Good afternoon everyone and welcome once again to Federated Homes League action here at Rylands Way.

This afternoon we have the pleasure of entertaining Easington Sports and to their players, management and supporters Wootton Bassett Town Football Club extends a very warm welcome.

Well, Bassett have finally got the League Division 1 Cup Replay out of the way. They travelled away to The Herd last Saturday and in a rather scrappy game managed to run out 2-1 winners with goals from Damon York from a free kick and Steve Ackrill to put us into the Semi Final when we are due to play Chipping Norton Town on a date and at a venue yet to be decided. I think it is appropriate to mention at this point that Damon is currently the Division 1 leading goal scorer having found the net on 11 occasions from 15 league games - a strike rate that any Football League manager would be more than happy with. Well done Damon and keep up the good work.

It is some while now since we last saw Federated Homes League action here at Rylands Way and on that occasion it was against The Herd on 3 March, and again in a rather uninspiring game Bassett managed a 2-1 victory with goals from Neil Timbrell and a late winner from Kenny Regan. This game saw the introduction into the Bassett side of Keith Ovens who seems to be settling down well.

On 10 March Bassett travelled to Kidlington in a league fixture and were narrowly beaten 1-0. Bassett were unlucky to lose Kenny Regan after 20 mins following an injury which required hospital treatment, but fortunately, both for Ken and Bassett, the injury only required stitches and Ken was able to resume playing the following week.

The Reserves have, regrettably, been unable to continue the momentum they established just after Christmas and have not been able to collect any points whatsoever from their last 2 games. Since I last wrote, they have played Marlborough Town at home and lost 2-1, in what can only be described as a lethargic performance from Bassett Reserves, but last Saturday away to league leaders Burmah House saw a vast improvement and they were narrowly beaten 2-1, the Bassett goal coming late in the game from Mick Karn.

Both the 1stXI and the Reserves have a very busy programme in April, with a lot of fixtures here at Rylands Way and I have listed all fixtures (together with kick-off times) to be played, later in the programme - so make a note in your diaries and come and give both teams your support on the final run-in to the season.

Thank you for your support today and lets hope we see a good clean and entertaining game with, hopefully, 3 more points for Bassett.

### AN OVERALL INSURANCE SERVICE

At Heather, Moor and Edgecomb Limited we pride ourselves in giving advice on all aspects of insurance ranging from simple moped or holiday insurance right across the board to investment of capital sums, pensions, arranging mortgages and raising finance for businesses. The Company was established in 1970 and opened its offices adjacent to RAF Station Lyneham in 1973. We arrange a considerable number of mortgages each year and can normally arrange 100% mortgages for first time buyers plus remortgages for the raising of capital to finance business ventures, holiday homes, school fees etc. We offer a personal service to our clients and review their portfolio every two years as part of that service. This means we have to comply with statutory regulations devised for the protection of the public and insure that you are dealing with a financially sound technically competent and non-aligned Independent Advisory Organisation. We are also Local Agents for the Halifax Building Society. Our clients appreciate that we can deal with all aspects of their insurance and financial requirements. Our advice is free and without obligation. If you feel we can be of service to you why not contact our officers at Lyneham and arrange a mutually convenient appointment with one of our representatives? We would be happy to see you at your home if this proves more convenient.

### OUR VISITORS

Our visitors today, Easington Sports, from Banbury, who are members of the Oxford FA come to us languishing at the foot of the table, just one place from the bottom on 15 points. Of the 20 games played so far this season they have only managed 4 wins, 3 draws and 13 defeats.

This is our second meeting of the current campaign. Earlier in the season, on 14 Oct when we travelled to Easington, Bassett notched up a good away victory 1-0.

Last season was reasonably successful for Easington finishing in 8th position on 39 points just one point behind Bassett to finish the season as the League's draw specialists - of the 28 games played, they drew 12, won 9 and lost 7 and in the process scored 43 goals but conceded a total of 39.
