bounce back and get some forward momentum before heading to top of the league on Saturday.

The last encounter was end to end and could have gone either way, players came away disappointed but in truth at the end vics could have snatched it.

The last three results have been really difficult to take for everyone involved in the club, Saturday was probably the hardest to take, the boys played all the football and were by far the better team but the game is about both boxes and in truth we haven't taken our chances and given too many gifts away and the two together only mean one outcome is is going to happen.

The group are working tirelessly to put this right and that confidence will come with seeing the rewards in the efforts that are going into the process.

Your patience and support is greatly appreciate and we will look to get the result for you this evening

Half Time Fun - The Quiz Ladder

As inspired by QPR Fanzine “AKUTR’s”, the Quiz Ladder.

An easy one for tonight’s game. All you need to do is identify the 10 players who have played for both Royal Wootton Bassett Town FC and tonight’s opponents Malmesbury Vics FC.

The questions sort of get progressively harder as you climb the ladder, although I expect most people to get all ten right tonight.

Malmesbury Vics History

The Club was originally formed in 1898, and was known as Malmesbury Town, then Malmesbury United until at the end of the 1974-75 Season the club amalgamated with a successful Swindon Club known as Swindon Victoria. The Club has played in various locations in and around the Town before eventually settling on the present site, known as The Flying Monk Ground, named after the pub which previously owned the ground.

Swindon Victoria had started life in the Swindon & District League where they had been one of the founding members of that competition once it moved to a league basis from a cup competition, with their club secretary also the first secretary of the Swindon based league. By 1910-11 they had joined the Wiltshire League, with two consecutive third place finishes in the period before the First World War. When football recommenced after the First World War Swindon Victoria were back in Division 1 of the Wiltshire League and finished as winners of the league in that inaugural post-war season. However, this was only the prelude to even greater things as the following season saw them not only retain their league title but also make the final of the national FA Amateur Cup, eventually losing to Northern powerhouse Bishop Auckland in the final at Ayresome Park, Middlesbrough.

Further Wiltshire League titles followed in Seasons 1922-23, 1923-24 and 1930-31 and they were runners-up in Season 1934-35. When football returned after the end of the Second World War Swindon Victoria recommenced in the Wiltshire League but struggled finishing just above Wootton Bassett Town on goal average at the bottom of the table in that first season. For the rest of the 1940s, 1950's and 1960s the team generally finished in the top half of the table, finishing as runners up in season 1958-59. When the Wiltshire Combination was established in Season 1968-69 Swindon Victoria initially remained in the Wiltshire League but only for one season as they were joined the Combination from Season 1969-70.

After finishing in 18th spot in their first Combination Season they once again established themselves as a "top-half" side with their best position a third place in Season 1972-73. Eventually the lack of their own ground forced the club to merge with Malmesbury Town ahead of the 1975-76 Season.

Whilst there is plenty of information about the history of Swindon Victoria there is less readily available information about Malmesbury Town. At the start of the 20th century Malmesbury Town had teams playing in both the Chippenham & District and Cirencester & District Leagues. The first time that Malmesbury appear in the Wiltshire League is in Season 1948-49 when the club finished 5th in Division 2 of that league. A third-place finish was achieved in Season 1952-53. The first league title so far traced is the Wiltshire League Division 1 title in Season 1961-62 when Malmesbury finished two points clear of runners-up Bromham. Bromham pipped Malmesbury for the title the following season and Malmesbury just lost out again in Season 1963-64. After finishing level on points with Ferndale YC a play-off decided the title, which was won by Ferndale.

Malmesbury remained in Division 1 (second tier) until the formation of the Wiltshire Combination in season 1968-69, with Malmesbury again remaining a member of the Wiltshire League following the formation of the Combination until the merger with Swindon Victoria. Malmesbury finished their final season before the merger by winning the Division One title. The new Malmesbury Victoria were to play just one season in the Football Combination finishing in sixth spot in a division of 17 teams. The following season saw the formation of the Wiltshire County League.

Malmesbury Victoria fielded two sides in that first season of the league and both were successful. Both finished as runners-up in their respective divisions, Division 1 for the first team and Junior Division B for the reserves, the latter earning a place in the top Junior division for the second season of the league.

Today's Opponents
Malmesbury Vics History

However, Season 1981-82 was to be a tough one for the club as the first team finished bottom of Division 1 winning just two of their 32 games whilst the reserves also struggled. The following season the club dropped out of the Senior divisions with the first team replacing the reserves in Division 3. After a third-place finish in Season 1987-88 Malmesbury Victoria returned to Senior football and the reserves returned to Division 4 of the league. Twice the first team finished bottom of Division 2 and the reserves once again left the league.

Things started to pick up from Season 1991-92 and after finishing as runners-up in season 1993-94 the first team were promoted back to Division 1. The momentum carried over to the following season as the first team then finished runners-up in Division 1. Unfortunately, this could not be maintained the following season and a third from bottom finish saw relegation back to Division 2 followed by an immediate promotion back the following season. The reserves meanwhile remained in Division 4 until the establishment of the new Intermediate category in season 1998-99 which saw them elevated to Junior Division 1.

Season 1999-2000 was to be particularly memorable one for Malmesbury Victoria as the club kicked off the new century with a double championship success, the first team winning the now re-branded Premier Division and the reserve side winning Junior Division 1. The first team title success saw Malmesbury Victoria promoted to the Hellenic League and the reserves elevated to the Premier Division for the following season.

The first team were to spend nine seasons in Division One West of the Hellenic with their best performance being a runners-up spot finish in Season 2008-9 which saw them promoted to Step 5 of the National League System for the very first time. During this time the club had made huge steps to improve the facilities, installing floodlights and undertaking a complete refurbishment of the clubhouse. Their stay at this level was unfortunately to only last one season as they were relegated back to Division 1 at the end of the first season as the ground had not reached the required standard to stay in that division.

They remained in Division 1 West until dropping back into the Wiltshire League for Season 2014-15 in a move which also saw their reserve side drop down to the Cirencester & District League.

After dropping down local legend, Wayne Kibble was asked to run the senior sides and return to a focus on local players. This approach yielded great success as the first team won the Premier Division in Season 2014-15 and then following a third place finish the following season, they were promoted to the Western League for Season 2016-17. The elevation of the first team to the higher league also meant the second side, now re-branded as the Development team, joined the Premier Division of the Wiltshire Senior League. A respectable 9th place finish was achieved in their first season in the Western League followed by a mid-table finish in 2017-18. However, a, National League System re-structuring saw the club return to the Hellenic League Division 1 West for Season 2018-19. That return to the Hellenic saw them just miss out on promotion to the Hellenic Premier Division at the first attempt but they did have the consolation of winning the League's Division One Supplementary Cup. The following two seasons were both interupted by Covid but in both seasons Malmesbury were at the top end of the table in the top six when the seasons were brought to a premature end. Seasons 2022-22 and 2022-23 were not quite as successful as Malmesbury finished 11th and then 8th but the following season was to finally herald a return to the Premier Division. A second place finish behind Hartpury University saw Malmesbury return to the Premier Division. However, their stay at Step 5 would last just one season as they were relegated back to Division One after finishing second from bottom.

Their stay in DIvision One would be just for one season though as they returned to the Premier Division for this season after winning the end of season play-off. Having grabbed the last play-off spot by finishing fifth they won 4-2 away at Wantage Town in the semi-final before defeating Stonehouse 1-0 in an explosive play-off final that saw them elevated back to the Premier Division.

Derby stalemate

Royal Wootton Bassett Town 0

Malmesbury Vics 0

Tuesday 13 October 2026

Royal Wootton Bassett Town's highly anticipated Hellenic League Premier Division derby against Malmesbury Victoria proved to be a rather tense affair with the contest ending goalless.

It said a lot that the game - pitting two sides in the bottom third of the table against one another - drew a larger crowd than the other derby of the night between Highworth Town and Cirencester Town, two of the division's in form sides.

Over 200 were in attendance at the Swindon Mercedes Stadium (the third game to break that figure this season, with all games having been derbies). In contrast, Highworth and Cirencester attracted 173 - a still healthy number.

That reflected the intrigue in the match with Jonny Aitkenhead coming up against his predecessor as Bassett manager Sam Collier, who took to the opposing dugout with Alan Griffin for their first match in charge since assuming the reigns with the Vics.

There would ultimately be nothing to separate the sides though, with both managers arguably frustrated at the outcome.

For Bassett, the game was an opportunity to both pull themselves towards the middle of the pack and away from one of the sides below them in the table. Meanwhile for Malmesbury the hope would have been to extricate themselves from the bottom two while hitting the ground running with their new manager.

Neither side was able to fulfill those ambitions in a game that was tight and short on real attacking quality, despite the game at times being stretched.

Bassett had the better of the opportunities in the first half. An unmarked Alfie Presley skewed over from close range after Harrison Edwards' bustling run and cutback from the right.

Saturday's two goal hero George Cook fluffed his lines when set free by Edwards before a far post header from Joah Hall went narrowly wide.

Ed Taylor then came close to breaking the deadlock but was denied by Harry Pickering's superb instinct save as the Malmesbury 'keeper stopped low to parry his header from eight yards out from Ollie Smith's towering cross.

At the other end Kai Robinson initiated a counter after robbing Presley but Otis Lewis was unable to convert as he steered over from the edge of the box.

After the restart Malmesbury grew into the game more and Lewis Clark was forced into an alert save after Jordan Sykes used his strength to advance to the byline and cut back for Matt Morris to shoot from ten yards.

A Bassett break ended in Pickering tipping wide at his near post from an Ed Oatley drive.

Malmesbury then had the second period's best opening when Lewis, unmarked and ten yards out, skewed across the face of goal and wide after a low cross from the left.

Late on Pickering again denied Taylor who did well to connect with a back post header from a Presley cross. Bassett's Player of the Match Clark then pulled off two big stops late on. He first came charging off his line to bravely deny Harry Sealey at his feet after a long ball over the top caught Bassett on the break. Then when the Bassett defence was stretched, Clark was forced to save on the dive as Sealey turned and shot from ten yards out after Gabe Costello played a ball into the box.

The two teams go again at the Swindon Mercedes Stadium in just a fortnight's time in the opening round of the Wiltshire Premier Shield. That night something has to give.

Pain in the rain as goal drought continues

Royal Wootton Bassett Town 0

Longlevens AFC 1

Saturday 24 October 2026

In order to climb their way up the Hellenic League Premier Division table, Royal Wootton Bassett Town need to win games. But to win games, they need to score goals - something that they continue to struggle to do.

For the fourth straight match - and the fifth time in six October outings, Bassett were blanked against Longlevens. That was despite playing for the best part of 50 minutes with a man advantage.

And, courtesy of Lewis Driscoll's well taken 12th minute goal, Bassett fell to a third straight Hellenic League Premier Divisjpn loss as Longlevens extended their unbeaten run to ten games.

Driscoll would be sent off as half time loomed.

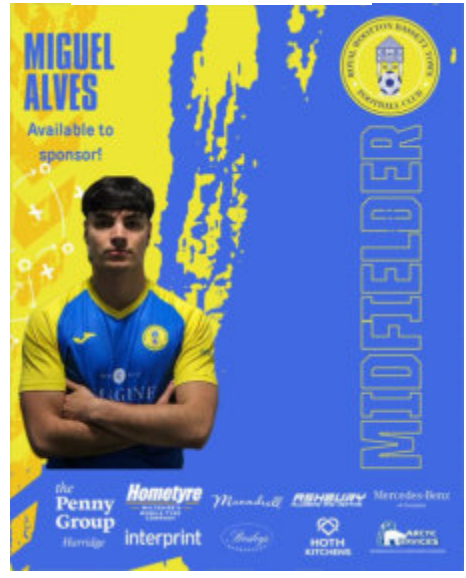

But a stubborn defensive display from Longlevens, coupled with Bassett's continued struggles in front of goal, meant having the extra man failed to yield any dividend - or respite for a team who have reverted back to their early season ways after having seemingly turned the corner in September.

It's the second time already this season Bassett have had a four-game stretch without scoring. And opponents have now kept a clean sheet in eleven of the twenty fixtures Bassett have played in all competitions to date.

Bassett will be hoping to rediscover their scoring boots on Tuesday when they host Malmesbury Victoria in the Wiltshire Premier Shield. The teams played out a goalless draw in the league a fortnight ago. But something must give when they meet in knockout action.

Hellenic Premier Roundup
Saturday 24th October 2026

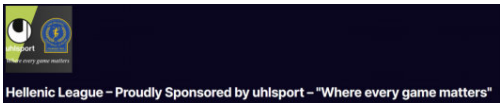

Despite Storm Austen and Storm Boelo just one of the ten scheduled league games was postponed on Saturday and that game involved tonight's visitors **Malmesbury Vics** and **Hereford Pegasus**.

Roman Glass St George opened up a ten-point lead at the top of the table with a 2-1 home win over **Thornbury Town** thanks to goals from Joe Budd and Jordan Williams, Charlie Boorman with the Thornbury reply, all three goals coming in the second half.

With Hereford Pegasus inactive, **Cinderford Town** moved up to second place after a 2-2 home draw with bottom of the table **Cribbs**. Despite climbing to second spot Cinderford will probably be viewing this as two points dropped, Jack Watts and Joau Silva giving them a 2-0 lead, but two goals in the final six minutes from Buster Reed, including a last-minute penalty, gave Cribbs a share of the points.

Highworth Town are level on points with Cinderford Town and up to third spot after a convincing 4-1 home win over fellow Wiltshire based side **Bradford Town**. The opening goal came from a wind assisted clearance from Highworth goalkeeper James Smallcombe that bounced over Bradford Town keeper Thomas Roberts to give the home side the lead on 26 minutes. Two second half goals from Josh McKinlay and one from Dayo Sonoiki gave Highworth Town a 4-0 lead before Jemar Thomas scored what was a consolation goal for Bradford Town in injury time at the end of the game.

Devizes Town lost ground when they were beaten 2-1 away in a Wiltshire derby encounter with **Corsham Town**. Jaeden Neale gave Corsham an early lead. Former Bassett striker Finn Hopkins brought Devizes back level but Corsham got what proved to be the winning goal 19 minutes from time through Sid Partridge.

Cirencester Town bounced back from their heavy defeat at Hallen with a 4-1 home win over **Stourport Swifts**. It remained goal less after an hour, but Sol Pryce finally broke the deadlock on 61 minutes. Jamol Dore then doubled the lead, but Stourport responded immediately pulling one back through Jake Cooper two minutes later. Harlie Price then restored Cirencester's two goal lead two minutes after that before Fin Bell made sure of the three points for Cirencester with a fourth eight minutes from time.

Despite playing with ten men for over 50 minutes, **Longlevens** returned with all three points after a 1-0 win over **Royal Wootton Bassett Town**. Lewis Driscoll with the all-important goal on 12 minutes before then seeing red. A more detailed report on this game is included elsewhere in tonight's programme.

There were plenty of goals and also red cards in the game between **Droitwich Spa** and **Fairford Town** with the two sides both seeing two players sent off in a seven goal encounter that saw both sides score in injury time, Ed Bridge levelling matters up on 92 minutes for Droitwich but then seeing Fairford snatch a winner through Lewis Middleton to see Fairford snatch all three points. Earlier Haydn Morris and James Lemon had scored for Droitwich and Leiws Middleton, Dylan Griifin and Harley Mulraney having netted for visitors Fairford. Griffin and Lemon were amongst the four players dismissed both sent off on 90 minutes before those two late goals.

Plenty of goals also at **Tuffley Rovers** where the home side fell toa 2-3 defeat against **Mangotsfield United**. Mangotsfield led 3-1 at the break thanks to goals from Lewis Powell, James Horrocks and George Fowler, Corey Warrington with the first half goal for Tuffley. Whilst the home side pulled one back on 68 minutes through Connor Walters it was to be the end of the afternoon's scoring as the visitors held out to claim all three points.

The final game of the day saw **Westfields** and **Hallen** share the points after a 1-1 draw, Bailey Fuller putting Westfields ahead and Harrison Fairman equalising for Hallen 14 minutes from time.

THE NON-LEAGUE PAPER
ESSENTIAL READING FOR FOLLOWERS OF THE NATIONAL GAME
To subscribe, visit www.thenonleaguefootballpaper.com/subscriptions

THIS week, we at NLP Towers caught up with two of our old contacts who continue to prove that life very much begins at 40 at this level of the game.

For years, Justin Bennett swept up Non-League defences in the south, banging in goals for the likes of Andover, Gosport Borough, Oxford City and Salisbury.

Now, at the age of 44, the legendary striker has reached another milestone by racking up 700 career goals – not bad considering he supposedly retired four years ago!

Bennett achieved the feat while turning out for Step 7 Shrewton United in an 8-2 Wiltshire Premier League win over Bradford Town reserves.

"I'll be honest, this season I've not felt as sharp as I used to be," Bennett admitted. "But I hit a bit of a purple patch. I got two in midweek and then I felt I had a good chance last Saturday."

Fans' favourite Bennett was a major part of Gosport Borough's famous run to the FA Trophy Final back in 2014.

He hung his shooting boots up back in 2022 after hitting 55 goals as Bemerton Heath Harlequins to the Wessex League Division One title. But the phone kept ringing.

"I was nearly 40, had just won the league with Bemmy so it was a good time – and I was happy, I wasn't looking to go back and play," said Bennett, who hit 200 goals on the nose for Andover earlier in his career.

"But I am a sucker when the phone rings and someone says, 'Can you come and help us out?' For whatever reason it's, 'Yeah, alright'. I've probably retired about three times!

"In my mind, if I am still getting out there and still having an impact on games and scoring then maybe I should keep going. My body tells me otherwise on a Sunday morning."

The same can also be said for former Telford, Tamworth and Altrincham striker Kyle Perry, who has crammed more into his 40 years than many people have in a lifetime.

Professional footballer, rock star and podcaster, among other career highlights - Perry is now having a crack at management – at Step 5 Coton Green.

Assisted by his brother Todd, he has taken over as manager and assistant of the Midland Football League club following Nic Oakley's departure to Lichfield City.

"I have always been here, there and everywhere," Perry told us. "Last season I got a call to go in as assistant manager at Romulus, which is Step 5.

"I really enjoyed working with the young lads. I just feel I needed to give back because I've got a lot to offer.

"My brother has been in Non-League from playing for Kidderminster when he was a kid all the way down to Step 7. It's a no brainer – let's go and do it together.

"I'm the manager, Todd's the assistant but it's definitely a family affair. We've signed Mason, Todd's son, who is 17 and has recently had England schoolboy trials.

"Management has been on my radar. It's tough when you're navigating getting older as a player. Especially when you're the type of player I was – or am."

And Justin and Kyle are not alone. A groundhopper's travels will see them cross paths with a vast number of wily campaigners still playing well into their fifth decade.

It's like an inch you've just got to scratch.

Jon Couch,

The Non League Paper

Footnote: Justin Bennett could well be at the Swindon Mercedes Stadium this coming Saturday when Shrewton United are the Dev Team's visitors.
