Good afternoon everyone and welcome yet again to Rylands Way where we return to League action again and this afternoon we extend a warm welcome to our visitors - Chipping Norton Town.

Last Saturday was a bit of a disaster for Bassett being eliminated from the Wilts Senior Cup by Oldacre from Div 1 of the Wilts County League. I was not able to witness the game, but on all accounts the display by Bassett was matched only by the atrocious weather conditions - a shame that the Wiltshire Ground Safety Team didn't visit the ground and postpone the game like they did at the County Ground Swindon! But lets not take anything away from Oldacre, the conditions were the same for them and they scored the goal that mattered, to keep them in the competition. Ironic that the goal was scored by a former Bassett player Dave Terry.

But to return to today for our league encounter with Chipping Norton. Chipping Norton are currently placed 4th as a glance at the league tables will show. We have yet to lose to Chipping Norton in the league, last season in our meetings with them we drew 1-1 at home in September, then in February when we visited their ground we won 2-1. Their final league placing last season was joint sixth, just one point behind Bassett.

The Reserves have at last got a win under their belts with a very good performance last week away to Supermarine Res. In the wide open spaces at Supermarine where the weather made football very difficult, the Reserves mastered the conditions well, played good well controlled football and eventually won 2-0 with goals from Mick Karn and Ian Scott-Brown. Rob Fry and Garry Dixon were particularly strong in defence. This week they travel to Malmesbury Vic and lets hope that they give the same performance there and come away with a victory.

The U12 press on with their very successful season, and last Saturday John Drury took the boys to Chesterton and won 7-1.

Next Saturday sees Bassett in Cup action again, at home to The Herd in the second round of the Federated Homes League Div 1 Cup. Having successfully disposed of Clanfield in the last round, we will be looking for a good run in this competition now that we have been eliminated from the Wilts Senior Cup.

Thanks for your support today, and to the few that braved the elements last week an even bigger thank you, I only hope that the conditions this week are more conducive to good soccer, but even more important I hope we see a better performance from Bassett.

FROM THE RECORDS\*\*

(\*\*The encyclopaedia of Association Football)  
(compiled by Maurice Golesworthy)

I have delved yet again into the record book and have come up with some more interesting facts:

1. The youngest player ever to appear in Division 1 of the Football League is D FORSTER who kept goal for Sunderland against Leicester City on 22 August 1964 at the age of 15 yrs and 185 days.

2. The oldest player ever to appear in the Football League is N McBAIN, who, at the age of 52 years 4 months played in goal for New Brighton against Hartlepool United on 15 March 1947.

3. 199,850 people watched the international match between Brazil and Uruguay in the World Cup Final played at Rio de Janeiro on 16 July 1950.

4. Throughout the history of the Football League, only 5 clubs have gone through a season without gaining a single away point. Div II Northwich Victoria 1893-4, Crew Alexandria 1894-5, Loughborough Town 1899-1900, Doncaster Rovers 1904-05 and Div III(N) Nelson 1930-31.

5. The first football match to be broadcast on the radio was a Division 1 match between Arsenal and Sheffield United at Highbury on 22 January 1927, and the first post-war FA Cup Final to be televised from start to finish was between Charlton Athletic and Burnley on 26 April 1947 - Charlton won 1-0 after extra time - watched by a crowd of 99,000.

6. One of the quickest "own goals" on record must go to Alan Mullery when playing for Fulham who scored for Sheffield Wednesday within 30 seconds of the start and before any Sheffield player had touched the ball. Mullery's embarrassing situation happened on 31 January 1961.

and finally under the heading of "Referees and Linesmen" comes the following unusual incident.

7. The famous occasion on which the referee was "sent off" by a team captain occurred in the annual Sheffield v Glasgow Inter-City match on 22 September 1930 at Hampden Park. Sheffield were playing in white shirts and black shorts. The referee, Mr J Thomson of Burnbank, wore a white shirt without a jacket. Captaining Sheffield was inside-right, J Seed. As soon as he found that he was passing the ball to the referee in error, he asked Mr Thompson to stop the game and put a on a jacket - Mr Thompson obliged.
