Good afternoon and welcome once again to Rylands Way for the visit today of Almondsbury Picksons and all members of Wootton Bassett Town Football Club extend a warm welcome to their players, officials and supporters who have travelled down the M4 to be with us today, and lets hope the last game of 1988 will be an entertaining one, and lets further hope that Bassett can get a favourable result today, steer clear of injuries and be ready to travel to Cheltenham on 2 Jan for the 1st Round of the League Cup.

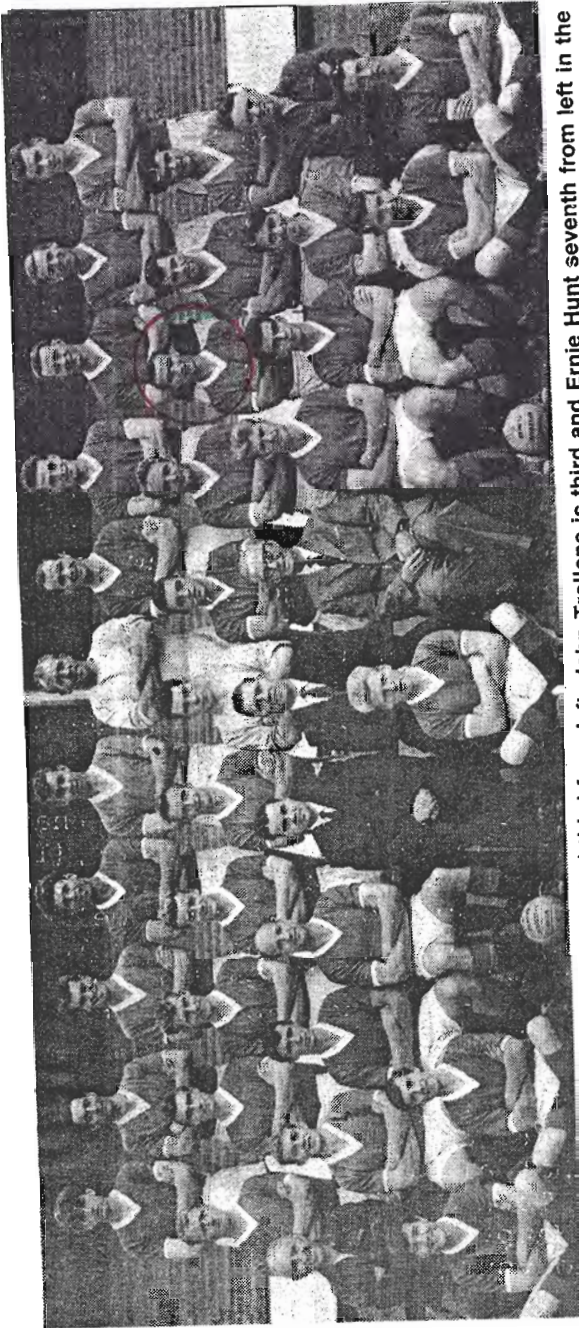

Having got off to a flying start to the season with a 5-1 win over Kidlington back in August, Almondsbury have continued to maintain their form and have not been out of the top four in the league all season, and like our visitors last Tuesday, Highworth Town, they have been scoring a lot of goals, and, at the time of going to print, have only failed to score in two league outings so far this season. Our last encounter with Almondsbury in early November, ended in a 3-2 defeat for Bassett, so hopefully we will be able to reverse that result here today.

For a bit of fun, I have published a photo that recently appeared in the Evening Advertiser, (I'm sorry for the quality though), and one face among the many youngsters of Swindon Town is a well known personality here at the Club. I have circled the face in question to make it a bit easier for you, but for those of you who are not able to identify him I will let you know in our next programme.

Thanks once again for your support today and for giving us you support so far this season. It just leaves me to say that all the players and officials of Wootton Bassett Town Football Club extend their good wishes for a Happy and Healthy New Year and we all look forward to your continued support in 1989.
