Women's Team Bassett Bulletin

GOOD AFTERNOON and welcome everyone to the newly named Swindon Mercedes Stadium for our second home game of the season. Today's fixture is a second-round qualifier in the Adobe Women's FA Cup, and our opponents are Gloucester City, who we will face at least twice more later in the season as we are now both playing in the same league.

We welcome Gloucester City, who have made the shortest of trips from Gloucestershire to join us this afternoon. A very warm welcome to all the visitors from Gloucester — players, coaches and supporters. I hope you enjoy your brief stay with us and wish you all a safe journey home.

At this time last season, we had only played one FA Cup game, away at Frimley Green, winning 2-0 on the day. We were without a league fixture the following weekend before travelling to Bristol Brunel in the same round as today's FA Cup tie.

Roll on a year and we have already played two league games before today's match, making a very positive start to the season.

We came from behind at home against a strong AEK Boco side to win 2-1 in what was a very close game. Our second league fixture saw us make our longest journey of the season, away to Poole Town, where we were narrowly beaten 1-0 by a very early goal which, I have to say, seemed very fortuitous from our Veo footage!

In my Boco notes, I tipped Sherborne Town to finally go and win the league after finishing second and third over the last couple of seasons. This must have been the kiss of death, as today's visitors went there and came away with a 1-1 draw! Only time will tell how close this league will be, but the early pace-setters look to be Portishead, who have won their opening two games and currently sit at the top of the league. They were, of course, relegated last season, so it will be interesting to see how the season develops.

James has added some youth to what I believe is already a talented squad and should, in my opinion, once again be challenging towards the top end of the league. What I have seen so far in pre-season and training is a real hunger to play for each other, with very little moaning. This will be very important for the whole squad over the next couple of weeks, especially for those who may not be selected to start or even make the matchday squad.

Keeping everyone positive and pulling in the same direction will be key. Football is a squad game, and everyone will have an important part to play as the season progresses. We still have a few player sponsorships available at £50. If you would like any more information, you can contact Mike Price, myself or Club Chairman Paul Gerrish. Our contact details are inside the front cover of this programme.

It is also fantastic to see the new women's kit with both front and back sponsors — the first time this has happened in seventeen seasons. My thanks go to Mallins and Hoth Kitchens for their support with this. Finally, enjoy the game this afternoon, and I hope the team can get back to winning ways.

See you in the bar after the game.

Bryan

From The Dugout with Manager James Lally

Good Afternoon.

Good afternoon, everyone, and welcome back to the Swindon Mercedes Stadium. It is FA Cup day, and it is great to be back playing at home.

Looking back at our first couple of weeks in this new league, it has been a really useful learning curve for us.

We started off with a hard fought 2-1 win against AEK Boco. It was a good opening result, and honestly, as the game went on, we probably deserved another goal or two for our efforts.

Then we had the long trip down to Poole. That one was definitely a frustrating afternoon. We conceded a strange goal about five minutes in, and we just never really got going after that. We couldn't get our passing to click, and Poole made it difficult for us. They are a good team, they played aggressively and moved the ball well.

The positive thing we take away from that trip, though, is knowing we played nowhere near our actual level. Losing to an early goal when we know we have so much more to give is annoying, but it keeps the belief in the squad high. We know we can be competitive at the top end of this table.

What those first two games have shown us is exactly what this season is going to look like. The games are going to be tight, and we have to turn up fully focused every single week. We simply will not get away with the occasional drops in concentration that we might have survived last year. It is a good lesson to learn early on.

Today, we take a break from the league for the competition everyone loves playing in. We have drawn Gloucester City. They are in our division, so just like Boco and Poole, we know it is going to be a really tough afternoon where very little will separate the two sides.

Last season, we made this pitch a really difficult place for opposing teams to visit. We want to build that exact same feeling again this year, and that continues today.

Thanks for coming out to support us. Grab a drink, get behind the girls, and enjoy the game!

James

From The Dressing Room with Alice Bowden

Good Afternoon, everybody!

What a start it's been to the season so far! A new league and we kicked things off with a win — unbelievable!

Last week saw our first loss, but I think we can all agree that a draw would have been a much fairer result.

With this being only the start of the season and already making great strides in the league, it's great timing for an FA Cup game.

Our opponents today are no strangers to us, having battled it out against them many times over the years. They are also in our league, so we'll be seeing plenty more of them in the near future!

But as for today, we're prepared and ready for what should be another great game. We're hoping to go as far as possible in the FA Cup, and we're all looking forward to getting started today.

Let's give it everything and see where this cup journey can take us!

Come on Bass!

Alice

Today's Opponents Gloucester City

Gloucester City Women's team are part of Gloucester City AFC and were formed in their present guise in 2021 although there have been women's teams playing under the Gloucester City banner since the 1990's. They are descended from one of the longest established women's sides in the area, having originally been formed in 1997 as The City of Gloucester Ladies.

We have only played their first team twice both fixtures coming in Season 2024-25, a season which saw Gloucester City win the Division One title to earn promotion to the Premier Division, with Bassett finishing in third place, some 19 points below Gloucester City. Gloucester remained unbeaten in their 20 league games, winning 18 of them, such was their domination of the division.

The final league table from that historic season is shown on the right.

Record expunged

Whilst Gloucester dominated the division that season the two games with Bassett were tight affairs. We lost narrowly here at the GBSG in November, going down 2-1, Kat Bach with our goal. The return fixture was our penultimate game of the season and we became one of just two sides to take points off Gloucester City all season, Caitlin Brooks, Honor Fraser and Mia Muford scoring in a 3-3 draw.

Bassett hold champions Gloucester in six goal thriller

Gloucester City 3

Royal Wootton Bassett Town 3

**South West Regional League Division
One North**

Sunday 6 April 2025

Royal Wootton Bassett Town took a very impressive point off South West Regional Women's Football League Division One North champions Gloucester City as the teams shared six goals in a thrilling contest.

Indeed Bassett were mere minutes away from becoming the first team to beat Gloucester in the league all season. However the Tigers equalised late to earn a point that keeps their unbeaten record intact.

Both sides showed attacking intent from the off. And it would be Bassett who opened the scoring when Caitlin Brooks headed in after home 'keeper Sam Linteo came for and missed a Hannah Gulliver corner. But despite going ahead, Bassett would trail at the break.

A trio of Millie Powell saves kept the visitors ahead before the dangerous Sachiko Kaneko-Grun eventually got the better of her.

Kaneko-Grun soon struck again, bundling in the rebound after a Powell double save.

The same player struck the bar twice early in the second half. Following the first, the rebound was put away only for an offside flag to rule out the goal. The second time saw Gloucester convinced the ball had bounced down over the line yet their appeals were turned away.

Surviving those scares, Bassett quickly levelled as Mia Mugford fired into the bottom corner after being set free in behind the Gloucester defence by a Brooks header.

Bassett were then soon ahead as Linteo lost track of an Honor Fraser delivery that drifted into the net.

The visitors could even have been 4-2 in front as Brooks headed narrowly over from a Fraser free kick.

Ultimately though Bassett were unable to hold on for the win.

Fine defending from captain Laura Jefferies and further heroics from Powell in goal kept Bassett in front.

However Kaneko-Grun would break their resistance to complete her hat trick as she shot into bottom corner.

Kaneko-Grun then almost won it for Gloucester but, for the third time in the match, rattled the woodwork.

Despite the fortune Bassett had, their point was a richly deserved one as they upped their game against the cream of this year's Division One North.

The result - coupled with Bitton's victory over Bath City - does mean that Adam Wood's side will (barring a miracle) have to settle for third place in the final standings.

But Bassett can be more than content with the way they came close to ending Gloucester's hopes of an unbeaten title winning campaign.

This was a highly impressive point..

Match Report

v AEK Boco

Bassett off and running after beating Boco

Royal Wootton Bassett Town 2 AEK Boco 1

Sunday 6 September 2026

Royal Wootton Bassett Town are back up and running at tier five as James Lally's side opened their South West Regional Women's Football League Premier Division campaign with a 2-1 home victory over AEK Boco.

An entertaining, closely fought encounter saw Bassett come from behind, with Elle Scott's coolly taken second half penalty helping Bassett take the points.

Fifth place finishers last season, Boco represented tough opponents for promoted Bassett. But the hosts more than matched their visitors on their way to a narrow, deserved victory.

Boco had the first shot on goal of the match when Sarah-Jayne Doidge's free kick forced Millie Powell to tip over with just four minutes on the clock.

The teams traded blows in an open start, with Hannah Gulliver drawing an awkward save from Natasha Hibbert.

But Boco eventually took the lead ten minutes before half time. Bassett failed to clear from a corner that bounced around the box and when play was recycled the ball dropped to Mia Brain who steered into the bottom corner on the turn.

Parity was quickly restored though. A fine move down the right between Briony Hurd and Honor Fraser appeared to have broken down as Boco regained possession. However a well timed challenge from Hurd saw the ball break for Megan Young who, with time to turn, saw Hibbert off her line and curled a delightful 30 yard effort into the top corner.

Bassett then went ahead on the hour. A quick break saw Young charge free. She was able to get her shot off with Hibbert turning around the post but a late, heavy challenge from Millie Lacey saw her scythed down. The referee pointed to the spot and Scott sent Hibbert the wrong way.

Boco had a great chance to equalise immediately when Darcy Cox was unable to head clear but Lucy Atkinson blazed over. That was the last time Boco posed a real threat though as Bassett's defence tightened up with the hosts successfully seeing the game out.

Match Report v Poole Town

Defeat in Dorset

Poole Town 1

Royal Wootton Bassett Town 0

Sunday 13 September 2026

Royal Wootton Bassett Town came up just short in their South West Regional Women's Football League Premier Division encounter away against Poole Town.

Bassett's first away game of the season - against the side who pipped them to the Division One East title when last league rivals in 2023-24, the contest was determined by Alice Fisher's fourth minute goal.

With both defences on top, neither side was subsequently able to find the game's second goal as Poole scraped home.

Tight, often low scoring games in which they came out on top were Bassett's forte in their Division One North title winning campaign. And that continued into last weekend's Premier Division opener against AEK Boco which finished 2-1 in James Lally's side's favour.

However at Poole, Bassett found themselves on the losing side.

The visitors acquitted themselves well though - and it's clear Bassett will be competitive at tier five.

While just a couple of weeks into the season, early results suggests it is set to be a closely fought, exciting campaign across the board. Indeed, of the seven games played so far, just two have been decided by two or more goals.
