Chris BALLARD

Colours: WHITE/
GREEN

Good afternoon everyone and welcome once again to the Gerrard Buxton Sports Ground where today sees Wootton Bassett Town taking a break from their league programme and continue their assault on the Wilts Senior Cup against their opponents today - Plessey Sports from Division 1 of the Wilts County League, and all at Wootton Bassett Town FC extend a warm welcome to their players, officials and supporters of Plessey Sports who have made the short journey from Swindon.

Last Saturday was a free weekend for Bassett and hopefully that break has allowed some of the injuries collected by most of the mid-field players to clear and permit Mick Woolford to field a strong team, without having to make too many positional changes. Although the injuries to Gerry McKay, Terry Davies and Mitch Johns are relatively long term, it is pleasing to hear that Steve Ackrill is now back in training and will soon be available for selection again having been out through injury for 7 weeks. But today sees the return of Tony Hoare, recovered from a chest injury sustained at Headington four weeks ago, and Paul Harrison, who has managed to shake off a knee injury -welcome back Paul and Tony.

Our last game in the league against Cirencester ended in a 2-1 victory with both goals from Colin Valters. It also saw the introduction into the team of Alan Wilson and Danny Groom. Danny coming on as substitute for Darren Jell and was unlucky not to score and mark his return to the Club with a goal.

The Reserves continue their good run of results. They have successfully disposed of Pewsey Res in the Ghia Junior Cup and last week in a league fixture defeated bottom placed Chiseldon 2-1, with Paul Burke scoring the winner with virtually the last kick of the game. Today they visit Dunbar Sports and will hopefully be able to extend their undefeated run to nine games.

I hope the game is entertaining this afternoon - with victory going to Bassett to take them a step nearer to winning the Wilts Senior Cup.

Thanks for your support today, and don't forget that the Club is open after the game and Dennis and Isobel will be more than happy to see you all for drink before you make your way home.
